Trespassers! A Tribute to Fighters for the Freedom to Roam Nov 30 2019

Roam Feb 23 2022 2020 Quick Pick for Reluctant Young Adult Readers—YALSA/ALA & “An empathetic tale that treats homelessness with respect and makes it visible.&”—Kirkus Reviews Seventeen-year-old Abby Lunde and her family are living on the streets. They had a normal life back in Omaha but, thanks to her mother's awful mistake, they had to leave behind what little they had for a new start in Rochester. Abby tries to be an average teenager—fitting in at school, dreaming of a boyfriend, college and a career in music. But Minnesota winters are unforgiving, and so are many teenagers. Her stepdad promises to put a roof over their heads, but times are tough for everyone and Abby is doing everything she can to keep her shameful secret from her new friends. The divide between rich and poor in high school is painfully obvious, and the stress of never knowing where they're sleeping or where they'll find their next meal is taking its toll on the whole family. As secrets are exposed and the hope for a home fades, Abby knows she must trust those around her to help. But will her new friends let her down like the ones back home, or will they rise to the challenge to help them find a normal life? “We, her readers, are drawn in from the first page. This lovely book has tremendous heart.&”—Brandon Hobson, author of *Where the Dead Sit Talking*

Show and Tell Jan 13 2021 Dan Roam, the bestselling author of *The Back of the Napkin*, teaches us how to make extraordinary presentations. We are all natural born presenters. We have ideas to share, voices to share them, and people to share them with. But if we are all capable of giving presentations, why do we find public speaking so hard? *Show and Tell* provides a simple five-step path to take us from jitters and complexity to confidence and clarity. As presenters, our goal is to educate, entertain, persuade, motivate, and ultimately change our audience. As a top-notch presenter and speaker, Dan Roam has put together a guide full of his tried-and-true visual techniques and the wisdom he has gained from doing award winning presentations like “healthcare reform on napkins”. Roam's lively visual style, hand-drawn pictures, and vivid text will help regular people overcome anxiety, carry out a vision, and perform a little magic. Dan Roam is the author of *The Back of the Napkin*, which was *Fast Company's* Best Business Book of the Year and *BusinessWeek's* Innovation and Design Book of the Year, and more recently *Blah Blah Blah*. He is the founder of Digital Roam, Inc., a management consulting company. His clients have included Microsoft, Google, Wal-Mart, Boeing, Lucasfilm, The Gap, and the White House Office of Communications. His health-care analysis was named *BusinessWeek's* Best Presentation of 2009. He lives in San Francisco. PLEASE NOTE: This eBook edition of *SHOW AND TELL* is carefully laid out to match the print book; this means it reads much better as designed pages, but you won't be able to use some features such as highlighting and annotating text.

A Heart Condemned to Roam Jul 19 2021 All my life, people have been telling me the meaning of life... Ben Carter, drifter in dreamland, has a broken heart and a wandering mind. His memories are in fragments, played back and forth, like a CD of life's greatest hits. Devoutly Catholic and reserved philosophy student Ben's conservative sensibilities and romantic inexperience were challenged by intense, eccentric Professor Wilkinson and gothic, beguiling Winona. Winona's European departure and Wilkinson's suicide sent Ben spiraling into depression and doubt. With Winona's return, Ben makes his way across America, finding advice along the way. From the veteran's war philosophy to the hitchhiker's road wisdom to the Kenyan priest's story of redemption, he seeks the meaning of life on the way back to the woman he loves. Spiritual, pensive, and human, *A Heart Condemned to Roam* is a journey into the heart of America, the way of love, and inscrutable nature of life itself.

This Land Is Our Land Aug 08 2020 Private property is everywhere. Almost anywhere you walk in the United States, you will spot “No Trespassing” and “Private Property” signs on trees and fence posts. In America, there are more than a billion acres of grassland pasture, cropland, and forest, and miles and miles of coastlines that are mostly closed off to the public. Meanwhile, America's public lands are threatened by extremist groups and right-wing think tanks who call for our public lands to be sold to the highest bidder and closed off to everyone else. If these groups get their way, public property may become private, precious green spaces may be developed, and the common good may be sacrificed for the benefit of the wealthy few. Ken Ilgunas, lifelong traveler, hitchhiker, and roamer, takes readers back to the nineteenth century, when Americans were allowed to journey undisturbed across the country. Today, though, America finds itself as an outlier in the Western world as a number of European countries have created sophisticated legal systems that protect landowners and give citizens generous roaming rights to their countries' green spaces. Inspired by the United States' history of roaming, and taking guidance from present-day Europe, Ilgunas calls into question our entrenched understanding of private property and provocatively proposes something unheard of: opening up American private property for public recreation. He imagines a future in which folks everywhere will have the right to walk safely, explore freely, and roam boldly—from California to the New York island, from the Redwood Forest to the Gulf Stream waters.

The Back of the Napkin (Expanded Edition) Jul 07 2020 An expanded guide to enhancing analytical skills by building up one's

intrinsic abilities is a primer for business leaders on how to develop ideas and enable faster results using to-the-point visual methods. Original.

Roam Aug 20 2021 A wise and heartwarming first novel about families, love lost and found, and a scrappy three-legged dog who is trying to find his way back home as Christmas approaches. Roam features a seven-part soundtrack—composed and performed by the author—accessible online and embedded in the eBook. They say you never forget your first love . . . Born under a sparkling crescent moon, Nelson is a bright-eyed, inquisitive half beagle, half poodle. He lives with Katey and Don, newlyweds whose marriage is straining under the pressures of domesticity, but Katey's devotion to Nelson buoys the pup even as he worries his home may be falling apart. But there are few things Nelson likes better than to follow a scent, and one day he follows his nose and gets lost . . . very lost. Though he searches frantically for Katey—and she for him—Nelson can't seem to find his way home, and he soon realizes that if he's ever to see his great love again, he must make his way on his own and try to survive in the wild. Over the course of eight years, Roam follows Nelson as he crosses the country searching for his family. For a time he rides shotgun with a truck driver named Thatcher, then he lives in the woods with a pack of wolves. A terrible accident takes his hind leg, but Nelson's strength and longing to find Katey keep him alive. Escaping death in a shelter, Nelson grows into an old dog with a cynical eye and a world-weary demeanor, but underneath it all, a fearless and courageous spirit. After all, he believes that one day he'll make it home . . . and maybe, just maybe, he will. . . . Much more than the story of one dog's incredible journey, this is a deeply moving story of survival and enduring love, which once again confirms the unbreakable bond between humans and their best friends. In the tradition of *The Art of Racing in the Rain* and *The Story of Edgar Sawtelle*, Roam is an unforgettable tale of love lost and found, the trials that test families, and an affirmation that no matter how far or how long you may travel, there's always a place you can call home.

Henry Russell's Some Love to Roam Oct 22 2021

The Kings and Queens of Roam Apr 27 2022 When their parents die an untimely death, a blind, naïve younger sister becomes wholly dependent on her bitter and conniving older sister, who overprotectively imparts stories of a brutal and dangerous world until the younger sister makes a surprising choice. By the author of *Big Fish*.

Roam Jun 25 2019 Ethan Roam suffers from night terrors and vivid daydreams, which lead him to the doorstep of the eccentric Dr. Grady Hunter, who thrusts him into a world of supernatural misfits. Ethan quickly learns that there's more reality to his dreams than he suspected. As Ethan unravels the truth behind his nightmares and falls into his first experience with love, he also finds himself the target of a sinister plan. Ethan's trust in his new companions will be tested and he'll have to decide who he can rely on and who he must defy in order to survive a fatal Halloween night.

When Wanderers Cease to Roam Nov 03 2022 A charming, illustrated celebration of puttering, doodling, daydreaming, and settling down after years on the road. Following a lifetime of trekking across the globe, Vivian Swift racked up twenty-three temporary addresses in twenty years, finally dropped her well-worn futon mattress and rucksack in a small town on the edge of the Long Island Sound. She spent the next decade quietly taking stock of her life, her immediate surroundings, and, finally, what it means to call a place a home. The result is *When Wanderers Cease to Roam*. Filled with watercolors of beautiful local landscapes, seasonal activities, and small, overlooked pleasures of easy living, each chapter chronicles, month by month, the beautifully mundane perks of remaining at home—from curious notices in the local paper to the variations of autumnal clouds. At once gorgeously rendered and wholly original, this delightful and masterfully observed year of staying put shows us how the details of travel and the details of our lives remain with us—how they can nurture and sustain us, and how the past and the present become, in the end, intertwined.

Roam Nov 10 2020 Poetry. ROAM marks a migration: back, forward and round again. Who stays? Who is allowed to roam? Mistakes, reverses—what do we take of our presence and past as we discover the world through our own perceiving? Motion comes first, then form. What is fixed? And who is with us? How does the past come toward us? How do we make sense of loss, silence? Disoriented, relating to a past that is unclear, we cannot be sure both where we are and which direction we're moving. The question becomes where is the future? ROAM proceeds toward it by echolation and witness—making something integral come alive.

Roam Apr 03 2020 'Roam' is the sixth book in Benjamin Campbell's 13books poetry series. Charting a range of topics throughout the year, these books aim to capture a slice of modern life. This collection grew out of Campbell's travels through Austria and Italy, but they reach far wider than that, interrogating the human desire to wander through both real and imaginary places. The child-like wonder of adventure and exploration is a running theme throughout this work. You can read more of Benjamin's poetry and prose at his blog, <http://sketchythings.tumblr.com>

Bradt Guides - Roam Alone Sep 08 2020 A unique title from Bradt, showcasing a brand new collection of remarkable travellers' tales with a different slant, following on the heels of *To Oldy Go!*, one of the UK's best-selling travel titles of 2015. All the contributors were initially reluctant solo travellers, apprehensive about taking the plunge to go it alone after years of travel with a partner or friend. Some have embarked on the trip of a lifetime, walking or cycling alone through potentially hostile countries, but finding only kindness and hospitality - with a few hairy adventures thrown in. One story is by Bradt founder Hilary Bradt, who confronted her fears and set out to fulfil a childhood dream to ride a horse through Ireland shortly after her marriage broke up. Others are widows and widowers in their later years who were anxious about joining an organised trip on their own or who wanted to make a difference in the world by volunteering their experience and knowledge. Many ages, many personalities, one goal: to travel, and one stumbling block: anxiety. Part literature, part guide, with tips for successful solo travel. Reassuring, entertaining and inspiring.

Where the Buffalo Roam Jul 27 2019 The American bison (buffalo) is one of the most recognizable North American mammals. In fact, it is the official national animal of the United States--where you'll still find them roaming.

Roads to Roam Jan 01 2020

A Right to Roam Sep 01 2022 Should there be greater access to Britain's countryside? For a thousand years British people have been battling against the 'Trespassers will be Prosecuted' mentality of landowners. Now, however, the law of trespass is under challenge. After mass trespasses and days of protest against 'Forbidden Britain', we have a government committed to creating a general right of public access over at least part of rural Britain. But such a 'right to roam' will be fiercely resisted by some. What would it really mean for agriculture, forestry and wildlife, as well as recreation? Who would benefit and who would lose out? In this illuminating book Marion Shoard, dubbed the 'Rachel Carson of the British conservation movement', answers these questions and places them in what turns out to be a fascinating historical, philosophical and political context. The result provides essential reading for anyone concerned

about the balance of power in a changing Britain as well as the fate of our changing countryside.

Where the Buffalo Roam Apr 15 2021 Chronicles the campaign by Frank and Deborah Popper to return to the Buffalo Commons on the Great Plains.

Where the Wildgeese Roam: a Coyne Family History Jun 05 2020 Irish family history is not easy to pursue. This book took the author many years following the journey of his family from County Roscommon at the time of the Great Famine in the 1840s. They settled in Lancashire, became part of the Irish in Britain, while working as plasterers, house painters, and cotton weavers. We discover where they lived, how much they earned, and how much rent they paid. As they assimilated into British society in the last century family members contributed in both world wars. In the Second World War we follow the fortunes of three cousins in each of the three services. The family name _ O'íCadhain in Irish _ translates as 'wildgoose'. Their roaming continued after 1945 with further migrations to Canada. As we discover from what happened to this one family of famine migrants there are plenty of surprises along the way.

Where We Used to Roam Mar 27 2022 Living near Boston, sixth-grader Emma tries to hide from family problems and changing friendships by spending the summer in Wyoming.

Roam (with embedded audio) May 29 2022 They say you never forget your first love . . . Born under a sparkling crescent moon, Nelson is a bright-eyed, inquisitive half beagle, half poodle. He lives with Katey and Don, newlyweds whose marriage is straining under the pressures of domesticity, but Katey's devotion to Nelson buoys the pup even as he worries his home may be falling apart. But there are few things Nelson likes better than to follow a scent, and one day he follows his nose and gets lost . . . very lost. Though he searches frantically for Katey—and she for him—Nelson can't seem to find his way home, and he soon realizes that if he's ever to see his great love again, he must make his way on his own and try to survive in the wild. Over the course of eight years, Roam follows Nelson as he crosses the country searching for his family. For a time he rides shotgun with a truck driver named Thatcher, then he lives in the woods with a pack of wolves. A terrible accident takes his hind leg, but Nelson's strength and longing to find Katey keep him alive. Escaping death in a shelter, Nelson grows into an old dog with a cynical eye and a world-weary demeanor, but underneath it all, a fearless and courageous spirit. After all, he believes that one day he'll make it home . . . and maybe, just maybe, he will. . . . Much more than the story of one dog's incredible journey, this is a deeply moving story of survival and enduring love, which once again confirms the unbreakable bond between humans and their best friends. The Pop-up Pitch Sep 28 2019 A fast and practical visual storytelling method that puts a powerful new toolkit into the hands of leaders, innovators, salespeople, teachers and anyone else who needs to quickly make an impact on increasingly distracted audiences. The Pop-Up Pitch is a radical new approach to help you create the perfect presentation, combining three key elements of persuasive storytelling—simple pictures, clear words, and powerful emotions—that together motivate audiences to pay attention, learn something new, and make effective decisions. The Pop-Up Pitch weaves together the latest insights on visual cognition, behavioral economics, and classic story structures in an easy-to-learn and inspiring storytelling algorithm. In this new era of remote, work and online presenting, it delivers powerful and persuasive outcomes for time-limited professionals dealing with complex ideas, attention-deficit audiences, and the evolving challenges of modern meetings.

My Gnome on the Roam May 17 2021 Gnaomi lives on a shelf of a dusty old artists cottage. Although she loves to look at art, she is afraid to create it herself until she meets a young boy who makes her see things differently.

My Gnome on the Roam Jan 25 2022 It's time for adventure... Gustav is a garden gnome who longs to experience the world beyond the picket fence that surrounds his yard. Though he makes attempts to explore, it is only with the love of an imaginative little girl that his dream becomes a reality.

Freedom to Roam Sep 20 2021 Short, witty essays by a rambler on the problems encountered in walking in the countryside as the military, large landowners, factory farmers and, more recently, water companies, try to exclude walkers from the land.

This Land Is Our Land Jun 29 2022 Private property is everywhere. Almost anywhere you walk in the United States, you will spot "No Trespassing" and "Private Property" signs on trees and fence posts. In America, there are more than a billion acres of grassland pasture, cropland, and forest, and miles and miles of coastlines that are mostly closed off to the public. Meanwhile, America's public lands are threatened by extremist groups and right-wing think tanks who call for our public lands to be sold to the highest bidder and closed off to everyone else. If these groups get their way, public property may become private, precious green spaces may be developed, and the common good may be sacrificed for the benefit of the wealthy few. Ken Ilgunas, lifelong traveler, hitchhiker, and roamer, takes readers back to the nineteenth century, when Americans were allowed to journey undisturbed across the country. Today, though, America finds itself as an outlier in the Western world as a number of European countries have created sophisticated legal systems that protect landowners and give citizens generous roaming rights to their countries' green spaces. Inspired by the United States' history of roaming, and taking guidance from present-day Europe, Ilgunas calls into question our entrenched understanding of private property and provocatively proposes something unheard of: opening up American private property for public recreation. He imagines a future in which folks everywhere will have the right to walk safely, explore freely, and roam boldly—from California to the New York island, from the Redwood Forest to the Gulf Stream waters.

Wild Things Will Roam Mar 15 2021 "Where things are wild, wild things will roam." Ander Farrow failed to fulfill his prophecy & the world ended. Now he uses his psychic powers for parlor tricks while he & his brother, Lash, kill monstrous creatures for pay. Liv might be his chance for redemption, if they-or the Creats that hunt them-don't accidentally kill her first. A tiny lie convinces Liv to let the Farrows join her hunt for the Priestess-a woman rumored to possess real power. They journey through a wartorn shadow of the American South, exposed to the elements, a kaleidoscope of cultures, magic, monsters, and the macabre. The Farrows question all they were raised to believe while Liv must reconcile the horrors encountered with the discovery that there may be more to the Farrows' madness-and to her-than she realized. But can the Priestess save them from what really lies in the dark? Where things are wild, wild things will roam... but everywhere is wild anymore. Genre: Spooky. (Adult, Speculative Fiction, Horror, Magic Realism, Fantasy)

When in ROAM Dec 12 2020 California Girl Pam accidentally travels around the world SOLO for years through Africa, Asia, Australia, and New Zealand. She's chased by a herd of wild elephants, shoved from the bungee platform, scuba dives with sharks,

hikes an active volcano, and many more hair-raising and humbling adventures. Her naivete leads her to some dangerous moments, outrageous places, and hilarious situations. Her sarcasm and optimism rescue her every time. She not only explores the world, she discovers politics, religions, sciences, cultural differences, conspiracy theories, intoxicants, the paranormal, some quirky and loveable friendships, and even romance. Throughout the real and raw controversial moments, she keeps you laughing in this R-rated authentic journey of the mid 1990's. Does she learn about herself? Does she learn about the world? Does Pam learn ANYTHING at all? Let's adventure together...

Yellowstone to Yukon Feb 11 2021 "It's not only a feast for the eye--Florian Schulz is a fine young nature-wildlife photographer--but a challenge to those of us who live in a not-yet-used corner of the planet." (Seattle P-I) A grizzly bear emerges, one small detail in an immense vista of field and mountains and sky. A shoreline, still and empty but for the telltale tracks of passing wildlife. Golden peaks that roll to the horizon, starkly beautiful in the morning light. This kind of space, of solitude-of simple wildness--still exists in North America, outside the boundaries of any park. Photographer Florian Schulz documents the landscape, plants, animals, and people of an eco-system that is surprisingly intact up and down the spine of the Rocky Mountains. There is still time to make a difference: to direct the path of encroaching development and establish connections between the national and provincial parks on this course. Essay contributors--including Dvid Suzuki, David Quammen, Rick Bass, Ted Kerasote and Roberts F. Kennedy Jr.-- tell of their travels through the region and their experience of the land. They explain the need for Y2Y, based on new findings that reveal isolated nature sanctuaries to be a recipe for extinction. They set the Y2Y conservation program in context: a grand vision grounded on science; a practical plan that provides for economic as well as environmental sustainability; a blueprint designating critical wildlife habitat. Environmental conservation does not mean that humans must be excluded from the land, but we must act thoughtfully. For more information about the author, visit his web site at www.visionsofthewild.com/.

Reader on the Aesthetics of Mobility Nov 22 2021 What is it like to wander from one place to another with no particular objective or direction? Operating at different reading speeds, ROAM alternates an architectural perspective on the urban environment and mobility with essays on art, cultural studies, design and politics. With contributions by photographer Andrew Cross, architect Zaha Hadid, animator Geoffrey de Crecy, writer Neil Olliberia, two architectural practices (Monolab and NL Architects) and the FAT cross-disciplinary group.

Room To Roam May 05 2020 The story of being let loose upon the world, making each day count, and traveling to 19 countries in 94 days. Room To Roam is a novel examining the changing trajectory of a 26-year old's life from stagnation out of college, dreaming of a world where each day is lived to its fullest, and culminating with an adventure of a lifetime. With a desire to break the stereotypes of "backpacking Europe," the journey across the continent gets laid as basic as can be, taking the paths less traveled and living as cheaply as possible without sacrificing experiences and scenery.

The Right to Roam Oct 02 2022 Nomadic groups and sedentary society have been in conflict throughout the ages and the conflict continues to this day. For the most part it is nomadic groups who have been the losers in these conflicts. The idea of human rights has traveled around the world in response to some of the great conflicts of our time. 'The Right to Roam- Travellers in the Modern Nation State' examines the right of nomadic groups to maintain a way of life that is contrary to the drive toward sedentarisation and modernisation. If human rights are to exist, one approach to the derivation of rights is that they are to exist as protectors of the autonomy of individuals. When the autonomy of individuals is threatened by restrictions on their liberty then the protection of human rights is required. For Travellers in Ireland, restrictions on the freedom to maintain a Travelling lifestyle have consequences for members of the Travelling community. "The Right to Roam- Travellers in the Nation State" explores the impact of recent legislation such as the Housing (Miscellaneous Provisions) Act of 2002 on Travellers in modern Ireland and whether progress driven by sedentary society should be required to include the needs of nomadic groups.

Where We Used to Roam Dec 24 2021 Living near Boston, sixth-grader Emma tries to hide from family problems and changing friendships by spending the summer in Wyoming.

Room to Roam; a Recreation Guide to the Public Lands Jul 31 2022

Where Legends Roam Jun 17 2021 This is the First in a Series of Adventure Novels that Chronicles the Exploits of George Kodiak -- Cryptozoologist -- as He Searches the Dark and Deadly Places of the Earth for Creatures of Myth and Legend -- Animal Anomalies that are not Supposed to Exist ... But Do!

Ethical Traveller Aug 27 2019 Travel can be life-changing, but there are hidden costs to our trips that go deeper than our pockets. Whether it's impacts on the environment or the communities we visit, we all have the power to make a difference. Conscious decisions along our journeys can positively change the planet we share with all of our human and animal friends.

Blah, Blah, Blah: What to do When Words Don't Work Oct 10 2020 Ever been to so many meetings that you couldn't get your work done? Ever fallen asleep during a bullet-point presentation? Ever watched the news and ended up knowing less? Welcome to the land of Blah, Blah, Blah, in which talk and words prevent us from thinking. As powerful as words are, we fool ourselves when we think our words alone can detect, describe and defuse the multifaceted problems of today. This book offers a way out of Blah, Blah, Blah. It's called "Vivid Thinking", which combines our verbal and visual minds so that we can think and learn more quickly, teach and inspire our colleagues, and enjoy and share ideas in a new and more effective way. Through Vivid Thinking, we can make the most complicated subjects suddenly crystal clear -- something which is proving increasingly valuable in this complex world of ours

Shape of a Boy Oct 29 2019 Shape of a Boy is a hilarious memoir of one family's travels across the world, filled with funny anecdotes from exotic locations.

The Book of Trespass Mar 03 2020 THE SUNDAY TIMES BESTSELLER 'Brilliant, passionate and political . . . The Book of Trespass will make you see landscapes differently' Robert Macfarlane 'A remarkable and truly radical work, loaded with resonant truths' George Monbiot The vast majority of our country is entirely unknown to us because we are banned from setting foot on it. By law of trespass, we are excluded from 92 per cent of the land and 97 per cent of its waterways, blocked by walls whose legitimacy is rarely questioned. But behind them lies a story of enclosure, exploitation and dispossession of public rights whose effects last to this day. The Book of Trespass takes us on a journey over the walls of England, into the thousands of square miles of rivers, woodland, lakes and meadows that are blocked from public access. By trespassing the land of the media magnates, Lords, politicians and private corporations that own England, Nick Hayes argues that the root of social inequality is the uneven distribution of land. Weaving

together the stories of poachers, vagabonds, gypsies, witches, hippies, ravers, ramblers, migrants and protestors, and charting acts of civil disobedience that challenge orthodox power at its heart, *The Book of Trespass* will transform the way you see the land. [South Pennines and the Bronte Moors](#) Jan 31 2020 This Wainwright-sized guide to the walking opportunities in the South Pennines focuses on land opened up to walkers by the recent Right to Roam legislation. It is part of a series of Freedom to Roam guides published in partnership with Ramblers' Association, long-time campaigner for greater public access to the countryside. The guide includes: an introduction to the area: its landscape, history and natural history; 12 free-range rambles, graded for difficulty, that allow walkers to choose their own route; a full-page 4-colour OS map for each walk; special features on points of interest chosen to add to walkers' enjoyment of the countryside; practical information for visitors; a guide to public rights of access.
