Why is English Like That? Mar 08 2021 Why is "night" spelled with "gh"? Why can't sentences end with prepositions? Why does English have so many words that express the same ideas? Questions like these can be difficult for teachers to answer when they do not know the historical background of the English language. Why Is English Like That? gives teachers a brief and accessible history of the English without assuming any prior knowledge of the subject. The book outlines the historical events that shaped English; describes how its grammar, vocabulary, spelling, and pronunciation developed over time; and highlights the "quirks" and "exceptions" in English that can be explained on a historical basis. By understanding how the English of today evolved from the English of past times, both teachers and students will be more comfortable with the many conventions of the English language. Why Is English Like That? also contains reproducible grammar and vocabulary exercises that will help teachers incorporate some of this historical knowledge into classroom activities. This book was written with English language teachers in mind, and the exercises are designed for ESL/EFL students, but it may also be used by teachers in training (L1 and L2).

Fundamentals of English Grammar Workbook B with Answer Key, 5e May 30 2020

The Handy English Grammar Answer Book Jun 23 2022 Whether it's for a professional document, a school paper, an Internet blog, or something more personal, effective communication depends on clear, concise, and grammatically correct writing. Punctuation, spelling, and grammar rules can trip up anyone, while organization and word choice can make writing memorable—or banal. The Handy English Grammar Answer Book is an engaging guide to writing with clarity for all occasions. It offers fundamental principles, grammar rules, and punctuation advice, as well as insights on writing for different occasions and audiences. From a brief history of the English language to the deconstruction—and explanation—of the different parts of a sentence, and from showing how to punctuate correctly to how to organize a well-argued essay, this easy-to-use reference answers nearly 500 questions and offers fun facts on the English language and its usage, including How did English become a language spoken worldwide? What is a sentence fragment? When do I use "that" versus "which"? How do I use materials ethically on my own websites? How do I write an outline? Several appendices, including model papers and sample writing for every occasion, a glossary of commonly used terms, a bibliography, and an index add to the book's usefulness.
