*Museum of Thieves* Nov 20 2021 Welcome to the tyrannical city of Jewel, where impatience is a sin and boldness is a crime. Goldie Roth has lived in Jewel all her life. Like every child in the city, she wears a silver guardchain and is forced to obey the dreaded Blessed Guardians. She has never done anything by herself and won't be allowed out on the streets unchained until Separation Day. When Separation Day is canceled, Goldie, who has always been both impatient and bold, runs away, risking not only her own life but also the lives of those she has left behind. In the chaos that follows, she is lured to the mysterious Museum of Dunt, where she meets the boy Toadspit and discovers terrible secrets. Only the cunning mind of a thief can understand the museum's strange, shifting rooms. Fortunately, Goldie has a talent for thieving. Which is just as well, because the leader of the Blessed Guardians has his own plans for the museum—plans that threaten the lives of everyone Goldie loves. And it will take a daring thief to stop him. . . . *Museum of Thieves* is a thrilling tale of destiny and danger, and of a courageous girl who has never been allowed to grow up—until now.

Captive in the Underworld Jul 05 2020 A dark lesbian romance retelling of the Hades/Persephone abduction story, set in mythological ancient Greece. In the land of the dead, Queen Hades' word is law. Hades gets what she wants—always—and what she wants is a certain goddess of the springtime. Innocent Persephone chafes beneath her mother's hawkish gaze and mercurial temper. Demeter has rebuffed all her daughter's suitors, but she is not yet satisfied; she strives to crush Persephone's spirit. Still, when Hades pulls her into the dark realm of the underworld, Persephone longs for the world above, even if it means an eternity under her mother's thumb. With her tears and pleas for freedom ignored by pitiless Hades, Persephone must learn to satisfy her keeper in all ways, lest she suffer the consequences. And though she cannot deny that something blooms within her, something forbidden, Persephone despairs of ever feeling the sun upon her skin once more. No matter the cost, Hades intends to keep her. PRAISE FOR CAPTIVE IN THE UNDERWORLD "A dark sapphic romance based on the myth of Persephone and Hades... entertaining, captivating, and exceptionally enjoyable... I read it twice in a row without stopping... if you like my work, I bet you'll like this a whole lot!" ?Rae D. Magdon, author of Lucky 7 "I adored this brutally ruthless Hades... She was everything I wanted her to be... frightening and passionate all at once... a beautiful example of classic dark romance... Gorgeous novel, highly recommend." ?Roses and Thorns Book Reviews "[The] best Hades/Persephone story I've ever read... such a gripping read I literally devoured it whole in one sitting like I was Kronos eating his kids... the world and the characters are so lush and compelling I'm tempted not to finish this review and just start rereading the book instead." ?Katarina, Goodreads reviewer

*Keeper* May 03 2020 An enthralling story of a poor and gawky kid who mysteriously becomes the world's greatest goalkeeper – a seamless blend of magic realism and exhilarating soccer action. "And you found it, this thing you were looking for?" It

was darker now, and the city below Faustino's office was a jazzy dance of neon signs and traffic. The big man went to the window and looked down at it all, spreading his large hands on the glass. "No," he said. "It found me." When Paul Faustino of LA NACION flips on his tape recorder for an exclusive interview with El Gato – the phenomenal goalkeeper who single-handedly brought his team the World Cup – the seasoned reporter quickly learns that this will be no ordinary story. Instead, the legendary El Gato ("The Cat") quietly narrates a spellbinding tale that begins in a mythic corner of the South American rain forest, where a ghostly but very real mentor, the Keeper, emerges to teach the gangly boy the most thrilling secrets of the game. Combining vivid imagery and heart-stopping action, this evocative, strikingly ethereal novel about loyalty, passion, and magic will haunt readers, regardless of their love for soccer, long after the story is ended.
