Broker to Broker May 09 2021 Praise for Realtor? Magazine's BROKER to BROKER "By providing best practice management tips with thought-provoking ideas, Broker to Broker offers invaluable guidance on virtually every aspect of our dynamic industry. The book's easy-to-read format, with in-depth supporting material available online, is

an innovative approach to helping the country's brokers and managers find effective solutions to today's challenges." --Ron Peltier, President and CEO, HomeServices of America, Inc., Minneapolis, Minnesota "This compilation of the latest Realtor? Magazine articles on real estate brokerage management could be of help to brokers and managers looking for practical ideas to boost their operations. The book quotes extensively from veteran brokers and managers who are trying new ways to build sales and tackle problems. Within the book's range of articles could be helpful ideas for you." --J. Lennox Scott, Chairman and CEO, John L. Scott Real Estate, Seattle, Washington "The editors did their homework. The pace of change in our business is a constant challenge. Even if you don't want to lead the charge in industry change, brokers would do well to study the innovative concepts (such as the employee-agent model) illustrated here. This section on operations is particularly useful for brokers of a multi-office/multi-region operation." --Steve Brown, ABR?, CRB, Vice President and General Manager, Crye-Leike, Realtors?, Memphis, Tennessee "The editors of Realtor? Magazine do a fantastic job of keeping Realtors? on top of all real estate concerns. No issue is more timely or essential to building good business than brokerage practices." --Blanche Evans, Publisher, Agent News, and Editor, Realty Times, Dallas, Texas

Real Estate Marketing Jul 11 2021 Real Estate Marketing is specifically designed to educate real estate students with the art and science of the real estate marketing profession. The ideal textbook for undergraduate and graduate level classes in business school and professional / continuing education programs in Real Estate, this book will also be of interest to professional real estate entrepreneurs looking to boost their knowledge and improve their marketing techniques. The book is divided into five major parts. Part 1 focuses on introducing students to fundamental concepts of marketing as a business philosophy and strategy. Concepts discussed include strategic analysis, target marketing, and the four elements of the marketing mix: property planning, site selection, pricing of properties, and promotion of properties. Part 2 focuses on personal selling in real estate. Students will learn the exact process and steps involved in representing real estate buyers and sellers. Part 3 focuses on negotiations in real estate. How do effective real estate professionals use negotiation approaches such as collaboration, competition, accommodation, and compromise as a direct function of the situation and personalities involved in either buying or selling real estate properties? Part 4 focuses on human resource management issues such as recruiting and training real estate agents, issues related to performance evaluation, motivation, and compensation, as well as issues related to leadership. Finally, Part 5 focuses on legal and ethical issues in the real estate industry. Students will learn how to address difficult situations and legal/ethical dilemmas by understanding and applying a variety of legal/ethical tests. Students will also become intimately familiar with the industry's code of ethics.
