Christ's Basic Bodies Nov 08 2020 Dr. Neighbour helps the reader understand that worshipping a historical Jesus without embracing an indwelling, eternal, and everlasting Christ will keep a small group a man-made gathering. When Christ's presence, power, and purposes are the sole focus of the gathering and every other agenda is set aside, it becomes a God-

made group and takes off! This is a deep theological look at the true origin of the church (the cross, not pentecost), the Holy Spirit and the use, abuse, and misuse of spiritual gifts today, and what is required of the members of a true biblical community. Like Dr. Neighbour's other books, this work pulls no punches... if it needs a good whack, he hits it five or six times for good measure!

With Christ Today in Paradise Aug 25 2019 Focusing on the "ontological indwelling of God" as the basis and ground of the soul, the author expounds its capacity for spiritual experience, which he describes metaphorically as "being with Christ in paradise." Aspects of mystical experience are briefly discussed, an extended description of the author's own experience is presented, and practical suggestions are offered to the reader for his or her own spiritual enrichment.

God Loves You with an Everlasting Love Sep 26 2019 Behold, What manner of love is this that one would not only lay down His life for His friends, but also for His enemies. For it was while we were yet sinners that he died for us and not for us only, but for the whole wide world so that all who believed in Him would not perish, but have everlasting life. This is love and He, God loves YOU with an everlasting love.

The Everlasting Embrace Sep 30 2022 Each morning as the sun brightens the West African sky, mother and child prepare to start their day. They spend it bound together, the child riding on the mother's back watching their world go past. Pounding millet, drawing water from the well, visiting friends, shopping at the outdoor market—days are shared in perfect step with one another. And even when the child grows big enough to go off and explore their world, the everlasting embrace endures. Illustrated with E.B. Lewis's stunning watercolors that bring to life the land and people of Mali, Gabrielle Emanuel's tender story celebrates the universal bond between mother and child.

Dead Man Talking May 03 2020 Welcome to Everlasting, Maine, where there's no such thing as normal. Zoe is just as independent and determined as he remembered, and Dane knows she won ' t rest until Sapphire can return to the lighthouse in peace, so he offers to help her sort things out. The Awakened Woman's Guide to Everlasting Love Feb 21 2022 In today's disconnected, distracted world, it seems like deep love gets harder to maintain every day. We spend more time looking at screens than at each other, cycle through new partners every time the spark starts to fade, and wall away our feelings until we become strangers who share a house and kids. But underneath all this, our souls long for an unbreakable love which deepens over time and lovemaking that gets hotter, not cooler, inside a lifetime commitment. This bond we yearn for is not impossible. It's not even improbable. You can create it in your life right now; intimacy that opens both you and your partner to a divine awakening you could not create on your own, lovemaking that curls your toes, and a partnership where both people champion each other's best interests, where even the difficult moments bring you closer together. This is sacred relationship, and it exists in these pages. This book is an owner's manual for intimacy, a map for loving at the deepest level, and an invitation into sacred practice where divine connection becomes part of everyday life.
