The Ghost Rider Jun 30 2022 An old woman is awoken in the dead of night by knocks at her front door. The woman opens it to find her daughter, Doruntine, standing there alone in the darkness. She has been brought home from a distant land by a mysterious rider she claims is her brother Konstandin. But unbeknownst to her, Konstandin has been dead for years. What

follows is chain of events which plunges a medieval village into fear and mistrust. Who is the ghost rider?

Unburnable Jun 06 2020 Haunted by scandal and secrets, Lillian Baptiste fled Dominica when she was fourteen after discovering she was the daughter of Iris, the half-crazy woman whose life was told of in chanté mas songs sung during Carnival—songs about a village on a mountaintop littered with secrets, masquerades that supposedly fly and wreak havoc, and a man who suddenly and mysteriously dropped dead. After twenty years away, Lillian returns to her native island to face the demons of her past—and with the help of Teddy, a man who has loved her for many years, she may yet find a way to heal. Set in both contemporary Washington, D.C., and post-World War II Dominica, *Unburnable* weaves together West Indian history, African culture, and American sensibilities. Richly textured and lushly rendered, *Unburnable* showcases a welcome and assured new voice.

The Night of the Rambler Apr 16 2021 This tale of a little-known revolt in the Caribbean is “part literary thriller, part revolutionary study, part epic historical narrative”(Joe Meno, author of *The Boy Detective Fails*). A sympathetic and often humorous account of an obscure episode in the history of the remote island of Anguilla, in the northeast Caribbean, *The Night of the Rambler* revolves around a haphazard attempt by a dozen or so locals to invade neighboring St. Kitts, in an effort to topple the government of the recently established Associated State of St. Kitts-Nevis-Anguilla. Ostensibly, the action maps the fifteen hours that lapse between the moment when the “rebels” board *The Rambler*, the thirty-five-foot motorboat that will take them across the strait to St. Kitts, and the break of dawn the following

day, when it becomes obvious that the unaccomplished mission will have to be aborted. The novel is at turns highly dramatic and hilarious, all the while bringing deep honesty to the often-unexamined righteousness of revolution. “Colorful detours into native lore, such as a rich Dutchman’s fabled courtship of a local beauty, strike grace notes that echo Marquez. . . . Readers . . . will be rewarded with the little-known tale of how the underdog country demanded its own place in the 20th century.”

—Publishers Weekly “This is a book about revolution and the underdog, about a small, isolated island fighting for recognition, opportunity and justice; it is a compelling tale about a curious historical episode, but also a vital look at priorities, perspective and the right to live in dignity, issues that, much like Anguilla’s rebellion of 1967, are all too easily forgotten.” —The Island Review “This is a fine novel, a surprising novel, perhaps the first true novel I have read about the nature of revolutions. *The Night of the Rambler* is ambitious, smart, and successful. It raises all sorts of questions about what revolutions want, how revolutions fail, and why revolutions are necessary—challenging all the while how history remembers them.” —Percival Everett, author of *Erasure*

Broken April May 18 2021 From the moment that Gjorg's brother is killed by a neighbour, his own life is forfeit: for the code of Kanun requires Gjorg to kill his brother's murderer and then in turn be hunted down. After shooting his brother's killer, young Gjorg is entitled to thirty days' grace - not enough to see out the month of April. Then a visiting honeymoon couple cross the path of the fugitive. The bride's heart goes out to Gjorg, and even these 'civilised' strangers from the city risk becoming embroiled in the fatal mechanism of vendetta.

The Teacher of Cheops Aug 09 2020 Winner of the NESTOR LUJÁN HISTORICAL NOVEL PRIZE. "I was nervous about

this book. Finding a good novel in translation from the tiny state of Andorra, nestling in the Pyrenees between Spain and France, was always going to be tricky... I was in for a pleasant surprise... Salvadó has certainly done his homework: the book is painstakingly researched... By and large, the level of detail and historical knowledge is well-handled... The text itself felt professional and slick... this is a highly readable light novel... powerful flashes of insight into human greed, pride and ambition..." (ANN MORGAN, *Andorra: Buried treasure*, A Year of Reading the Word, <http://ayearofreadingtheworld.com/2012/02/22/andorra-buried-treasure/>, London, february 22, 2012) This is the history of the time of Pharaoh Snefru and Queen Hetepheres, the parents of Cheops, who built the largest and most impressive pyramid of all. It is also the story of Sedum, a slave who became Cheops' teacher, the high priest Ramosi, and how the first pyramid came to be built. Sebekhotep, the great wise man of that time, said, "Everything is written in the stars. Most of us live our lives unaware of it. Some can read the stars and see their destiny. But very few people learn to write in the stars and change their destiny." Ramosi and Sedum learned to write in them and tried to change their destinies, but fortune treated them very differently. This is a tale of the confrontation between two men's intelligence: one fighting for power, the other struggling for freedom. Other critics' opinions: "It is a long time since a prize was so justly awarded. *THE TEACHER OF CHEOPS* deserves every honour... An intrigue that develops at a good pace without causing anxiety... A restrained and inspired piece of writing; an outstanding, intelligent and well-constructed novel." (RAMÓN VENTURA, *El Periódico*) "Salvadó develops the mystery with great skill in his novel." (JACINTO ANTÓN, *El País*) "Salvadó presents a story about power and knowledge through a fast-

paced plot combining intrigue, love, mystery, murder and adventure.” (ROSA M^a PIÑOL, La Vanguardia)“Albert Salvadó displays seasoned writing skill in this novel... A very well-organised plot... A straightforward, effective style that is a pleasure to read... He achieves accuracy in his writing.”

The Last Confession Jan 02 2020 This rich and intense novel is a tribute to Giordano Bruno, a brilliant Dominican monk who was burned at the stake for heresy in 1600. Published posthumously, it is a tribute to Morris West himself, a man of great compassion who always held firm against those in his church who used doctrine and dogma to oppress others. One of the most famous victims of the Holy Office of the Inquisition was the brilliant Dominican monk Giordano Bruno, burnt at the stake for heresy in 1600. Morris West recreates a diary of Bruno's intimate thoughts as he languishes in Rome's worst prison for seven years. Bruno's reflections and frank memories of his life reveal him to be both a fine thinker and a flawed priest-and a man willing to pay the highest price to be true to himself. The Last Confession was West's final novel, published posthumously.

Written with passion and compassion, this is a voice that mesmerises from the start. 'A book suffused by the expectation of death and the necessity of love as the sole viable riposte to it.' From the foreword by Tom Keneally '[The Last Confession] brings to life a man who died rather than recant his beliefs.'

Booklist Online 'Thanks to the author's talent for suspense, the reader awaits Bruno's fate on tenterhooks.' Library Journal

The Demonstration of the Apostolic Preaching Sep 29 2019

IT is a remarkable fact, and much to be regretted, that none of the works of St Irenæus, the greatest theologian of the second century, have come down to us in the language in which they

were written. Of his chief work, the five books *Against Heresies*, we have a very early Latin translation, and a few fragments of the original Greek preserved through quotation by other writers. The work now before us, *The Demonstration of the Apostolic Preaching*, has recently been found in an Armenian translation, and no portion of it seems to have survived in any other language. The Pyramid Nov 11 2020 Egypt in the twenty-sixth century BC. The young pharaoh Cheops wants to forgo the construction of a pyramid in his honor, but his court sages hasten to persuade him otherwise. The pyramid, they tell him, is not a tomb but a paradox, designed to appease the masses by oppressing them. It is a symbol of nothing, a useless and infinite project designed to waste the country's wealth and keep security and prosperity, ever the fonts of sedition, constantly at bay. And so the greatest pyramid in the world has ever seen begins to rise. Rumors multiply. A secret police is formed. Conspiracies—real and imagined—swirl around the rising edifice. The most drastic purges follow. By the time the first stone is laid, Cheops's subjects are terrified enough to yield to his most murderous whims. Each time one of the massive stones is hoisted into place, dozens of men are crushed, and there are tens of thousands of stones. . . .

Historical Dictionary of Kosova Nov 04 2022 Historical Dictionary of Kosova presents the region in a broader framework, focusing not only on the many issues that are still worthy of attention, but also on its rich culture and long history. A European country of more than two million people, it is a land of poets and writers, painters and sculptors, scholars and artists.

Its features include finely ornamented Ottoman mosques and old Orthodox churches and monasteries, oriental bazaars, battlefields, and breathtaking landscapes. Kosova is also a country with substantial natural resources and a young and optimistic population intent on keeping its homeland free and, at the same time, making it an integral part of Europe. In this dictionary, readers can find more than 370 entries that profile historical and contemporary public figures and political leaders, as well as individuals who have made notable contributions to the arts and scholarship. The entries are complemented by an introductory essay, chronology, and extensive bibliography. A large portion of the material in this dictionary has never appeared in English, enabling readers of all levels to discover new information and making Kosova much more accessible.

In a Land Far from Home Sep 09 2020 An intrepid traveller and a true cosmopolitan, the legendary Bengali writer Syed Mujtaba Ali from Sylhet (in erstwhile East Bengal, now Bangladesh) spent a year and a half teaching in Kabul from 1927 to 1929. Drawing on this experience, he later wrote *Deshe Bideshe* which was published in 1948. Ali's young mind was curious to explore the Afghan society of the time and, with his impressive language skills, he had access to a cross-section of Kabul's population, whose ideas and experiences he chronicles with a keen eye and a wicked sense of humour. His account provides a fascinating first-hand insight into events at a critical point in Afghanistan's history, when the reformist King Amanullah tried to steer his country towards modernity by encouraging education for girls and giving them the choice of removing the burqa. Branded a 'kafir', Amanullah was overthrown by the bandit leader Bacha-e-Saqao. *Deshe Bideshe* is the only published eyewitness account of that tumultuous period by a non-Afghan, brought to life by the contact that Ali enjoyed with a colourful cast of characters at

all levels of society—from the garrulous Pathan Dost Muhammed and the gentle Russian giant Bolshov, to his servant, Abdur Rahman and his partner in tennis, the Crown Prince Enayatullah. **If You Dare** Mar 04 2020 In this first book of a thrilling new trilogy, Cole introduces the MacCarrickbrothers, three fierce Scots with dangerous lives, dark desires, and a deadly curse. The General of the Dead Army Oct 23 2021 The General of the Dead Army is a moving and timely meditation on war and its consequences by the winner of the inaugural Man Booker International Prize, available again in paperback. Twenty years after World War II, an Italian general—armed with maps, measurements, and dental records—is sent to Albania to recover the remains of his country's fallen soldiers. A quarrelsome priest joins him, and in rain and sleet they dig up the Albanian countryside—once a battlefield, now a graveyard—checking teeth and dog tags, assembling a dead army in pine-box uniforms. In addition to the brutal weather, they also battle the hostility of the Albanians working for them. This may be an errand of mercy for the general, but the chance to humiliate their one-time conquerors offers the Albanians a welcome vengeance. Fighting the hopelessness of his undertaking, the general finds his movements shadowed by a German general on the same gruesome mission for his own country. In a terrible crescendo at a wedding, the Italian general must answer for the crimes of his country and all countries that have invaded this land of eagles, seeking to destroy its people. Enthralling and poignant, *The General of the Dead Army* is an elegy for the young people of every country who are sent abroad to die in battle.

The File on H. Mar 16 2021 In the mid-1930s, two Irish Americans travel to the Albanian highlands with an early model

of a marvelous invention, the tape recorder. Their mission? To discover how Homer could have composed works as brilliant and as long as *The Iliad* and *The Odyssey* without ever putting pen to paper. The answer, they believe, can be found only in Albania, the last remaining habitat of the oral epic. But immediately upon their arrival, the scholars' seemingly arcane research excites suspicion and puts them at the center of ethnic strife in the Balkans. Mistaken for foreign spies, they are placed under surveillance and are dogged by gossip and intrigue. It isn't until a fierce-eyed monk from the Serbian side of the mountains makes his appearance that the scholars glimpse the full political import of their search for the key to the Homeric question.

The Siege Aug 21 2021 From Ismail Kadare, winner of the inaugural Man Booker International Prize – a novelist in the class of Coetzee, Pamuk, Márquez, and Rushdie – the stunning new translation of one of his major works. In the early fifteenth century, as winter falls away, the people of Albania know that their fate is sealed. They have refused to negotiate with the Ottoman Empire, and war is now inevitable. Soon enough, dust kicked up by Turkish horses is spotted from a citadel. Brightly coloured banners, hastily constructed minarets, and tens of thousands of men fill the plain below. From this moment on, the world is waiting to hear that the fortress has fallen. *The Siege* tells the enthralling story of the weeks and months that follow – of the exhilaration and despair of the battlefield, the constantly shifting strategies of war, and those whose lives are held in the balance, from the Pasha himself to the artillerymen, astrologer, blind poet, and harem of women who accompany him. "Believe me," the general said. "I've taken part in many sieges but this," he waved towards the castle walls, "is where the most fearful carnage of our times will take place. And you surely know as well as I do that great massacres always give birth to great

books. You really do have an opportunity to write a thundering chronicle redolent with pitch and blood, and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war." Brilliantly vivid, as insightful as it is compelling, *The Siege* is an unforgettable account of the clash of two great civilisations, and a portrait of war that will resonate across the centuries.

Cultural Amnesia Jul 28 2019 In this book can be heard the merest edge of an enormous conversation. As they never were in life, we can imagine the speakers all gathered in some vast room, wearing name tags in case they don't recognize each other (although some recognize each other all too well, and avoid contact). My heroes and heroines are here. An almanac combining a comprehensive survey of modern culture with an annotated index of who-was-who and what-was-what, *Cultural Amnesia* is Clive James's unique take on the places and the faces that shaped the twentieth-century. From Anna Akhmatova to Stefan Zweig, via Charles de Gaulle, Hitler, Thomas Mann and Wittgenstein, this varied and unfailingly absorbing book is both story and history, both public memoir and personal record – and provides an essential field-guide to the vast movements of taste, intellect, politics and delusion that helped to prepare the times we live in now.

Teaching Translation Jun 18 2021 Over the past half century, translation studies has emerged decisively as an academic field around the world, and in recent years the number of academic institutions offering instruction in translation has risen along with an increased demand for translators, interpreters and translator trainers. *Teaching Translation* is the most

comprehensive and theoretically informed overview of current translation teaching. Contributions from leading figures in translation studies are preceded by a substantial introduction by Lawrence Venuti, in which he presents a view of translation as the ultimate humanistic task – an interpretive act that varies the form, meaning, and effect of the source text. 26 incisive chapters are divided into four parts, covering: certificate and degree programs teaching translation practices studying translation theory, history, and practice surveys of translation pedagogies and key textbooks The chapters describe long-standing programs and courses in the US, Canada, the UK, and Spain, and each one presents an exemplary model for teaching that can be replicated or adapted in other institutions. Each contributor responds to fundamental questions at the core of any translation course – for example, how is translation defined? What qualifies students for admission to the course? What impact does the institutional site have upon the course or pedagogy? Teaching Translation will be relevant for all those working and teaching in the areas of translation and translation studies. Additional resources for Translation and Interpreting Studies are available on the Routledge Translation Studies Portal.

Where I See the Sun Feb 12 2021 Poetry. African & African American Studies. WHERE I SEE THE SUN – CONTEMPORARY POETRY IN ANGUILLA gathers a bounteous bunch of voices, 43 poets intent on entering the choir that would intone a new song for Anguilla, carved out of its history, its politics, its heritage, its dreams and aspirations. Their names may ring hollow to many a literary critic or student of Caribbean Literature, (with the exception, perhaps, of the

venerable Bankie Banks, a true musical legend who has stuck to his Anguilla roots through thick and thin), but the important thing is that they now will be heard throughout the region and beyond and the story they tell, a reminder that size really doesn't matter when it comes to human experience and existence or for that matter where it concerns creative output.

Historical Dictionary of Kosovo Oct 03 2022 This second edition of the Historical Dictionary of Kosovo relates the history of Kosovo through a chronology, an introductory essay, an extensive bibliography, and over 400 cross-referenced dictionary entries on significant persons, places, and events; institutions and organizations; and political, economic, social, cultural, and religious facets. Chronicle in Stone Sep 21 2021 Masterful in its simplicity, *Chronicle in Stone* is a touching coming-of-age story and a testament to the perseverance of the human spirit. Surrounded by the magic of beautiful women and literature, a boy must endure the deprivations of war as he suffers the hardships of growing up. His sleepy country has just thrown off centuries of tyranny, but new waves of domination inundate his city. Through the boy's eyes, we see the terrors of World War II as he

witnesses fascist invasions, allied bombings, partisan infighting, and the many faces of human cruelty—as well as the simple pleasures of life. Evacuating to the countryside, he expects to find an ideal world full of extraordinary things, but discovers instead an archaic backwater where a severed arm becomes a talisman and deflowered girls mysteriously vanish. Woven between the chapters of the boy's story are tantalizing fragments of the city's history. As the devastation mounts, the fragments lose coherence, and we perceive firsthand how the violence of war destroys more than just buildings and bridges.

The Tongue's Blood Does Not Run Dry Oct 30 2019 What happens when catastrophe becomes an everyday occurrence? Each of the seven stories in Assia Djébar's *The Tongue's Blood Does Not Run Dry* reaches into the void where normal and impossible realities coexist. All the stories were written in 1995 and 1996—a time when, by official accounts, some two hundred thousand Algerians were killed in Islamist assassinations and government army reprisals. Each story grew from a real conversation on the streets of Paris between the author and fellow Algerians about what was happening in their native land. Contemporary events are joined on the page by classical themes in Arab literature, whether in the form of Berber texts sung by the women of the Mزاب or the tales from *The Book of One Thousand and One Nights*. *The Tongue's Blood Does Not Run*

Dry beautifully explores the conflicting realities of the role of women in the Arab world. With renowned and unparalleled skill, Assia Djebar gives voice to her longing for a world she has put behind her.

The Three-Arched Bridge Jul 20 2021 In the Balkan Peninsula, history's long-disputed bridge between Asia and Europe, the receding Byzantine empire has left behind a patchwork of warring peoples who fight over everything, from their pastures of sheep to the authorship of their countless legends. One such gruesome tale declares that a castle under construction cannot be finished until a young mason's bride has been walled up alive, one breast left exposed to suckle her growing infant even after her death. Myth becomes perverse reality when a mason is plastered into a bridge over a strategically important river, where his will not be the last human sacrifice.

On the Way Back Jan 14 2021 A British businessman woos a Caribbean woman—and her disapproving family—in this “engrossing novel” (Insight). Nathaniel Jones, a middle-aged businessman from England, travels to the Caribbean island of Anguilla to spend a fortnight on holiday—and finds himself captivated by a brilliant and beautiful member of the local community, Sheila Rawlingson. After a secret, intense hundred-day courtship, Nathaniel proposes to Sheila, whose agreement to marry this white man is seen as a betrayal by her family and fellow Anguillans. Recognizing the value Anguillan society places on economic projects, Nathaniel attempts to set up an airline business to gain the support and favor of the Rawlingsons. He sends for his son, Dragon, to travel to Anguilla and cofound Dragon Wings, the nation's first commercial airline. Nathaniel, Dragon, and Sheila turn to her uncle for financial backing. But Sheila's uncle will do his best to foil

Nathaniel's best-laid plans at every turn . . . "There is something for every reader in this engrossing novel depicting the complexities of inner and outer Caribbean and Latin lives—from the seemingly placid but often privately turbulent world of a small island such as Anguilla to the overwhelming large urban chaos of Caracas, Venezuela—and in its observation of the inevitable connection between public and private spheres. On the Way Back delves fearlessly into the mind and spirit of its main characters with authenticity, humor and an understated compassion but does not flinch in observing human flaws and the death of dreams that result when deep-rooted attitudes prevail." —Insight
