Wallpaper* City Guides enable you to come away from your trip, however brief, with a real taste of the city's landscape and the satisfaction you've seen all that you should. In short, these guides act as a passport to the best the world has to offer.

Wallpaper Nov 04 2022 We agonise and argue when choosing it; we admire, compliment and criticise it (or keep politely quiet about it); and the rest of the time we don't even notice it. Wallpaper has been the backdrop to our homes for hundreds of years. It can make a house feel cosy or trendy, modern or traditional, and it is one of the key elements of home décor through which to express personal taste. Despite the threat from plain-painted minimalism, wallpaper maintains a strong presence in modern domestic decoration. Zoë Hendon traces the history of wallpaper in Britain and its foremost designers, examining how social mobility and new technologies have influenced design trends. From early Chinoiserie, through William Morris and on to the 'feature wall', this book looks at wallpaper's surprisingly controversial place in shaping our sense of home.

The Yellow Wallpaper and Selected Writings Feb 01 2020 A collection of writings from Charlotte Perkins Gilman, the most important American feminist of the early twentieth century. Includes the chilling and hugely influential 'The Yellow Wallpaper', which documents the powerlessness of women in Victorian marriage.

[Chinese Wallpaper in Britain and Ireland](#) Sep 21 2021 Chinese wallpaper has been an important element of western interior decoration for three hundred years. As trade between Europe and China flourished in the seventeenth century, Europeans developed a strong taste for Chinese art and design. The stunningly beautiful wall coverings now known as 'Chinese wallpaper' were developed by Chinese painting workshops in response to western demand. In spite of their spectacular beauty, Chinese wallpapers have not been studied in any depth until relatively recently. This book provides an overview of some of the most significant Chinese wallpapers surviving in the British Isles. Sumptuously illustrated, it shows how these wallpapers became a staple ingredient of high-end interiors while always retaining a touch of the exotic.

The Yellow Wallpaper and Other Writings Jan 02 2020 Presents fiction and non-fiction selections from the twentieth-century American feminist and sociologist, displaying keen analysis of economic and women's issues.

The Art of Wallpaper Nov 23 2021 Color, complete, and create wallpaper patterns inspired by a dazzling range of historical designs The choice of wallpaper—an intricate floral motif, a complex repeat pattern, or a bold abstract design—can transform a room. The Art of Wallpaper showcases inspirational wallpapers from the V&A's outstanding collection, from intricate hand-drawn designs to bold, woodblocked prints, and invites readers to create designs of their own. The book begins with a brief history of wallpaper manufacture and design. The activities are divided into four sections, becoming progressively more difficult: Experiment with Color, Complete the Repeat, Fill in the Gaps, and Create Your Own. Thumbnails at the end of the book identify all the featured designs. Wallpaper's ubiquity and versatility have allowed designers to innovate and experiment with color, technique, and style. The Art of Wallpaper encourages readers to explore the endless variety of this medium and provides inspiration for new designs.

New Looks for Wallpaper Jun 26 2019 Featuring the latest designs and expert advice for creating beautiful room schemes this season.

Wallpaper Sep 02 2022 A wordless picture book about using imagination to overcome shyness

The Yellow Wallpaper (Diversion Classics) Mar 28 2022 Featuring an appendix of discussion questions, the Diversion Classics edition is ideal for use in book groups and classrooms. In this haunting short story, a woman details her confinement in an old mansion following the birth of her child. Obsessed by the pattern of the wallpaper in the room she is unable to escape, Jane slowly descends into madness. Delving into issues of mental health and women's rights, this work of early feminist literature continues to captivate readers.

Shadows from the Walls of Death Jul 28 2019 This version of 'Shadows from the Walls of Death' is a tribute to Robert Clark Kedzie, who produced the originals of which there are now only two left in existence. They are located at the

University of Michigan and Michigan State University. The originals are approximately 22 x 30 inches containing a title page and an 8 page preface followed by 86 samples cut from rolls of arsenic impregnated wallpaper. The book is sealed in a protective container and each individual page is encapsulated. This particular edition does not actually contain any arsenic. Further to that the content of this volume including both text and images are for entertainment purposes.

Bitten by Witch Fever Mar 04 2020 The shocking story of a deadly trend in Victorian wallpaper design, illustrated by beautiful and previously unseen arsenic-riddled designs from the British National Archives In Germany, in 1814, Wilhelm Sattler created an extremely toxic arsenic and verdigris compound pigment, Schweinfurt green-known also as Paris, Vienna, or emerald green-which became an instant favorite amongst designers and manufacturers the world over, thanks to its versatility in creating enduring yellows, vivid greens, and brilliant blues. Most insidiously, the arsenic-laced pigment made its way into intricately patterned, brightly colored wallpapers and from there, as they became increasingly in vogue, into the Victorian home. As its use became widespread, commercial arsenic mines increased production to meet the near-insatiable demand. Not least of which was the UK's largest mining plant, DGC whose owner was William Morris, originator of the British Arts and Crafts movement and arguably the finest wallpaper designer of his generation. Bitten by Witch Fever (Morris's own phrase to dismiss arsenic- and- wall-paper-related public health concerns in 1885) tells this fatal story of Victorian home décor, building upon new research conducted especially for this book by the British National Archive, on their own samples. Spliced between the sections of text are stunning facsimiles of the wallpapers themselves.

The Wallpaper Book Aug 01 2022 While it has long been an essential element of interior decor, wallpaper is currently experiencing a creative boom. This everyday material has always reflected social shifts as well as changing fashions, and now designers everywhere are rediscovering its versatility, using it to achieve a variety of imaginative effects. It can add texture, warmth, wit, or personality to any space, becoming a tranquil backdrop or a striking conversation piece. A room may be papered with a profusion of patterns, or a wallpaper mural can make a bold statement, even blurring the boundaries between design and art installation.

Wallpaper Dec 13 2020 This book includes examples of wallpapers, grouped together into three trends: retro, modern and classic, to inspire and stimulate the imagination.

The Wallpaper Book Nov 11 2020 A wealth of design inspiration for any home: wallpaper styles to suite every taste, from nostalgic floral prints to playful retro revivals. While it has long been an essential element of interior decor, wallpaper is currently experiencing a creative boom. This everyday material has always reflected social shifts as well as changing fashions, and now designers everywhere are rediscovering its versatility, using it to achieve a variety of imaginative effects. It can add texture, warmth, wit, or personality to any space, becoming a tranquil backdrop or a striking conversation piece. A room may be papered with a profusion of patterns, or a wallpaper mural can make a bold statement, even blurring the boundaries between design and art installation. This book explores the art of wallpaper from its historical beginnings to the present day. Beginning with the handcrafted papers of the eighteenth century through the Arts and Crafts movement, modernism, and Pop art, it traces the influences behind today's popular motifs and showcases a dazzling selection of the very best in contemporary wallpaper. Some designers are reviving and reinventing traditional craft techniques while others embrace the latest in digital printing technology, even incorporating glow-in-the-dark effects or LED lights.

Wallpaper* City Guide Venice Jun 06 2020 The fast-track guide for the design-conscious traveller Wallpaper* City Guides present a tightly edited, discreetly packaged list of the best a location has to offer the design-conscious traveller. Here is a precise, informative, insider's checklist of all you need to know about the world's most intoxicating cities. Modern Wallpaper & Wallcoverings Apr 04 2020 Wallpaper & Wallcoverings is packed full of creative design ideas for walls in every room of the home, with tips and techniques for contemporary applications of everything from paper and paint to fabric and light-projected images. Beginning with the eighteenth- and nineteenth-century imports of toile de Jouy, damask and chintz from the Far East, the book examines the evolution and major influences of wallpaper and wallcoverings in the West. William Morris's organic hand-blocked prints, the geometric patterns of the 1950s and the hippie-trippy flowers of the 1960s and 1970s, among others, are used to show the impact of historical styles on modern wallcoverings. With a brilliant combination of lively and informative text and beautiful, inspiring photographs, Wallpaper & Wallcoverings illustrates the versatility

Wallpaper* City Guides enable you to come away from your trip, however brief, with a real taste of the city's landscape and the satisfaction you've seen all that you should. In short, these guides act as a passport to the best the world has to offer.

Herland and the Yellow Wallpaper May 06 2020 What would happen if society was run by women? In Herland Charlotte Perkins Gilman imagines the result. When three American men discover a community of women, living in perfect isolation in the Amazon, they decide there simply must be men somewhere. How could these women survive without man's knowledge, experience and strength, not to mention reproductive power? But what they have found is a civilisation free from disease, poverty and the weight of tradition. All alone, the women have created a society of calm and prosperity, a feminist utopia that dares to threaten the very concept of male superiority.

Creating Symmetry Apr 28 2022 A step-by-step illustrated introduction to the astounding mathematics of symmetry This lavishly illustrated book provides a hands-on, step-by-step introduction to the intriguing mathematics of symmetry. Instead of breaking up patterns into blocks—a sort of potato-stamp method—Frank Farris offers a completely new waveform approach that enables you to create an endless variety of rosettes, friezes, and wallpaper patterns: dazzling art images where the beauty of nature meets the precision of mathematics. Featuring more than 100 stunning color illustrations and requiring only a modest background in math, Creating Symmetry begins by addressing the enigma of a simple curve, whose curious symmetry seems unexplained by its formula. Farris

describes how complex numbers unlock the mystery, and how they lead to the next steps on an engaging path to constructing waveforms. He explains how to devise waveforms for each of the 17 possible wallpaper types, and then guides you through a host of other fascinating topics in symmetry, such as color-reversing patterns, three-color patterns, polyhedral symmetry, and hyperbolic symmetry. Along the way, Farris demonstrates how to marry waveforms with photographic images to construct beautiful symmetry patterns as he gradually familiarizes you with more advanced mathematics, including group theory, functional analysis, and partial differential equations. As you progress through the book, you'll learn how to create breathtaking art images of your own. Fun, accessible, and challenging, *Creating Symmetry* features numerous examples and exercises throughout, as well as engaging discussions of the history behind the mathematics presented in the book.

Wallpaper in Interior Decoration Oct 23 2021 Charts the rich and varied history of wallpaper, from its modest beginnings in the 16th century, through the lavish designs of the 18th century to the computer generated patterns of the late 20th century. This book is an insight into a subject rarely covered in books on interior design.

Art of Wallpapers Apr 16 2021 * Collects the majority of William Morris's wallpaper designs in one volume* Accompanies an exhibition at Edinburgh's Dovecot Studios* Beautifully designed, lavishly illustrated, with text by leading authority Mary Schoeser This extensively illustrated volume focuses on William Morris (1834-1896), placing his wallpaper designs within the context of the radical changes in taste witnessed during the Victorian era. Against a backdrop of the fanciful, naturalistic patterns that typified fashionable papers in Morris's youth, the impact of the Reform Movement of the mid-19th century is underscored, particularly the reformers' crusade against such multi-colored ornamental decoration. Instead, the insistence on the concepts of honesty and propriety as promoted by A. W. N. Pugin and Owen Jones, are demonstrated as influences on Morris. The role of imported Japanese wallpapers is also explored, giving insight into a seldom-discussed cultural exchange evidenced within the story of Morris & Co, which produced wallpapers from 1864 until 1940 and, after a post-war hiatus, from the 1960s to the present. Amplifying Morris's role in the creation of an influential and lasting style, his work is set within a selection by other designers, including Christopher Dresser and C. F. A. Voysey. Also introduced are firms of significance including Jeffrey & Co. and Arthur Sanderson & Sons, both of whom block-printed the Morris wallpapers. In a highly visual presentation, what is revealed are influences across time and within a global context, as pertinent to the creation of wallpaper art in the 19th century as it is today.

The Yellow Wallpaper & Herland Jan 14 2021 Charlotte Perkins Gilman's progressive views on feminism and mental health are powerfully showcased in her two most famous stories. *The Yellow Wallpaper* skillfully charts one woman's struggle with depression whilst *Herland* is an entertaining imagining of an all female utopia. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket-sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition is introduced by journalist and author Lucy Mangan. Confined to her attic bedroom and isolated from her newborn baby, the nameless narrator of *The Yellow Wallpaper* keeps a secret diary in which she records the sprawling and shifting patterns of the room's lurid yellow wallpaper as she slowly sinks into madness. This chilling story is based on the author's own experience of depression. In *Herland*, a trio of men set out to discover an all-female community rumoured to be hidden deep in the jungle. What they find surprises them all; they're captured by women who, for two thousand years, have lived in a peaceful and prosperous utopia without men.
