Adam, Apes and Anthropology Jan 24 2020 Glenn Morton used to be a young-earth creationist, but the facts changed his views. In this his second book, Morton shows that mainstream science does not contradict a literal reading of the inerrant word of God. The author provides proof that God created Adam and Eve about 5.5 million years B. C. (Please note that, for formatting purposes, there is an intentionally blank page between pages 5 and 6 of the main text.)

The Case Against My Brother Aug 19 2019 Orphan teenage brothers, Carl and Adam, are in Portland, Oregon and when the police accuse Adam of stealing jewelry, it's up to the younger brother Carl to find the real thief in the anti-Catholic and anti-immigrant state of 1922.

Trust Me: Adam & Mila #2 Dec 03 2020 Trust Me is book two in Adam and Mila's duet and book six in the Hawthorn Hills Duet Series. A two-part, angst-filled, secret past love story. Tempt Me must be read before Trust Me in order to enjoy the full story. ?Life at its hardest requires trust. Adam Cooper ran without explanation, right when she needed him most. But she doesn't know the true depth of his scars. Mila Collins is everything to him, but she can't understand the past that still haunts him. And he has no idea about the secrets she's hiding. Consumed by their own secrets and fears, they're about to discover just how much they need each other. But in order to do that, they're going to need to learn how to trust. The Hawthorn Hills Duet Series follows eight couples. Each two-book duet must be read in order to enjoy the couple's full story, but the series can be read in any order. You'll find angst-filled, slow-burn, epic love stories along with topical storylines and some amazingly real and raw characters.

The Adam Project Dec 15 2021 Alex Rappaport is a very special young man. Alex can do some very special things - and see things that no one else can. Now Alex has seen something he shouldn't have, something that makes him fear for his life. Alone and on the run, Alex is determined to stay ahead of the killers on his trail. A chance meeting with Madeleine, a beautiful young widow convinces Alex that he has to right the wrongs he has been party to. Doing so is fraught with danger - for both of them, but they have no choice for only Alex and Madeleine can uncover the conspiracy, stop the killing and put an end to THE ADAM PROJECT.

History Is All You Left Me May 20 2022 From the author of the INTERNATIONAL NO. 1 BESTSELLER THEY BOTH DIE AT THE END comes an explosive examination of grief, mental illness, and the devastating consequences of refusing to let go of the past. Please note that covers may vary. You're still alive in alternate universes, Theo, but I live in the real world where this morning you're having an open casket funeral. I know you're out there, listening. And you should know I'm really pissed because you swore you would never die and yet here we are. It hurts even more because this isn't the first promise you've broken. Griffin has lost his first love in a drowning accident. Theo was his best friend, his ex-boyfriend and the one he believed he would end up with. Now, reeling from grief and worsening OCD, Griffin turns to an unexpected person for help. Theo's new boyfriend. But as their relationship becomes increasingly complicated, dangerous truths begin to surface. Griffin must make a choice: confront the past, or miss out on the future... PRAISE FOR HISTORY IS ALL YOU LEFT ME: 'There isn't a teenager alive who won't find their heart described perfectly on these pages.' Patrick Ness, author of The Knife of Never Letting Go 'This book will make you cry, think, and then cry some more.' Nicola Yoon, author of Everything, Everything 'Sweetly devastating, passionately honest, breathtakingly human.' Becky Albertalli, author of Simon vs. the Homo Sapiens Agenda

The Temptation of Adam Apr 19 2022 Adam Hawthorne is fine. Yeah, his mother left, his older sister went with her, and his dad would rather read Nicholas Sparks novels than talk to him. And yeah, he spends his nights watching self-curated porn video playlists. But Adam is fine. When a family friend discovers Adam's porn addiction, he's forced to join an addiction support group: the self-proclaimed Knights of Vice. He goes because he has to, but the honesty of the Knights starts to slip past his defenses. Combine that with his sister's out-of-the-blue return and the attention of a girl he meets in an AA meeting, and all the work Adam has put into being fine begins to unravel. Now Adam has to face the causes and effects of his addiction, before he loses his new friends, his prodigal sister, and his almost semi-sort-of girlfriend.

The Rise and Fall of Adam and Eve Aug 11 2021 Selected as a book of the year 2017 by The Times and Sunday Times What is it about Adam and Eve's story that fascinates us? What does it tell us about how our species lives, dies, works or has sex? The mythic tale of Adam and Eve has shaped conceptions of human origins and destiny for centuries. Stemming from a few verses in an ancient book, it became not just the foundation of three major world faiths, but has evolved through art, philosophy and science to serve as the mirror in which we seem to glimpse the whole, long history of our fears and desires. In a quest that begins at the dawn of time, Stephen Greenblatt takes us from ancient Babylonia to the forests of east Africa. We meet evolutionary biologists and fossilised ancestors; we grapple with morality and marriage in Milton's Paradise Lost; and we decide if the Fall is the unvarnished truth or fictional allegory.

Machines Like Me Jul 22 2022 **Number One Sunday Times Bestseller** Charlie, drifting through life and dodging full-time employment, is in love with Miranda, a bright student who lives with a terrible secret. When Charlie comes into money, he buys Adam, one of the first batch of synthetic humans. With Miranda's assistance, he co-designs Adam's personality. This near-perfect human is beautiful, strong and clever – and soon a love triangle forms, which leads Charlie, Miranda and Adam to a profound moral dilemma. Can you design the perfect partner? What makes us human? Our outward deeds or our inner lives? Provocative and moving, Machines Like Me explores whether a machine can ever truly understand the human heart. 'Funny, thought-provoking and politically acute...' Sunday Times 'Dazzling' Guardian 'An unsettling examination of the human condition. Bold, clever' Sunday Telegraph

I'm Your Emotional Support Animal Jul 30 2020 Instant National Bestseller! Wall Street Journal and USA Today Bestseller! Three-time New York Times bestseller Adam Carolla is back to take on social media, social justice warriors, and a society gone to s**. As seen on Fox News's Fox & Friends! “As the revolution reaches its final, most humorless stage, there’s no better, braver, or more insightful observer than Adam Carolla. You may feel despondent about what’s happening right now. This book will remind you that you should also be amused.”—Tucker Carlson In I'm Your Emotional Support Animal, Adam Carolla examines how our culture went careening off a cliff. We used to have one that created real warriors who fought world wars. Now it spawns social justice warriors who fight Twitter wars. He takes on those who are traumatized by Trump and “emotional support animal” owners who proclaim their victimhood at every airport. He stands up for the collateral damage of the #MeToo movement and for freedom of speech on “safe space” filled college campuses. Examining the calculated commercials churned out by Madison Avenue, like the ones about cars “made with love,” Carolla rants on ads designed to either bum us out or make us think the corporation is run by Mr. Rogers. Turning to social media, Adam takes down the “hashtag heroes” who signal their virtue daily from atop Twitter mountain. And in the era of the Roomba, performances by dead celebrity holograms, and meals-on-demand delivery services, he looks down the road at our not-so-bright future as a species. “Adam and I agree on absolutely nothing but he’s a sharp, smart, funny guy to disagree with. And there’s a human heart under all the gruffness, snark, and melted cheese.”—Patton Oswalt Frank, funny, and utterly unapologetic, this is not a book for those who need a trigger warning, but is THE book for everyone who wants to hit the snooze bar on the “woke” culture.

The Orphan Master's Son Sep 19 2019 The son of an influential father who runs an orphan work camp, Pak Jun Do rises to prominence using instinctive talents and eventually becomes a professional kidnapper and romantic rival to Kim Jong Il.

Adam Only Sep 12 2021 On stage, Adam lets his passion drive him. All his secret desires, everything nasty, dirty, and beautiful flows freely through him, for once in harmony. When Christoffer sees Adam dancing, he's lost. Whatever might happen between them, it will be transient, and Christoffer will most likely get hurt. But if he treads carefully, Adam might stay.

Twas The Nightshift Before Christmas May 28 2020 The number one Sunday Times bestseller in a new festive package, Twas the Nightshift Before Christmas is the perfect stocking filler from the author of multi-million-copy bestseller This is Going to Hurt – now a major BBC TV series. Christmas is coming, the goose is getting fat . . . but 1.4 million NHS staff are heading off to work. In this perfect present for anyone who has ever set foot in a hospital, Adam Kay delves back into his diaries for a hilarious, horrifying and sometimes heartbreaking peek behind the blue curtain at Christmastime. This is a love letter to all those who spend their festive season on the front line, removing babies and baubles from the various places they get stuck, at the most wonderful time of the year. “The perfect surgical stocking-filler” The Times

What If It's Us Mar 18 2022 A New York Times, USA Today, and Indie bestseller! Critically acclaimed and bestselling authors Becky Albertalli and Adam Silvera combine their talents in this smart, funny, heartfelt collaboration about two very different boys who can't decide if the universe is pushing them together—or pulling them apart. ARTHUR is only in New York for the summer, but if Broadway has taught him anything, it's that the universe can deliver a showstopping romance when you least expect it. BEN thinks the universe needs to mind its business. If the universe had his back, he wouldn't be on his way to the post office carrying a box of his ex-boyfriend's things. But when Arthur and Ben meet-cute at the post office, what exactly does the universe have in store for them . . . ? Maybe nothing. After all, they get separated. Maybe everything. After all, they get reunited. But what if they can't nail a first date even after three do-overs? What if Arthur tries too hard to make it work and Ben doesn't try hard enough? What if life really isn't like a Broadway play? But what if it is? What if it's us? Plus don't miss Here's to Us! Becky Albertalli and Adam Silvera reunite to continue the story of Arthur and Ben, the boys readers first fell for in What If It's Us.

In the Beginning Apr 26 2020

Love from A to Z May 08 2021 From William C. Morris Award Finalist S.K. Ali comes an unforgettable romance that is part The Sun Is Also a Star mixed with Anna and the French Kiss, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb's teacher, who won't stop reminding the class how “bad” Muslims are. But Zayneb, the only Muslim in class, isn't bad. She's angry. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt's house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, “nicer” version of herself in a place where no one knows her. Then her path crosses with Adam's. Since he got diagnosed with multiple sclerosis in November, Adam's stopped going to classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam's also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing roles for others, keeping their real thoughts locked away in their journals. Until a marvel and an oddity occurs... Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting.

The Unsolved Murder of Adam Walsh Jun 28 2020 THE UNSOLVED MURDER OF ADAM WALSH IS A TWO-BOOK SERIES ALSO READ BOOK ONE: FINDING THE KILLER Six-year-old Adam Walsh disappeared from the toy department of a Sears in Hollywood, Florida, in 1981. Two weeks later and 125 miles away, a child's severed head was found and identified as Adam. His parents, Reve and John Walsh, deeply grieved and dedicated their lives going forward to helping find other parents' children who had gone missing. In 2008, 27 years later, police announced at a live televised press conference that they'd finally solved the case, blaming the kidnapping and murder on a by-then dead man. Because of that there could never be a trial. All of that is true. But virtually everything else that you think you know about this famous case is wrong. In 1983, 25 years earlier, that suspect had volunteered a confession that he'd killed Adam Walsh. But the police then had deeply investigated his story and couldn't verify anything he'd said, not even that he'd been within 400 miles of the area. In 2008, when a new Hollywood Police chief closed the case, he admitted they had no new evidence. What the new chief didn't mention was that by then he had six separate police witnesses who'd been at the shopping mall on that day in 1981, and had since spoken up. Most had seen Adam; all had seen a much more likely suspect -- Jeffrey Dahmer. A microfilmed Miami police report the author found and had previously shown to the Walsh detectives proved that Dahmer was then living just a few miles from the Sears. Dahmer's boss told the author that the prompt for the report was that Dahmer had told him he'd just found the body of a homeless man behind the store. Yes, bad luck, Jeffrey Dahmer found a dead body. 1981 was 10 years before Milwaukee police found severed heads in Dahmer's refrigerator and arrested him as a serial killer. He said he'd killed his first victim in 1978. Even worse, it turned out that the identification of the child as Adam had been slapdash and suspect. The Walsh parents weren't present for it; John Walsh wrote years later that he'd never viewed even photographs of the remains. A family friend had been present for the ID, and Walsh wrote that his first impression had been that it wasn't Adam. Because the remains were only a severed head, there were no fingerprints, and forensic DNA was still years away. The pathologist making the identification did it strictly by teeth, but he admitted he wasn't a dental expert. Dental X-rays, when available, are a standard for comparison, but he didn't have them. He also had a forensic dentist available but never consulted him. A medical examiner in another regional office performed the autopsy, but he also never consulted a forensic dentist. Worse again, that medical examiner never wrote and submitted an autopsy report, as state laws and guidelines require. That perhaps never happens. Had police ever charged any live defendant with murder in this case, prosecutors in court would have been handcuffed to prove that the dead child was Adam. The case likely then would have ended. Why all the misdirection? Did Dahmer take Adam? Is Adam even dead, is that someone else's child? Could Adam be... alive? Fifteen years of continuing research. Author's story appeared in 2007 on ABC Primetime, and in 2010 on a Sunday front page of The Miami Herald. "I never, and to my knowledge no one in the office, prepared a report on the head of Adam Walsh." -- 2010 email from Dr. Ronald K. Wright, in 1981 the Chief Broward County Medical Examiner, who performed the autopsy on the remains of the child previously identified as Adam Walsh, when asked if he had a personal copy of Adam Walsh's autopsy report that neither the Medical Examiner's Office nor the police had. “There’s no way in hell.” -- A Florida forensic dentist, viewing the teeth in both the last picture of Adam Walsh and the remains of the child identified as him, responding to the question of whether they could be the same child. Other forensic dentists shown the same material agreed.

Adam-2 Apr 07 2021 With incredible twists and turns and an action-packed story, this is a thrilling, unputdownable adventure. The robot Adam-2 has been locked in the basement of a lost building for over two hundred years - until one day he is discovered by two children, and emerges into a world ruined by a civil war between humans and advanced intelligence. Hunted by both sides, Adam discovers that he holds the key to the war, and the power to end it - to destroy one side and save the other. But which side is right? Surrounded by enemies who want to use him, and allies who mistrust him, Adam must decide who - and what - he really is. From the author of the highly-acclaimed Orion Lost, Adam-2 is an exciting and hugely gripping science fiction thriller - perfect for fans of Eoin Colfer, Anthony Horowitz, and Philip Reeve.

Born Into This Jul 10 2021 * The Story Prize Spotlight Award, Winner * Readings Prize for New Australian Fiction, Shortlist * Queensland Literary Awards – University of Southern Queensland Steele Rudd Award for a Short Story Collection, Shortlist * Age Book of the Year award, Finalist * An ABA Indie Next pick for “Great New Reads” for August. * "A Best Native Book of 2021" —The Tribal College Journal * "A Best Book of the Year" —Independent Book Review The remarkable stories in Born Into This are eye-opening, razor-sharp, and entertaining, often all at once. From an Aboriginal ranger trying to instill some pride in wayward urban teens on the harsh islands off the coast of Tasmania, to those scraping by on the margins of white society railroaded into complex and compromised decisions, Adam Thompson presents a powerful indictment of colonialism and racism. With humor, pathos, and the occasional sly twist, Thompson's characters confront discrimination, untimely funerals, classroom politics, the ongoing legacy of cultural destruction, and — overhanging all like a discomforting, burgeoning awareness for both black and white Australia — the inexorable disappearance of the remnant natural world. "A legacy of cultural destruction in Australia and the disappearance of the natural world loom over stories of Aboriginal rangers, untimely funerals and angry bees in this sharp fiction debut." —New York Times Book Review "With its wit, intelligence and restless exploration of the parameters of race and place, Thompson's debut collection is a welcome addition to the canon of Indigenous Australian writers." —Thuy On, The Guardian

Parasites Like Us Oct 25 2022 *The debut novel by the author of THE ORPHAN MASTER'S SON: winner of the Pulitzer Prize for Fiction 2013 After trashing his cherry '72 Corvette, illegally breaking into an ancient burial site, and snacking on 12,000-year-old popcorn, Hank Hannah finds that he's inadvertently unleashed the apocalypse. Hank, a professor of anthropology back in the days when there were still co-eds to ogle and now one of only twelve humans still alive on earth, decides to record the last days of human civilization for whomever - or whatever - might replace us.

Adam's List Jun 09 2021 t all started with an innocent bucket list. She wasn't prepared for it to end with a broken heart. Jewels was naturally beautiful, exceptionally smart, a talented cheerleader, life of the party, and had an All-American boyfriend. One regrettable choice and fatal accident later, and she found herself unceremoniously knocked off her pedestal. Now she's in college, going through the motions, but not really living. Adam Murphy is easy-going, charming, considerate, and crazy good looking; he's exactly the kind of guy Jewels pictures herself being happy with. But Jewels is already involved with someone, and Adam makes it known that he's guarding a dark secret, one that makes him the wrong guy for her.

What It Is Like To Perceive Jan 04 2021 Naturalistic cognitive science, when realistically rendered, rightly maintains that to think is to deploy contentful mental representations. Accordingly, conscious perception, memory, and anticipation are forms of cognition that, despite their introspectively manifest differences, may coincide in content. Sometimes we remember what we saw; other times we predict what we will see. Why, then, does what it is like consciously to perceive, differ so dramatically from what it is like merely to recall or anticipate the same? Why, if thought is just representation, does the phenomenal character of seeing a sunset differ so stunningly from the tepid character of recollecting or predicting the sun's descent? J. Christopher Maloney argues that, unlike other cognitive modes, perception is in fact immediate, direct acquaintance with the object of thought. Although all mental representations carry content, the vehicles of perceptual representation are uniquely composed of the very objects represented. To perceive the setting sun is to use the sun and its properties to cast a peculiar cognitive vehicle of demonstrative representation. This vehicle's embedded referential term is identical with, and demonstrates, the sun itself. And the vehicle's self-attributive demonstrative predicate is itself forged from a property of that same remote star. So, in this sense, the perceiving mind is an extended mind. Perception is unbrokered cognition of what is real, exactly as it really is. Maloney's theory of perception will be of great interest in the philosophy of mind and cognitive science.

Think Again Jun 21 2022 Instant #1 New York Times Bestseller Listed as a Times Self-Help Book of the Year Discover the critical art of rethinking: how questioning your opinions can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, the most crucial skill may be the ability to rethink and unlearn. Recent global and political changes have forced many of us to re-evaluate our opinions and decisions. Yet we often still favour the comfort of conviction over the discomfort of doubt, and prefer opinions that make us feel good, instead of ideas that make us think hard. Intelligence is no cure, and can even be a curse. The brighter we are, the blinder we can become to our own limitations. Adam Grant - Wharton's top-rated professor and #1 bestselling author - offers bold ideas and rigorous evidence to show how we can embrace the joy of being wrong, encourage others to rethink topics as wide-ranging as abortion and climate change, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, and how a vaccine whisperer convinces anti-vaxxers to immunize their children. Think Again is an invitation to let go of stale opinions and prize mental flexibility, humility, and curiosity over foolish consistency. If knowledge is power, knowing what you don't know is wisdom.

Holy Bible Nov 14 2021 A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font.

This is Going to Hurt Oct 13 2021 Now A Major BBC Series Starring Ben Whishaw. The multi-million copy bestseller and Book of the Year at The National Book Awards. 'Painfully funny. The pain and the funniness somehow add up to something entirely good, entirely noble and entirely loveable.' - Stephen Fry Welcome to the life of a junior doctor: 97-hour weeks, life and death decisions, a constant tsunami of bodily fluids, and the hospital parking meter earns more than you. Scribbled in secret after endless days, sleepless nights and missed weekends, Adam Kay's This is Going to Hurt provides a no-holds-barred account of his time on the NHS front line. Hilarious, horrifying and heartbreaking, this diary is everything you wanted to know – and more than a few things you didn't – about life on and off the hospital ward. Sunday Times Number One Bestseller for over eight months and winner of a record FOUR National Book Awards: Book of the Year, Non-Fiction Book of the Year, New Writer of the Year and Zoe Ball Book Club Book of the Year. This edition includes extra diary entries and an afterword by the author.

Bête Jun 16 2019 A man is about to kill a cow. He discusses life and death and his right to kill with the compliant animal. He begins to suspect he may be about to commit murder. But kills anyway ... It began when the animal rights movement injected domestic animals with artificial intelligences in a bid to have the status of animals realigned by the international court of human rights. But what is an animal that can talk? Where does its intelligence end at its machine intelligence begin? And where might its soul reside? As we place more and more pressure on the natural world and become more and more divorced Adam Roberts' new novel posits a world where nature can talk back, and can question us and our beliefs. Roberts is an award winning author at the peak of his powers and each new novel charts an exciting new direction while maintaining a uniformly high level of literary achievement.

The First One You Expect Feb 05 2021 When he's not holding down a dead-end job or lurking in his mother's basement, Tony Anastos spends his time shooting ultra-low-budget horror flicks. After meeting his sexy fame-hungry coworker Anna, he sees an opportunity to launch his career into cult stardom. But when Tony's plan to jolt their next film's Kickstarter into overdrive calls for real blood, he will sacrifice the last bit of his humanity for a shot at recognition. But it makes sense. Look at him. The stuff he makes, I mean, he's the first one you expect. "The First One You Expect is a fast, sexy, fun, dangerous read, and enough of a taste to make me hope Cesare ventures into crime fiction regularly." -Spiningler Magazine "An engaging, contemporary thriller with a cutting-edge narrative, and characters so real they could live next door." -Rio Youers, author of Westlake Soul and Point Hollow "[A] hugely entertaining parable of the be-careful-what-you-wish-for kind." -Crime Fiction Lover

Parasites Like Us Aug 23 2022 The debut novel by the author of The Orphan Master's Son (winner of the 2013 Pulitzer Prize) and the story collection Fortune Smiles (winner of the 2015 National Book Award) Hailed as "remarkable" by the New Yorker, Emporium earned Adam Johnson comparisons to Kurt Vonnegut and T.C. Boyle. In his acclaimed first novel, Parasites Like Us, Johnson takes us on an enthralling journey through memory, time, and the cost of mankind's quest for its own past. Anthropologist Hank Hannah has just illegally exhumed an ancient American burial site and winds up in jail. But the law will soon be the least of his worries. For, buried beside the bones, a timeless menace awaits that will set the modern world back twelve thousand years and send Hannah on a quest to save that which is dearest to him. A brilliantly evocative apocalyptic adventure told with Adam Johnson's distinctive dark humor, Parasites Like Us is a thrilling tale of mankind on the brink of extinction.

Tempt Me: Adam & Mila #1 Oct 01 2020 Tempt Me is book one in Adam and Mila's duet and book five in the Hawthorn Hills Duet Series. A two-part, friends to lovers, angst-filled love story. Tempt Me must be read before Trust Me in order to enjoy the full story. Life at its best can be tempting Adam Cooper is her worst nightmare, the guy across the hall with the body of a god and an Australian accent to match. She knows she should stay away. Mila Collins is the only girl to spark his interest in a while and something about that excites him. But he knows it will only lead to trouble. But when their flirting crosses the line, staying away from each other no longer becomes an option. With secrets from their past hidden, it's what tempts them that could reveal it all. The Hawthorn Hills Duet Series follows eight couples. Each two-book duet must be read in order to enjoy the couple's full story, but the series can be read in any order. You'll find angst-filled, slow-burn, epic love stories along with topical storylines and some amazingly real and raw characters.

The Orphan Master's Son Sep 24 2022 The son of an influential father who runs an orphan work camp, Pak Jun Do rises to prominence using instinctive talents and eventually becomes a professional kidnapper and romantic rival to Kim Jong Il. Citizens of our beloved Democratic Republic of North Korea! Imagine the life of an orphan boy plucked from nowhere to be trained as a tunnel assassin, a kidnapper, a spy. He has no father but the State, no sweetheart but Sun Moon, the greatest opera star who ever lived, whose face is tattooed on his chest. Imagine he lives in our very own country, a model of exemplary Communism. A nation that is the envy of the world, especially the Americans. Where the only stories people need to hear are those blasting out of loudspeakers to the glory of our dear Leader, Kim Jong il. Citizens! Who is this individual? What is his story? Pak Jun Do is his name: wrestler of sharks, envoy to Texan barbecues, imposter extraordinaire, whose tale has only come to light through the talents and stamina of our most patriotic interrogators.

Knowledge Feb 23 2020 Introductions to the theory of knowledge are plentiful, but none introduce students to the most recent debates that exercise contemporary philosophers. Ian Evans and Nicholas D. Smith aim to change that. Their book guides the reader through the standard theories of knowledge while simultaneously using these as a springboard to introduce current debates. Each chapter concludes with a "Current Trends" section pointing the reader to the best literature dominating current philosophical discussion. These include: the puzzle of reasonable disagreement; the so-called "problem of easy knowledge"; the intellectual virtues; and new theories in the philosophy of language relating to knowledge. Chapters include discussions of skepticism, the truth condition, belief and acceptance, justification, internalism versus externalism, epistemic evaluation, and epistemic contextualism. Evans and Smith do not merely offer a review of existing theories and debates; they also offer a novel theory that takes seriously the claim that knowledge is not unique to humans. Surveying current scientific literature in animal ethology, they discover surprising sophistication and diversity in non-human cognition. In their final analysis the authors provide a unified account of knowledge that manages to respect and explain this diversity. They argue that animals know when they make appropriate use of the cognitive processes available to animals of that kind, in environments within which those processes are veridically well-adapted. Knowledge is a lively and accessible volume, ideal for undergraduate and post-graduate students. It is also set to spark debate among scholars for its novel approaches to traditional topics and its thoroughgoing commitment to naturalism.

No One Gets Out Alive Mar 26 2020 Now a major Netflix film. Winner of the August Derleth Award, No One Gets Out Alive is the ultimate haunted house thriller from horror writer Adam Nevill. Darkness lives within . . . Cash-strapped, working for agencies and living in shared accommodation, Stephanie Booth feels she can fall no further. So when she takes a new room at the right price, she believes her luck has finally turned. But 82 Edgware Road is not what it appears to be. It's not only the eerie atmosphere of the vast, neglected house, or the disturbing attitude of her new landlord, Knacker McGuire, that makes her uneasy – it's the whispers behind the fireplace, the scratching beneath floors, the footsteps in the dark, and the young women weeping in neighbouring rooms. And when Knacker's cousin Fergal arrives, the danger goes vertical. But this is merely a beginning, a gateway to horrors beyond Stephanie's worst nightmares. And in a house where no one listens to the screams, will she ever get out alive?

Collaborating with the Enemy Oct 21 2019 Collaboration is increasingly difficult and increasingly necessary Often, to get something done that really matters to us, we need to work with people we don't agree with or like or trust. Adam Kahane has faced this challenge many times, working on big issues like democracy and jobs and climate change and on everyday issues in organizations and families. He has learned that our conventional understanding of collaboration—that it requires a harmonious team that agrees on where it's going, how it's going to get there, and who needs to do what—is wrong. Instead, we need a new approach to collaboration that embraces discord, experimentation, and genuine cocreation—which is exactly what Kahane provides in this groundbreaking and timely book.

The Marvel Art Of Adam Kubert Dec 23 2019 The son of an industry pioneer who became a comic book legend in his own right, Adam Kubert's momentous contribution to the Marvel Universe is celebrated in this lavishly illustrated art book! Follow his career from the WOLVERINE and UNCANNY X-MEN runs that made him a fan-favorite through his sensational stunts illustrating such Marvel icons as the Hulk, Spider-Man and Captain America — including his modernized versions of classic characters in ULTIMATE X-MEN and ULTIMATE FANTASTIC FOUR! And don't forget blockbuster series such as ASTONISHING SPIDER-MAN & WOLVERINE and AVENGERS VS. X-MEN! Featuring behind-the-scenes artwork demonstrating Kubert's creative process, a gallery of rarely seen variant covers and a vast array of action-packed images from his three-decade-long association with the House of Ideas — including his recent return to WOLVERINE for the Dawn of X!

Give and Take Mar 06 2021 A groundbreaking look at why our interactions with others hold the key to success, from the bestselling author of Think Again and Originals For generations, we have focused on the individual drivers of success: passion, hard work, talent, and luck. But in today's dramatically reconfigured world, success is increasingly dependent on how we interact with others. In Give and Take, Adam Grant, an award-winning researcher and Wharton's highest-rated professor, examines the surprising forces that shape why some people rise to the top of the success ladder while others sink to the bottom. Praised by social scientists, business theorists, and corporate leaders, Give and Take opens up an approach to work, interactions, and productivity that is nothing short of revolutionary.

Into the Backcountry Aug 31 2020 On Adam Fletcher's 20th birthday, after a memorable, private supper prepared by his beloved Laney Martin, he learns that his grandfather may need to send him on an open-ended expedition into the colony's interior to find an old acquaintance. While he prepared himself for all of the common dangers that one might encounter in North Carolina's largely untamed backcountry, he never expected how this months-long journey would impact his life, or the changed world he would encounter upon his return to Beaufort. Into the Backcountry is the seventh book in the Adam Fletcher Adventure Series of historical fiction novels. If you like fast-moving adventures, impetuous young heroes, suspense-filled plots, and a dash of romance, then you'll love Sara Whitford's entertaining series!

Book Ownership in Stuart England Jan 16 2022 This volume examines private libraries and book ownership in seventeenth-century England, with particular focus on how libraries developed over this period and the social impact that they had.
