CMJ New Music Report Feb 09 2021 CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales. CMJ's trade publication, compiles playlists for college and non-commercial stations; often a prelude to larger success.

Primates of Park Avenue Jul 29 2022 "Like an urban Dian Fossey, Wednesday Martin decodes the primate social behaviors of Upper East Side mothers in a brilliantly original and witty memoir about her adventures assimilating into that most secretive and elite tribe. After marrying a man from the Upper East Side and moving to the neighborhood, Wednesday Martin struggled to fit in. Drawing on her background in anthropology and primatology, she tried looking at her new world through that lens, and suddenly things fell into place. She understood the other mothers' snobbiness at school drop-off when she compared them to olive baboons. Her obsessional quest for a Hermes Birkin handbag made sense when she realized other females wielded them to establish dominance in their troop. And so she analyzed tribal migration patterns; display rituals; physical adornment, mutilation, and mating practices; extra-pair copulation; and more. Her conclusions are smart, thought-provoking, and hilariously unexpected. Every city has its Upper East Side, and in Wednesday's memoir, readers everywhere will recognize the strange cultural codes of powerful social hierarchies and the compelling desire to climb them. They will also see that Upper East Side mothers want the same things for their children that all mothers want--safety, happiness, and success--and not even sky-high penthouses and chauffeured SUVs can protect this ecologically released tribe from the universal experiences of anxiety and loss. When Wednesday's life turns upside down, she learns how deep the bonds of female friendship really are. Intelligent, funny, and heartfelt, Primates of Park Avenue lifts a veil on a secret, elite world within a world--the exotic, fascinating, and strangely familiar culture of privileged Manhattan motherhood"--

Pets of Park Avenue Feb 21 2022 "One of the year's most delightful rom-coms."—New York Times bestselling author Julia London on The Dachshund Wears Prada The perfect romcom for dog lovers! Pets of Park Avenue is the story of a self-confessed hot mess who learns that life is more fun when things don't go according to plan. What do you do when The One is also the one who broke your heart? Self-proclaimed hot mess Scout Myers is determined to prove she's finally got her act together. Raised by grandparents who saw her as her wayward mother's wayward daughter, Scout's used to being written off. So when the opportunity for a promotion arises at Paws in the City, the talent agency where she works, Scout is desperate to rise to the occasion. With shared custody of her little sister also on the line, Scout can't afford a single mistake...like suddenly needing a canine stand-in for an important photoshoot. Luckily (or not) she knows the owner of the perfect pup replacement: the estranged husband she walked out on years ago. On the surface, it appears Lane Halliday's life has been blissfully drama free without Scout, but she suspects her handsome-as-ever not-quite-ex-husband doth protest too much. Working together even feels like old times—except for all that lingering, unresolved tension. But Scout's not sure she's ready to confront the reasons she left Lane, and when their plans to finalize the divorce become very real, Scout starts to wonder whether second chances might be worth a little hot mess. Paws in the City Book 1 - The Dachshund Wears Prada

Proceedings of the City Council ... Mar 25 2022

740 Park Nov 01 2022 For seventy-five years, it's been Manhattan's richest apartment building, and one of the most lusted-after addresses in the world. One apartment had 37 rooms, 14 bathrooms, 43 closets, 11 working fireplaces, a private elevator, and his-and-hers saunas; another at one time had a live-in service staff of 16. To this day, it is steeped in the purest luxury, the kind most of us could only imagine, until now. The last great building to go up along New York's Gold Coast, construction on 740 Park finished in 1930. Since then, 740 has been home to an ever-evolving cadre of our wealthiest and most powerful families, some of America's (and the world's) oldest money—the kind attached to names like Vanderbilt, Rockefeller, Bouvier, Chrysler, Niarchos, Houghton, and Harkness—and some whose names evoke the excesses of today's monied elite: Kravis, Koch, Bronfman, Perelman, Steinberg, and Schwarzman. All along, the building has housed titans of industry, political power brokers, international royalty, fabulous scam-artists, and even the lowest scoundrels. The book begins with the tumultuous story of the building's construction. Conceived in the bubbling financial, artistic, and social cauldron of 1920's Manhattan, 740 Park rose to its dizzying heights as the stock market plunged in 1929—the building was in dire financial straits before the first apartments were sold. The builders include the architectural genius Rosario Candela, the scheming businessman James T. Lee (Jacqueline Kennedy Onassis's grandfather), and a raft of financiers, many of whom were little more than white-collar crooks and grand-scale hustlers. Once finished, 740 became a magnet for the richest, oldest families in the country: the Brewsters, descendants of the leader of the Plymouth Colony; the socially-registered Bordens, Hoppins, Scovilles, Thornes, and Schermerhorns; and top executives of the Chase Bank, American Express, and U.S. Rubber. Outside the walls of 740 Park, these were the people shaping America culturally and economically. Within those walls, they were indulging in all of the Seven Deadly Sins. As the social climate evolved throughout the last century, so did 740 Park: after World War II, the building's rulers eased their more restrictive policies and began allowing Jews (though not to this day African Americans) to reside within their hallowed walls. Nowadays, it is full to bursting with new money, people whose fortunes, though freshly-made, are large enough to buy their way in. At its core this book is a social history of the American rich, and how the locus of power and influence has shifted haltingly from old bloodlines to new money. But it's also much more than that: filled with meaty, startling, often tragic stories of the people who lived behind 740's walls, the book gives us an unprecedented access to worlds of wealth, privilege, and extraordinary folly that are usually hidden behind a scrim of money and influence. This is, truly, how the other half—or at least the other one hundredth of one percent—lives.

Atlas Era Battlefield Masterworks Vol. 1 Aug 25 2019 Collects Battlefield #1-11. In the early 1950s with the Korean War raging Marvel Comics' predecessor, Atlas, launched a bevy of war comics featuring the heroism and horrors of human conflict. Battlefield ranked four-star amongst them with art by Atlas Era luminaries including war comics great Russ Heath along with Paul Reinman, Joe Maneely, Gene Colan, Bill Everett and many more. With challenging scripts by Stan Lee's stable of Atlas Era scribes these never-before-reprinted pre-Code comics

delve into a challenging range of themes—from tales of the American fightin' G.I., to the machinations of the Communist front, and striking meditations on the atrocities of modern war.

**Popular Mechanics Oct 20 2021** Popular Mechanics inspires, instructs and influences readers to help them master the modern world. **Real Estate Due Diligence Nov 20 2021** Real Estate Due Diligence is the first textbook on due diligence, the cornerstone of every successful real estate deal. Due diligence is designed to uncover potential risks posed by a real estate acquisition, financing, or development project and failure to carry it out successfully can result in costly oversights and diminished investment returns. This book demonstrates how to assess and manage legal risks on properties such as office buildings, shopping centres, industrial buildings, apartments, and hotels—before the transaction closes. Real estate students and practitioners are taken through all of the essential due diligence areas, including: Titles and ownership issues Zoning and land use Liens and mortgages Condition assessments Environmental and operational concerns And lease analysis Throughout the book, major laws and court cases are used to illustrate due diligence issues and provide rich opportunities for classroom study and discussion. Practice points and comprehensive due diligence checklists help readers to go on to put their learning in practice. This book fills a gap in the real estate literature and is perfect for use as a college textbook, a practitioner's guide, or for industry training.

**The Pride of Park Avenue Nov 08 2020** The Pride of Park Avenue Combining cool, reflective narrative, free-flowing prose and authentic character dialogue, The Pride of Park Avenue is a collection of emotionally charged personal essays about life, loss and pain, character-driven flash fiction passages of love and betrayal, action-helmed coming of age short stories centered on the pursuit of the American Dream, painstaking, tragedy-filled poetry and insanely written gonzo blog entries that form one of the more daring works of the last quarter century.

**Yonkers in the Twentieth Century Jul 25 2019** Traces the economic, political, and social evolution of New York State's fourth largest city during the twentieth century. Yonkers in the Twentieth Century chronicles the decline and rebirth of the fourth largest city in New York State, once known as "the Queen City of the Hudson" and "the City of Gracious Living." Previously an industrial powerhouse, the city's factories turned out essential items that helped the United States win two world wars. Following World War II, the industrial base of Yonkers eroded as companies moved away, contributing to an increase in poverty. To address the housing needs of its low-income residents, Yonkers built public housing, resulting in a nearly thirty-year court case that, for the first time in United States history, linked school and housing segregation. The case was finally settled in the early years of the twenty-first century, a time that also witnessed the continuation of the city's economic redevelopment efforts along the Hudson River and contiguous downtown area. Striving to once again become "the Queen City of the Hudson," Yonkers is being rebuilt beginning at its historic waterfront. Marilyn E. Weigold is Professor of History at Pace University and the author of several books, including *The Long Island Sound: A History of Its People, Places, and Environment*. The Yonkers Historical Society is dedicated to saving the rich, diverse history of Yonkers. The Society maintains Sherwood House museum, advocates for the preservation of historic landmarks and neighborhoods, and promotes an appreciation of the city's unique heritage through its many programs, publications, and social media.

**Park Avenue Prince Jun 27 2022** THE PRINCE OF PARK AVENUE FINALLY MEETS HIS MATCH IN A FEISTY MANHATTAN PRINCESS. I've made every one of my billions of dollars myself—I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me—I want to hold her against me and show her what she's been missing. When she makes a joke at my expense—I want to silence her sassy mouth with my tongue. And when she leaves straight after we f\*ck with barely a goodbye—it makes me want to pin her down and remind her of the three orgasms she just had. She might be a princess but I'm going to show her who rules in this Park Avenue bedroom. A sexy, stand-alone, contemporary romance. What others are saying about Louise Bay: "A fabulous, smouldering love story" Katy Evans, NYT bestselling author "Insanely hot passion, and deliciously naughty and sweet characters. I devoured every page!" -New York Times Bestselling Author Lisa Renee Jones "Delivers both swoon-worthy and wickedly seductive moments that will have you desperate for more." -New York Times Bestselling Author Lisa Renee Jones "This book is deliciously HOT. I loved reading it." Layla Hagen, USA Today bestselling Author "Off the charts sexual tension and chemistry...I ravished every page!" -Audrey Carlan, #1 NYT Bestselling Author "A swoony hero with a British accent and a heroine you will root for. Don't miss this!" Jana Aston, NYT Bestselling Author "Hot sex, great banter, a cocky British boss and one of my favorite heroines to date. This book is a must-read and one of my favorite romances this year!" LJ Shen, USA Today Bestselling Author "Everything that a romance junkie could ever want in a contemporary romance. Once you start, there is not setting this sucker down. An absolute PAGE-TURNER." Shayna's Spicy Reads "Alexander and Violet stole my heart! Their chemistry rolls of the page. Seeing the broody and incredibly hot Brit falling for Violet made me swoon. If you love hot and romantic reads, then The British Knight is a MUST read." Layla Hagen, USA Today Bestselling Author "A funny, hot, and expertly crafted romance that was a joy to read." Guilty Pleasures Book Reviews "I loved every page. Red hot scenes, tender moments and the usual roller coaster of emotions Louise loves to instill in her works, that makes her books so exhilarating to read. A perfect 5 star read." Two Girls and Their Kindle "A hilariously funny and heart wrenching story that will pull at your heartstrings." Who Gives a Hoot Reviews "Beautifully written with the perfect balance of sugar and spice! Five beautiful stars!" Expresso Reviews "Like a really good rom-com movie except with really hot sex thrown in." Kitty Kats Crazy about Books "A brilliant read. Full of angst, with bites of humor and lots of steam, it also has a real sweetness about it. Another MUST READ from a really talented storyteller." Perusing Princesses "An amazing love story." She's a Lip Biter "Friends to lovers is a favorite trope of mine and this is right up there with the best of them." Tanja, KT Book Reviews "Just when I think her books can't get any better, she writes another one and it outshines the previous ones. This is a sweet and sexy, friends-to-lovers contemporary romance with all the feels -- heartwarming, breathtaking, and sexy all rolled into one interesting and intriguing plot." Tracey, Goodreads reviewer "If you love a good friends to lovers with a side helping of slow burn, this book is for you. Don't hesitate, grab it with both hands. Noah and Truly will steal your heart and you will let them gladly." Passion on Park Avenue Jan 23 2022 An Oprah.com Best Romance Novel of 2019! "Perfect for readers who love the dishy women's fiction of Candace Bushnell." —Booklist From the author of the New York Times bestselling Stiletto and Oxford series, the first in a sizzling new series following the unlikely friendship of three Upper East Side women as they struggle to achieve their dreams and find true love and happiness in the city that never sleeps. For as long as she can remember, Bronx-born Naomi Powell has had one goal: to prove her worth among the Upper East Side elite—the same people for which her mom worked as a housekeeper. Now, as the strongminded, sassy CEO of one of the biggest jewelry empires in the country, Naomi finally has exactly what she wants—but it's going to take more than just the right address to make Manhattan's upper class stop treating her like an outsider. The worst offender is her new neighbor, Oliver Cunningham—the grown son of the very family Naomi's mother used to work for. Oliver used to torment Naomi when they were children, and as a ridiculously attractive adult, he's tormenting her in entirely different ways. Now they find themselves engaged in a battle-of-wills that will either consume or destroy them. "Strong characters and relatable situations elevate Layne's bighearted contemporary...[which] digs into class differences, emotional baggage, and the reality of dealing with aging parents" (Publishers Weekly, starred review). With the sexy combination of charm, heart, and snark, Lauren Layne's new series is perfect for fans of Christina Lauren and Sally Thorne.

Privately Owned Public Space Jan 11 2021 Hailed by the Wall Street Journal as a "juicy little time bomb of a book", Privately Owned Public Space: The New York City Experience examines for the first time, New York City's 39-year mixed experience with the production of more than 500 plazas, parks, and atriums located on private property yet by law accessible to and usable by the public. Until now, comprehensive, systematic knowledge about this vast collection of public spaces has not existed, either for experts or members of the public. To remedy this gap, Harvard University professor Jerold S. Kayden, The New York City Department of City Planning, and The Municipal Art Society of New York have joined forces to research and write Privately Owned Public Space: The New York City Experience. Through words, photographs, scaled site plans, maps, and analysis of newly assembled data, they examine history, law, design, and use of the city's privately owned public spaces. Each of the more than 500 spaces is individually discussed to provide far-reaching comparative information about this unique category of public space. In reading this book, designers, planners, lawyers, and academics will gain greater understanding about the possibilities and problems inherent in the design, management, and enforcement of privately owned public space. Public officials, private owners, and civic group representatives will learn more about their roles in ensuring public access and vitality of such spaces. Individuals will discover where New York City's public spaces are located and what amenities they offer. Everyone will comprehend more completely the contribution that privately owned public space can make toward open and attractive cities in which all individuals have access to a diversity of public places.
