In clear, simple and easy to understand language, Christiansen points out that winners are life's enhancers and givers who create positive energy and success through optimism and hope. Stop Whining and Start Winning: The Power of Life's Choices is an excellent resource for anyone who has reached his or her misery level index with whining, and has a desire for a more purposeful, peaceful and prosperous life. "A terrible tragedy and waste is when a whiner fails to see and understand the negative ripple effect their whining creates."-Joel Christiansen Joel Christiansen also wrote the book Out of the Ashes the Resurrection of an Addict.
