*Euphemania* Jun 04 2020 How did die become kick the bucket, underwear become unmentionables, and having an affair become hiking the Appalachian trail? Originally used to avoid blasphemy, honor taboos, and make nice, euphemisms have become embedded in the fabric of our language. *Euphemania* traces the origins of euphemisms from a tool of the church to a form of gentility to today's instrument of commercial, political, and postmodern doublespeak. As much social commentary as a book for word lovers, *Euphemania* is a lively and thought-provoking look at the power of words and our power over them.

**Love Affairs with Houses** Jan 12 2021 In this story-filled monograph, Bunny Williams presents new work through 15 houses she has decorated and loved. She tells the tale of each "affair," tracing the style of the spaces, what drew her to the projects, and her approach to decor that evolves with the lives of her clients. She offers personal secrets for choosing classics--and for decorating with flexible pieces that can play more

than one role in a design scheme. Along the way, she offers many amazingly chic, but always comfortable, residences whose interiors she has designed during the latest phase of her astounding career. As Bunny tells it, "The best pieces have the best stories," and in this book, she shows readers a fresh collection of projects that demonstrate just that.

**A Love Affair with Europe** Sep 27 2019 From his earliest childhood, Giles Radice has held Europe close to his heart. Ten years after the end of World War II, at the age of 18, he set off to cycle across the continent. Meeting his European contemporaries, Radice discussed the prospects of building a new and better Europe, in which war might be ended forever and prosperity assured for all. It was clear to him that Europe should unite, and that Britain could not stay on the margins. Elected to Parliament, Radice did his part, pushing Britain to become and remain officially a part of Europe, and asking why the British always remained reluctant Europeans, forever skeptical about the benefits of greater union. Now, post-Brexit, he confronts those questions anew. Why have the underlying forces of the EU not pulled Britain closer to the continent? How much should we blame the negative influence of the media? From Thatcher's Euroscepticism to Blair's soundbites and the half-hearted campaign from both main parties in the referendum of 2016, Radice ultimately places the blame

squarely on the political class itself.

**Teenage Love Affair** Jul 18 2021 Check it: I'm Zsa-Zsa. Some call me arrogant, but I call it confidence. You decide when you find out what I'm working with. First things first--I'm seventeen, but I'm grown and have been for a long time. I have my own ride, my mama doesn't clock my time, and my boyfriend, Ameen, is getting money like you wouldn't believe. There's only one problem: when Ameen gets mad, sometimes he takes his anger out on me. And yeah, maybe I could leave him, but there's no way Ameen could imagine being without me. So now I'm all confused, especially since my first love, Malachi, is back in my life. Ameen is not giving up without a fight, and no matter how hard I try, the love I have for Malachi won't go away. And did I mention that Malachi has a girl? Needless to say, my days are filled with drama. So this is my story and you need to come and chill with me as I try and see what boy is for me, what love is all about, and if my first teenage love affair will forever rule or ruin my life.

**Mirror, Mirror** Jan 30 2020 Of all human inventions, the mirror is perhaps the one

most closely connected to our own consciousness. As our first technology for contemplation of the self, the mirror is arguably as important an invention as the wheel. *Mirror Mirror* is the fascinating story of the mirror's invention, refinement, and use in an astonishing range of human activities -- from the fantastic mirrored rooms that wealthy Romans created for their orgies to the mirror's key role in the use and understanding of light. Pendergrast spins tales of the 2,500-year mystery of whether Archimedes and his "burning mirror" really set faraway Roman ships on fire; the medieval Venetian glassmakers, who perfected the technique of making large, flat mirrors from clear glass and for whom any attempt to leave their cloistered island was punishable by death; Isaac Newton, whose experiments with sunlight on mirrors once left him blinded for three days; the artist David Hockney, who holds controversial ideas about Renaissance artists and their use of optical devices; and George Ellery Hale, the manic-depressive astronomer and telescope enthusiast who inspired (and gave his name to) the twentieth century's largest ground-based telescope. Like mirrors themselves, *Mirror Mirror* is a book of endless wonder and fascination.

**A Forbidden Love Affair** Sep 07 2020 Craig has found himself once again falling in

love with someone other than his wife. He had known Heather for many years and worked with her on many occasions. Craig was the assistant coach for the Notre Dame football team, whereas Heather was a sportscaster and interviewed all the coaches and players every game season. Craig's wife was a high profile attorney and was always busy, it seemed, and never had time to be with him. Craig began to see Heather in a different way and later found himself wanting to know her more and be with her as much as he could.

both amuses and delights with another irresistible tale of scandal and seduction. When Chloe Boscastle is caught indiscreetly kissing a man in a park, her brother Grayson—the protective patriarch of the Boscastle family—sends her off to a country manor to stay until the scandal in town subsides. Soon after Chloe’s banishment begins, she is shocked to learn that her neighbor Dominic Breckland, the devilish Viscount Stratfield, has been killed in his bed. But she is even more stunned to discover the dangerously handsome “victim” taking refuge in her lingerie closet one night. By some miracle Dominic has survived his attack—and wishes the world to believe him dead. Can the alluring Lady Chloe keep his secret? Dominic uses all his masculine charm to persuade her as they work together to unmask his enemy. Of course, being caught sheltering a seductive scoundrel could further mar Chloe’s already tarnished reputation. But, really, what’s a little scandal to a lady in love?

**A Sale Is a Love Affair** Dec 11 2020 The top salespeople in any industry are loved by their customers. They build a deep, human connection with their customers that parallels finding love, falling in love and growing a trusting, romantic relationship. While researching *A Sale Is A Love Affair*, Jack discovered that the advice given by today's dating coaches and marriage counselors correlates directly with the best practices used by the leading marketing consultants and sales trainers. The mindset is

actually a heart-set. It focuses on pulling customers through their purchasing cycle, not pushing them through your sales cycle. Jack uses stories and anecdotes that make eye-opening links between romantic relationships and complex sales. It's all about attracting early on and building trust at every step. Keep it simple in marketing. Go deeper in sales. Love more. Sell more.

*The Home Place* Aug 26 2019 “A groundbreaking work about race and the American landscape, and a deep meditation on nature...wise and beautiful.”—Helen Macdonald, author of *H is for Hawk* A Foreword Reviews Best Book of the Year and Nautilus Silver Award Winner In me, there is the red of miry clay, the brown of spring floods,

the gold of ripening tobacco. All of these hues are me; I am, in the deepest sense, colored. Dating back to slavery, Edgefield County, South Carolina—a place “easy to pass by on the way somewhere else”—has been home to generations of Lanhams. In *The Home Place*, readers meet these extraordinary people, including Drew himself, who over the course of the 1970s falls in love with the natural world around him. As his passion takes flight, however, he begins to ask what it means to be “the rare bird, the oddity.” By turns angry, funny, elegiac, and heartbreaking, *The Home Place* is a meditation on nature and belonging by an ornithologist and professor of ecology, at once a deeply moving memoir and riveting exploration of the contradictions of black identity in the rural South—and in America today. “When you’re done with *The Home Place*, it won’t be done with you. Its wonders will linger like everything luminous.”—*Star Tribune* “A lyrical story about the power of the wild...synthesizes his own family history, geography, nature, and race into a compelling argument for conservation and resilience.”—*National Geographic*

**She Seduced Me** May 04 2020 “I resisted, but she drew me back. I stayed away, but she beckoned me. I distanced myself, but she haunted me. I even rejected her but she did not abandon me...” This work of nonfiction is divided into chapters in which the reader experiences aspects of art, culture, history and the present through the eyes of

the writer and of the inhabitants of Rome, past and present. *Show Less She Seduced Me* is that rare book in which the reader becomes part of a magical world in which places, monuments and artists come alive through their stories. In this case, however, that world is Rome and the reader becomes a participant in the ebb and flow of the city and gains insight into why so many have fallen in love with Rome despite its faults. The journey commences with the reader accompanying the author who, standing in front of Michelangelo's Moses statue, mouth agape, almost hears the artist scream at his creation: "Speak!" From this an odyssey of wonder begins: what is the story behind the Trevi fountain, behind that rock in the middle of the Roman Forum, behind all those priests and nuns everywhere, behind everything one stumbles upon, wonders about and takes selfies in front of? The quest is to uncover those stories. Author and reader continue to explore the life in the piazzas, experience camaraderie with street performers, see history through all the senses, get lost in Rome, observe Americans and foreigners, discover unique places to eat, speak with Romans, explore the houses of Nero, Augustus and Livia, encounter Caravaggio and chats with expats. This work is a virtual tour through a magical city that educates and enthralls.

*The English Love Affair with Nature* May 16 2021 We English, supposedly cold and unemotional, are helplessly in love with nature. We fell in love two hundred years ago and, since then, have been on a wild roller-coaster ride through escapism, romanticism, art, animal cruelty, conservation, birdwatching, the back-to-nature movement and much more. Today we live with pets, gardening, wildlife documentaries and smartphone apps. *The English Love Affair with Nature* tells the story of this extraordinarily long, tangled and passionate romance, how we fell in love, and why we are still mad about nature.

**God Bless My Broken Road** Feb 10 2021 On one road we have Sarah, a mother of four, who finds herself on her broken path when her husband of nineteen years abandons his family to be with another woman. On another road we have Ben, a thirty-three-year-old farmer, who after feeling pressure from his family to commit to his long-time girlfriend finds himself married to a woman who struggles with alcoholism. *God Bless My Broken Road* takes us down Sarah and Ben's broken paths as they struggle to get through one of life's crashes - the type of life-altering experience that leaves you broken and beaten and fighting to stay afloat. Sarah's undeniable faith guides her and

her four children as they struggle to adapt to a new home and a new city, discovering human angels guiding them around every corner. Ben, on the other hand, has given up on love and life, swearing off marriage. He has settled into a routine, determined to live life alone and convinced that this is now his lot in life. Until one day...the day their broken paths intersect. Will Sarah and Ben have the strength and the faith to trust one more time and believe in the power of love once again? What broken road are you traveling today? Whatever you are facing, this book will inspire you and lift you up. You will want to recommend this book to your friends and family, anyone who is facing their own broken road.

**A Love Affair with Birds** Mar 14 2021 Imagine a Minneapolis so small that, on calm days, the roar of St. Anthony Falls could be heard in town, a time when passenger pigeons roosted in neighborhood oak trees. Now picture a dapper professor conducting his ornithology class (the university's first) by streetcar to Lake Harriet for a morning of bird-watching. The students were mostly young women—in sunhats, sailor tops, and long skirts, with binoculars strung around their necks. The professor was Thomas Sadler Roberts (1858–1946), a doctor for three decades, a bird lover virtually from

birth, the father of Minnesota ornithology, and the man who, perhaps more than any other, promoted the study of the state's natural history. *A Love Affair with Birds* is the first full biography of this key figure in Minnesota's past. Roberts came to Minnesota as a boy and began keeping detailed accounts of Minneapolis's birds. These journals, which became the basis for his landmark work *The Birds of Minnesota*, also inform this book, affording a view of the state's rich avian life in its early days—and of a young man whose passion for birds and practice of medicine among Minneapolis's elite eventually dovetailed in his launching of the beloved Bell Museum of Natural History. Bird enthusiast, doctor, author, curator, educator, conservationist: every chapter in Roberts's life is also a chapter in the state's history, and in his story acclaimed author Sue Leaf—an avid bird enthusiast and nature lover herself—captures a true Minnesota character and his time.

**My Love Affair with Modern Art** Nov 09 2020 One of America's leading curators, “a woman of resilience and vision, a writer of clarity and ardor” (Chicago Tribune), takes you on a personal tour of the world of modern art. In the Depression-era climate of the 1930s, Katharine Kuh defied the odds and opened a gallery in Chicago, where she exhibited such relatively unknown artists as Fernand Léger, Paul Klee, Joan Miró, Ansel Adams, Marc Chagall, and Alexander Calder. Her extraordinary story reveals

how and why America became a major force in the world of contemporary art.

**A Surrogate Love Affair** Mar 26 2022 I never believed in fate. Destiny was something magical, something written in the stars. I was a world away from having that kind of excitement in my life. I was alone, praying for a baby, that little miracle I could hold in my arms. My husband fought me at every turn, but I knew I would break him down one day. It was just a matter of time. In the end, fate took the shape of my best friend and her husband, who were desperate for a baby. Desperate for that miracle, that hope, that joy in their lives. I wanted to give that to them. I wanted them to have the family they were striving for. With my help, they would finally have everything they ever wanted. On the day I found out their little miracle was coming, fate intervened again. It would turn my world upside down, shattering my life into a million pieces. It was on that day I realised things were about to become really complicated.

**Love Affair in the Garden of Milton** Mar 02 2020 Love Affair in the Garden of Milton interweaves the private story of a marriage coming apart with readings of John Milton's poetry and prose. Connected essays chart the chaos of loss and the discovery

of how a writer can inhabit our emotional as well as our intellectual selves. Inflected by the principles of mindfulness, Susannah B. Mintz's memoir explores how we reconstruct ourselves and find our way back to meaning in the aftermath of trauma. Formally inventive and engaging dynamic philosophical ideas, *Love Affair in the Garden of Milton* raises questions of forgiveness, desire, identity, grief, and the counterintuitive relevance of literary tradition. This lyric memoir offers readers a sense of partnership, with the author and Milton as companionable guides through the wilds of love and loss.

**The Drugs We Love** Aug 07 2020 Prescription, illicit, and recreational drugs touch all of our lives yet a basic understanding of these chemicals is largely absent among Americans. Jerrold Winter offers a comprehensive account of psychoactive drugs, chemicals which influence our brains in myriad ways. Manifestations of their influence on the brain are quite varied. There may be the comfort provided by opioids to those who are dying or in pain or, in everyday life, the surge of contentment for the users of caffeine, nicotine, heroin, alcohol, or marijuana upon the taking of their drug of choice. Turning to the more exotic, a drug such as LSD may alter the way the world looks to us; it may even inspire thoughts of God. Adding to the purely scientific questions which confront us are the ways in which our society chooses to respond to the presence

of psychoactive drugs. Should they be banned and their users sent to prison, tolerated as a reflection of man's eternal search for an escape from anxiety, pain, and the monotony of daily life, or celebrated as therapeutically useful agents? *Our Love Affair with Drugs* is written for experts and novices alike. There are stories of, for example, how Timothy Leary caused the repeal of the Marijuana Tax Act of 1937. Readers will learn of the transformation by Sir Charles Locock of a drug intended to dampen female sexual activity into the first effective drug for the treatment of the ancient disease of epilepsy. Alexander Shulgin's love of psychoactive drugs and his unconventional research practices illuminate the story of methylenedioxymethamphetamine, a.k.a. Ecstasy, a drug now likely to find value in treating veterans and others suffering post-traumatic distress disorder. Winter links the excitement of drug discovery with the very practical matter of balancing the benefits and risks of these drugs.

**Wanderlust** Jul 30 2022 This book documents the impulses that drive Elisabeth Eaves' insatiable hunger for the rush of the unfamiliar. She is both restless vagabond and astute observer as she crisscrosses five continents, chasing the exotic in both culture and romance. She loses herself in the jungles of Papua New Guinea, rekindles old love and new passion in Cairo, and finds an itinerant brotherhood of raucous men in the land Down Under. Like the random possessions she leaves in her wake, from Australia

to Yemen, she also leaves behind a string of lovers. But this is about more than just sensual conquest; it is also a journey of self-discovery, in which her pursuit ultimately guides her home - back cover.

**Dear Mr. Picasso** Dec 31 2019 A photographic memoir of photographer and FotoFest photo festival founder Fred Baldwin's extraordinary life: how he followed his dream, used his imagination, overcame fear, and acted to accomplish anything. This account takes the reader to high adventure worldwide, but also to disaster and failure. This illustrated love affair with freedom shows how a camera became a passport to the world. The son of an American diplomat, who died when Baldwin was five, the book describes a string of disasters associated with six elite boarding schools and one university led to his exile to work in a factory where he joined low-paid black and white workers in his uncle's factory in Savannah, Georgia. Baldwin escaped by joining the Marines and was immediately shipped to North Korea in 1950. Wounded and decorated twice, Baldwin also learned from the brutal, 35 below zero weather at the Chosin Reservoir where his unit was surrounded and outnumbered by the Chinese. After Korea, Baldwin moved to Paris, then returned to a junior college in Georgia, won a scholarship to Harvard and transferred to Columbia. Baldwin taught himself photography by visiting MoMa and every photo gallery in New York. Baldwin wanted

to be a photojournalist. “I discovered the Civil Rights Movement by chance as I was walking the streets of Savannah planning a book on the city’s architecture. I met change marching toward me in the form of Benjamin Van Clark, a seventeen-year-old student leading his troops chanting into battle. The deep rumblings of the Civil Rights Movement in Georgia and elsewhere somehow had never reached me in Europe. As I wrote, ‘the polar bears I was photographing in the Arctic didn’t tell me about what was happening with Black folks in the South. They were just too white.’” The stories in this book are often laced with self-deprecating humour, a mechanism that Baldwin had developed early as a survival tool.

Eleanor and Hick Jun 24 2019 A warm, intimate account of the love between Eleanor Roosevelt and reporter Lorena Hickok—a relationship that, over more than three decades, transformed both women's lives and empowered them to play significant roles in one of the most tumultuous periods in American history In 1932, as her husband assumed the presidency, Eleanor Roosevelt entered the claustrophobic, duty-bound existence of the First Lady with dread. By that time, she had put her deep disappointment in her marriage behind her and developed an independent life—now threatened by the public role she would be forced to play. A lifeline came to her in the form of a feisty campaign reporter for the Associated Press: Lorena Hickok. Over the

next thirty years, until Eleanor's death, the two women carried on an extraordinary relationship: They were, at different points, lovers, confidantes, professional advisors, and caring friends. They couldn't have been more different. Eleanor had been raised in one of the nation's most powerful political families and was introduced to society as a debutante before marrying her distant cousin, Franklin. Hick, as she was known, had grown up poor in rural South Dakota and worked as a servant girl after she escaped an abusive home, eventually becoming one of the most respected reporters at the AP. Her admiration drew the buttoned-up Eleanor out of her shell, and the two quickly fell in love. For the next thirteen years, Hick had her own room at the White House, next door to the First Lady. These fiercely compassionate women inspired each other to right the wrongs of the turbulent era in which they lived. During the Depression, Hick reported from the nation's poorest areas for the WPA, and Eleanor used these reports to lobby her husband for New Deal programs. Hick encouraged Eleanor to turn their frequent letters into her popular and long-lasting syndicated column "My Day," and to befriend the female journalists who became her champions. When Eleanor's tenure as First Lady ended with FDR's death, Hick pushed her to continue to use her popularity for good—advice Eleanor took by leading the UN's postwar Human Rights Commission. At every turn, the bond these women shared was grounded in their determination to

better their troubled world. Deeply researched and told with great warmth, Eleanor and Hick is a vivid portrait of love and a revealing look at how an unlikely romance influenced some of the most consequential years in American history.

*Love Affair* Nov 02 2022 A searing literary memoir of a disconnected childhood, a multigenerational upbringing and incest— from the daughter of legendary jazz pianist Stan Kenton Leslie Kenton was the only child of Violet, a stunning Hitchcock blonde, and the legendary jazz giant Stan Kenton. The story takes place on the road in 1950s America and in the mania of Hollywood—a world of jazz clubs, dance halls and onenighters, where lives were lived on a razor's edge. *Love Affair* takes us beyond the bright lights and glamour into an intense, claustrophobic world of a father and the only child of his troubled marriage. As Stanley grapples with alcohol and his personal demons, gradually his actions threaten to destroy the only real, untainted thing in his life: Leslie. A true story of obsession, tragedy and grace, *Love Affair* is Leslie Kenton's powerful memoir. At its heart is the complex, ultimately incestuous, relationship with

her father—a union so powerful it defines all that came after. As their lives become increasingly entangled, so do the forces of darkness and light that exist within us all, leading to destruction for him and heartbreaking redemption for her. There have been memoirs about incest before, but *Love Affair* is a surprisingly moving and elegant treatment of a young life, shared passion, and boundaries crossed.

*Victoria & Albert: A Royal Love Affair* Jul 26 2019 The official companion to the second season of the PBS/Masterpiece drama *Victoria* by award-winning creator and screenwriter Daisy Goodwin. Airing in the *Downton Abbey* slot on PBS/Masterpiece last January, *Victoria* captivated millions of viewers, eclipsing *Downton*'s first-season viewership and leaving its audience eager for the series's next season, which will focus on *Victoria* and *Albert*'s passionate and tempestuous marriage. This official tie-in to the show, by creator and screenwriter Daisy Goodwin, gives a behind-the-scenes look at the making of the show, featuring never-before-seen interviews, photos, diary entries, profiles on all major characters, and sumptuous detail on the costumes and props that bring *Victoria* and *Albert*'s world to vivid life. *Victoria and Albert* follows this extraordinary relationship between two very different people—she impulsive, emotional, capricious; he cautious, self-controlled, and logical—whose devotion to each other was unparalleled in royal history. Taking fans deeper into the world of

Victoria than ever before, *Victoria and Albert: A Royal Love Affair* is the ultimate gift for devotees of the show.

**A Spanish Love Affair** Apr 26 2022 It's love at first sight when young Aussie tennis player, Susan Alexander meets charming Pedro Rivera de Flores at the salubrious Chamartin Tennis Club in Madrid. But love doesn't run smoothly after a hasty marriage, cultural differences emerge and Pedro's mysterious past collides. Young Australian tennis player, Susan Alexander is anxious to escape from the memory of a 'love affair' with her tennis coach when she was 11, limited work options, her thwarted dreams of being an actress, over-protective parents, a restrictive lifestyle and early marriage. When her father suggests she go overseas for a year to pay tennis before settling down with her farmer/fiance, Susan, a top junior player, packs her bags. The book follows Susan's journey from Narrabeen, on Sydney's Northern Beaches, to playing on the centre court at Wimbledon, in exotic locations - St Moritz, Monte Carlo and Casa Blanca, behind the Iron Curtain in Yugoslavia and Rumania, totally oblivious of the dictators Tito, Ceausescu as she is of Franco in Spain. Relishing her freedom in Europe, Susan is not a run of the mill tennis player - she smokes, loves red wine, falls in love regularly, has many adventures, unusual encounters and numerous pitfalls. Unable to afford to go back and forward to Australia, and not wanting to spend the

winter months in cold, dark and wet London behind a typewriter, Susan impulsively heads for Spain. She is immediately captivated by Spain, the Spanish lifestyle and before too long a handsome Spaniard.

*A Love Affair with God* Oct 28 2019 G. K. Chesterton advised, "Let your religion be less of a theory and more of a love affair." Remarkably, God loves you with a passionate, crazy love and craves your love in return. Throughout your sojourn on earth, God entices you in various ways, pursues you, and even demands your love! God created you for love, and your final destiny is everlasting union with this divine Lover. Human beings exhibit certain characteristics toward a person they deeply love, for example, constantly thinking of the beloved and delighting in being together. When you are involved in an intimate relationship with God, these same characteristics hold true for both God and you. In "A Love Affair with God," twelve of these traits are explained. Each chapter presents how God shows one of these traits toward you and how you reciprocate likewise if you are in love with God. This last section is a goldmine of practical ways to express love for God. Scripture verses, quotations, stories, and examples are woven through the material. Questions for reflection are included. Reading this book promises to make you more aware of the immense love God has for you and to stir you to love God back with all your heart. This unique love

affair is for time and for eternity. It makes life worth living.
