The Pack Sep 23 2019 Fifteen-year-old Erin Angelica Delessandri is a typical high school cheerleader except for one thing: in addition to the normal pressures of being a teenager, she is a child living in an alcoholic family. At home, she's the target of her father's alcoholic rage and is always on edge, never knowing when the yelling will start. Her father's harsh treatment also leads Erin to harbor the vague notion that she's "irresponsible" and "worthless". At school Erin gets caught up in the party scene with a crew called "The Pack". She becomes romantically involved with an older Pack member named Dwane. After Dwane is accused of a gang-related murder, Erin's brother Joey, who is also a member of The Pack, forbids Erin from seeing Dwane. But the evidence suggests that it's Joey, not Dwane, who pulled the trigger. While the drama unfolds at school, Erin's family disintegrates before her eyes. Her mom, upset at the prospect of a failed marriage, becomes depressed and withdrawn. And Erin's little sisters share a secret-a killer secret that must be exposed and dealt with before someone dies.

Paganism and Christianity, 100-425 C.E. Mar 22 2022 This book is a collection of nearly 175 documents?from saints, emperors, philosophers, satirists, inscriptions, graffiti, and other interesting types?that sheds light on the complex fabric of religious belief as it changed from a variety of non-Judeo-Christian movements to Christian in late antiquity. These texts illuminate and bring to life the bizarre and the banal of the social world of the Roman Empire,

the world in which Christianity ultimately gained preeminence. This treasury of texts leads the reader through the matrix of beliefs among which Christianity grew. It includes both Christian and non-Christian sources, avoiding a common but obscuring division between the two. The material is presented as one single flow that satisfies natural curiosity and whets the reader's appetite for more. Brief explanatory introductions to the documents are included.

Chili Dawgs Always Bark at Night Jul 02 2020 The author of the phenomenal - and hilarious - best-seller *Don't Bend over in the Garden, Granny, You Know Them Taters Got Eyes* is back with an all-new collection of his funniest, sharpest observations yet. In *Chili Dawgs Always Bark at Night*, Grizzard once again confirms his reputation as the "William Faulkner of just plain folks" using colorful storytelling and his own wonderful brand of humor to tackle such Grizzardian subjects as: International Relations: "If John Wayne were still alive, he'd know what to do to the Japanese investors - take a seven iron and run them and their checkbooks back home before it's too late and Vanna White has to learn eight zillion character signs in the Japanese alphabet to keep her job." Fashion: "Don't wear anything that features a picture of a pelican, a pink flamingo or a beer can." The Future: "I'm predicting the world isn't going to come to an end anytime soon. There's too much unresolved, like whether or not Elvis is still alive, Jimmy Swaggart can stay on television, and if there will be another Rambo sequel." Dating: "Any single white female who has to resort to taking out an ad to find a boyfriend would take a SWM who's into yodeling, Hustler magazine, Ripple and robbing convenience stores." Getting Back to Nature: "Snakes are right up there with the things that I fear most. Lightning is on that list. So is flying in bad weather at night, the dentist, and revenge-minded ex-wives." People Who Cheat in the 12-Items-or-Less Express Lane: "Previously, I have dog-cussed these people and put curses on them, like, 'May your children grow up to be liberal Democrats.' I'm not going to be that mean-spirited anymore. What I'm going to do is go to the vegetable bin, grab a large cucumber, and beat them about the head and shoulders with it." Lewis Grizzard offers his views on everything from politics, religion, sex and golf to the largest condom heist in history, proving he is wittier and more outrageous than ever. *Chili Dawgs Always Bark at Night* shows why the South's most popular humorist is now America's most popular funny man.

As a Thief in the Night Oct 17 2021 Harold Monkhouse is usually such an uncomplaining patient so when his

brother Amos calls in one night, what he doesn't expect is to see him at death's door. Suspicions aroused, he demands an urgent second opinion. And when Harold is later found dead from arsenic poisoning, Amos is left in no doubt that foul play is afoot. The inquiry begins and Barbara Monkhouse is soon singled out as the prime suspect. What ensues is a roller coaster ride into crime fiction at its best as the truth of the fateful night eludes even the best of detective minds. Could it be a simple case of wife poisoning husband-or is it just possible that another shadowy figure stole into Harold's room, as a thief in the night, to rid the world of an innocent man?

Rejected by the Pack Mar 30 2020 When the pack leader's son rejects our bond and exiles me, I'm convinced things can't get any worse. After I'm thrust into the center of a cataclysm spanning two realms, I quickly discover how wrong I was. I never asked to be different. I never asked to be the illegitimate daughter of a female wolfshifter who broke her mate-bond and screwed a mysterious stranger. My sire, whoever he was, couldn't be bothered to stick around and deal with the chaos he caused. Now, I'm the one causing chaos. I have no control over the destructive storms that rage around me every time I get upset. And it's not just happening in the human realm—my powers spill over into other realms as well. When I'm abducted by a formidable fae warrior who's convinced I'm about to be responsible for the death of his world, my only hope is to become more powerful than either of the men controlling my life. My shifter mate didn't want me at all. Now a dangerous fae magician wants me dead. To get out of this mess, I'll have to confront the mystery of my own past—the crime that led to my birth. Night of the Party Mar 10 2021 After withdrawing from the EU, Britain is governed by a far-right nationalist party. Its flagship policy is the British Born edict, which allows only those born in Britain to live here. Everyone else is an "illegal", subject to immediate arrest and deportation. But an election is coming soon, and all the polls point to a big

loss for the ruling party. 18-year-old Londoner Ash is wrestling with grief after the loss of his sister Sophie, who died in a tragic drug-related accident at a party. He meets Zara on a stalled tube train and immediately falls for her. But Zara has secrets: not only is she an "illegal", but she's the only person who knows the truth about Sophie's death. Associating with Zara could jeopardize Ash's future and if Zara comes forward with what she knows about the night Sophie died, she'll have no future in Britain at all. The election could save them - or will it only bring disaster? Is That Your Final answer? Oct 25 2019 It was the end of the 20th century and the dawn of a new millennium.

America was enjoying an unprecedented period of prosperity, the stock market achieving all-time highs, no wars, and the federal government actually generating an annual surplus. But a rising tide does not lift all boats. Greg Rafferty has been fired out of one corporate nightmare and is on thin ice in another. A recent long-term relationship collapse, and ever-increasing isolation has induced a delusional belief that his only means of survival is to win a million dollars on the nation's highest rated television show. Unbelievably, he is ultimately afforded an opportunity to turn this obsessive pipe dream into reality. A cross between "Office Space" and "Sex in the City" from a male perspective, "Is That Your Final Answer?" is the hilarious and poignant account of one man's search for love and reason in a cold and irrational world.?
