ATI TEAS 6 Study Guide _____ Jul 31 2022 In the last half-century, researchers and psychologists have upended a lot of conventional wisdom about the way we learn and how we can get the most out of studying. Their discoveries have suggested a number of ways that students can study smarter, not harder. Unfortunately, most of these new methods have not made their way into our public school systems, leaving millions of students with devastatingly ineffective study habits. The Spire Study System® aims to change that. Using cutting-edge science and advanced information design, we have created a study system rather than a study guide. Just follow the simple directions in this book, and rest easy in the knowledge that you will pass your test. We're so confident that Spire will work for you, we guarantee that you'll pass your test -- or we'll give you your money back. No more cramming. No more wasted studying time. No more guessing at answers and hoping for good luck.

Tough Questions: Study Guide _____ Mar 27 2022 In a world filled with questions, can you provide answers? Scripture tells us to "always be ready to give a defense to everyone who asks you a reason for the hope that is in you" (1 Peter 3:15). The questions we're asked may be tough, but finding the answers doesn't have to be. Finally, an apologetics course that's unimimidating, taught in the same casual, conversational way you'll be sharing what you learn--over coffee with friends. In "Tough Questions," Ray Comfort, Emeal ("E.Z.") Zwayne, and Mark Spence will not only equip you to have ready answers to the questions you'll face, but will arm you with an arsenal of valuable questions of your own. You'll learn simple ways to help people think through their beliefs and to reason with those who may seem unreasonable. In these five sessions you'll explore what apologetics is (and isn't), its proper role in evangelism, the fundamentals of worldviews, and the biblical key to unlock the heart of the ungodly. Discover ready answers to questions such as: Who made God? Why is there suffering and evil? How can a loving God send someone to Hell? Isn't the Bible filled with contradictions? Why are Christians anti-science? And much more... Most importantly, you'll be given tools to have life-changing conversations with friends and strangers as you share the truth of the gospel, pointing people to the only Answer they need. Study Guide includes: Discussion questions, equipping answers, homework assignments, at-home Bible study, witnessing how-to.
