**Heart of the Streets** Apr 20 2022 Corinne is running from the pain of her past but she can't seem to run fast enough. Jabari thought he had it all but even with everything, something is still missing. Follow Corinne and Jabari through the streets of Atlanta as she offers him a loyalty he's never had and he showers her in a love she never knew existed!

**San Fransicko** Oct 14 2021 National bestselling author of APOCALYPSE NEVER skewers progressives for the mishandling of America's faltering cities. Progressives claimed they knew how to solve homelessness, inequality, and crime. But in cities they control, progressives made those problems worse. Michael Shellenberger has lived in the San Francisco Bay Area for thirty years. During that time, he advocated for the decriminalization of drugs, affordable housing, and alternatives to jail and prison. But as homeless encampments spread, and overdose deaths skyrocketed, Shellenberger decided to take a closer look at the problem. What he discovered shocked him. The problems had grown worse not despite but because of progressive policies. San Francisco and other West Coast cities — Los Angeles, Seattle, Portland — had gone beyond merely tolerating homelessness, drug dealing, and crime to actively enabling them. San Fransicko reveals that the underlying problem isn't a lack of housing or money for social programs. The real problem is an ideology that designates some people, by identity or experience, as victims entitled to destructive behaviors. The result is an undermining of the values that make cities, and civilization itself, possible.

*The Cold Six Thousand* Mar 19 2022 DALLAS, NOVEMBER 22ND, 1963. Wayne Tedrow Jr has arrived to kill a man. The fee is \$6,000. He finds himself instead in the middle of the cover-up following JFK's assassination. There follows a hellish five-year ride through the sordid underbelly of public policy via Las Vegas, Howard Hughes, Vietnam, CIA dope dealing, Cuba, sleazy showbiz, racism and the Klan. This is the 1960s under Ellroy's blistering lens, the icons of the era mingled with cops, killers, hoods, and provocateurs. The Cold Six Thousand is historical confluence as American nightmare. Fierce, epic fiction. A masterpiece.

*The Strange Case of Dr. Jekyll and Mr. Hyde* Oct 02 2020 The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

*MOBY DICK (Modern Classics Series)* Apr 08 2021 This carefully crafted ebook: "MOBY DICK (Modern Classics Series)" is formatted for your eReader with a functional and detailed table of contents. Moby-Dick by Herman Melville: first published in 1851, considered to be one of the Great American Novels and a treasure of world literature, one of the great epics in all of literature. The story tells the adventures of wandering sailor Ishmael, and his voyage on the whaleship Pequod, commanded by Captain Ahab. Ishmael soon learns that Ahab has one purpose on this voyage: to seek out Moby Dick, a ferocious, enigmatic white sperm whale. In a previous encounter, the whale destroyed Ahab's boat and bit off his leg, which now drives Ahab to take revenge...

**Crime and Punishment** Jul 31 2020 Crime and Punishment tells the story of Rodion Raskolnikov, an ex-student who plans to murder a pawnbroker to test his theory of personality. Having accomplished the deed, Raskolnikov struggles with mental anguish while trying to both avoid the consequences and hide his guilt from his friends and family. Dostoevsky's original idea for the novel centered on the Marmeladov family and the impact of alcoholism in Russia, but inspired by a double murder in France he decided to rework it around the new character of Raskolnikov. The novel was first serialized in The Russian Messenger over the course of 1866, where it was an instant success. It was published in a single volume in 1867. Presented here is Constance Garnett's 1914 translation. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

**Widespread Panic in the Streets of Athens, Georgia** Sep 13 2021 In April 1998, legendary southern jam band Widespread Panic held a free open-air record release show in downtown Athens, Georgia. This book recounts that event and what inspired nearly 100,000 spectators to take part.

**City Streets** Apr 27 2020 Navy pilot Frank Del Vecchio returned home on a weekend leave only to find his neighborhood had disappeared. Boston's West End was being demolished in an urban renewal land grab, its twelve thousand immigrant Jewish and Italian residents summarily displaced. This was the turning point for Frank—he resigned his Navy commission and instead chose to battle political corruption. CITY STREETS is the story of a kid from the Depression era who wins a college scholarship, goes through Navy flight training, serves as a carrier pilot, and lands at Harvard Law School. From saving Boston's historic Charlestown neighborhood, to working with Martin Luther King, Jr. on projects for inner-city Washington D.C., Del Vecchio's memoir vividly recalls a time of struggle, idealism and hard-won triumphs.

**Principle Or Profit** Nov 22 2019 Ever since Malcolm James was a child, cold blooded murder has played a significant part in his life. Whether it be from both of his parents being brutally assassinated right in front of him, or having blood on his own hands, murder has been his reality. Constantly haunted and consumed by his own actions, the only thing stronger than Malcolm's thirst for blood, is his hunger for money and power!

Flooding the crime ridden and gang infested inner city streets of Denver, Colorado with Cocaine and pounds of Kush, grindin, as his "Gang Green" squad of misfits commit robberies, mayhem and murder while on their way to the top. However, the sudden murder of Malcolm's friend and right hand man, not only cause the homicide rate to shoot through the roof, but also derails their mission. All while Malcolm battles with a dark secret brewing deep down inside, at which only "Tear Drop and Buds" are able to recognize and tame. Both OG's in the game graduating to bosses of a mountain west and west coast black underworld syndicate, whom eventually put Malcolm on the payroll as a triggerman, which of course leads to more problems, money, women, and deadly consequences. Why Principle or Profit you ask? Because nine times outta ten every time a life is taken out in these streets, it's a direct result of one or the other. To profit is self explanatory; however, principle could be ones personal belief, or even a weak emotion like jealousy and greed, to killing over territory, a debt, turf, stripes, or other principles of the streets. At the end of the day we all gotta go, so which one are you willing to die for?

Perdido Street Station Jan 17 2022 Winner of the August Derleth award and the Arthur C. Clarke Award, *Perdido Street Station* is an imaginative urban fantasy thriller, and the first of China Miéville's novels set in the world of Bas-Lag. The metropolis of New Crobuzon sprawls at the centre of its own bewildering world. Humans and mutants and arcane races throng the gloom beneath its chimneys, where the rivers are sluggish with unnatural effluent, and factories and foundries pound into the night. For more than a thousand years, the parliament and its brutal militia have ruled over a vast array of workers and artists, spies, magicians, junkies and whores. Now a stranger has come, with a pocketful of gold and an impossible demand, and inadvertently something unthinkable is released. Soon the city is gripped by an alien terror – and the fate of millions depends on a clutch of outcasts on the run from lawmakers and crime-lords alike. The urban nightscape becomes a hunting ground as battles rage in the shadows of bizarre buildings. And a reckoning is due at the city's heart, in the vast edifice of *Perdido Street Station*. It is too late to escape.

*Back to Venice* Nov 03 2020 Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation—and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay—which is sometimes zany and sometimes frightening—he meets his hero, Michelangelo, who teaches him the true meaning of art.

**Learning from SARS** Feb 06 2021 The emergence of severe acute respiratory syndrome (SARS) in late 2002 and 2003 challenged the global public health community to confront a novel epidemic that spread rapidly from its origins in southern China until it had reached more than 25 other countries within a matter of months. In addition to the number of patients infected with the SARS virus, the disease had profound economic and political repercussions in many of the affected regions. Recent reports of isolated new SARS cases and a fear that the disease could reemerge and spread have put public health officials on high alert for any indications of possible new outbreaks. This report examines the response to SARS by public health systems in individual countries, the biology of the SARS coronavirus and related coronaviruses in animals, the economic and political fallout of the SARS epidemic, quarantine law and other public health measures that apply to combating infectious diseases, and the role of international organizations and scientific cooperation in halting the spread of SARS. The report provides an illuminating survey of findings from the epidemic, along with an assessment of what might be needed in order to contain any future outbreaks of SARS or other emerging infections.

**Velvet Was the Night** Aug 12 2021 GOOD MORNING AMERICA BUZZ PICK • From the New York Times bestselling author of *Mexican Gothic* comes a simmering historical noir about a daydreaming secretary, a lonesome enforcer, and the mystery of the missing woman they're both desperate to find. ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, NPR, The Washington Post, The Boston Globe, New York Public Library, Milwaukee Journal Sentinel, BookPage, She Reads, Library Journal • “An adrenalized, darkly romantic journey.”—The Washington Post Mexico in the 1970s is a dangerous country, even for Maite, a secretary who spends her life seeking the romance found in cheap comic books and ignoring the activists protesting around the city. When her next-door neighbor, the beautiful art student Leonora, disappears under suspicious circumstances, Maite finds herself searching for the missing woman—and journeying deeper into Leonora's secret life of student radicals and dissidents. Mexico in the 1970s is a politically fraught land, even for Elvis, a goon with a passion for rock 'n' roll who knows more about kidney-smashing than intrigue. When Elvis is assigned to find Leonora, he begins a blood-soaked search for the woman—and his soul. Swirling in parallel trajectories, Maite and Elvis attempt to discover the truth behind Leonora's disappearance, encountering hitmen, government agents, and Russian spies. Because Mexico in the 1970s is a noir, where life is cheap and the price of truth is high.

*The King in Yellow* Nov 15 2021 Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

*Mr. Stimpson and Mr. Gorse* Sep 20 2019

**Craven House** Aug 20 2019 'All his novels are terrific' Sarah Waters Patrick Hamilton's novels were the inspiration for Matthew Bourne's new dance theatre production, *The Midnight Bell*. In *Craven House*, among the shifting, uncertain world of the English boarding house, with its sad population of the shabby genteel on the way down - and the eternal optimists who would never get up or on - the young Patrick Hamilton, with loving, horrified fascination, first mapped out the territory that he would make, uniquely, his own. Although many of Hamilton's lifelong interests are here, they are handled with a youthful brio and optimism conspicuously absent from his later work. The inmates of *Craven House* have their foibles, but most are indulgently treated by an author whose world view has yet to harden from scepticism into cynicism. The generational conflicts of Hamilton's own youth thread throughout the narrative, with hair bobbing and dancing as the battle lines. That perennial of the 1920s bourgeoisie, the 'servant problem', is never far from the surface, and tensions crescendo gradually to a resolution one climactic dinnertime.

**The Slaves of Solitude** Jun 22 2022

*Ulysses* Jun 10 2021

**1000 Years of Joys and Sorrows** Jan 25 2020 In his widely anticipated memoir, Ai Weiwei--one of the world's most famous artists and activists--tells a century-long epic tale of China through the story of his own extraordinary life and the legacy of his father, Ai Qing, the nation's most celebrated poet. Hailed as "the most important artist working today" by the *Financial Times* and as "an eloquent and unsilenceable voice of freedom" by *The New York Times*, Ai Weiwei has written a sweeping memoir that presents a remarkable history of China over the last 100 years while illuminating his artistic process. Once an intimate of Mao Zedong, Ai Weiwei's father was branded a rightist during the Cultural Revolution, and he and his family were banished to a desolate place known as "Little Siberia," where Ai Qing was sentenced to hard labor cleaning public toilets. Ai Weiwei recounts his childhood in exile, and his difficult decision to leave his family to study art in America, where he befriended Allen Ginsberg and was inspired by Andy Warhol. With candor and wit, he details his return to China and his rise from artistic unknown to art world superstar and international human rights activist--and how his work has been shaped by living under a totalitarian regime. Ai Weiwei's sculptures and installations have been viewed by millions around the globe, and his architectural achievements include helping to design the iconic Bird's Nest Olympic Stadium in Beijing. His political activism has long made him a target of the Chinese authorities, which culminated in months of secret detention without charge in 2011. Here, for the first time, Ai Weiwei explores the origins of his exceptional creativity and passionate political beliefs through his own life story and that of his father, whose own creativity was stifled. At once ambitious and intimate, *1000 Years of Joys and Sorrows* offers a deep understanding of the myriad forces that have shaped modern China, and serves as a timely reminder of the urgent need to protect freedom of expression.

**When You Reach Me** Feb 18 2022 Miranda's life is starting to unravel. Her best friend, Sal, gets punched by a kid on the street for what seems like no reason, and he shuts Miranda out of his life. The key that Miranda's mum keeps hidden for emergencies is stolen. And then a mysterious note arrives: 'I am coming to save your friend's life, and my own. I ask two favours. First, you must write me a letter.' The notes keep coming, and Miranda slowly realises that whoever is leaving them knows things no one should know. Each message brings her closer to believing that only she can prevent a tragic death. Until the final note makes her think she's too late.

**These Violent Delights** Mar 07 2021 An Instant New York Times Bestseller! A BuzzFeed Best Young Adult Book of 2020 Perfect for fans of *The Last Magician* and *Serpent & Dove*, this heart-stopping debut is an imaginative *Romeo and Juliet* retelling set in 1920s Shanghai, with rival gangs and a monster in the depths of the Huangpu River. The year is 1926, and Shanghai hums to the tune of debauchery. A blood feud between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette's first love...and first betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can't stop this mayhem, then there will be no city left for either to rule.

Flash Boys: A Wall Street Revolt Jun 29 2020 Argues that post-crisis Wall Street continues to be controlled by large banks and explains how a small, diverse group of Wall Street men have banded together to reform the financial markets.

New York 2140 Dec 24 2019 NOMINATED FOR THE HUGO AWARD FOR BEST NOVEL 2018 'A towering novel' - Guardian 'Relevant and essential' - Bloomberg Businessweek As the sea level rose, every street became a canal, every skyscraper an island. For the residents of one apartment building in Madison Square, however, New York in the year 2140 is far from a drowned city. New York Times bestselling author Kim Stanley Robinson delivers a bold and brilliant vision of New York in the next century. 'New York may be underwater but it's better than ever' - New Yorker 'Massively enjoyable' - Washington Post 'Gripping . . . so hard to put down' - Business Insider 'A document of hope as much as dread' - Los Angeles Review of Books Novels by Kim Stanley Robinson: *Icehenge* *The Memory of Whiteness* *A Short, Sharp Shock* *Antarctica* *The Years of Rice and Salt* *Galileo's Dream* 2312 *Shaman* *Aurora* *New York 2140* *Red Moon*

**They Thought They Were Free** Sep 01 2020 Originally published: Chicago; London: The University of Chicago Press, 1955.

The Little Book of a Thousand Eyes Mar 27 2020

**The Slaves of Solitude** Oct 22 2019 'All his novels are terrific, but this one is my favourite' Sarah Waters Patrick Hamilton's novels were the inspiration for Matthew Bourne's new dance theatre production, *The Midnight Bell*. Measuring out the wartime days in a small town on the Thames, Miss Roach is not unattractive but no longer quite young. The Rosamund Tea Rooms boarding house, where she lives with half a dozen others, is as grey and lonely as its residents. For Miss Roach, 'slave of her task-master, solitude', a shaft of not altogether welcome light is suddenly beamed upon her, with the appearance of a charismatic and emotional American Lieutenant. With him comes change - tipping the precariously balanced society of the house and presenting Miss Roach herself with a dilemma.

**A Street Through Time** May 09 2021 Take a 12,000-year walk through history Think of the street you live on. Now think of how it may have looked in 10,000 BCE, or in Roman times, or in Victorian England at the height of the Industrial Revolution. Steve Noon's *A Street Through Time* takes you on a time travelling journey that you won't forget. Beautiful double-page illustrations bring fourteen key periods in history to life. You will see magnificent buildings go up and come down, new churches built on the site of ancient temples, wooden bridges destroyed and then remade in stone, and statues demolished then unearthed many years later.

You'll find out how people lived long ago - the tools they used, what they wore, what they ate and what they did all day. In an added twist, you can search for the time traveller in each period and locate the objects that have managed to survive through the ages. Revised and updated for a new generation, Steve Noon's *A Street Through Time* is perfect for parents and children to look at together. The more you look, the more you'll see.

**A Thousand Splendid Suns** Aug 24 2022 Mariam is only fifteen when she is sent to Kabul to marry Rasheed. Nearly two decades later, a friendship grows between Mariam and a local teenager, Laila, as strong as the ties between mother and daughter. When the Taliban take over, life becomes a desperate struggle against starvation, brutality and fear. Yet love can move a person to act in unexpected ways, and lead them to overcome the most daunting obstacles with a startling heroism.

**Strengthening Forensic Science in the United States** Jan 05 2021 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The Time Travel Journals Jul 19 2019

**The Street of a Thousand Blossoms** Jul 23 2022 Gail Tsukiyama's *The Street of a Thousand Blossoms* is a powerfully moving masterpiece about tradition and change, loss and renewal, and love and family from a glorious storyteller at the height of her powers. It is Tokyo in 1939. On the Street of a Thousand Blossoms, two orphaned brothers dream of a future firmly rooted in tradition. The older boy, Hiroshi, shows early signs of promise at the national obsession of sumo wrestling, while Kenji is fascinated by the art of Noh theater masks. But as the ripples of war spread to their quiet neighborhood, the brothers must put their dreams on hold—and forge their own paths in a new Japan. Meanwhile, the two young daughters of a renowned sumo master find their lives increasingly intertwined with the fortunes of their father's star pupil, Hiroshi.

**Twenty Thousand Streets Under the Sky** Oct 26 2022 'I recommend Hamilton at every opportunity, because he was such a wonderful writer and yet is rather under-read today. All his novels are terrific' Sarah Waters 'If you were looking to fly from Dickens to Martin Amis with just one overnight stop, then Hamilton is your man' Nick Hornby Patrick Hamilton's novels were the inspiration for Matthew Bourne's new dance theatre production, *The Midnight Bell*. *The Midnight Bell*, a pub on the Euston Road, is the pulse of this brilliant and compassionate trilogy. It is here where the barman, Bob, falls in love with Jenny, a West End prostitute who comes in off the streets for a gin and pep. Around his obsessions, and Ella the barmaid's secret love for him, swirls the sleazy life of London in the 1930s. This is a world where people emerge from cheap lodgings in Pimlico to pour out their passions, hopes and despair in pubs and bars - a world of twenty thousand streets full of cruelty and kindness, comedy and pathos, wasted dreams and lost desires.

**Distant Valor** May 29 2020 Out of the crucible of war has come a long list of best-selling, award-winning, and long-remembered novels: *The Red Badge Of Courage*, *All Quiet on the Western Front*, *The Caine Mutiny*, *Fields of Fire* and *The Thirteenth Valley*. But none so far has ever captured the power and drama of the United States Marine Corps's ill-fated mission to end the war for Lebanon, which ended in the barracks bombing that killed almost three hundred Marines. For Sergeant David Griffin, a "peace-time" Marine, Beirut was the chance to prove himself capable to the generation of Marines who had been bloodied in the Vietnam War. For Corporal Steven Downs, Beirut was a struggle to separate the civilian from the soldier, his distrust of the politicians' decisions from the military mission. For all of the Marines serving in Lebanon, it was another war in a foreign country where the enemy could be anywhere or anyone. Faced with Griffin's court-martial for engaging the enemy against orders, these two young men find themselves questioning their faith in themselves, their commanders, and eventually that which above all else they must have faith in--the Corps. With the insight that only a Marine Corps veteran could have, C. X. Moreau portrays the men who fought and died in Beirut with skill and ability that bring home to the reader the true meaning of *Semper Fi*. "Affecting . . . A haunting slice of military life that unsparingly catalogues the risks, rewards, pain and joys of casting one's lot with warriors."--Kirkus Reviews "Moreau uses the building block of authentic detail to craft a solid take about a little-known, undeclared war. His debut should attract readers seeking to understand how the U.S. military is waging peace in the Middle East."--Publishers Weekly "Outstanding! A classic in, yet above and beyond, the war genre. Thank you, C. X. Moreau, for an enlightening work."--John M. Del Vecchio, *New York Times* best-selling author of *The Thirteenth Valley* and *For The Sake Of All Living Things* "With his first book, *Distant Valor*, C. X. Moreau, joins the company of top rank military novelists. He shows the reader what it really means to be a Marine."--W.E.B. Griffin, *New York Times* best-selling author of "The Corps" and "The Brotherhood of War" series "A clear picture of Marines in action and the politicization that often causes bungled operations. The picture is harsh; but it depicts the anguish and humanity of the Marines who so gallantly bear the brunt of carrying the flag to foreign shores. This first novel rings with the authenticity that only a serving Marine could supply."--The Florida Times-Union "A novel of character, as are all great war novels...cuts to the heart of the military experience in our time . . ."--San Jose Mercury News "An absolutely authentic portrayal of the Marines who endured the mud and the blood in Beirut. As captain of a ship offshore, I watched it; C. X. Moreau obviously lived it, up close and personal."--P.T. Deutermann, best-selling author of *Scorpion in the Sea* "C. X. Moreau has seen the military future first-hand in Beirut. In an age of fateful involvements in the wars of others, the terrible dilemmas described so ably in *Distant Valor* are too often the essence of duty for today's Marines and soldiers. This book is as authentic as they come, heartrending and true, exciting and brutally tragic. It is a worthy monument to heroes cast aside."--Ralph Peters, *New York Times* best-selling author of *The War In 2020*

**Cloud 9** May 21 2022 A play taking place in London during 1979 and in Victorian Africa explores the effects of sexual repression and stereotypes on people's identities

**Gaslight** Dec 16 2021 This classic Victorian thriller was first produced in 1935. Jack Manningham is slowly, deliberately driving his wife, Bella, insane. He has almost succeeded when help arrives in the form of a former detective, Rough, who believes Manningham to be a thief and murderer. Aided by Bella, Rough proves Manningham's true identity and finally Bella achieves a few moments of sweet revenge for the suffering inflicted on her.

*The Address Book* Jul 11 2021 Longlisted for the Jhalak Prize 2021 A TIME Magazine Must-Read Book of 2020 Shortlisted for the Katharine Briggs Award 2020 'Deirdre Mask's book was just up my Strasse, alley, avenue and boulevard.' -Simon Garfield, author of *Just My Type* 'Fascinating ... intelligent but thoroughly accessible ... full of surprises' - Sunday Times When most people think about street addresses they think of parcel deliveries, or visitors finding their way. But who numbered the first house, and where, and why? What can addresses tell us about who we are and how we live together? Deirdre Mask looks at the fate of streets named after Martin Luther King, Jr., how ancient Romans found their way, and why Bobby Sands is memorialised in Tehran. She explores why it matters if, like millions of people today, you don't have an address. From cholera epidemics to tax hungry monarchs, Mask discovers the different ways street names are created, celebrated, and in some cases, banned. Full of eye-opening facts, fascinating people and hidden history, this book shows how addresses are about identity, class and race. But most of all they are about power: the power to name, to hide, to decide who counts, who doesn't, and why. 'A must read for urbanists and all those interested in cities and modern economic and social life.' - Richard Florida, author of *The Rise of the Creative Class*

*Discovering the Miracle of the Scarlet Thread in Every Book of the Bible* Feb 24 2020 Yes you can understand the Bible! *Discovering the Miracle of the Scarlet Thread in Every Book of the Bible* takes the mystery and confusion out of the Bible and makes God's Word come alive with new insights and a fresh excitement that will have you searching for more. Dr. Richard Booker unveils the mysteries and secrets of the Bible by explaining its master theme, and then reveals a simple plan so you can discover God's personal revelation for yourself. The author provides Exciting biblical background, An interesting survey of each book in the Bible, Each book's master theme, Practical principles, forms, and guidelines for your own life-enriching Bible study. The sometimes hard-to-understand teachings of Jesus in their original culture and context come alive and

become real through discovering the miracle of the scarlet thread. Then Jesus began to explain everything which had been written in the Scriptures about Him. Jesus started with the books of Moses and then He talked about what the prophets had written about Him (Luke 24:27 PEB). This book about the Bible will change the way you think about His Word His life-changing and eternal Word.

*The Eternal Church* Dec 04 2020 Hamon takes readers on a journey throughout the history of the church. Beginning at the origination of the church in the 1st Century, he proceeds to its deterioration during the Middle Ages to the restoration of the church from the time of the Reformation to the present.

**Hangover Square** Sep 25 2022 The seventy-fifth anniversary edition, with a new introduction by Anthony Quinn. 'I recommend Hamilton at every opportunity, because he was such a wonderful writer and yet is rather under-read today. All his novels are terrific' Sarah Waters 'If you were looking to fly from Dickens to Martin Amis with just one overnight stop, then Hamilton is your man' Nick Hornby Patrick Hamilton's novels were the inspiration for Matthew Bourne's new dance theatre production, *The Midnight Bell*. London, 1939, and in the grimy publands of Earls Court, George Harvey Bone is pursuing a helpless infatuation. Netta is cool, contemptuous and hopelessly desirable to George. George is adrift in a drunken hell, except in his 'dead' moments, when something goes click in his head and he realises, without a doubt, that he must kill her. In the darkly comic *Hangover Square* Patrick Hamilton brilliantly evokes a seedy, fog-bound world of saloon bars, lodging houses and boozing philosophers, immortalising the slang and conversational tone of a whole generation and capturing the premonitions of doom that pervaded London life in the months before the war.

*Apeirogon: A Novel* Jun 17 2019 NEW YORK TIMES BESTSELLER • “A quite extraordinary novel. Colum McCann has found the form and voice to tell the most complex of stories, with an unexpected friendship between two men at its powerfully beating heart.”—Kamila Shamsie, author of *Home Fire* FINALIST FOR THE DUBLIN LITERARY AWARD • LONGLISTED FOR THE BOOKER PRIZE • WINNER OF THE NATIONAL JEWISH BOOK AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Independent • The New York Public Library • Library Journal From the National Book Award-winning and bestselling author of *Let the Great World Spin* comes an epic novel rooted in the unlikely real-life friendship between two fathers. Bassam Aramin is Palestinian. Rami Elhanan is Israeli. They inhabit a world of conflict that colors every aspect of their lives, from the roads they are allowed to drive on to the schools their children attend to the checkpoints, both physical and emotional, they must negotiate. But their lives, however circumscribed, are upended one after the other: first, Rami's thirteen-year-old daughter, Smadar, becomes the victim of suicide bombers; a decade later, Bassam's ten-year-old daughter, Abir, is killed by a rubber bullet. Rami and Bassam had been raised to hate one another. And yet, when they learn of each other's stories, they recognize the loss that connects them. Together they attempt to use their grief as a weapon for peace—and with their one small act, start to permeate what has for generations seemed an impermeable conflict. This extraordinary novel is the fruit of a seed planted when the novelist Colum McCann met the real Bassam and Rami on a trip with the non-profit organization Narrative 4. McCann was moved by their willingness to share their stories with the world, by their hope that if they could see themselves in one another, perhaps others could too. With their blessing, and unprecedented access to their families, lives, and personal recollections, McCann began to craft *Apeirogon*, which uses their real-life stories to begin another—one that crosses centuries and continents, stitching together time, art, history, nature, and politics in a tale both heartbreaking and hopeful. The result is an ambitious novel, crafted out of a universe of fictional and nonfictional material, with these fathers' moving story at its heart.
