The Destiny of Israel and the Church Sep 05 2020 Israel is at the center of a powerful clash of forces, but God has established firm covenants

with both Israel and the church. The only reliable source of light upon the situation in the Middle East is provided by God's prophetic Word. If we do not seek the light that comes from this source, we will inevitably find ourselves in the dark, subject to confusion and deception. The church had its origin within Israel, but over the centuries the destinies of the two groups have diverged widely—until now. An exciting feature of our time is that the destinies of Israel and the church are once again beginning to converge. This God-ordained convergence will produce the most dramatic and significant developments in all of human history. In *The Destiny of Israel and the Church*, renowned Bible teacher Derek Prince explores the answers to these questions, and more: Has the church replaced Israel in God's plan? Why is the tiny nation of Israel the focus of world attention? What is the restoration of Israel? What is the responsibility of Christians toward Israel?

Destiny's Tapestry Nov 19 2021 On a stormy night, as a hurricane raced up the Gulf Coast and created havoc in its path, Betty Gilliland was born on a corn shuck mattress in a barn at the foot of Sand Mountain. As soon as the midwife wrapped her in a blanket and gently laid her in a cow manger, Gilliland began a journey through life that would eventually test her spirit, courage, and, most of all, her power to forgive. Gilliland begins by chronicling her growing up years during a challenging time in America's history. Her father was drafted into the war and then abandoned his family, leaving Gilliland and her mother to eke out a life for themselves in their tiny cabin, surviving on a diet of wild greens, nuts, and roots. As she weaves through the threads of her life's tapestry, Gilliland recalls the challenges she confronted during her difficult coming-of-age journey as she suffered through hardships, physical abuse, emotional abandonment, and her own self-destructive behavior. Yet through it all, she never lost the faith. What's more, she used that faith to begin building a new life and to discover her roots. *Destiny's Tapestry* shares one woman's poignant memories of moving from the darkness of abuse into the light of healing.

Destiny's Obligation Jan 22 2022 We are intuitively interested in the history and future of human civilization. Most people sense that the distant future will not be determined by fantastical circumstances sometimes depicted in contemporary Science Fiction, but rather by decisions made by us and our descendants. *Destiny's Obligation* is a realistic tale of intense drama on Earth and in Space, set in the 29th century, when typical human fallibility and selfish territorial interests have destroyed civilization in most places. The principals are part of a group of space travelers who return to Earth after a 600-year voyage to a nearby star system. What these descendants of the original explorers find is as much a surprise to them as it will be to the reader. The Matrix of Destiny Jun 14 2021 What Powerful Forces really govern your life and the Destiny of Mankind? In this groundbreaking work, author James E. Spencer, Jr. decodes an astonishing "spiritual technology" hidden in the Hebrew and Christian Bible. *The Matrix of Destiny* identifies a universal message coded within the Hebrew and Christian scriptures that tracks the progressive evolution of humanity from fearful survival oriented beings beholden to the manipulations of dark spiritual forces, to confident, God-empowered, Holy Spirit-led beings who recognize their most important acts are what they do in the service of others. *The Matrix of Destiny* holds the key to our system of Reality, and provides satisfying answers for many seekers of truth and meaning. The eye-opening result is the unveiling of Seven Progressive Revelations, which collectively define a powerful framework for understanding oneself, ones culture, ones-purpose and the archetypal influences, which motivates ones choices. It is a valuable and important work, with an irresistible message and a unique format. *The Matrix of Destiny* offers the reader an utterly compelling and singular Worldview which despite its roots in Judaism and Christianity, transcends, religion, race, culture, politics, sex and money. Enlightening, provocative, and right to the point, *The Matrix of Destiny* reveals an extraordinary tool for understanding and thriving in Reality as we know it.

Auditions were held in a bar in the middle of the night with established members of the Nigerian entertainment industry. By the time you were called to perform, they were likely drunk or even high. It didn’t seem like an audition as much as it did an inquisition. It was as if an unspoken question hung in the air: How dare you assume that you are funny enough to be a comedian? In this book, Teju ‘Babyface’ Oyelakin shares how an unlikely fresh-faced newbie became one of Africa’s foremost stand-up comedians and most successful talk show hosts—as well as twenty-three secrets that anyone can use to make money with their talent and live out their dreams.
