Mistborn Nov 05 2022 From #1 New York Times bestselling author Brandon Sanderson, the *Mistborn* series is a heist story of political intrigue and magical, martial-arts action. For a thousand years the ash fell and no flowers bloomed. For a thousand years the Skaa slaved in misery and lived in fear. For a thousand years the Lord Ruler, the "Sliver of Infinity," reigned with absolute power and ultimate terror, divinely invincible. Then, when hope was so long lost that not even its memory remained, a terribly scarred, heart-broken half-Skaa rediscovered it in the depths of the Lord Ruler's most hellish prison. Kelsier "snapped" and found in himself the powers of a Mistborn. A brilliant thief and natural leader, he turned his talents to the ultimate caper, with the Lord Ruler himself as the mark. Kelsier recruited the underworld's elite, the smartest and most trustworthy allomancers, each of whom shares one of his many powers, and all of whom relish a high-stakes challenge. Only then does he reveal his ultimate dream, not just the greatest heist in history, but the downfall of the divine despot. But even with the best criminal crew ever assembled, Kel's plan looks more like the ultimate long shot, until luck brings a ragged girl named Vin into his life. Like him, she's a half-Skaa orphan, but she's lived a much harsher life. Vin has learned to expect betrayal from everyone she meets, and gotten it. She will have to learn to trust, if Kel is to help her master powers of which she never dreamed. This saga dares to ask a simple question: What if the hero of prophecy fails? And now its shattered citizens face domination by a powerful Imperium motivated by dogged religious views. The Decline And Fall Of The British Empire Apr 17 2021 No empire has been larger or more

diverse than the British Empire. At its apogee in the 1930s, 42 million Britons governed 500 million foreign subjects. Britannia ruled the waves and a quarter of the earth's surface was painted red on the map. Yet no empire (except the Russian) disappeared more swiftly. Within a generation this mighty structure collapsed, often amid bloodshed, leaving behind a scatter of sea-girt dependencies and a ghost of an empire, the Commonwealth, overshadowed by Imperial America. It left a contested legacy: at best a sporting spirit, a legal code and a near-universal language; at worst, failed states and internecine strife. Full of vivid particulars, brief lives, telling anecdotes, comic episodes, symbolic moments and illustrative vignettes, *The Decline and Fall of the British Empire* is popular history at its scholarly best.

Mistborn: Secret History Jul 09 2020 Note: This novella is included in Arcanum Unbounded: The Cosmere Collection, now available in print, ebook, and audiobook from Tor (US/Canada) and Gollancz (UK/Commonwealth). Mistborn: Secret History is a companion story to the original Mistborn Trilogy. As such, it contains huge spoilers for the books Mistborn (The Final Empire), The Well of Ascension, and The Hero of Ages. It also contains very minor spoilers for the book The Bands of Mourning. Mistborn: Secret History builds upon the characterization, events, and worldbuilding of the original trilogy. Reading it without that background will be a confusing process at best. In short, this isn't the place to start your journey into Mistborn. (Though if you have read the trilogy—but it has been a while—you should be just fine, so long as you remember the characters and the general plot of the books.) Saying anything more here risks revealing too much. Even knowledge of this story's existence is, in a way, a spoiler. There's always another secret.

Prophet Mar 29 2022 With the Earth Empire rebuilt, Old Man Prophet searches for allies and enemies alike to fight the Empire he opposes, while an ancient entity brings to light a cosmic threat.

El imperio final / The Final Empire Aug 02 2022 Durante mil años han caído las cenizas y nada florece. Durante mil años los skaa han sido esclavizados y viven sumidos en un miedo inevitable. Durante mil años el Lord Legislador reina con un poder absoluto gracias al terror, a sus poderes e inmortalidad. Le ayudan «obligadores» e «inquisidores», junto a la poderosa magia de la «alomancia». Pero los nobles, con frecuencia, han tenido trato sexual con jóvenes skaa y, aunque la ley lo prohíbe, algunos de sus bastardos han sobrevivido y heredado los poderes alománticos: son los «nacidos de la bruma» (mistborns). Ahora, Kelsier, el «superviviente», el único que ha logrado huir de los Pozos de Hathsin, ha encontrado a Vin, una pobre chica skaa con mucha suerte... Tal vez los dos unidos a la rebelión que los skaa intentan desde hace mil años puedan cambiar el mundo y la atroz dominación del Lord Legislador. ENGLISH DESCRIPTION For a thousand years the ash fell and no flowers bloomed; the Skaa slaved in misery and lived in fear; the Lord Ruler reigned with absolute power and ultimate terror, divinely invincible. Then, when hope was so long lost that not even its memory remained, a terribly scarred, heart-broken half-Skaa rediscovered it in the depths of the Lord Ruler's most hellish prison.

The Iron Ship Jun 07 2020 Merchant, industrialist and explorer Trassan Kressind has an audacious plan – combining the might of magic and iron in the heart of a great ship to navigate an uncrossed ocean, seeking the city of the extinct Morfaan to uncover the secrets of their lost sciences. Ambition runs strongly in the Kressind family, and for each of Trassan's siblings fate beckons. Soldier Rel is banished to a vital frontier, bureaucrat Garten balances responsibility with family loyalty, sister Katriona is determined to carve herself a place in a world of men, outcast Guis struggles to contain the energies of his soul, while priest Aarin dabbles in forbidden sorcery. The world is in turmoil as new money brings new power, and the old social order crumbles. And as mankind's arts grow stronger, a terror from the ancient past awakens... This highly original fantasy depicts a unique world, where tired gods walk industrial streets and the tide's rise and fall is extreme enough to swamp continents. Magic collides with science to create a rich backdrop for intrigue and adventure in the opening book of this epic saga.

Jinghua has kept her own counsel well, but with Khalaf's kingdom—and his very life—on the line, she must reconcile the hard truth of her past with her love for a boy who has no idea what she's capable of . . . even if it means losing him to the girl who'd sooner take his life than his heart.

The Well of Ascension Nov 24 2021 From #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. The impossible has been accomplished. The Lord Ruler -- the man who claimed to be god incarnate and brutally ruled the world for a thousand years -- has been vanquished. But Kelsier, the hero who masterminded that triumph, is dead too, and now the awesome task of building a new world has been left to his young protégé, Vin, the former street urchin who is now the most powerful Mistborn in the land, and to the idealistic young nobleman she loves. As Kelsier's protégé and slayer of the Lord Ruler she is now venerated by a budding new religion, a distinction that makes her intensely uncomfortable. Even more worrying, the mists have begun behaving strangely since the Lord Ruler died, and seem to harbor a strange vaporous entity that

haunts her. Stopping assassins may keep Vin's Mistborn skills sharp, but it's the least of her problems. Luthadel, the largest city of the former empire, doesn't run itself, and Vin and the other members of Kelsier's crew, who lead the revolution, must learn a whole new set of practical and political skills to help. It certainly won't get easier with three armies – one of them composed of ferocious giants – now vying to conquer the city, and no sign of the Lord Ruler's hidden cache of atium, the rarest and most powerful allomantic metal. As the siege of Luthadel tightens, an ancient legend seems to offer a glimmer of hope. But even if it really exists, no one knows where to find the Well of Ascension or what manner of power it bestows. Theirs is a world in which those who die in glory return as gods to live confined to a pantheon in Hallandren's capital city. A world transformed by BioChromatic magic, a power based on an essence known as breath. Using magic is arduous: breath can only be collected one unit at a time from individual people. But the rewards are great: by using breath

and drawing upon the color in everyday objects, all manner of miracles and mischief can be performed. Brandon Sanderson proves again that he is a master of what Tolkien called 'secondary creation,' the invention of whole worlds, complete with magics and myths all their own.

The Dark Talent Jun 27 2019 #1 New York Times bestselling author Brandon Sanderson's Alcatraz vs. the Evil Librarians series comes to an electrifying conclusion... ..and it's about time if you ask me. By "me" I of course mean me, Alcatraz Smedry. This is the last chapter of my autobiography, and was the hardest one for me to write. Because, in it—I'm not a hero. In fact, I'm the one who screwed everything up for everyone else. First off, my Talent for breaking things got a little out of hand, and I ended up destroying everyone else's Talents. As in "anyone who was born with a Talent no longer has a Talent and might never get their Talent back"—and all because of a Talent of mine which I no longer have. Got it? Even worse, my best friend Bastille (she's a girl, and a friend, but not really my girlfriend...I think?) was put in a coma by those Librarian slugs. So I owed them one for that. And worse than worse, I needed to enter the heart of Librarian power—the dreaded Highbrary—if I was ever going to bring Bastille back to life and stop my know-it-all hotshot renegade father from unleashing chaos all over the world just because he thinks it's the right thing to do. I wasn't sure I would make it out in one piece. Or two pieces. Or even ten pieces, considering how ticked off the Librarians were with me. So if you're willing to read about a world full of deadly dangers and fearsome foes unlike anything you've read before, turn the page. After all, I made it out alive... Though someone very close to me didn't. Praise for the Alcatraz series: "Like Lemony Snicket and superhero comics rolled into one (and then revved up on steroids)." —Publishers Weekly (Starred Review) "An excellent choice to read aloud to the whole family." —NPR "Those who enjoy their fantasy with a healthy dose of slapstick humor will be delighted." —School Library Journal "Genuinely funny...plenty here to enjoy." —Locus "In this original, hysterical homage to fantasy literature, Sanderson's first novel for youth recalls the best in Artemis Fowl and A Series of Unfortunate Events." —VOYA
