Madonna Dec 31 2019 If there is any female artist that

warrants the title of 'Queen of Pop' its Madonna. She remains the biggest selling female recording artist on the planet, and undoubtedly one of the greatest living pop stars. Madonna still continues to intelligently reinvent herself with each pioneering album and she has consistently regenerating her music and her image. She has transcended the world of pop for decades to become a true music legend and a global cultural icon. The third book by James Court in The Life The Genius The Legend series, follows every part of Madonna's incredible career in real time. Covering every album, every film and each highlight on the most ground breaking and defining female pop stars the music world has seen. Madonna remains completely unique and unchallenged in her longevity and accomplishments in Music, following her extraordinary career through to 2019. This is her definitive story...

The Life and Legend of a Rebel Leader: Wat Tyler Apr 02 2020 In 1381, England was on the brink - the poor suffered the effects of war, the Black Death, and Poll Tax. At this time the brave Wat Tyler arose to lead the commoners, forming an army who set off to London to meet with King Richard II and present him with a list of grievances and demands for redress. Tyler was treacherously struck down by the Lord Mayor. His head hacked from his shoulders, pierced on a spike, and made a spectacle on London Bridge. Yet he lived on through the succeeding centuries as a radical figure, the hero of English Reformers, Revolutionaries, and Chartists. The Life and Legend of a Rebel Leader: Wat Tyler examines the eponymous hero's literary afterlives. Unlike other medieval heroes such as King Arthur or King Alfred,

whose post medieval manifestations were supposed to inspire pride in the English past, if Wat Tyler's name was invoked by the people, the authorities had something to fear.

Hero Mar 14 2021 Michael Korda's *Hero* is an epic biography of the mysterious, Englishman whose daring exploits made him an object of intense fascination, known the world over as 'Lawrence of Arabia. An Oxford Scholar and archaeologist, T.E. Lawrence was sent to Cairo as an intelligence officer in 1916 and vanished into the desert in 1917. He united and led the Arab tribes to defeat the Turks and eventually capture Damascus, an adventure he recorded in the classic *Seven Pillars of Wisdom*. A born leader, utterly fearless and seemingly impervious to pain and danger, he remained modest, and retiring. Farsighted diplomat, brilliant military strategist, the first media celebrity, and acclaimed writer, Lawrence was a visionary whose achievements transcended his time: had his vision for the modern Middle East been carried through, the hatred and bloodshed that have since plagued the region might have prevented. The democratic reforms he would have implemented as British High Commissioner of Egypt, are those the Egyptians are now demanding, 91 years later. Ultimately, as this magisterial work demonstrates, Lawrence remains the paradigm of the hero in modern times.

Clint Nov 21 2021 An acclaimed film historian reveals the unvarnished truth as never before of the life and career of Clint Eastwood. With this gripping, scrupulously researched biography, McGilligan uncovers the man behind the mystique. Four 8-page photo inserts.

Bruce Lee Oct 01 2022 Labels such as 'icon' or 'legend' are

rarely attached to one individual to the degree that they are to Bruce Lee. He only made a handful of films, yet four and a half decades after his untimely death at the age of 32, the Little Dragon's influence on culture is as strong as ever. Named among Time magazine's 100 most influential people of the 20th century, Lee wasn't just an actor and martial artist, but a director, inventor, husband, father and philosopher. His martial art, jeet kune do, is still practised around the world, while UFC champions credit him with inspiring the growing sport of mixed martial arts. His films kick-started a global kung fu boom and retain the power to awe today, while his thoughts – collected in a series of books from Lee's own notes – still inspire. Bruce Lee: The Life of a Legend is a unique oral biography that combines the memories of Lee's original students, close friends, co-stars and colleagues – those who knew him best – to provide a candid view on the action movie star adored by millions, capturing the essence of a complex man in a way no straightforward narrative ever could. Further, for the first time ever in print, legendary professional boxing, bodybuilding and MMA champions and personalities from the motion picture industry pay homage to Lee, giving a blend of unique perspectives on a man who changed the face of their respective sports.

Saladin Nov 02 2022 Saladin remains one of the most iconic figures of his age. As the man who united the Arabs and saved Islam from Christian crusaders in the 12th century, he is the Islamic world's preeminent hero. Ruthless in defence of his faith, brilliant in leadership, he also possessed qualities that won admiration from his Christian foes. He knew the

limits of violence, showing such tolerance and generosity that many Europeans, appalled at the brutality of their own people, saw him as the exemplar of their own knightly ideals. But Saladin is far more than a historical hero. Builder, literary patron and theologian, he is a man for all times, and a symbol of hope for an Arab world once again divided. Centuries after his death, in cities from Damascus to Cairo and beyond, to the Arabian Peninsula and the Gulf, Saladin continues to be an immensely potent symbol of religious and military resistance to the West. He is central to Arab memories, sensibilities and the ideal of a unified Islamic state. In this authoritative biography, historian John Man brings Saladin and his world to life in vivid detail. Charting his rise to power, his struggle to unify the warring factions of his faith, and his battles to retake Jerusalem and expel Christian influence from Arab lands, Saladin explores the life and the enduring legacy of this champion of Islam, and examines his significance for the world today.

Coco Chanel Apr 26 2022 Peels away the layers of romance and myth to reveal the woman who shaped modern fashion, drawing from research in the Chanel archives and an exclusive interview with Chanel's successor, Karl Lagerfeld.

Prince Jan 24 2022 A biography of the rock musician Prince by collector and writer James Court.

Saladin Jul 30 2022 Saladin remains one of the most iconic figures of his age. As the man who united the Arabs and saved Islam from Christian crusaders in the 12th century, he is the Islamic world's preeminent hero. Ruthless in defence of his faith, brilliant in leadership, he also possessed qualities that won admiration from his Christian foes. He knew the

limits of violence, showing such tolerance and generosity that many Europeans, appalled at the brutality of their own people, saw him as the exemplar of their own knightly ideals. But Saladin is far more than a historical hero. Builder, literary patron and theologian, he is a man for all times, and a symbol of hope for an Arab world once again divided. Centuries after his death, in cities from Damascus to Cairo and beyond, to the Arabian Peninsula and the Gulf, Saladin continues to be an immensely potent symbol of religious and military resistance to the West. He is central to Arab memories, sensibilities and the ideal of a unified Islamic state. In this authoritative biography, historian John Man brings Saladin and his world to life in vivid detail. Charting his rise to power, his struggle to unify the warring factions of his faith, and his battles to retake Jerusalem and expel Christian influence from Arab lands, Saladin explores the life and the enduring legacy of this champion of Islam, and examines his significance for the world today.

My Gorgeous Life Jul 26 2019 A satire of star biographies shares the memories of Dame Edna and her encounters with the rich and famous

Fangio Jan 12 2021 Juan Manuel Fangio's name is indelibly inscribed in the record books and many consider him to be the greatest driver in history. It was 46 years before his record of five World Championships was beaten, but even now he is still remembered for an exceptional Formula 1 career which contained some of the greatest displays of skill and daring ever seen. Few though know of his almost super-human exploits in epic South American road races that made competition at the pinnacle of motor sport seem like child's

play. Gerald Donaldson chronicles not only those arduous early competitions but also his long journey from humble origins in remote Argentina to the lofty heights of international celebrity.

Doc Holliday Jun 16 2021 "You can't beat this story for drama. . . . An omnibus of everything ever known, spoken, or written about Doc Holliday." -Publishers Weekly "An engagingly written, persuasively argued, solidly documented work of scholarship that will surely take its place in the literature of the Old West." -Booklist In *Doc Holliday: The Life and Legend*, the historian Gary Roberts takes aim at the most complex, perplexing, and paradoxical gunfighter of the Old West, drawing on more than twenty years of research-including new primary sources-in his quest to separate the life from the legend. Doc Holliday was a study in contrasts: the legendary gunslinger who made his living as a dentist; the emaciated consumptive whose very name struck fear in the hearts of his enemies; the degenerate gambler and alcoholic whose fierce loyalty to his friends compelled him, more than once, to risk his own life; and the sidekick whose near-mythic status rivals that of the West's greatest heroes. With lively details of Holliday's spirited exploits, his relationships with such Western icons as Wyatt Earp and Bat Masterson, and the gunfight at the O.K. Corral, this book sheds new light on one of the most mysterious figures of frontier history.

John Wayne: The Life and Legend Aug 31 2022 This revelatory biography shows how both the facts and fictions about John Wayne illuminate his singular life.

Sir Walter Raleigh Jun 04 2020 >

Lawrence of Arabia Oct 09 2020 A captivating visual biography of the first modern celebrity, told through his own photographs, desert paintings, drawings and ephemera, all supported by quotations from his own mesmerizing first-hand account of his experiences. Published to accompany a major exhibition at Londons Imperial War Museum opening in October 2005, this lavishly illustrated book takes us inside the mind of a man of extraordinary energy, ability and charisma.

Elvis Presley Dec 11 2020 That voice, those eyes, that hair, the cars, the girls...Elvis Presley revolutionized American pop culture when, at the age of twenty-one, he became the world's first modern superstar. A Memphis Beau Brummel even before he found fame, Elvis had a personal style that, like his music, had such a direct impact on his audience that it continues to influence us to this day. Elvis Presley compellingly examines Elvis' life and style to reveal the generous, complex, spiritual man behind the fourteen-carat-gold sunglasses and answers the question, "Why does Elvis matter?" "Elvis Presley is the greatest cultural force in the twentieth century," proclaimed Leonard Bernstein. By any measure, Presley's life was remarkable. From his modest beginnings in a two-room house to his meteoric rise to international fame, everything about his life -- his outsized talent to his car collection -- clamored for attention. And he got it; even today, Elvis continues to fascinate. Written with the assistance of Elvis Presley Enterprises, Pamela Clarke Keogh's biography draws on extensive research and interviews with Presley friends and family, among them Priscilla Presley, Joe Esposito, Jerry Schilling, Larry Geller,

Bernard Lansky, famed Hollywood photographer Bob Willoughby, and designer Bill Belew. Offered access to the Graceland archives, the author considered thousands of images, selecting more than one hundred color and black-and-white photographs for this book, many of them rarely seen before. Both a significant biography of the greatest entertainer of our time and a provocative celebration of what Presley means to America today, *Elvis Presley* introduces the man behind the myth, a very human superstar beloved by millions.

The Life and Legend of Jay Gould Oct 28 2019 Jay Gould was an individual who for a century has been singled out as the most unscrupulous of the turn-of-the-century robber barons. In this splendid biography Maury Klein paints the most complete portrait of the notorious Gould ever written. Klein's Gould is a brilliant but ruthless businessman who merged dying railroads into expansive, profit-making lines, including the giant Union Pacific. 40 illustrations.

Brigitte Bardot Mar 26 2022 When Brigitte Bardot appeared in *And God Created Woman* in 1957, her beauty set the world alight. But Bardot was more than a sex symbol: she was a daring actress who worked with cinema's most-revered directors. Ginette Vincendeau delves into Bardot's career and life, including her four marriages, her decision to "get out elegantly" at a young age, and her iconic performances.

The Life and Legend of the Sultan Saladin Nov 09 2020 'Superbly researched and enormously entertaining... One of the outstanding books of the year' *The Times* An epic story of empire-building and bloody conflict, this ground-breaking biography of one of history's most venerated military and

religious heroes opens a window on the Islamic and Christian worlds' complex relationship. WINNER OF THE

SLIGHTLY FOXED BEST FIRST BIOGRAPHY PRIZE

When Saladin recaptured Jerusalem from the Crusaders in 1187, returning the Holy City to Islamic rule, he sent shockwaves throughout Christian Europe and the Muslim Near East that reverberate today. It was the culmination of a supremely exciting life. Born into a significant Kurdish family in northern Iraq, this warrior and diplomat fought under the banner of jihad, but at the same time worked tirelessly to build an empire that stretched from North Africa to Western Iraq. Gathering together a turbulent coalition, he was able to capture Jerusalem, only to trigger the Third Crusade and face his greatest adversary, King Richard the Lionheart. Drawing on a rich blend of Arabic and European sources, this is a comprehensive account of both the man and the legend to which he gave birth, describing vividly the relentless action of his life and tracing its aftermath through culture and politics all the way to the present day. 'An authoritative and brilliantly told account of the life of one of the world's greatest – and most famous – military leaders' Peter Frankopan

Elvis Presley Dec 23 2021 That voice, those eyes, that hair, the cars, the girls...Elvis Presley revolutionized American pop culture when, at the age of twenty-one, he became the world's first modern superstar. A Memphis Beau Brummel even before he found fame, Elvis had a personal style that, like his music, had such a direct impact on his audience that it continues to influence us to this day. *Elvis Presley* compellingly examines Elvis' life and style to reveal the

generous, complex, spiritual man behind the fourteen-carat-gold sunglasses and answers the question, "Why does Elvis matter?" "Elvis Presley is the greatest cultural force in the twentieth century," proclaimed Leonard Bernstein. By any measure, Presley's life was remarkable. From his modest beginnings in a two-room house to his meteoric rise to international fame, everything about his life -- his outsized talent to his car collection -- clamored for attention. Both a significant biography of the greatest entertainer of our time and a provocative celebration of what Presley means to America today, *Elvis Presley* introduces the man behind the myth, a very human superstar beloved by millions.

Byron Jul 06 2020 Fiona MacCarthy makes a breakthrough in interpreting Byron's life and poetry drawing on John Murray's world-famous archive. She brings a fresh eye to his early years: his childhood in Scotland, embattled relations with his mother, the effect of his deformed foot on his development. She traces his early travels in the Mediterranean and the East, throwing light on his

relationships with adolescent boys - a hidden subject in earlier biographies. While paying due attention to the compelling tragicomedy of Byron's marriage, his incestuous love for his half-sister Augusta and the clamorous attention of his female fans, she gives a new importance to his close male friendships, in particular that with his publisher John Murray. She tells the full story of their famous disagreement, ending as a rift between them as Byron's poetry became more recklessly controversial. Byron was a celebrity in his own lifetime, becoming a 'superstar' in 1812, after the publication of *Childe Harold*. The Byron legend grew to unprecedented proportions after his death in the Greek War of Independence at the age of thirty-six. The problem for a biographer is sifting the truth from the sentimental, the self-serving and the spurious. Fiona MacCarthy has overcome this to produce an immaculately researched biography, which is also her refreshing personal view.

Rin Tin Tin Enhanced eBook Jul 18 2021 Featuring more than seventy-five photographs and almost a dozen rarely seen videos from Rin Tin Tin's legendary career, this Enhanced eBook edition of Susan Orlean's *Rin Tin Tin* vividly illustrates the life and legacy of the canine hero. He believed the dog was immortal. So begins Susan Orlean's sweeping, powerfully moving account of Rin Tin Tin's journey from orphaned puppy to movie star and international icon. Orlean, a staff writer at *The New Yorker* who has been hailed as "a national treasure" by *The Washington Post*, spent nearly ten years researching and reporting her most captivating book to date: the story of a dog who was born in 1918 and never died. It begins on a battlefield in France during World War I,

when a young American soldier, Lee Duncan, discovered a newborn German shepherd in the ruins of a bombed-out dog kennel. To Duncan, who came of age in an orphanage, the dog's survival was a miracle. He saw something in Rin Tin Tin that he felt compelled to share with the world. Duncan brought Rinty home to California, where the dog's athleticism and acting ability drew the attention of Warner Bros. Over the next ten years, Rinty starred in twenty-three blockbuster silent films that saved the studio from bankruptcy and made him the most famous dog in the world. At the height of his popularity, Rin Tin Tin was Hollywood's number one box office star. During the decades that followed, Rinty and his descendants rose and fell with the times, making a tumultuous journey from silent films to talkies, from black-and-white to color, from radio programs to one of the most popular television shows of the baby boom era, *The Adventures of Rin-Tin-Tin*. The canine hero's legacy was cemented by Duncan and a small group of others—including Bert Leonard, the producer of the TV series, and Daphne Hereford, the owner of the current Rin Tin Tin—who have dedicated their lives to making sure the dog's legend will never die. At its core, Rin Tin Tin is a poignant exploration of the enduring bond between humans and animals. It is also a richly textured history of twentieth-century entertainment and entrepreneurship. It spans ninety years and explores everything from the shift in status of dogs from working farmhands to beloved family members, from the birth of obedience training to the evolution of dog breeding, from the rise of Hollywood to the past and present of dogs in war. Filled with humor and heart and moments

that will move you to tears, Susan Orlean's first original book since *The Orchid Thief* is an irresistible blend of history, human interest, and masterful storytelling—a dazzling celebration of a great American dog by one of our most gifted writers.

Valentino Rossi Feb 22 2022 An intimate portrait of the life of one of the most successful and enigmatic legends in the history of motorsports.

Bigfoot Jan 30 2020 Last August, two men in rural Georgia announced that they had killed Bigfoot. The claim drew instant, feverish attention, leading to more than 1,000 news stories worldwide—despite the fact that nearly everyone knew it was a hoax. Though Bigfoot may not exist, there's no denying Bigfoot mania. With *Bigfoot*, Joshua Blu Buhs traces the wild and woolly story of America's favorite homegrown monster. He begins with nineteenth-century accounts of wildmen roaming the forests of America, treks to the Himalayas to reckon with the Abominable Snowman, then takes us to northern California in 1958, when reports of a hairy hominid loping through remote woodlands marked Bigfoot's emergence as a modern marvel. Buhs delves deeply into the trove of lore and misinformation that has sprung up around Bigfoot in the ensuing half century. We meet charlatans, pseudo-scientists, and dedicated hunters of the beast—and with Buhs as our guide, the focus is always less on evaluating their claims than on understanding why Bigfoot has inspired all this drama and devotion in the first place. What does our fascination with this monster say about our modern relationship to wilderness, individuality, class, consumerism, and the media? Writing with a scientist's

skepticism but an enthusiast's deep engagement, Buhs invests the story of Bigfoot with the detail and power of a novel, offering the definitive take on this elusive beast.

Willie Mays Aug 19 2021 The “enormously entertaining and wide-ranging” (Seattle Times) authorized, definitive, New York Times bestselling biography of Willie Mays, the most complete baseball player of all time. Willie Mays is arguably the greatest player in baseball history, still revered for the passion he brought to the game. He began as a teenager in the Negro Leagues, became a cult hero in New York, and was the headliner in Major League Baseball's bold expansion to California. He was a blend of power, speed, and stylistic bravado that enraptured fans for more than two decades.

Now James Hirsch reveals the man behind the player. Mays was a transcendent figure who received standing ovations in enemy stadiums and who, during the turbulent civil rights era, urged understanding and reconciliation. More than his records, his legacy is defined by the pure joy that he brought to fans and the loving memories that have been passed to future generations so they might know the magic and beauty of the game. With meticulous research and drawing on interviews with Mays himself as well as with close friends, family, and teammates, Hirsch presents a brilliant portrait of one of America's most significant cultural icons.

Muhammad Ali Sep 19 2021 Muhammad Ali is one of the most remarkable sports personalities and celebrities of our time. He is a legend who transcended boxing and rose above all sport. A man of mythic proportions, Ali rose to become a prominent feature of our cultural landscape. Through exclusive accounts from family members, close friends,

associates and adversaries, Fiaz Rafiq has compiled a compelling and intriguing insight into a sporting legend. Muhammad Ali's story is an epic one, one of bravery, courage, hope, skill and indomitable will. Muhammad Ali: The Life of a Legend is the ultimate tribute to one of the greatest icons in world sport.

King and Emperor Sep 27 2019 Charles I, often known as Charlemagne, is one of the most extraordinary figures ever to rule an empire. Driven by unremitting physical energy and intellectual curiosity, he was a man of many parts, a warlord and conqueror, a judge who promised "for each their law and justice," a defender of the Latin Church, a man of flesh and blood. In the twelve centuries since his death, warfare, accident, vermin, and the elements have destroyed much of the writing on his rule, but a remarkable amount has survived. Janet Nelson's wonderful new book brings together everything we know about Charles I, sifting through the available evidence, literary and material, to paint a vivid portrait of the man and his motives. Building on Nelson's own extraordinary knowledge, this biography is a sort of detective story, prying into and interpreting fascinating and often obdurate scraps of evidence, from prayer books to skeletons, gossip to artwork. Charles's legacy lies in his deeds and their continuing resonance, as he shaped counties, countries, and continents; founded and rebuilt towns and monasteries; and consciously set himself up not just as King of the Franks, but as the head of the renewed Roman Empire. His successors—even to the present day—have struggled to interpret, misinterpret, copy, or subvert his legacy. Janet Nelson gets us as close as we can hope to come to the real

figure of Charles the man as he was understood in his own time.

Wyatt Earp Jun 28 2022 Chronicles the life of the Western lawman, examining his legendary status in the Old West, and the question of whether he was a hero or a villain

Michael Jackson 1958-2009 Aug 26 2019 From his early success in the Jackson 5 as a young boy to becoming the self-styled 'King of Pop', Michael Jackson lived his whole life in the limelight. This title separates the man from the myth, examining the more contentious areas of his life while also celebrating the undeniable achievements of this musical genius.

Crazy Horse Jun 24 2019 "A treat . . . Insightful . . .

Refreshing . . . A must-have . . . Not only is Sajna's work a valuable historical resource, it makes for a compelling read as well."-American History "There has to be someone left to tell the tale." Little did the legendary war chief Crazy Horse know when he spoke these words in battle that it was his tale that people would be telling long after his death. Now, author Mike Sajna brings the renowned warrior back to life in this book about his epic struggle to save his culture and homeland amid the westward movement of white settlers. Sajna follows Crazy Horse from his days as a young boy chasing down wild horses to his later years as "one of the bravest of the brave," and includes new views on his role in the Battle of Little Big Horn and his eventual surrender and murder. Using an extensive collection of historic records, *Crazy Horse* is one of the most accurate accounts of the great Oglala chief, separating the facts from the many myths that have been passed down by other writers

Willie Mays Sep 07 2020 Now in paperback, the “enormously entertaining and wide-ranging” (Seattle Times) authorized, definitive, New York Times bestselling (4 weeks on the list) biography of Willie Mays, the most complete baseball player of all time. Willie Mays is arguably the greatest player in baseball history, still revered for the passion he brought to the game. He began as a teenager in the Negro Leagues, became a cult hero in New York, and was the headliner in Major League Baseball’s bold expansion to California. He was a blend of power, speed, and stylistic bravado that enraptured fans for more than two decades. Now James Hirsch reveals the man behind the player. Mays was a transcendent figure who received standing ovations in enemy stadiums and who, during the turbulent civil rights era, urged understanding and reconciliation. More than his records, his legacy is defined by the pure joy that he brought to fans and the loving memories that have been passed to future generations so they might know the magic and beauty of the game. With meticulous research and drawing on interviews with Mays himself as well as with close friends, family, and teammates, Hirsch presents a brilliant portrait of one of America’s most significant cultural icons.

Arnold Schwarzenegger May 28 2022 Arnold

Schwarzenegger – a bodybuilder-turned-real-estate mogul who turned an undefeated streak at the Mr Olympia contest into an astonishing film career and eight years as the governor of California – is, for many people, the embodiment of the American Dream. From humble beginnings in a small village in Austria, Schwarzenegger has come to symbolise the opportunities that exist for anyone willing to work hard – parlaying success and self-confidence into the influence to shape hearts and minds across the globe. Even today, whether he’s campaigning against climate change or fist-bumping fellow strongmen at his self-titled athletic event, he’s one of the few men on the planet who’s recognisable from his first name alone. Arnold. Fiaz Rafiq uses in-depth interviews with Schwarzenegger’s peers to tell the life story of the one-time Governor, featuring exclusive interviews with his personal and close friends, fellow bodybuilders and training partners, Hollywood co-stars, directors, executive producers, political personalities and journalists – all offering first-hand accounts of the man they know. Together, these voices show new dimensions to the Arnold we all think we know – from the driven young man who brought building into the mainstream to the passionate advocate for political change.

Ladd: the Life, the Legend, the Legacy of Alan Ladd Aug 07 2020

Legend May 04 2020 Legend is the much-anticipated

dystopian thriller debut from US author, Marie Lu. THE must-read dystopian thriller fiction for all teen fans of The Hunger Games by Suzanne Collins and Divergent by Veronica Roth. A brilliant re-imagining of Les Miserables, the series is set to be a global film sensation as CBS films have acquired rights to the trilogy. The Twilight Saga producers, Marty Bowen and Wyck Godfrey, will produce. Los Angeles, California Republic of America He is Day. The boy who walks in the light. She is June. The girl who seeks her brother's killer. On the run and undercover, they meet by chance. Irresistably drawn together, neither knows the other's past. But Day murdered June's brother. And she has sworn to avenge his death. Dystopian fiction at its very best in this thrilling instalment in the Legend trilogy. Praise for Legend: 'If you loved The Hunger Games, you'll love this.' - Sarah Rees-Brennan, author of The Demon's Lexicon 'A fine example of commercial fiction with razor-sharp plotting, depth of character and emotional arc, 'Legend' doesn't merely survive the hype, it deserves it.' - New York Times 'Marie Lu's dystopian novel is a 'Legend' in the making.' - USA Today 'Legend is impossible to put down and even harder to forget.' - Kami Garcia, author of New York Times bestselling author of film sensation, Beautiful Creatures

Lenny Kravitz Mar 02 2020 Through his own individual talent Lenny Kravitz has risen to become one of the most esteemed, admired, illustrious and respected Musicians in Rock music over the past 30 years. Through his own individual talent.

Rin Tin Tin Apr 14 2021 From the moment in 1918 when Corporal Lee Duncan discovers Rin Tin Tin on a World War

I battlefield, he recognizes something in the pup that he needs to share with the world. Rin Tin Tin's improbable introduction to Hollywood leads to the dog's first blockbuster film and over time, the many radio programs, movies, and television shows that follow. The canine hero's legacy is cemented by Duncan and a small group of others who devote their lives to keeping him and his descendants alive. At its heart, Rin Tin Tin is a poignant exploration of the enduring bond between humans and animals. But it is also a richly textured history of twentieth-century entertainment and entrepreneurship and the changing role of dogs in the American family and society. Almost ten years in the making, Susan Orlean's first original book since *The Orchid Thief* is a tour de force of history, human interest, and masterful storytelling - the ultimate must-read for anyone who loves great dogs or great yarns.

Rebel Nov 29 2019 This authoritative biography of film icon James Dean offers a clear-eyed look at the actor who crossed America's cinematic landscape with the brilliance and brevity of a meteor.

Print the Legend Oct 21 2021 Follows the legendary John Ford through a career that spanned more than five decades, drawing on dozens of personal interviews, material from Ford's estate, and film criticism.

Wrestling for My Life May 16 2021 In *Wrestling for My Life*, WWE superstar Shawn Michaels shares from his heart about the highs and lows of his life inside the WWE.
