**Are You Working Too Much?** Oct 29 2019 Let's be clear about something: it is infuriating that most interesting artists are perfectly capable of functioning in at least two or three professions that are, unlike art, respected by society in terms of compensation and general usefulness. Furthermore, when the flexibility, certainty, and freedom promised by being part of a critical outside are considered as extensions of recent advances in economic exploitation, does the field of art then become the uncritical, complicit inside of something far more compelling? e-flux journal Series edited by Julieta Aranda, Brian Kuan Wood, Anton Vidokle Contributors Franco "Bifo" Berardi, Keti Chukhrov, Diedrich Diederichsen, Antke Engel, Liam Gillick, Tom Holert, Lars Bang Larsen, Marion von Osten, Precarious Workers Brigade, Irit Rogoff, and Hito Steyerl

**Double Crossed** May 29 2022 The Sunday Times Bestseller that inspired BBC drama Danny Boy At the age of 23, Brian Wood was thrust into the front line in Iraq, in the infamous Battle of Danny Boy. Ambushed, he led a charge across open ground with insurgents firing at just five soldiers. On his return, he was awarded the Military Cross. But Brian's story had only just begun. Struggling to re-integrate into family life, he suffered from PTSD. Then, five years later, a letter arrived: it summoned him to give evidence at the Al-Sweady Inquiry into allegations of war crimes by British soldiers during the Iraq invasion of 2003. After years of public shame, Brian took the stand and delivered a powerful testimony, and following the tense inquiry room scenes, justice was finally served. Phil Shiner, the lawyer who made the false accusations, was struck off and stripped of an honorary doctorate. In this compelling memoir, Brian speaks powerfully and movingly about the three battles in his life, from being ambushed with no cover, to the mental battle to adjust at home, to being falsely accused of hideous war crimes. It's a remarkable and dark curve which ends with his honour restored but, as he says, it was too little, too late.
