Grave Secret Aug 29 2022 When she was 15, Harper Connelly was struck by a bolt of lightning, which left her with a spiderweb of red over her body, headaches, and episodes of weakness. Sometimes her right hand shakes. And she can find dead people. It's taken a while, but at last Harper's pretty happy with her life: she's making a living, using her unique talent to help people, and she's got a lover - her stepbrother Tolliver. That creeps some people out, but though they grew up together, and got each other through the real bad times - their parents' drug-use, the abuse, the disappearance of Harper's elder sister Cameron - they're not blood relatives. Then Tolliver's dad arrives on the scene, seeking forgiveness for the sins of their youth, and the police get a tip-off that after all these years, Cameron's been spotted in a mall. With all this going on Harper realises life is getting a little complicated, but she doesn't expect those complications to include Tolliver getting shot, or watching a cop die taking a bullet for her. Harper can find dead people, but now it's clear someone wants her dead ...

Three Bedrooms, One Corpse Aug 24 2019 'Great bloody fun' Barbara Paul Aurora Teagarden's decision to become a real estate agent turns out to be a life-or-death choice in this mystery from #1 New York Times and Sunday Times bestselling author Charlaine Harris. Aurora 'Roe' Teagarden had always worked for a living, until an unexpected legacy gave her the money to quit her librarian job. Now, with time on her hands, she decides to try selling real estate. Her mother, after all, is Lawrenceton's premier real estate agent, giving her a head start on this new career! But at her first house showing, Roe discovers the naked corpse of a rival broker in the master bedroom. When one of her mother's colleagues falls under suspicion, Roe is determined to clear his name. And when a second body is found in another house for sale, it becomes obvious that there is a very cool killer at large in Lawrenceton, one who knows a great deal about real estate-and maybe too much about Roe . . . Harris draws the guilty and the innocent into an engrossing tale while inventing a heroine as capable and potentially complex as P. D. Grave Sight Sep 29 2022 Harper Connelly had a lucky escape when she was hit by lightning: she didn't die. But sometimes she wishes she had died, because the lightning strike left her with an unusual talent: she can find dead people - and that's not always comfortable. Everyone wants to know how she does it: it's a little like hearing a bee droning inside her head, or maybe the pop of a Geiger counter, a persistent, irregular noise that increases in strength as she gets closer. It's almost electric: a buzzing all through her body, and the fresher the corpse, the more intense the buzz. Harper and her brother Tolliver make their living from finding the dead, for desperate parents, worried friends ... and police departments who have nowhere else to look. They may not believe in her abilities, but sometimes the proof is just too much for even the most sceptical of police chiefs to deny. But it's not always easy for someone like Harper, for the dead \*want\* to be found - and too often, finding the body doesn't bring closure; it opens a whole new can of worms.

A Longer Fall Apr 12 2021 #1 New York Times bestselling author Charlaine Harris returns with 'a gripping, twisty-turny, thrill ride of a read' (Karin Slaughter) in which Lizbeth is hired onto a new crew, transporting a crate into Dixie, the self-exiled southeast territory of the former United States. What the crate contains is something so powerful, that forces from across three territories want to possess it. In this second thrilling installment of the Gunnie Rose series, Lizbeth Rose is hired onto a new crew for a seemingly easy protection job. She is tasked with transporting a crate into Dixie, just about the last part of the former United States of America she wants to visit. But what seemed like a straightforward job turns into a massacre as the crate is stolen. Up against a wall in Dixie, where social norms have stepped back into the last century, Lizbeth has to go undercover with an old friend to retrieve the crate as what's inside can spark a rebellion, if she can get it back in time. 'Another winning series from a sure-bet author' (Booklist) Charlaine Harris (Sookie Stackhouse mysteries and Midnight, Texas trilogy) is at her best here, building the world of this alternate history of the United States, where magic is an acknowledged but despised power.
