Digital Photography QuickSteps Jul 22 2019 We know a picture is worth a thousand words--so we went heavy on pictures and light on words in this easy-to-use guide. Color screenshots and brief instructions show you how to take great looking pictures with your digital camera. Follow along and learn to set up your shot like a pro, get the lighting right, photograph people, landscapes, and action shots, edit and enhance your digital images, print high-quality photos, share your photos online, and much more. Each chapter's "How to" list and color-coded tabs make it easy to flip straight to the tasks you need to do. Get the book that helps you get the most out of your digital camera in no time.

On the Self-reflexive Page Aug 15 2021 The subject of this book is the page, and the pages reproduced in it are taken from works of literature (or, in some cases, art books that derive specifically from literature). Naturally, it would have been possible to classify these pages differently: in chronological order, for example, in alphabetical order according to author or title, in numerical order according to page number. Lüthi chose to present them thematically, resulting in a typology of self-reflexive pages: Black Pages, Blank Pages, Drawing Pages, Photography Pages, Text Pages, Number Pages, and Punctuation Pages.

[Off-Camera Flash](#) Sep 28 2022 Rather than focusing on the gear needed to use off-camera flash, this specialized resource hones in on the techniques needed?addressing photographers' most common questions and providing practical examples of off-camera flash used on real assignments. Seeking to address the various challenges of off-camera lighting, professional photographers and advanced amateurs alike will find a range of confidence-building instruction, beginning with basic how's and why's of lighting for creative effect, the types of equipment available and instruction about their proper use, clear definitions of various technical concepts such as managing shutter speed and controlling flash exposure, using ambient light as well as natural sunlight during a shoot, and incorporating off-camera flash into a portrait session. Concluding this lesson plan is a look at five different real-life photo sessions, each employing a different flash technique. Here, photographers get a deeper understanding of each concept put into practice, marrying the elements of lighting with the natural elements presented by the shoot.

Off Camera Affair 4 (The Motor City Drama Series) Feb 21 2022 When Kai takes a trip to Costa Rica with Santiago to attend his sister's wedding, she can't help but fantasize about her own happily-ever-after, but her excursion in paradise is interrupted by someone from Santiago's past, someone who makes Kai question the man she longs to open her heart to. Is Santiago worthy of her love, or is he harboring a destructive secret? Back in Detroit, at the Channel 5 news desk, Kai is excited to hold the coveted spot as lead anchor. The fact that she is filling in for her trifling ex, Frank, definitely doesn't diminish her resolve to advance her career. Unfortunately, someone at the TV station has a sinister plan. For Kai Lewis, danger is never too far away. Meanwhile, Kai is invited to interview for the job of a lifetime. As badly as she wants to seize the opportunity, she is reluctant to leave her family and the love of her life behind to move across the country. While she struggles with the difficult decision, a trial gets underway to decide the fate of her nemesis, Tisha. Despite Tisha's laundry list of dirty deeds, her clever defense attorney has concocted a brilliant strategy, and Kai is concerned that the jury will acquit her instead of throwing her salty behind under the jail where she belongs. After the unnerving and shocking display of that lawyer's slick courtroom antics, Kai finds herself confronted by her second nemesis, Madison, in the most disrespectful way. Kai's life as a single mother and her work schedule allow her limited free time to spend with her man, but she tries her best to make every minute count, and her fantasies of a brighter future bring a smile to her face. With the love and support of her family, Kai feels nothing can stop her. But just as she's on the verge of realizing a dream-come-true, she makes a devastating mistake that could cost her everything. Can Kai and her sister, LaNaya, undo the damage before it's too late? Kai has already endured years of unspeakable drama from outsiders, but this time, she is responsible for a situation that could be the cause of her own downfall. In this final installment of The Motor City Drama Series, sex, witness testimony, and videotape distort reality.

Gary Cooper Off Camera Mar 22 2022 A photographic memoir charts Gary Cooper's off-screen life from his boyhood in Montana, to his family life in Hollywood, to his relationships with Ernest Hemingway, Pablo Picasso, and Jimmy Stewart, among many others.

Off Camera Nov 06 2020 This visual manifesto explores the notion of ?the photographic?, an analysis of the effects the technical image has on the visual culture as a whole. The glossy photo essay focuses on contemporary artistic practises and experimental approaches to photography, divided into four themes: The Photographic Fossil, Chemical Matter, Optical Confusion, and Performing the Image. The accompanying text insert engages a discourse among artists and intellectuals on defining photography and technique. ?Off Camera? is the conclusion of a research project carried out by Belgian researcher Steven Humblet?s group, Thinking Tools, at the Royal Academy of Fine Arts, Antwerp.

Off Camera Affair 2 (The Motor City Drama Series) May 24 2022 Kai is overjoyed about her pregnancy and her romantic new beginning with Frank, a man who satisfies her heart as much as her extraordinary libido. In spite of the outrageous antics of his salty ex-wife, the two enjoy a passion-filled relationship. The baby Kai is carrying is a miracle all its own, after she received a grim diagnosis that she would never be able to conceive. But what Frank doesn't know could hurt him because he has no clue that the bun in Kai's oven may belong to another man. For Kai, it means she will have to get more than her hands dirty to discreetly solve her baby-daddy dilemma. Meanwhile, Kai uses her skills as an investigative TV reporter to uncover the truth about her sister, LaNaya, now a suspected murderer. The evidence draws Kai into a world of swinger parties, online prostitution, and something far more sinister. As she gets closer to solving the crime, she finds danger right on her own doorstep. In addition to Kai's off-air drama, her ex-boyfriend crosses a line that can't be uncrossed when he does the unspeakable. Playing the role of Kai's protector, Frank hires a bodyguard to keep her safe, but someone at the security agency causes Kai to look at her relationship from a new perspective. Can Kai's love for Frank withstand the chaos of the ultimate test? Who really fathered her child? Will Kai

catch the real killer and clear her sister's name before it's too late? Kai usually reports on the leading news story, but she suddenly finds herself right in the middle of it. In this second installment of the "Motor City Drama Series," sex, secrets, and murder make for primetime drama.

*Off-camera: a Pictorial Glimpse of AV-TV Jun 20 2019*

*The Rolling Stones: On Camera, Off Guard Dec 07 2020* Still going strong after 40 years, The Rolling Stones have proved themselves to be the ultimate rock band. While we are familiar with images of the band from the last 20 or so years, this book takes a pictorial journey back to roots of rock stardom and to a long-lost age of innocence in the music industry. Featuring over 200 pages of extremely rare photographs – most never previously published – as well as a DVD of fantastic Stones footage, this book presents fascinating behind-the-scenes action from the life of the band during the '60s. From the very first studio photos of the band taken for *Mirabelle* magazine to pictures of Mick jumping on a piano at the Isle of Man anniversary in 1965, these images provide a compelling new look at some of our most familiar rock faces. Interviews with many of the photographers responsible for the images and additional background from the author complete this must-have record of The Stones in action

*Beyond Snapshots Jul 02 2020* Ready to Capture Your Story with Beautiful Photos? Let professional photographers Rachel Devine and Peta Mazey show you how to use that fancy DSLR to photograph the story of your life, from falling in love and having a baby, to the everyday moments that are no less precious. You'll learn: • Common beginner mistakes and how to avoid them • How to take portraits of your children, friends, pets—even yourself • How to capture light to make your photos more dramatic • How to make colors pop, eyes sparkle, and skin tones more realistic • How to capture the uniqueness and wonder of your family, friends, and world After all, why trust your memories to regular snapshots when with just a little knowledge, you can create beautiful photographs? Be inspired to see the beauty around you, every day.

*Master the 7 Keys to Composition Feb 27 2020* In the illustration of the apple trees (left image), the apples jump out convincingly because the red is opposite to green in the colour spectrum. However, when you convert that image to black-and-white (right image), the apples and leaves are converted to a very similar grey tone and hence blend together to make for a messy photograph. In the book, you will learn how to make an outstanding black-and-white image. In Chapter 10, you will discover a propriety observation that Darren shares based on his 40 years of experience as a professional photographer. Your eyes will always go to the lightest or darkest part of the image. In Chapter 12, you will master the art of tone and clever use of colour to take your photography quantum.

*100% Reliable Flash Photography Nov 25 2019* Photographer and author, Ed Verosky, covers a variety of topics and techniques designed to help photographers consistently create high-quality images with minimal gear. Included are plenty of shooting strategies, diagrammed techniques, and examples which will make getting great photos much easier and more enjoyable. *100% Reliable Flash Photography* provides pro and semi-pro photographers with a fast, no-nonsense guide for getting amazing light in any situation. Gain the skill and confidence you need to create great images with the most basic and available lighting sources. The strategies detailed in the book are designed to completely eliminate the stress of not being sure of what to do in a new or fast-moving environment. That makes it a perfect read for wedding, event, editorial, and portrait photographers. *100% Reliable Flash Photography* centers on a strategy of standardization. The first part of the book covers relevant lighting and gear knowledge mostly focusing on how to do some really good work with a simple on-camera flash, or even basic household lighting. There are also off-camera flash techniques including detailed instructions for a basic two-light manual setup that serves as Verosky's typical gear for editorial work. This leads into the core chapter, *Standardization*, which is about making your gear easier to use and eventually master. The book continues with techniques, examples and diagrams for indoor and outdoor lighting, then several "backstories" quickly detailing shoots with several of the portrait subjects featured in the book.

*Queen Mar 30 2020* *Queen: On Camera, Off Guard* includes a fantastic selection of rare images from one of the world's best-loved supergroups. Featuring pictures from 1969 to 1991, the images include the first ever photographs of Freddie Mercury as a performer with *Ibex* in Bolton in June 1969 taken by songwriter Chris Smith who recounts his experiences of the night. Further early images of Mercury include pictures taken at Ealing Art College and outside his flat in Shepherd's Bush where Queen's first official photo session took place in 1973. Images from their first Japanese tour, from the *Fat Bottomed Girls* cover shoot, on tour in South America with Mercury's boyfriend and many many more allow us to get closer to Mercury and the rest of the band than any previous book. Furthermore, many of the photographers of these amazing images give their insights and stories, providing an intimate insight into Queen backstage, onstage and at play.

*GoPro MAX: How To Use GoPro Max Jun 13 2021* Learn everything you need to know to master your GoPro MAX 360 camera in this guide book from the #1 AMAZON BEST SELLING AUTHOR on how to use GoPro cameras. Written specifically for GoPro Max, this is the perfect guide book for anyone who wants to learn how to use the GoPro Max camera to capture unique 360 and traditional videos and photos. Packed with color images, this book provides clear, step-by-step lessons to get you out there using your GoPro MAX camera to document your life and your adventures. This book covers everything you need to know about using your GoPro MAX camera. The book teaches you: \*how to operate your GoPro Max camera; \*how to choose settings for full 360 spherical video; \*how you can tap into the most powerful, often overlooked settings for traditional video; \*tips for the best GoPro mounts to use with GoPro Max; \*vital 360 photography/cinematography knowledge; \*simple photo, video and time lapse editing techniques for 360 and traditional output and \*the many ways to share your edited videos and photos. This book is perfect for beginners, but also provides in depth knowledge that will be useful for intermediate camera users. Written specifically for the GoPro MAX camera.

*Police on Camera Apr 30 2020* Police body-worn cameras (BWCs) are at the cutting edge of policing. They have sparked important conversations about the proper role and extent of police in society and about balancing security, oversight, accountability, privacy, and surveillance in our modern world. *Police on Camera* address the conceptual and empirical evidence surrounding the use of BWCs by police officers in societies around the globe, offering a variety of differing opinions from experts in the field. The book provides the reader with conceptual and empirical analyses of the role and impact of police body-worn cameras in society. These analyses are complimented by invited commentaries designed to open up dialogue and generate debate on these important social issues. The book offers informed, critical commentary to the ongoing debates about the implications that BWCs have for society in various parts of the world, with special attention to issues of police accountability and discretion, privacy, and surveillance. This book is designed to be accessible to a broad audience, and is targeted at scholars and students of surveillance, law and policy, and the police, as well as policymakers and others interested in how surveillance technologies are impacting our modern world and criminal justice institutions.

*Beyond Auto Jun 01 2020* Beginners in photography will let their camera's Auto mode handle all of the complexities of aperture, shutter speed, white balance and so on. But as useful as Auto is in these early stages, it will rapidly limit you to boring, technically perfect shots that won't spark any interest. *Beyond Auto* is the easily accessible guide that shows how taking control of your camera's settings sets you free. Unlike other beginner books, it doesn't attempt to explain each and every button, dial and feature on your camera, or explore precisely where a pixel comes from. Instead it concentrates on the photographic "holy trinity" of exposure, focus and color, and the essential skills that will

enable you to take the sensational pictures that Auto mode can't.

*The Juggle Is Real* May 12 2021 "Anchor. Author. Mom." What you don't normally see on television from journalist Molly Grantham is how behind the polished image, she's juggling to keep the balls of life up in the air. *The Juggle Is Real* shines a raw and funny light on the messy realities so many of us face: the constant rotation of whatever's barreling toward us next. Grantham's first book, *Small Victories*, ended beside her mother's hospice bed. That's where this one begins—seeing the circle of life through her children's eyes. From there, it's a chronicle of ups and downs, including endless arguments over what to wear, emergency surgeries, beloved pets, and the hysterical one-kid parade of her son's battery-operated mini ice-cream truck through busy city streets. All interwoven with Grantham's public and often nutty job. Her honesty will have you crying and laughing out loud at this continuing story of loving kids and a career. "Molly Grantham is real. And her authenticity as a mom and a fallible human being shines through every one of her pages in this compelling collection of parenting essays." - *The Huffington Post* "Am I brave enough to admit my mothering-fail moments to the world, especially a world in which people are viciously judgmental about other people's parenting? And even more, would I be willing to do that if I worked in an industry where a polished, perfect appearance is part of the job description? I'm not sure. But thank God, Molly is." Kimmerly Martin, Author, *The Queen of Hearts* and *The Antidote to Everything* "With humor, heart, and a willingness to bare her soul—even when it might seem a little uncomfortable to do so—Molly proves once again that she is gifted at telling tales at motherhood as she is at delivering the news every night." Theoden James, *Charlotte Observer* "The Juggle is Real deftly captures moments of parenthood and life that are so poignant and beautiful that it stops your heart for a beat." Betsy Thorpe, *Literary Services*

*The Camera Assistant's Manual* Dec 27 2019 Excel as an Assistant Cameraman (AC) in today's evolving film industry with this updated classic. Learn what to do—and what NOT to do—during production and get the job done right the first time. *The Camera Assistant's Manual, Sixth Edition* covers the basics of cinematography and provides you with the multi-skill set needed to maintain and transport a camera, troubleshoot common problems on location, prepare for job interviews, and work with the latest film and video technologies. Illustrations, checklists, and tables accompany each chapter and highlight the daily workflow of an AC. This new edition has been updated to include: A fresh chapter on the entry level camera positions of Camera Trainee/Production Assistant Coverage of emerging iPhone apps that are used by filmmakers and ACs on set An updated companion website offering online tutorials, clips, and techniques that ACs can easily access while on location ([www.cameraassistantmanual.com](http://www.cameraassistantmanual.com)) All new sample reports and forms including AC time cards, resumé templates, a digital camera report, and a non-prep disclaimer Instruction and custom forms to help freelance filmmakers keep track of daily expenses for tax purposes *The Camera Assistant's Manual, Sixth Edition* is an AC's bible for success and a must-have for anyone looking to prosper in this highly technical and ever-changing profession.

RTÉ Off Camera Aug 23 2019

*The Complete Guide to Sony's Alpha 65 and 77 SLT Cameras B&W Edition Volume II* Sep 04 2020

*The Student Actor Prepares: Acting for Life* Jan 28 2020 *The Student Actor Prepares* is a practical, interactive approach to a student actor's journey. Each chapter includes acting principles, their importance to the process, and workbook entries for emotional work, script analysis, and applications to the study of theater. Topics cover a brief history of the art of acting and how the study of acting can be an advantage in numerous occupations; an actor's discovery of emotional work; movement and mime practices for the act? vocal practices for the act? solo improvisational study; script analysis for the individual act? rehearsal tips; monologue work; original solo work; audition information; working with an acting partner or in a production; acting resources; and research topics.

*Off Camera* Oct 17 2021 Written by the presenter on *Carte Blanche*, this book shows her involvement in the stories which appeared on the programme - and in some which never made it to the screen.

*Off-Camera Flash* Nov 18 2021 A guide to off-camera flash photography cover such topics selecting the right equipment, using simple and complex flash setups, modifying the flash for softer lighting, creating close-up images, combining motion with off-camera flash, and adding neutral-density filters and polarizers.

*Off Camera* Sep 16 2021 Shares interviews with television producers, writers, and directors, as well as an actress, agent, studio executive, and network head in which they describe their work

The book covers her rise in TV journalism and her long struggle to beat the severe challenge of POEMS syndrome, a hard-to-diagnose nerve disorder that can be crippling and ultimately life-threatening

*The Nikon D90 Companion* Apr 11 2021 Through easy-to-follow lessons, this handy book offers a complete class on digital photography, tailored specifically for people who use the Nikon D90. This is not your typical camera guide: rather than just show you what all the buttons do, it teaches you how to use the D90's features to make great photographs—including professional-looking images of people, landscapes, action shots, close-ups, night shots, HD video, and more. With Ben Long's creative tips and technical advice, you have the perfect, camera-bag-friendly reference that will help you capture stunning pictures anywhere, anytime. *The Nikon D90 Companion* will show you how to: Take creative control and go beyond automatic settings Learn the basic rules of composition Capture decisive moments, including fast-moving objects Discover ways to use a flash indoors and outdoors Learn about different lenses, and the best time to use them Understand the options for shooting RAW, and whether it's right for you Use the D90's ability to shoot high definition video

*Off Camera* Jan 20 2022

*Master's Guide to Off-Camera Flash* Jul 14 2021 By emphasizing basic principles of good lighting and how to apply them, this informative guide shows advanced amateur photographers and professionals how to improve their photographic skills. After explaining different types of light, flash basics, and the benefits of on- and off-camera lighting techniques, it discusses how to use this information to increase the "gasp factor"—that powerful, emotional response that compels the viewer to take a second look at a photograph. Also included are assignments meant to help solidify this new flash knowledge for the photographer in order to put it into practice. As a bonus, the book contains inspirational stories demonstrating real-world applications of the techniques from a photojournalist with decades of experience.

*Roger Ailes* Apr 23 2022 A national bestseller offering an inside look at the founder and former head of Fox News Roger Ailes is the quintessential man behind the curtain. He more or less invented modern political consulting and helped Richard Nixon, Ronald Reagan, and George H. W. Bush win their races for the White House. Then he reinvented himself as a master of cable television, first as the head of CNBC and, since 1996, as the creator and leader of Fox News, the most influential news network in the country. To liberals, Ailes is an evil genius who helped polarize the country by breaking the mainstream media's long monopoly on what constitutes news. To conservatives, he's a champion of free speech and fair reporting whose values and view of America reflect their own. But no one doubts that Ailes has transformed journalism. Barack Obama once called him "the most powerful man in America"—and given that Fox News has changed the way millions understand the world, it may be true. Yet for all that fame and infamy, very few people know the real person behind the headlines. Journalist Zev Chafets received unprecedented access to Ailes and his family, friends, and Fox News colleagues. The result is a candid, compelling

portrait of a fascinating man. We see Ailes in action at Fox News and hear him reflect on personal matters he has never before discussed publicly. And we discover the heart of his sometimes surprising political beliefs: his profane piety and his unwavering belief in the values of his small-town Ohio boyhood. Ailes loves to fight, but he is a happy warrior who has somehow managed to charm and befriend many of the people he has defeated in political campaigns and television wars. Barbara Walters, Rachel Maddow, Jesse Jackson, the Kennedy clan— all are unexpected Ailes fans. Chafets also gives us an unprecedented look at the inner workings of Fox News and explores Ailes's relationships with Bill O'Reilly, Sean Hannity, Megyn Kelly, Neil Cavuto, Chris Wallace, and the other stars he has nurtured. Ultimately, Ailes is neither villain nor hero but a man full of contradictions and surprises. As Chafets writes, "What will he do next? What stokes his competitive fires and occasional rages? How to reconcile his acts of exceptional loyalty and private generosity (even to rivals) with his impulse to present himself to the world as a ruthless leg breaker? What makes Roger run—and where, if anywhere, is the finish line? As Ailes himself might say: I report, you decide."

*The Off-Camera Flash Handbook* Jan 08 2021 If your past attempts at learning flash have all ended in failure (not to mention tears and/or blind rage), then *The Off-Camera Flash Handbook* is about to change everything for you. For years, photographer Vanessa Joy has been using off-camera flash to create gorgeous portraits that look like they were shot in the most beautiful natural light at the perfect time of day. Well, guess what? That consistent look was not created thanks to the most amazing luck with the weather. No. It was created by a pro photographer who mastered her use of off-camera flash. And with her down-to-earth and practical explanations, that's exactly what Vanessa teaches you in this book. Vanessa breaks down off-camera flash into an easy-to-understand approach, and instead of focusing on the gear and the settings (which are also included, of course), she focuses on the kinds of shots you want to make. This book is about learning to use off-camera flash easily and quickly so that you can create beautiful, natural-looking light in any situation, at any time you need it...regardless of the weather or time of day. The book is divided into three parts. Part One covers the fundamentals of off-camera flash, and it does so without blasting you with a firehose of information. Instead, Vanessa gives you the basics you need so that you can start shooting right away without becoming overwhelmed with technical jargon. Once you're set up and ready to go, Vanessa jumps right into Part Two with specific photo scenarios and real-world situations where you'll learn key techniques for using your flash to create consistent, beautiful photographs. For each scenario, Vanessa provides the goal for the shoot, a gear list, the step-by-step shooting instructions, and images that show both the progress of the shoot and the behind-the-scenes shots or lighting diagrams of the setup. She also discusses problems you may encounter, variations on the shot, and additional practical scenarios for each situation. Just a few examples include: - Recreating the golden hour at any time - Shooting groups - Making indoors look like outdoors - Enhancing natural light - Using flash at events - Working in harsh sunlight - Creating silhouettes - Shooting at sunset - Fixing an ugly-light room - And much more Finally, Part Three tackles the questions you'll likely have once you've got the basics under your belt and you're already creating great photos with your off-camera flash—things like high-speed sync, sync speed, a practical understanding of the inverse square law, etc. There is also a helpful FAQ section at the end of the book. TABLE OF CONTENTS PART 1: GETTING STARTED WITH OFF-CAMERA FLASH You Already Know This Getting Your Flash Off Camera The Fourth Point of the Exposure Triangle Light Positions and Modifiers How to Add More Lights PART 2: SCENARIOS Golden Haze Golden Hour Creating Twilight Photographing at Sunset Making a Magenta Sunset Groups with One Light Individual Portraits Couple Portraits Enhancing Natural Light Making Indoors Look Like Outdoors Super Soft Portrait Light Creating a Fiery Sky Keeping the Sky Blue Lighting a Dark Room Creating a Silhouette Turning Day into Night Tiny Little Details Table Details Event Speeches In Harsh Sunlight Shooting with Reflectors Event Bounce Flash Using Gels for Fun Color Effects Using Gels to Color Correct Lighting a Dark Room Turn a Rainy Day Sunny Lighting to Look Like Window Light Making Front Bokeh To Fill in Shadows Wow, This Indoor Light Sucks Rim Lighting PART 3: FACTS AND FAQS What Are You Talking About? But Light Doesn't Do That FAQs about OCF

*Off Camera Affair 1 (the Motor City Drama Series)* Dec 19 2021 Kai Lewis is a TV reporter with the inside scoop on Detroit's juiciest corruption scandals. Years ago, her affair with Frank Anderson, the very handsome but very married lead news anchor, had taken her body, soul, and career to new heights. But Kai's thrill ride with Frank ended in an unspeakable tragedy. Now, she avoids his advances, despite the deep feelings for him that still undeniably linger within her. Anxious to move on, Kai initiates a summer fling with Deandre Grant, a sexy NBA player with mind-blowing bedroom skills. Soon, Kai finds herself hungering for more than a casual relationship, and she's overjoyed when Deandre confesses that he feels the same way. Unfortunately, their beautiful beginning is tainted when their relationship hits two major roadblocks: Kai's sister, LaNaya, a video vixen and exotic dancer, who gets caught up in a sexy webcam operation with dangerous consequences just as Kai is trying to sort out her own love life; and Janice, Deandre's deranged baby-mama. On a business trip to Atlanta, Kai discovers something about Frank, her former flame, that changes her perspective on the past. Will this new information open the door for reconciliation with him, or will she go all the way with Deandre? Kai reports the news every day, but there is much more drama off the air, when it comes to her own life. This novel is a tale of fate, desire and the unexpected.

*Off Camera Affair 3 (The Motor City Drama Series)* Aug 27 2022 Kai's perfect family life is destroyed by Frank's nasty secret. His eye-popping video places her right back in the crosshairs of his ex-wife, Tisha, a vindictive schemer who literally gets off on seeing Kai suffer. Through the years, the women have battled for Frank's affection, and it looks like Tisha has won this time. But looks can be deceiving, especially when Kai discovers a missing piece to the puzzle. When her maternity leave ends, Kai reports to back to work at Channel 5, ready to tackle her unexpected promotion. As she adjusts to her new position, she is also forced to face the man who wanted her dead. During CyberKing's trial, surprising new evidence is revealed, but the truth leads Kai down a more frightening path than she ever imagined. Life as a single mother proves to be anything but boring as Frank tries to work his way back into the mix, under the guise of being a devoted father to their daughter. He also tries to work his way back between her sheets, declaring that he is a changed man. Meanwhile, Kai's ex-boyfriend, Deandre, makes his own shocking return. Even though their relationship ended horribly, he begins singing a new tune, and he hopes Kai will make some music with him. As Kai tries to juggle all of the new changes in her job and with her precarious relationships, her daughter is put in danger. She's convinced that CyberKing will stop at nothing to harm her family. In desperation, Kai turns to a familiar face, someone from her past. Santiago, the handsome Costa Rican bodyguard, has changed professions, and he is willing to do anything to help Kai and her daughter, even if it means breaking the law. Can Kai and her sister, LaNaya, solve the mystery of what really happened and why, before it's too late? Kai is an investigative reporter, but for the first time in her life, she's at a loss for words, confused by a web of deceit and missing facts. In this third installment of the "Motor City Drama Series," lust and lies intertwine for an explosive result.

*The Off-Camera Flash Handbook* Oct 29 2022

If your past attempts at learning flash have all ended in failure (not to mention tears and/or blind rage), then *The Off-Camera Flash Handbook* is about to change everything for you. For years, photographer Vanessa Joy has been using off-camera flash to create gorgeous portraits that look like they were shot in the most beautiful natural light at the perfect time of day. Well, guess what? That consistent look was not created thanks to the most amazing luck with the weather. No. It was created by a pro photographer who mastered her use of off-camera flash. And

with her down-to-earth and practical explanations, that's exactly what Vanessa teaches you in this book.

Vanessa breaks down off-camera flash into an easy-to-understand approach, and instead of focusing on the gear and the settings (which are also included, of course), she focuses on the kinds of shots you want to make. This book is about learning to use off-camera flash easily and quickly so that you can create beautiful, natural-looking light in any situation, at any time you need it...regardless of the weather or time of day.

The book is divided into three parts. Part One covers the fundamentals of off-camera flash, and it does so without blasting you with a firehose of information. Instead, Vanessa gives you the basics you need so that you can start shooting right away without becoming overwhelmed with technical jargon.

Once you're set up and ready to go, Vanessa jumps right into Part Two with specific photo scenarios and real-world situations where you'll learn key techniques for using your flash to create consistent, beautiful photographs. For each scenario, Vanessa provides the goal for the shoot, a gear list, the step-by-step shooting instructions, and images that show both the progress of the shoot and the behind-the-scenes shots or lighting diagrams of the setup. She also discusses problems you may encounter, variations on the shot, and additional practical scenarios for each situation.

Just a few examples include:

- Recreating the golden hour at any time
- Shooting groups
- Making indoors look like outdoors
- Enhancing natural light
- Using flash at events
- Working in harsh sunlight
- Creating silhouettes
- Shooting at sunset
- Fixing an ugly-light room
- And much more

Finally, Part Three tackles the questions you'll likely have once you've got the basics under your belt and you're already creating great photos with your off-camera flash—things like high-speed sync, sync speed, a practical understanding of the inverse square law, etc. There is also a helpful FAQ section at the end of the book.

### *PART 3: Features, Troubleshooting, and FAQs*

*WTF Are You Talking About?*

*But Light Doesn't Do That*

*FAQs about OCF*

*Off Camera Jun 25 2022 One of America's most admired TV anchors gives us an intimate chronicle of the final year of the twentieth century. In this engrossing narrative, a national bestseller, are all the most significant matters of that year--from Bill Clinton's impeachment to Columbine, from the war in Kosovo to Y2K and the mass-marketing of Viagra. Here are the people who made the news--from Slobodan Milosevic to Hillary Rodham Clinton to Michael Jordan to John F. Kennedy Jr. The events of 1999 anticipate so many of the on-going challenges America faces today that Koppel's account feels entirely prescient. Koppel's book moves on yet another level as events trigger memories of his own past, providing a more personal resonance to his telling of the history we all share. He takes us back to the England in which he lived until he was thirteen. He revisits his powerful experiences as an interviewer investigating prison abuses and probing the violence in our schools. He discusses the strengths and weaknesses of the media; he talks about racial intolerance, about brutality toward gay people, about the absence of political leadership. He also examines such cultural phenomena as our obsession with celebrity and the impact*

of great theater and overhyped movies. Here is the voice we knew so well from Nightline--intelligent, curious, opinionated, witty, concerned--reminding us in entertaining and thought-provoking ways that even the most public events reverberate in our private lives.

*Off Camera: Hot Gay Romance* Oct 05 2020 Navigating college is hard, but not as hard as learning to love and trust. Kade Evans knew what he wanted to do with his life--write scripts for Hollywood. He's poured his heart into his work and learning the tricks of the trade, but being only twenty-one he knows he needs experience. How's a guy supposed to get experience when he's shy and quiet? The answer might be closer and more forceful than he thinks. Tony Victor's goal in life is to make movies. He won't quit until he's working on the next blockbuster. First, he's got to get through college and get the handsome guy from scriptwriting class to notice him. Tony's never had trouble getting attention, but something about Kade calls to him. Tony's head says go slow, but his heart is ready to take things to the next level. Will these two find common ground or will the simmering passion between them fall apart when their secrets are revealed?

*The Confused Photographer's Guide to On-Camera Spotmetering* Oct 25 2019

*Meet Cute* Jul 26 2022 When a big shot production company plans to set their next biopic on the tiny island of Havensboro, everyone is thrilled--except me. I've almost got enough money saved to get off this rock, so I just need to keep my head down. I definitely do not have time for distractions. Distractions like the leading man, global heartthrob Tom Hudel, who sneaks onto Havensboro ahead of filming to get a feel for the island. No matter how melting his smile is. No matter how dizzying his accent is. No matter how gentle his eyes are. I will not get distracted by a celebrity crush.

*On Camera Off Camera: Pages from the Past* Mar 10 2021 *On Camera Off Camera-Pages from the Past* captures the euphoria and the angst of those behind the scenes and those in front of the camera, their craft, their processes of creativity and their personal highs and lows. The life of a scribe is a never-ending journey of insights, her mind is forever racing from the back-lanes of the past into the by-lanes of the present, observing, joining the dots. Sometimes, the puzzle pieces fall into place; sometimes, the intrigue persists but the process of unravelling is fascinating.

*I Am Color* Aug 03 2020 Take your creativity to the next level. Whether you are an amateur or a professional, with "I am color" you will learn to use colors correctly in every situation, outside and inside the camera. I'll explain how I do photographic techniques individually or together to create something new. I show you how to create an image from scratch to the final result. You will learn to work with different types of light and adapt them to your environment to achieve images with bright and striking colors, using people and objects to turn it from something ordinary into something creative

*The Beatles* Feb 09 2021 Featuring more than 200 rare and never-before-seen images, this is a fascinating insight into the private lives of the world's biggest band. Painstakingly collected and organized, the photos include shots of the Quarrymen, where John first met Paul; shots from the filming of *A Hard Day's Night* and the set of *Help* in the Bahamas; John and Yoko at home; and Paul on holiday in Frank Sinatra's Learjet. Interviews with many of the photographers provide an extraordinary insight into the background of each shot, while extended captions give further information. A DVD filled with 8mm footage of the band at various locations and concerts completes this fantastically intimate compendium that encapsulates the culture, music, and spirit of the 1960s.
