*The Red Sea Rules* May 29 2022 Just as Moses and the Israelites found themselves caught between "the devil and the deep Red Sea," so are we sometimes overwhelmed by life's problems. The Red Sea Rules reveals that even in the midst of seemingly impossible situations God promises to make a way for us. His loving guidance will protect us through danger, illness, marital strife, financial problems, or whatever challenges Satan places in our path. Using the Israelites' story in Exodus 14 as an example, Robert Morgan offers ten sound strategies for moving from fear to faith. Life is hard, especially for Christians. It is certain that we will face difficulties, and that God will allow them, as He allowed the Israelites to become

trapped between Pharaoh's rushing armies and the uncrossable Red Sea. But just as certain is the fact that the same God who led us in will lead us out. As *The Red Sea Rules* makes comfortingly clear, He is in control.

**The Rules of Magic** Sep 08 2020 Everyone needs a little magic in their lives... *The Rules of Magic* is the long-awaited prequel to *Practical Magic*, and a New York Times bestseller and Reese Witherspoon's Book Club pick! In this sparkling prequel we meet the Aunts from *Practical Magic*, sisters Frances and Jet and Vincent, their brother. From the beginning their mother Susanna knew they were unique: Franny with her skin as pale as milk and blood red hair, who could commune with birds; Jet as shy as she is beautiful, who knows what others are thinking, and Vincent so charismatic that he was built for trouble. Susanna needed to set some rules of magic: no walking in the moonlight, no red shoes, no wearing black, no cats, no crows, no candles and certainly, absolutely, no books about magic... But the Owens siblings are desperate to uncover who they really are. Each heads down a life-altering course, filled with secrets and truths, devastation and joy, and magic and love. Despite the warning handed down through the family for centuries – Know that for our family, love is a curse – they will all strive to break the rules and find true love. \*\*\*A perfect read for crisp autumn

nights!\*\*\* Praise for The Rules of Magic: 'The combination of magic with the universal themes of romantic love and the bond between siblings allows the reader to have one foot in a magical world and another in the realities of family life. Much like the bewitching heroines in this book.' – The Lady 'Utterly spellbinding' - Heat 'Shows the author at their best... She neatly intertwines their lives with a backdrop that brims with periodic detail. Gnomish maxims add to a wise, seductive, fabular tone... Thrilling and transportive' – Sunday Times 'Enchanting... Spellbinding and entertaining' – Sunday Express 'Hoffman explores Aunt Frances and Aunt Bridget's (known here as Jet) awakening to the craft in the 1960s. Franny and Jet, along with their brother Vincent, stay with their Aunt Isabelle. Each of their gifts grow, but can they use them to break the family curse? The Rules of Magic is a gentle tale, perfect as the nights draw in' – Press Association 'As efficient a slice of escapism as you would expect from Hoffman... Hoffman's skill is to ground her light-as-a-feather tale in a very specific time and place: Manhattan in the Sixties. Wisely, she doesn't rely on the momentous times to do too much work, but the heady atmospherics are expertly interwoven' – Daily Mail 'A bewitching, hard to put down tale of the consequences of magic, love and family' - Bookbag
