Love for the Cold-Blooded Jun 07 2020 Superheroes. Evil minions. And one hell of a conflict of interest. Being related to a supervillain isn't a big deal to Pat West. So what if his mom occasionally tries to take over the world? All Pat wants is to finish university and become an urban designer. That he moonlights as an evil minion sometimes - that's just a family tradition. Then Pat accidentally sleeps with superhero Silver Paladin, otherwise known as reclusive billionaire Nick Andersen. It's a simple misunderstanding. Pat never means to impersonate a prostitute, honest. But soon Pat is in way over his head, and threatening to fall for the worst possible guy. When Pat's mother returns to bring the world to its knees, Silver Paladin races to stop her... and all of Pat's secrets threaten to blow up in his face. How can Pat reconcile being a minion with wanting a hero? Will Nick's feelings for Pat overcome what keeps them apart? Or will they both lose everything? Length: 135.000 words "Love for the Cold-Blooded" is a light-hearted jaunt through a world of superheroes and villains, android dolphins, mind control rays, eldritch artifacts stolen from the tombs of ancient gods, and young men loving not wisely, but well.

How to Be a Superhero Jun 19 2021 Book Trailer available - Please search google or youtube for "How To Be A Superhero Book Trailer". Hi, I'm Mike! I'm an award-winning teacher, author, and video game creator. "How To Be A Superhero: The TOP SECRET Official Guide" focuses on helping you find your real life superpowers, train your body and mind, and become a superhero that helps others and the environment. My goal is to take what worked for me in the classroom and use it make a positive difference for the entire world. My students are my "WHY" for doing this book. These testimonials mean everything to me and knowing that I've helped a kid is the best reward I could ever have. The purpose of the book is to inspire these kinds of results at a massive scale. "...Everything I've written was because of you inspiring me." - Becca You can read Becca's full yearbook entry on the SuperheroHill.com website. "You are a true inspiration for me and other people that know you. I have had, do and will look up to you for the rest of my life." - Dave "Mike has one of the most infectiously positive mindsets I've ever encountered in a person. Not only does he himself aspire to the highest level of competence and perfection in any task he sets his hand to, but his drive and enthusiasm motivate all those around him. At a young age I learned so much from Mike's zeal for life and all it had to offer. I'm thankful to have known him in my youth because of what an overwhelmingly positive role model he became for me." - Tom How To Be A Superhero is an illustrated book specifically geared towards kids ages 8-12 - though its benefits can reach people of just about any age. The book combines my 10+ years working with kids and positive psychology to help readers find their real life superpowers, train their bodies and minds, and go off into the world as a superhero. Emphasis is placed on character building, exercise, nutrition, reading, writing, creating art, managing emotions and being good to others. Book readings for How to be a Superhero have been a smash hit. Each page has inspired fun and interesting discussion from children and parents alike. With a little help I think we can turn millions of children around the world into their very own superheroes. You can help make that happen. That's your super power. If this effort is something that inspires you, please tell your friends and family. Even if they aren't able to buy the book at this time, getting the word out would be a great help. Let's team up and make the world a better place.

A Brief History of Superheroes Aug 22 2021 A fascinating written exploration of the superhero phenomenon, from its beginnings in the depths of Great Depression to the blockbuster movies of today. For over 90 years, superheroes have been interrogated, deconstructed, and reinvented. In this wide-ranging study, Robb looks at the diverse characters, their creators, and the ways in which their creations have been reinvented for successive generations. Inevitably, the focus is on the United States, but the context is international, including an examination of characters developed in India and Japan in reaction to the traditional American hero. Sections examine: the birth of the superhero, including Superman, in 1938; the DC family (Superman, Batman, Wonder Woman and The Justice Society/League of America), from the 1940s to the 1960s; the superheroes enlistment in the war effort in the 1940s and 50s; their neutering by the Comics Code; the challenge to DC from the Marvel family (The Fantastic Four, Spider-Man, and The X-Men), from the 1960s to the 1980s; the superhero as complex anti-hero; superheroes deconstructed in the 1980s (The Watchmen and Frank Miller's Batman), and their politicization; independent comic book creators and new publishers in the 1980s and 90s; superheroes in retreat, and their rebirth at the movies in blockbusters from Batman to Spider-Man and The Avengers.
