Justice Oliver Wendell Holmes Oct 11 2020 By any measure, Oliver Wendell Holmes, Jr., led a full and remarkable life. He was tall and exceptionally attractive, especially as he aged, with piercing eyes, a shock of white hair, and prominent moustache. He was the son of a famous father (Oliver Wendell Holmes, Sr., renowned for "The Autocrat of the Breakfast Table"), a thrice-wounded veteran of the Civil War, a Harvard-

educated member of Brahmin Boston, the acquaintance of Longfellow, Lowell, and Emerson, and for a time a close friend of William James. He wrote one of the classic works of American legal scholarship, *The Common Law*, and he served with distinction on the Supreme Court of the United States. He was actively involved in the Court's work into his nineties. In *Justice Oliver Wendell Holmes*, G. Edward White, the acclaimed biographer of Earl Warren and one of America's most esteemed legal scholars, provides a rounded portrait of this remarkable jurist. We see Holmes's early life in Boston and at Harvard, his ambivalent relationship with his father, and his harrowing service during the Civil War (he was wounded three times, twice nearly fatally, shot in the chest in his first action, and later shot through the neck at Antietam). White examines Holmes's curious, childless marriage (his diary for 1872 noted on June 17th that he had married Fanny Bowditch Dixwell, and the next sentence indicated that he had become the sole editor of the *American Law Review*) and he includes new information on Holmes's relationship with Clare Castletown. White not only provides a vivid portrait of Holmes's life, but examines in depth the inner life and thought of this preeminent legal figure. There is a full chapter devoted to *The Common Law*, for instance, and throughout the book, there is astute commentary on Holmes's legal writings. Indeed, White reveals that some of the themes that have dominated 20th-century American jurisprudence--including protection for free speech and the belief that "judges make the law"--originated in Holmes's work. Perhaps most important, White suggests that understanding Holmes's life is crucial to understanding his work, and he continually stresses the connections between Holmes's legal career and his personal life. For instance, his desire to distinguish himself from his father and from the "soft" literary culture of his father's generation drove him to legal scholarship of a particularly demanding kind. White's biography of Earl Warren was hailed by Anthony Lewis on the cover of *The New York Times Book Review* as "serious and fascinating," and *The Los Angeles Times* noted that "White has gone beyond the labels and given us the man." In *Justice Oliver Wendell Holmes*, White has produced an equally serious and fascinating biography, one that again goes beyond the labels and gives us the man himself.

Jamie Oliver's Great Britain Oct 30 2019 Having grown up in his parents' gastropub, Jamie Oliver has always had a special place in his heart for British cooking. And in recent years there's been an exciting revolution in the British food world in general. English chefs, producers, and artisans are retracing old recipes, rediscovering quality ingredients, and focusing on simplicity and quality. Jamie celebrates the best of the old and new (including classic British immigrant food) in his first cookbook focused on England. Here are over 130 great, easy-to-prepare recipes, ranging from salads--*Heavenly Salmon* and *Epic Roast Chicken*; to puddings--*Rhubarb and Rice Pudding* and *Citrus Cheesecake Pots*; to Sunday lunch--*Guinness Lamb Shanks* and *Roast Quail Skewers*; and, of course, the crumbliest scones. America has already fallen for the new British gastropub cooking, with popular restaurants by chefs such as *April Bloomfield of The Spotted Pig* and *the John Dory*. Now Jamie shows how to make the same delicious food at home. This is definitely not your grandmother's mushy peas!

Oliver Wendell Holmes and the Culture of Conversation Dec 13 2020 Gibian explores the role played by Oliver Wendell Holmes in the Victorian culture of conversation in America.

The Complete Writings of Oliver Wendell Holmes: The poet at the breakfast-table Jun 26 2019

Cook with Jamie Jul 28 2019 My guide to making you a better cook. I can't tell you how long I've dreamed about writing this book. It's the biggest book I've ever done, and I've really tried to make it a timeless, modern-day classic. Whether you're a student, a young couple, an established cook, or a novice, I'll take you through a whole load of simple and accessible recipes that will blow the socks off your family and any guests you might have round for dinner. There's information on the equipment that I think you should have in your kitchen, advice on how to recognize and cook loads of different cuts of meat, as well as on how to get the best value and quality when you're out shopping. With all of us consuming more processed food than ever, it's a sad fact that most people just aren't confident enough to cook anymore. With this in mind, now is the time for you to get stuck in and reclaim your fantastic cooking heritage! You know what . . . if you're going to eat three times a day for the rest of your life, you might as well learn to cook properly and enjoy it! So roll up your sleeves and let me help you. P.S.: By the way, you should feel good about buying this book because every single penny I make from it will go toward training and inspiring young kids from tough backgrounds all over the world to have a career in food through the *Fifteen Foundation*. So on behalf of them, thank you.

The Writings of Oliver Wendell Holmes Mar 16 2021 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. The Autocrat of the Breakfast-Table May 30 2022 Why buy our paperbacks? Expedited shipping High Quality Paper Made in USA Standard Font size of 10 for all books 30 Days Money Back Guarantee BEWARE of Low-quality sellers Don't buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated The Autocrat of the Breakfast-Table by Oliver Wendell Holmes Oliver Wendell Holmes Sr. (August 29, 1809 - October 7, 1894) was an American polymath based in Boston. A member of the Fireside Poets, his peers acclaimed him as one of the best writers of the day. His most famous prose works are the "Breakfast-Table" series, which began with The Autocrat of the Breakfast-Table (1858). The Autocrat of the Breakfast-Table (1858) is a collection of essays written by Oliver Wendell Holmes Sr. The essays were originally published in The Atlantic Monthly in 1857 and 1858 before being collected in book form. The author had written two essays with the same name which were published in the earlier The New-England Magazine in November 1831 and February 1832, which are alluded to in a mention of an "interruption" at the start of the very first essay.

Super Food Family Classics Apr 04 2020 Freshen up your family favourites and expand your recipe repertoire to make your weekly menu something to shout about Sneak in extra veg with Squash Mac 'N' Cheese and enjoy a no-arguments family dinner with Chicken Fajitas, Smoky Dressed Aubergines & Peppers. Chasing the Light Jul 08 2020 An intimate memoir by the controversial and outspoken Oscar-winning director and screenwriter about his complicated New York childhood, volunteering for combat, and his struggles and triumphs making such films as Platoon, Midnight Express, and Scarface. Before the international success of Platoon in 1986, Oliver Stone had been wounded as an infantryman in Vietnam, and spent years writing unproduced scripts while driving taxis in New York, finally venturing westward to Los Angeles and a new life. Stone, now 73, recounts those formative years with in-the-moment details of the high and low moments: We see meetings with Al Pacino over Stone's scripts for Scarface, Platoon, and Born on the Fourth of July; the harrowing demon of cocaine addiction following the failure of his first feature, The Hand (starring Michael Caine); his risky on-the-ground research of Miami drug cartels for Scarface; his stormy relationship with The Deer Hunter director Michael Cimino; the breathless hustles to finance the acclaimed and divisive Salvador; and tensions behind the scenes of his first Academy Award-winning film, Midnight Express. Chasing the Light is a true insider's look at Hollywood's years of upheaval in the 1970s and '80s.

Life of Oliver Wendell Holmes Mar 04 2020

Jamie's 30-Minute Meals Dec 01 2019 Get your complete meals from kitchen to table in no time at all, in the bestselling Jamie's 30-Minute Meals Make your kitchen work for you . . . Jamie Oliver ----- 'Our favourite. It is a 400-page-plus volume featuring recipes that will become your go-tos for the festive period and beyond' Independent 'Excellent, wonderful. A good-natured book that will be the cook's friend this season' Evening Standard

Over the Teacups Feb 12 2021 Originally released as a series of essays in the Atlantic Monthly, *Over the Teacups*, like Holmes' *Autocrat of the Breakfast Table*, is a table talk book that discusses age and how to live a long life; how to be a great conversationalist; the art of reading.--Vendor's description.

Ralph Waldo Emerson Sep 29 2019 "I have the feeling that every man's biography is at his own expense. He furnishes not only the facts, but the report. I mean that all biography is autobiography. It is only what he tells of himself that comes to be known and believed." So writes the man whose life we are to pass in review, and it is certainly as true of him as of any author we could name. He delineates himself so perfectly in his various writings that the careful reader sees his nature just as it was in all its essentials, and has little more to learn than those human accidents which individualize him in space and time. About all these accidents we have a natural and pardonable curiosity. We wish to know of what race he came, what were the conditions into which he was born, what educational and social influences helped to mould his character, and what new elements Nature added to make him Ralph Waldo Emerson.
