Lemon-Aid Used Cars and Trucks 2012–2013 Jul 19 2021 Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

**Edmunds New Cars & Trucks Buyer's Guide 2004** Jul 27 2019 The consumer guide to shopping for and purchasing new cars and trucks features MSRP & dealer invoice prices, specifications, information on standard and optional equipment, reviews for every make and model, buying and leasing advice, and much more. Original.

Lemon-Aid Used Cars and Trucks 2011–2012 Jul 31 2022 As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 2011/2012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an expos of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers can't beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown on Honda, Hyundai, and Toyota engines and transmissions; and provides the latest information on computer module glitches.

**One Last Breath Apr 15 2021** He's an ex-cop. She's an ex-wife. And they're both out for revenge on the same man.... When pampered former cheerleader Feenie Malone takes a job writing fluff pieces for her South Texas paper, she has no idea she's about to stumble into a juicy news story that could launch

her career -- if it doesn't get her killed first. Almost as soon as she breaks out her press pass, she crosses paths with Marco Juarez, the macho PI obsessed with solving his sister's murder. The information he has might be the perfect lead -- but his dangerously sexy looks could be a deadly distraction. Juarez has zero patience for reporters, especially mouthy blond ones. But with the evidence pointing to Feenie's ex-husband, Marco thinks she could be useful. Confident he can keep her on a tight leash, he lets her in on his investigation. He quickly discovers he's underestimated his new partner, as well as the danger they both face. Now he must protect her -- to the very last breath....

**The Question of the Dead Mistress** Aug 20 2021 "Readers will delight in watching Copperman's literal-minded hero grapple not only with unpredictable and nuanced human thinking, but with logic from beyond the grave."—Kirkus Reviews "Is my husband having an affair with a dead woman?" For Samuel Hoenig, the proprietor of a unique agency called Questions Answered, the answer to this most recent question is simple. Since there's absolutely no evidence that apparitions exist, it would be impossible for Ginny Fontaine's husband to be having an affair with one. But Samuel's associate, Janet Washburn, isn't so easily convinced. Wrestling with his complicated feelings for Ms. Washburn,

Samuel proposes that she take the lead on the question. As soon as her research begins, the husband in question ends up dead, leaving Janet and Samuel wondering if they stand a ghost of a chance at unraveling this twisted tale of danger and deceit. Praise: "The first-person narration provides insights into the protagonist's logical, literal thought processes and his perplexity at emotional nuances and social subtleties. Series fans will appreciate the further development of Samuel's character."—Publishers Weekly

*Lemon-Aid New Cars and Trucks 2012* Jul 07 2020 Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own (biodegradable transmissions, "rodent snack" wiring, and mind-boggling depreciation) Many 2011-12 automobiles have "chin-to-chest head restraints, blinding dash reflections, and dash gauges that can't be seen in sunlight, not to mention painful wind-tunnel roar if the rear windows are opened while underway) Ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers) GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that "killed" its own electric car more than a decade ago) You can save \$2,000 by cutting freight fees and "administrative" charges) Diesel annual urea fill-up scams can cost you \$300, including an \$80 "handling" charge for \$25 worth of urea) Lemon-Aid's 2011-12 Endangered Species List: the Chinese Volvo, the Indian Jaguar and Land Rover, the Mercedes-Benz Smart Car, Mitsubishi, and Suzuki

*Lemon-Aid Used Cars and Trucks 2010-2011* Mar 27 2022 "The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about." – The Globe and Mail Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.

**Statistics** Jun 17 2021 Johnson provides a comprehensive, accurate introduction to statistics for business professionals who need to learn how to apply key concepts. The chapters have been updated with real-world data to make the material more relevant. The revised pedagogy will help them contextualize statistical concepts and procedures. The numerous examples clearly demonstrate the important points of the methods. New What Will We Learn opening paragraphs set the stage for the material being discussed. Using Statistics Wisely boxes summarize key lessons. In addition, Statistics in Context sections give business professionals an understanding of applications in which a statistical approach to variation is needed.

**Business in Post-Communist Russia** Nov 22 2021 It is a widely held idea that Russia has completed

its revolution which brought down the Soviet economy, and that many companies after privatisation work as typical western companies. Another belief is that Russia has adopted a market economy but then reverted to authoritarianism. With these two ideas in mind, this book discusses the suggestion that the key element of post-Soviet economic and political reforms in the last two decades was the redistribution of assets from the state to oligarchs and the new elite. It looks at why most Russian companies could not achieve strong long-run corporate performance by analysing in detail a range of different Russian companies. The book is a useful tool for understanding the future prospects for Russian business.

**The Question of the Missing Head** Dec 12 2020 Samuel Hoenig answers questions for a living. And as a man with Asperger's Syndrome, his unique personality helps him ferret out almost any answer there is. But his latest question is a rather odd one—who stole a preserved head from the Garden State Cryonics Institute? Arriving at the scene of the crime accompanied by his new colleague, Ms. Washburn, Samuel finds that what started out as a theft has escalated to murder. With suspects and motives emerging at a rapid rate, one final question remains—can Samuel's powers of deduction uncover a killer in the face of overwhelming odds? Praise: *A Mystery Scene Best Book of 2014* "[A] delightful and clever mystery."—*Publishers Weekly* "Delightfully fresh and witty...Pure heaven."—*Mystery Scene* "In this well-crafted story, the Asperger's element...provides a unique point of view on crime-solving, as well as offering a sensitive look at a too-often-misunderstood

condition."—Booklist "Copperman/Cohen succeeds in providing a glimpse not only of the challenges experienced by those with Asperger's, but also of their unique gifts."—Ellery Queen Mystery Magazine "Cleverly written and humorous."—Crimespree Magazine
