**Graven Images** May 31 2020 Comic books have increasingly become a vehicle for serious social commentary and, specifically, for innovative religious thought. Practitioners of both traditional religions and new religious movements have begun to employ comics as a missionary tool, while humanists and religious progressives use comics' unique fusion of text and image to criticize traditional theologies and to offer alternatives. Addressing the increasing fervor with which Americans have come to view comics as an art form and Americans' fraught but passionate relationship with religion, Graven Images explores with real insight the roles of religion in comic books and graphic novels. In essays by scholars and comic book creators, Graven Images observes the frequency with which religious material—in devout, educational, satirical, or critical contexts—occurs in both independent and mainstream comics. Contributors identify the unique advantages of the comic book medium for religious messages; analyze how comics communicate such messages; place the religious messages in comic books in appropriate cultural, social, and historical frameworks; and articulate the significance of the innovative theologies being developed in comics.

**Feb 08 2021** Daisy Dunn offers a deeply researched collection of stories reflecting the eclectic range and depth of the classical literary canon. Striking a balance between the 'classic classic' (such as Dryden's translation of the Aeneid) and the less familiar or expected, Of Gods and Men ranges from the epic poetry of Homer to the historical works of Herodotus and Diodorus Siculus and the sprawling Theogony of Hesiod; from the tragedies of Aeschylus and Euripides to the biographies of Suetonius and Plutarch and the pen portraits of Theophrastus; and from the comedies of Plautus

fictions of Petronius and Apuleius. Of Gods and Men is embellished by translations from writers as diverse as Queen Elizabeth I (Boethius), Percy Bysshe Shelley (Plato), Walter Pater (Apuleius's Golden Ass), Lawrence of Arabia (Homer's Odyssey), Louis MacNeice (Aeschylus's Agamemnon) and Ted Hughes (Ovid's Pygmalion), as well as a number of accomplished translations by Daisy herself.
