How Hard Can It Be? Jan 27 2022 An "outrageous, profane, hilarious, sexy and all kinds of wacky" romantic comedy from the New York Times bestselling author of Size Matters (Michelle Rowen, national bestselling author). What happens when an accountant decides to grab life by the horns and try something new? Apparently a pirate named Dave, a lot of pastel fleece, and blackmail—just to start with... Visualize and succeed, Oprah said. I was sure as hell trying, even if my campaign to score a job as the local weather girl had ended in a restraining order. Okay, TV was not my strength. But a lack of talent has never stopped me before. Which is why I've embarked on a writing career. I mean, how hard can it be to come up with a sexy romance? Leave it to me to wind up in a group of porno writing grannies who discuss sex toys and apple cobbler in the same breath. Also leave it to me to leak an outlandish plot idea to a bestselling author with the morals of a rabid squirrel. And only I could get arrested for a jewelry heist I didn't commit—by a hunky cop whose handcuffs just might tempt me to sign up for a life of crime. Maybe I've found my calling after all... "A zany over-the-top rompfest." —Lexi George, author of Demon Hunting with a Sexy Ex "The most f*cked-up bag of wonderful crazy ever." —Dear Author "If readers are in the mood for hilarious kinkiness woven through a fun romance, then this is the book to try." —Long and Short Reviews (4 stars)

My Hot Boss Jun 19 2021 Emma From the moment I met Grayson Cole, I knew he was someone I wanted to let in my panties and maybe, even in my heart. One night, one sexy-as-sin kiss, and several drinks later, our incredible evening turns into a disaster and I'm apologizing for the vomit spatter on his fancy, black shoes. I never thought I'd see him again after that, no matter how many nights I spent wishing I would. Until a month later, he waltzes into my office as MY NEW, HOT BOSS. I'm so screwed. Grayson From the moment Emma Williams crashed into me I had only one thought - just this night. That's all I wanted. That's all I needed. But fate had a different plan; I didn't expect to ever see that brunette beauty again, no matter how many nights I spent wishing I would. Until a month later, I'm introducing myself as her new boss. Now the smart, gorgeous vixen is challenging me at every opportunity and my desire to have her has me working for her affections like I've never done before. What is this woman doing to me? Not only am I her Boss, but I don't do feelings. There's only one way I see this ending. I'm so screwed.

Maximum Aug 02 2022 If you ask most men, they'll tell you my name is Jason. If you ask most women, they'll tell you my name is Maximum, 'cause I'm maximum in bed... Yeah. I like a little action in the sheets, but it doesn't change the fact that I have responsibilities. I'm a single dad. My little girl's sweet mother didn't live to see her grow up, so now it's all on me to do by right by our daughter. Maybe because of that, I've never let myself get too close to any woman. They've mostly been one-night stands, a week at most. But I just moved into this new town, and my neighbor, Lucy, she calls to me in a way no one has since my wife was alive. Damn. I don't know what to do. I want her bad. Real bad. I'm damn Maximum, right? I can handle her. But maybe that's not enough. Maybe I'm not meant to be with a woman long-term anymore. How can I be sure, especially when I have my daughter to consider?

"Don't cry baby, I wasn't trying to make you cry or no sh** like that but I do keep it real with you at all times. Hell, as fu**ed up as it is...I'm completely honest with you and lied to Jazzlyn." Darien gently held the sides of Trevonne's faces and wiped her tears away and leaned down and began kissing her slow and deep. He was ready for round two. Hate Thy Neighbor Sep 30 2019 Fresh out of a failed engagement, Olivia Hales is in dire need of a fresh start. Tired of being the charming and accommodating girl that always gets stomped on, she's determined to change her outlook on life. When she finds her dream job in a small town in California, she thinks she's finally found her place in life. That is, until she meets her new neighbor, Roman Banks. Moody. Foul-mouthed. Jerk. And the hottest man on the planet. At a sprawling six foot five, he was coldly distant and physically intimidating. Not only was her new neighbor a God that was good with his hands, he was also a grade-A jerk. Trapped on the same street, sharing the same space together, they've become entrenched in an addictive, ridiculous, never-ending game of insults and pranks that result in the destruction of two perfectly good homes. The tension between them is as thick as the walls of their houses are thin. Roman's touch burned like fire even when his words were ice, and both of them will stop at nothing to make the others life hell. In the midst of the pranks and the hate they harbor for each other, Olivia slowly pulls back the layers of the man next door and finds herself consumed with wanting to fix him and his past. When both enemies start to catch feelings for each other, Olivia finds herself hiding her own secrets, not wanting to lose another man in her life. Lines are drawn. Strict rules put into place. But that doesn't stop Olivia from wanting to save the quiet, broody man next door. They say you're supposed to love thy neighbor, but that was the furthest emotion she felt when thinking about Roman. Hate was all there was to their relationship. At the

very least, that's what she tried to tell herself. Hate Thy Neighbor is a full length Enemies-to-Lovers standalone.
