To the Copper Country Mar 04 2020 A young Croatian girl travels to America hoping to heal her father in 1880s northern Michigan.

Five Science Fiction Novels Jun 18 2021

Free Chocolate Jan 02 2020 Latina culinary arts student, Bo Benitez, becomes a fugitive when she's caught stealing a cacao pod from the heavily-defended plantations that keep chocolate, Earth's sole valuable export, safe from a hungry galaxy. Forces arraying against her including her alien boyfriend and a reptilian cop. But when she escapes onto an unmarked starship things go from bad to worse: it belongs to the race famed throughout the galaxy for eating stowaways. Surrounded by dangerous yet hunky aliens, Bo starts to uncover clues that the threat to Earth may be bigger than she first thought.

Ecofeminist Science Fiction Sep 21 2021 Ecofeminist Science Fiction: International Perspectives on Gender, Ecology, and Literature provides guidance in navigating some of the most pressing dangers we face today. Science fiction helps us face problems that threaten the very existence of humankind by giving us the emotional distance to see our current situation from afar, separated in our imaginations through time, space, or circumstance. Extrapolating from contemporary science, science fiction allows a critique of modern society, imagining more life-affirming alternatives. In this collection, ecocritics from five continents scrutinize science fiction for insights into the fundamental changes we need to make to survive and thrive as a species. Contributors examine ecofeminist themes in films, such as Avatar, Star Wars, and The Stepford Wives, as well as television series including Doctor Who and Westworld. Other scholars explore an internationally diverse group of both canonical and lesser-known science fiction writers including Oreet Ashery, Iraj Fazel Bakhsheshi, Liu Cixin, Louise Erdrich, Hanns Heinz Ewers, Larissa Lai, Ursula K. Le Guin, Chen Qiufan, Mary Doria Russell, Larissa Sansour, Karen Traviss, and Jeanette Winterson. Ecofeminist Science Fiction explores the origins of human-caused environmental change in the twin oppressions of women and of nature, driven by patriarchal power and ideologies. Female embodiment is examined through diverse natural and artificial forms, and queer ecologies challenge heteronormativity. The links between war and environmental destruction are analyzed, and the capitalist motivations and means for exploiting nature are critiqued through postcolonial perspectives.

Bridge Of Souls Oct 30 2019 Time is short. The proposed marriage of Valentyna and Celimus draws ever closer, but Wyl's latest guise leaves him powerless to intervene. His plans in ruins, the former General of the Legion becomes more and more reckless in his attempts to prevent the union of his mortal enemy and the woman he loves. But he must be careful to heed the warning of the manwitch, Elysius: Myrren's gift will bow to no man's will. As events in Morgravia, Briavel and the

Mountain Kingdom draw to a climax, the fate of three nations will rest with the extraordinary abilities of a small boy named Fynch, and the capricious magic of the Quickening. Wyl Thirsk is about to discover the truth of Myrren's legacy: a gift of life . . . or a curse beyond death?

Speaking of Faith Jan 26 2022 A thought-provoking, original appraisal of the meaning of religion by the host of public radio's On Being Krista Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life-and of listening with care to those who endeavor to understand those mysteries--is nothing short of revolutionary.

Dreamers of the Day Sep 02 2022 Russell illuminates the long, rich history of the Middle East with a story that brilliantly elucidates modern headlines. As enlightening as it is entertaining, "Dreamers of the Day" is a memorable, passionately written novel.

A Spider Sat Beside Her Sep 29 2019 Lowry Walker escapes to the stars, taking a graduate position on the new International Space Station. Her dissertation includes gathering Landsat data over Antarctica, now exposed after global warming has melted the ice caps, but her mission is to heal herself after divorcing an abusive husband. However, the danger is just beginning--a terrorist attack on the station embroils her into a political nightmare. In a world drowned by rising seas, territorial battles erupt across the globe--strong governments stealing land from the weak. Canada and America have merged into the United States of Amerada with a corrupt political ring in control. The US Attorney General blames the ISS attack on an Inuit-Eskimo leader, pressuring the tribe to surrender their lands. He threatens Lowry and her family with prison or "accidental" death if they don't testify against the tribe. Lowry discovers the true terrorist is still at large and a second attack on the space station is eminent and . . . suicidal. A work of literary science fiction of 75,000 words, A SPIDER SAT BESIDE HER is a realistic yet allegorical tale of wounds to the heart, the body, the soul . . . and the Earth--a Brave New World for our time. This is a standalone novel, but the first book of a trilogy.

Children Of God Oct 03 2022 From the acclaimed author of The Sparrow comes a new, extraordinarily imaginative SF novel which continues the powerful, moving story of Emilio Sandoz, the charismatic Jesuit priest who led the well-intentioned but catastrophic mission to the distant planet of Rakhat, and journeyed to the furthest reaches of the human soul. Now, in Children of God, Father Emilio Sanchoz returns and - against his will - is forced to continue his quest for the meaning, if any, of God's plan. Dazzlingly imaginative, philosophically provocative and immeasurably entertaining, Children of God is a must-read for fans of The Sparrow, and a startlingly fresh adventure for newcomers to Mary Doria Russell's special literary magic.

My Father's Ghost Dec 01 2019 The Nebula Award-winning author chronicles her relationship with her father during the last seventeen years of his life, tracing the changing dynamics of a parent-child relationship transformed by the aging process. 17,500 first printing.

The Super Ladies Jun 06 2020 For three middle-aged women in the suburbs of Cleveland, the issues seemed compelling but relatively conventional: sending a child off to college, dealing with a marriage gone stale, feeling "invisible." But changes were coming . . . and not the predictable ones. Because Margie, Katherine, and Abra are feeling a new kind of power inside of them - literally. Of all the things they thought they might have to contend with as they got older, not one of them considered they'd be exploding a few gender roles by becoming superheroes. At once a delightful and surprising adventure and a thoughtful examination of a woman's changing role through life's passages, THE SUPER LADIES is larger-than-life fiction at its very best. PRAISE FOR SUSAN PETRONE'S THROW LIKE A WOMAN: "While, on the surface, this is a novel about a woman battling to make her way in the man's world of professional baseball, debut author Petrone presents a stirring and humorous story of a woman doing considerably more than that--trying to rediscover herself, provide for her family, and perhaps find a little love along the way." - Booklist "Throw Like a

Woman is that rare baseball novel, both a paean to the game and a deeper exploration of character. Susan Petrone has a fan's heart and a scout's eye. Read it now. Don't wait for the movie." - Stewart O'Nan, co-author of *Faithful* and *A Face in the Crowd* "For baseball fans who yearn for a female Jackie Robinson, reading Susan Petrone's fun and absorbing novel *Throw Like a Woman* becomes a kind of prayer. 'Please, Lord! Give talent a chance. Let this dream come true!'" - Mary Doria Russell, author of *The Sparrow* "Someday there will be a woman who plays Major League Baseball. And when it happens, I suspect it will be an awful lot like Susan Petrone's fun *Throw Like a Woman*. Susan knows baseball and so the novel - and her hero Brenda Haversham - crackles with authenticity. You can hear the pop of the ball hitting the catcher's mitt." - Joe Posnanski, author of *The Soul of Baseball*, NBC Sports National Columnist "Petrone's storytelling is first-rate, and she weaves a credible baseball tale with well-defined characters throughout." - *The Wave*

Strange Practice Feb 01 2020 'This book is a joy to read, unlocking every bit of delicious promise in the premise' B&N Sci-Fi & Fantasy Blog Meet Greta Helsing, doctor to the undead. After inheriting a highly specialised, and highly peculiar, medical practice, Dr Helsing spends her days treating London's undead for a host of ills: vocal strain in banshees, arthritis in barrow-wights and entropy in mummies. Although barely making ends meet, this is just the quiet, supernatural-adjacent life Greta's dreamed of since childhood. But when a sect of murderous monks emerges, killing human undead and alike, Greta must use all her unusual skills to keep her supernatural clients - and the rest of London - safe. 'A darkly delicious adventure featuring a quirky new heroine. *Strange Practice* breathes new life into the undead' - James Bennett, author of *Chasing Embers*

Candide and Other Stories Oct 11 2020 "The story of Candide, a naive youth who is conscripted, shipwrecked, robbed, and tortured by the Inquisition without losing his will to live, is accompanied by four other stories"--NoveList.

We Will Tell You Otherwise Apr 16 2021 Fiction. "What does Beth Mayer's intimate collection of short stories want to tell us? That the dead have much to teach the living, that madness can point the way to clarity, that the burn of departing never cools, that inside abandonment can be redemption. Mayer's prose rattles like bones, proving that no matter how far you live in the margins, you can't escape the telling."--Desiree Cooper "Beth Mayer's stories unflinchingly explore the tough and the tender sides of family life as well as offering us a window into the lives of those we often prefer not to notice when we pass them in our neighborhoods. I was moved by the deep emotional truths in *WE WILL TELL YOU OTHERWISE*, and the slyly ironic and often sardonic wit of these stories kept me smiling all the way through. What a lovely collection of stories this is!"--David Haynes "The stories in Beth Mayer's *WE WILL TELL YOU OTHERWISE* are indelible treasures, full of poignancy and pathos. Mayer is the best kind of writer--one who doles out her wisdom with humor, who mines the intricacies of love, friendship, and family effortlessly."--John Jodzio

No One's Home Nov 11 2020 For fans of *The Haunting of Hill House* comes a dark tale of a mansion haunted by a legacy of tragedy and a family trapped by lies. Margot and Myron Spielman move to a new town, looking for a fresh start and an escape from the long shadow of their past. But soon after they buy Rawlingswood, a foreclosed mansion rumored to be haunted, they realize they're in for more of the same...or worse. After a renovation fraught with injuries and setbacks, the Spielmans move in to the century-old house, and their problems quickly escalate. The home's beautiful facade begins to crumble around them when their teenage son uncovers disturbing details of Rawlingswood's history--a history of murder, betrayal, and financial ruin. The Spielmans' own shameful secrets and lies become harder to hide as someone or something inside the house watches their every move. As tensions build between the family members, the home's dark history threatens to repeat itself. Margot and Myron must confront their own ghosts and Rawlingswood's buried past before the house becomes their undoing.

Old Border Road Jul 28 2019 Katherine is 17, living alone in the beautiful, desolate landscape of southern Arizona. Her mother is feckless, her father busy with his new family. Meeting Son, the scion of a local rancher, seems like deliverance. They marry and live as a family in his parents' venerable adobe house, but it soon becomes clear that Son is a man who, as his father says, has a

"young heart near withered beneath the breastbone." Katherine must find her own way during a dangerous months-long drought, when everything seems to be disintegrating around her. Susan Froderberg's incantatory language -- and her deep knowledge of both the complexities of a small, deeply-rooted place and the human heart -- make Old Border Road soar.

The Women of the Copper Country Nov 23 2021 From the bestselling and award-winning author of *The Sparrow* comes "historical fiction that feels uncomfortably relevant today" (Kirkus Reviews) about "America's Joan of Arc"—the courageous woman who started a rebellion by leading a strike against the largest copper mining company in the world. In July 1913, twenty-five-year-old Annie Clements has seen enough of the world to know that it's unfair. She's spent her whole life in the mining town of Calumet, Michigan, where men risk their lives for meager salaries—and have barely enough to put food on the table for their families. The women labor in the houses of the elite, and send their husbands and sons deep underground each day, dreading the fateful call of the company man telling them their loved ones aren't coming home. So, when Annie decides to stand up for the entire town of Calumet, nearly everyone believes she may have taken on more than she is prepared to handle. Yet as Annie struggles to improve the future of her town, her husband becomes increasingly frustrated with her growing independence. She faces the threat of prison while also discovering a forbidden love. On her fierce quest for justice, Annie will see just how much she is willing to sacrifice for the families of Calumet. From one of the most versatile writers in contemporary fiction, this novel is an authentic and moving historical portrait of the lives of the crucial men and women of the early labor movement "with an important message that will resonate with contemporary readers" (Booklist).

The Book of Shanghai Apr 04 2020 As the end of the world arrives in downtown Shanghai, one man's only wish is to return a library book... When a publisher agrees to let a star author use his company's attic to write in, little does he suspect this will become the author's permanent residence... As Shanghai succumbs to a seemingly apocalyptic deluge, a man takes refuge in his bathtub, only to find himself, moments later, floating through the city's streets... The characters in this literary exploration of one of the world's biggest cities are all on a mission. Whether it is responding to events around them, or following some impulse of their own, they are defined by their determination - a refusal to lose themselves in a city that might otherwise leave them anonymous, disconnected, alone. From the neglected mother whose side-hustle in collecting sellable waste becomes an obsession, to the schoolboy determined to end a long-standing feud between his family and another, these characters show a defiance that reminds us why Shanghai - despite its hurtling economic growth -remains an epicentre for individual creativity.

China Mountain Zhang Aug 09 2020 'I am Zhang, alone with my light, and in that light I think for a moment that I am free.' Imagine a world where Chinese Marxism has vanquished the values of capitalism and Lenin is the prophet of choice. A cybernetic world where the new charioteers are flyers, human-powered kites dancing in the skies over New York in a brief grab at glory. A world where the opulence of Beijing marks a new cultural imperialism, as wealthy urbanites flirt with interactive death in illegal speakeasies, and where Arctic research stations and communes on Mars are haunted by their own fragile dangers. A world of fear and hope, of global disaster and slow healing, where progress can only be found in the cracks of a crumbling hegemony. This is the world of Zhang. An anti-hero who's still finding his way, treading a path through a totalitarian order - a path that just might make a difference.

Children of God Aug 28 2019 A priest named Emilio Sandoz embarks on a quest to demystify God's providence that leads him to question the possibility of faith

Serçe Mar 16 2021 The story of a charismatic Jesuit priest and linguist, Emilio Sandoz, who leads a twenty-first-century scientific mission to a newly discovered extraterrestrial culture, Rakhat. The Jesuits go to learn about God's children, not to preach ; Sandoz and his companions are prepared to endure isolation, hardship and death, but nothing can prepare them for the civilization they encounter, or for the tragic misunderstanding that brings the mission to a catastrophic end.

Planetfall Feb 24 2022 From Emma Newman, the award-nominated author of *Between Two Thorns*,

comes a novel of how one secret withheld to protect humanity's future might be its undoing... Renata Ghali believed in Lee Suh-Mi's vision of a world far beyond Earth, calling to humanity. A planet promising to reveal the truth about our place in the cosmos, untainted by overpopulation, pollution, and war. Ren believed in that vision enough to give up everything to follow Suh-Mi into the unknown. More than twenty-two years have passed since Ren and the rest of the faithful braved the starry abyss and established a colony at the base of an enigmatic alien structure where Suh-Mi has since resided, alone. All that time, Ren has worked hard as the colony's 3-D printer engineer, creating the tools necessary for human survival in an alien environment, and harboring a devastating secret. Ren continues to perpetuate the lie forming the foundation of the colony for the good of her fellow colonists, despite the personal cost. Then a stranger appears, far too young to have been part of the first planetfall, a man who bears a remarkable resemblance to Suh-Mi. The truth Ren has concealed since planetfall can no longer be hidden. And its revelation might tear the colony apart...

The Book of Strange New Things Jun 26 2019 'I am with you always, even unto the end of the world . . .' Peter Leigh is a missionary called to go on the journey of a lifetime. Leaving behind his beloved wife, Bea, he boards a flight for a remote and unfamiliar land, a place where the locals are hungry for the teachings of the Bible - his 'book of strange new things'. It is a quest that will challenge Peter's beliefs, his understanding of the limits of the human body and, most of all, his love for Bea. *The Book of Strange New Things* is a wildly original tale of adventure, faith and the ties that might hold two people together when they are worlds apart. This momentous novel, Faber's first since *The Crimson Petal and the White*, sees him at his expectation-defying best. WINNER OF THE SALTIRE BOOK OF THE YEAR AWARD SHORTLISTED FOR THE ARTHUR C. CLARKE AWARD AS HEARD ON BBC RADIO 4

He, She and It May 06 2020 In the middle of the twenty-first century, life as we know it has changed for all time. Shira Shipman's marriage has broken up, and her young son has been taken from her by the corporation that runs her zone, so she has returned to Tikva, the Jewish town where she grew up. There, she is welcomed by Malkah, the brilliant grandmother who raised her, and meets an extraordinary man who is not a man at all, but a unique cyborg implanted with intelligence, emotions - and the ability to kill... From the critically acclaimed author of *Woman on the Edge of Time*, comes another stunning novel of morality and courage. A Pygmalion tale for the modern age, this classic feminist speculative novel won the Arthur C Clark Award.

This Has Happened May 18 2021 Five years after her return home from Auschwitz, Piera Sonnino found the courage to tell the story of the extermination of her parents, three brothers, and two sisters by the Nazis. Discovered in 2005 in Italy and first published in English in 2006, this poignant and extraordinarily well-written account is strikingly accurate in bringing to life the methodical and relentless erosion of the freedoms and human dignity of the Italian Jews, from Mussolini's racial laws of 1938 to the institutionalized horror of Auschwitz. Through Sonnino's words, memory has the power to disarm these unspeakable evils, in *This Has Happened*.

A Thread Of Grace Aug 01 2022 8 September 1943. Italy has sued for peace with the Allies and 14-year-old Claudette Blum is learning Italian on the run. She and her father are among the thousands of Jewish refugees scrambling over the Alps to where they hope they will be safe at last. What they don't know is that tomorrow Italy will be under German occupation and about to become a vicious battleground between the Nazis, an increasingly confident resistance and the advancing Allies... Set against this dramatic historical backdrop, Mary Doria Russell's new novel recalls - through the lives of a handful of brilliantly-drawn characters: a mercurial Italian resistance leader, a Catholic priest, an Italian rabbi's family, a disillusioned Wehrmacht doctor - the little known conspiracy of ordinary Italians who saved the lives of thousands of Jews during the final, desperate 20 months of the war. Full of drama, warmth, nobility and, for all the darkness, hope, *A THREAD OF GRACE* tells a story of ordinary people caught up in extraordinary times and accomplishing remarkable things. It is a breathtaking achievement.

The Mmm Girl Sep 09 2020 'Nothing lasts forever.we all have a short time, to shine or just survive.'

Who was Marilyn Monroe? She began as Norma Jeane, the Los Angeles waif who dreamed of being a movie star. The camera worshipped her, and she became America's greatest sex symbol. For thirty-six years, she dazzled the world with her fragile, but radiant beauty. In private, she yearned for fulfilment. Her myth shone so brightly that it threatened to destroy her. Then, one night in 1962, she left us in mystery. The Mmm Girl: Marilyn Monroe, by herself, follows the journey of a self-made goddess, from the orphanage to the silver screen. By standing in her shoes, Tara Hanks uncovers the reality of Marilyn's life - as she might have told it herself.

The Last Templar Aug 21 2021 The first thrilling instalment in a legendary historical adventure series. Paris, 1307. The Knights Templar have been destroyed by Pope Clement, having been persuaded by a jealous king that they are corrupt devil worshippers. There is one survivor - a knight who swears vengeance. Devon, 1316. A charred body is discovered in a burned-out cottage, and newly appointed Bailiff, Simon Puttock, believes it to be accidental. Until the new master of the local manor, Sir Baldwin Furnhill, deduces that they were dead before the fire began. With the assistance of the astute yet strangely reticent knight, Simon begins to piece together the events of the man's last days. Then word comes of another, far more sinister murder - for in this case, the victim was undoubtedly burned alive. Are the two incidents connected, and will the killer strike again? An absolutely sensational historical mystery by a true master of the genre, ideal for fans of S. J. A. Turney, K. M. Ashman and Bernard Cornwell. Praise for Michael Jecks 'Marvellously portrayed' C. J. Sansom 'Michael Jecks is the master of the medieval whodunnit' Robert Low 'The most wickedly plotted medieval mystery novels' The Times

Falling from Horses Oct 23 2021 In 1938, 19-year-old cowboy Bud Frazer escapes a family tragedy and travels to Hollywood to become a stunt rider in the movies. By the author of The Hearts of Horses. Online reader's guide available. 40,000 first printing.

The Sparrow Nov 04 2022 'The Sparrow is one of my favourite science fiction novels and it destroyed me in the best way when I read it. It is so beautifully written and the construction of the narrative is masterful.' Emma Newman, acclaimed author of Planetfall Set in the 21st century - a number of decades from now - The Sparrow is the story of a charismatic Jesuit priest and talented linguist, Emilio Sandoz, who - in response to a remarkable radio signal from the depths of space - leads a scientific mission to make first contact with an extraterrestrial culture. In the true tradition of Jesuit adventurers before him, Sandoz and his companions are prepared to endure isolation, suffering - even death - but nothing can prepare them for the civilisation they encounter. Or for the tragic misunderstanding that brings the mission to a devastating end. Once considered a living saint, Sandoz returns alone to Earth horrifically maimed, both physically and spiritually, the mission's sole survivor - only to be blamed for the mission's failure and accused of heinous crimes. Written in clean, effortless prose and peopled with memorable characters who never lose their humanity or humour, The Sparrow is a powerful, haunting fiction - a tragic but ultimately triumphant novel about the nature of faith, of love and what it means to be 'human' and widely considered to be a classic of the genre.

Doc Apr 28 2022 NATIONAL BESTSELLER Born to the life of a Southern gentleman, Dr. John Henry Holliday arrives on the Texas frontier hoping that the dry air and sunshine of the West will restore him to health. Soon, with few job prospects, Doc Holliday is gambling professionally with his partner, Mária Katarina Harony, a high-strung, classically educated Hungarian whore. In search of high-stakes poker, the couple hits the saloons of Dodge City. And that is where the unlikely friendship of Doc Holliday and a fearless lawman named Wyatt Earp begins— before the gunfight at the O.K. Corral links their names forever in American frontier mythology—when neither man wanted fame or deserved notoriety.

The Fall of the Kings Dec 13 2020 Generations ago the last king fell, taking with him the final truths about a race of wizards who ruled at his side. But the blood of the kings runs deep in the land and its people, waiting for the coming together of two unusual men. Theron Campion is heir to an ancient house - and a modern scandal. Tormented by his twin duties to his family and his own bright spirit, he seeks solace in the University. There he meets Basil St. Cloud, a brilliant and charismatic

teacher ruled by a passion for knowledge - and for the ancient kings. Around these two are gathering those who believe the land still cries out for a king - and those who would do anything to stop them returning.

Epitaph May 30 2022 Mary Doria Russell, the bestselling, award-winning author of *The Sparrow*, returns with *Epitaph*. An American Iliad, this richly detailed and meticulously researched historical novel continues the story she began in *Doc*, following Wyatt Earp and Doc Holliday to Tombstone, Arizona, and to the gunfight at the O.K. Corral. A deeply divided nation. Vicious politics. A shamelessly partisan media. A president loathed by half the populace. Smuggling and gang warfare along the Mexican border. Armed citizens willing to stand their ground and take law into their own hands. . . . That was America in 1881. All those forces came to bear on the afternoon of October 26 when Doc Holliday and the Earp brothers faced off against the Clantons and the McLaurys in Tombstone, Arizona. It should have been a simple misdemeanor arrest. Thirty seconds and thirty bullets later, three officers were wounded and three citizens lay dead in the dirt. Wyatt Earp was the last man standing, the only one unscathed. The lies began before the smoke cleared, but the gunfight at the O.K. Corral would soon become central to American beliefs about the Old West. *Epitaph* tells Wyatt's real story, unearthing the Homeric tragedy buried under 130 years of mythology, misrepresentation, and sheer indifference to fact. Epic and intimate, this novel gives voice to the real men and women whose lives were changed forever by those fatal thirty seconds in Tombstone. At its heart is the woman behind the myth: Josephine Sarah Marcus, who loved Wyatt Earp for forty-nine years and who carefully chipped away at the truth until she had crafted the heroic legend that would become the epitaph her husband deserved.

[The Women of the Copper Country](#) Jun 30 2022 From the bestselling and award-winning author of *The Sparrow* comes an inspiring historical novel about "America's Joan of Arc" Annie Clements—the courageous woman who started a rebellion by leading a strike against the largest copper mining company in the world. In July 1913, twenty-five-year-old Annie Clements had seen enough of the world to know that it was unfair. She's spent her whole life in the copper-mining town of Calumet, Michigan where men risk their lives for meager salaries—and had barely enough to put food on the table and clothes on their backs. The women labor in the houses of the elite, and send their husbands and sons deep underground each day, dreading the fateful call of the company man telling them their loved ones aren't coming home. When Annie decides to stand up for herself, and the entire town of Calumet, nearly everyone believes she may have taken on more than she is prepared to handle. In Annie's hands lie the miners' fortunes and their health, her husband's wrath over her growing independence, and her own reputation as she faces the threat of prison and discovers a forbidden love. On her fierce quest for justice, Annie will discover just how much she is willing to sacrifice for her own independence and the families of Calumet. From one of the most versatile writers in contemporary fiction, this novel is an authentic and moving historical portrait of the lives of the men and women of the early 20th century labor movement, and of a turbulent, violent political landscape that may feel startlingly relevant to today.

Even in Darkness Jul 08 2020 Winner of two INDIEFAB prizes: Gold for Literary Fiction and Bronze for Historical Fiction Readers' Favorite Gold medal for Literary fiction Spanning a century and three continents, *Even in Darkness* tells the story of Kläre Kohler, whose early years as a beloved daughter of a prosperous German-Jewish family hardly anticipate the harrowing life she faces as an adult—a saga of family, lovers, two world wars, a concentration camp, and sacrifice. Based on a true story, *Even in Darkness* highlights Kläre's reinvention as she faces the destruction of life as she knew it, and traces her path to survival, wisdom, and unexpected love.

[More-with-Less Cookbook](#) Jan 14 2021 This is a new edition of Herald Press's all-time best-selling cookbook, helping thousands of families establish a climate of joy and concern for others at mealtime. The late author's introductory chapters have been edited and revised for today's cooks. Statistics and nutritional information have been updated to reflect current American and Canadian eating habits, health issues, and diet guidelines. The new U.S. food chart "My Plate" was slipped in at the last minute and placed alongside Canada's Food Guide. But the message has changed little

from the one that Doris Janzen Longacre promoted in 1976, when the first edition of this cookbook was released. In many ways she was ahead of her time in advocating for people to eat more whole grains and more vegetables and fruits, with less meat, saturated fat, and sugars. This book is part of the World Community Cookbook series that is published in cooperation with Mennonite Central Committee, a worldwide ministry of relief, development, and peace. "Mennonites are widely recognized as good cooks. But Mennonites are also a people who care about the world's hungry."—Doris Janzen Longacre

Children of God Jul 20 2021 In *Children of God*, Mary Doria Russell further establishes herself as one of the most innovative, entertaining and philosophically provocative novelists writing today. The only member of the original mission to the planet Rakhat to return to Earth, Father Emilio Sandoz has barely begun to recover from his ordeal when the Society of Jesus calls upon him for help in preparing for another mission to Alpha Centauri. Despite his objections and fear, he cannot escape his past or the future. Old friends, new discoveries and difficult questions await Emilio as he struggles for inner peace and understanding in a moral universe whose boundaries now extend beyond the solar system and whose future lies with children born in a faraway place. Strikingly original, richly plotted, replete with memorable characters and filled with humanity and humor, *Children of God* is an unforgettable and uplifting novel that is a potent successor to *The Sparrow* and a startlingly imaginative adventure for newcomers to Mary Doria Russell's special literary magic.

The Last Gunfight Dec 25 2021 A New York Times bestseller, Jeff Guinn's definitive, myth-busting account of the most famous gunfight in American history reveals who Wyatt Earp, Doc Holliday, and the Clantons and McLaurys really were and what the shootout was all about—"the most thorough account of the gunfight and its circumstances ever published" (*The Wall Street Journal*) On the afternoon of October 26, 1881, in a vacant lot in Tombstone, Arizona, a confrontation between eight armed men erupted in a deadly shootout. The Gunfight at the O.K. Corral would shape how future generations came to view the Old West. Wyatt Earp, Doc Holliday, and the Clantons became the stuff of legends, symbolic of a frontier populated by good guys in white hats and villains in black ones. It's a colorful story—but the truth is even better. Drawing on new material from private collections—including diaries, letters, and Wyatt Earp's own hand-drawn sketch of the shootout's conclusion—as well as archival research, Jeff Guinn gives us a startlingly different and far more fascinating picture of what actually happened that day in Tombstone and why.

Doc Mar 28 2022 NATIONAL BESTSELLER Born to the life of a Southern gentleman, Dr. John Henry Holliday arrives on the Texas frontier hoping that the dry air and sunshine of the West will restore him to health. Soon, with few job prospects, Doc Holliday is gambling professionally with his partner, Mária Katarina Harony, a high-strung, classically educated Hungarian whore. In search of high-stakes poker, the couple hits the saloons of Dodge City. And that is where the unlikely friendship of Doc Holliday and a fearless lawman named Wyatt Earp begins—before the gunfight at the O.K. Corral links their names forever in American frontier mythology—when neither man wanted fame or deserved notoriety.

God's Mechanics Feb 12 2021 Brother Guy Consolmagno, scientist and Vatican astronomer, sees past the differences between science and religion and embraces the connections between them. In this volume, he explores the way scientists and engineers reconcile these two seemingly divergent world views.
