[In the Sign of Five](#) Jul 18 2019 'Spiritual knowledge is not given to us as in ancient times. By spiritual means it must be struggled and striven for against a host of demons... We must therefore get to know the powers that would cover up and obscure all spiritual knowledge.' - from the Preface 'The world seems to be standing within a demonic storm that threatens to overwhelm it', states T.H. Meyer at the outset of this rousing call for a wide-ranging, spiritual-scientific knowledge of the world. Appeals to traditional religious belief will no longer pacify this storm, and neither will 'good will' suffice. Building on Rudolf Steiner's anthroposophy, *In the Sign of Five* tackles the central task of our epoch: the epistemological struggle with evil, and presents the five most important spiritual events since the beginning of the Age of Michael: 1879 - the rise of Michael to the rank of Time Spirit; 1899 - the end of Kali Yuga; 1933 - the appearance of Christ in the Etheric; 1998 - the assault of Sorath, 'one of the greatest ahrimanic demons'; The present - the incarnation of Ahriman. These events are linked to the five main tasks of the Age of Michael, the great challenge of inner knowledge and spiritual consciousness posed by the epoch as a whole. In the light of world history, and within the context of 'the sign of five', we

stand today at the fifth place – at the point of the incarnation of Ahriman. Is humanity prepared for this decisive event? Have we recognised the phenomena of evil that surround us on a daily basis? Have the tasks corresponding to the five events been identified, and to what extent have they been carried out? How is evil related to ‘the good’ that guides the world, and specifically to the Christ impulse? Meyer provides a vital, pithy, aphoristic handbook for our apocalyptic times.

The Fifth Book Of Peace Apr 19 2022 By the author of the bestselling The Woman Warrior, a magical book: a literature of peace built on the stories of war. Divided into four sections - 'Fire', 'Paper', 'Water' and 'Earth' - this book is neither fiction nor autobiography nor memoir, but a unique form of Chinese 'talk-story' in which real and imagined worlds intrude upon and enrich one another. From the anti-war protests in Hawaii to Kingston's own conversations with Vietnam veterans, the author takes us inside the hearts and minds of a host of characters, not least of whom is her own Mama, the veteran woman warrior Brave Orchid. This remarkable book is also the narrative of the seminal years in which Kingston rebuilds her life following a devastating fire, which destroyed all her possessions including her novel The Fourth Book of Peace, and the death of her father.

Merry Hell Apr 07 2021 Merry Hell is the only complete history of the 25th Canadian infantry battalion, which was recruited in the autumn and winter of 1914-15 and served overseas from spring 1915 until spring 1919. Author Robert N Clements, who served in the battalion throughout that period and rose from private to captain, wrote the story many years after the war, based on his personal memories and experiences. As such, his story reflects two unique perspectives on Canadian military history - the remarkably fresh recollections and anecdotes of a veteran, and the outlook of a man eager to share what his generation contributed to the nation's history, character, and identity. Professional military historian Brian Douglas Tennyson buttresses Clements's story with a valuable critical apparatus, including an analytical introduction that contextualizes the history and notes that explain unfamiliar points and people. Merry Hell is a captivating tale for those who enjoy stories of war and battle, and one that will entertain readers with Clements's richly colourful anecdotes and witty poems, none of which have been published before.
