The lost Goddess and her mysterious Alpha Feb 08 2021 "Hmm... Rhea, is it? Nice name." I froze as I heard the husky voice, and I felt tremors running down my spine. I slowly raised my head and met the bluest eyes I had ever seen... Bluer than the ocean... So blue that they seemed to twinkle like twin pools of sapphire. I ran my eyes over his entire figure. He was wearing a suit but didn't look like the typical businessmen. For one thing, he was not clean shaved, and had a five o'clock shadow on his face. And I couldn't figure out if his hair was stylishly messed up, or he just didn't bother to do anything with it at all. Either way, it looked good. Too good! And those lips.. I was brought out of my fantasies when those oh so kissable lips turned up into a smirk. Uh huh! I bit my lips, trying to bring myself out of the lust-filled haze I was falling into. There was just something about him, something so magnetic that I was losing all control of my thoughts. There seemed to be an aura of power and danger surrounding him. If I didn't know any better, the one word I would say was 'otherworldly'... but I knew better and just stopped myself in time from uttering the words 'What are you?'. ----- From the day she woke up without memories two years ago, Rhea had always thought she was a normal human girl. What happens when she realises she was never a human, but a goddess? Suddenly her once boring life becomes all too exciting when she finds herself in the middle of Gods, demons, and a mysterious wolf protector. Add a handsome stranger whom she can't seem to get her mind away from, Rhea is in for a lot more than she bargained for...
