**Felt** Jun 19 2019 NOW A MAJOR MOTION PICTURE starring Liam Neeson. It was the biggest mystery of American history. A shadowy source deep within Washington had leaked crucial information to two journalists, helping them uncover the historical Watergate Scandal of 1972. But who was this elusive source and what were his motivations? Thirty-three years

later, the FBI's Mark Felt would finally identify himself as Deep Throat, the Watergate Whistleblower. This is his story. Mark Felt learnt spy craft tracking Nazi and Soviet spies, tackled mobsters in Kansas City and took down the FBI's most wanted list, rising through the ranks under J Edgar Hoover to one of the FBI's top positions. A life spent watching pivotal moments of history unfold, Mark Felt was the eyes and ears of the intelligence service. Drawing on his memoirs, FBI memos, secret files and conversations with his family and friends, this is the account of a G-Man's life and his struggle for honour in Washington. This new edition is updated with the help of Mark's lawyer, John O'Connor,

drawing on new developments and why now, the role of Deep Throat, is even more important than ever.

**Little White Hands** May 11 2021 Almost five hundred years have passed since the Seasons were at war. Half a millennium since Winter defied Spring, and lost. Generations have come and gone, not knowing the bitter freeze and howling snows of Winter ever existed. But now, after centuries of silence, the participants in this ancient struggle have resurfaced and reignited their feud on the doorstep of an unassuming little kitchen boy. Garlan's dreams of being just like the knights he idolizes may not be as impossible as he has always been led to believe, when he is chased from his home and thrust

headlong into the kind of adventure he had only ever read about in books. Setting out on a journey that spans the entire kingdom of Faeland, Garlan will traverse impossible mountains and stormy seas and battle terrible monsters, all to keep the world he knows safe from an enemy who will stop at nothing to bring about a never-ending winter. With a cast of fantastical characters to aid him in his quest, can Garlan overcome his self-doubt and find the courage he needs to rise above his humble station and become the hero he always dreamed of being? The fate of the world rests in his hands.

Mark My Words Dec 18 2021 Is the truth as simple as black and white? *Mark My Words* is the searing novel from Branford Boase Award-winner and 2020 World Book Day author Muhammad Khan, asking who you can trust when all you see is lies. 'A brilliant and powerful story that kept me on the edge of my seat. The protagonist is extremely compelling and relatable, a warrior through and through - you'll root for Dua the entire way!' - Nikita Gill 'A bold and timely book about protest and finding your voice.' - The Observer Fifteen-year-old Dua Iqbal has always had trouble minding her own business. With a silver-tongue and an inquisitive nature, a career in journalism seems fated. When her school merges with another, Dua seizes her chance and sets up a rival newspaper, exposing the controversial stories that teachers and the kids who rule the school would rather keep buried. Dua's investigations are digging up things she shouldn't get involved with about family, friends and her community and as exams rattle towards her, she needs to make some hard decisions about when to leave things alone. But when she discovers that some kids at school are being blamed for selling drugs when the real perpetrator is right in front of their noses, she can't keep quiet any longer. 'A voice long overdue in British fiction' - Alex Wheatle on *I Am Thunder* 'Khan has created a book steeped in drama and empathy, as well as providing two iconic superheroes' - Nikesh Shukla on *Kick the Moon*

*People-Centred Public Health* examines how members of the public can be involved in delivering health improvement through volunteering. Drawing on a study of lay engagement in public health and using case studies and real-life examples, this timely book provides a comprehensive and accessible overview of policy, practice, and research in this area. In an economic and political climate where there is renewed interest in the role of the citizen, the authors challenge old orthodoxies in public health and build a coherent argument for radical change in the way public agencies support lay action.

*Mark of the White Rabbit* Jan 27 2020

Recovering from the tragic death of his wife and child, Mitchell Quinn spends his days lamenting the tedium of being a police chief in a small resort village. Suddenly he's drawn into investigating the disappearance of a popular court reporter whose blood-spattered car is found in a nearby, deserted strip mall. An apparent shoo-in for Michigan governor, nationally renowned trial lawyer Lawrence Atwood falls under scrutiny after the missing woman's cell phone is discovered behind his lakeside summer home. In the middle of his election campaign, he defiantly proclaims his innocence. But when charred remains are found in his patio fire pit, Quinn is convinced he's got the killer. Yet if Atwood killed her, why would he dispose of her remains in his own backyard? Meanwhile, the political prospects of a headline-grabbing murder trial spark the interest of the state Attorney General Robert Patterson, who yearns for the governor's mansion. Seeing his chance to win by proving the guilt of his old rival, he seizes the role of lead counsel in Atwood's impending trial. Tension builds as more incriminating evidence mounts against Atwood, who eventually volunteers a suspicious confession. Is Atwood maneuvering for a temporary insanity plea? Mitch suspects that's the case, but then Dani Sparro, the daughter of a former FBI agent, shows up saying she has proof the real murderer is a diabolical serial killer. She tries to get Mitch to re-focus his investigation, but he's distracted by his growing attraction to Dani, despite wanting to stay "true" to his deceased wife. Not only that, he believes he already solved the murder. Could it be that

*The Alpha's Mark* Oct 04 2020 One dark night.

One fatal turn. A wild passion hotter than anything she's ever known. College freshman, Neve Dalton is about to crash head on into something that will turn her world upside down. On her way to school, Neve hopes a fresh, new start will put the pain of losing her parents behind her. But a fatal accident on a lonely highway puts her in the path of dark, dangerous Alpha wolf, Tucker McGraw. With a single touch and a flash of silver in his eyes, Tucker stirs a passion in Neve that leaves her shaken and begging for more. This Alpha's mark runs deep and triggers a hunger in Neve she can't explain. The minute he lays eyes on Neve, Tucker knows she's his fated mate. The trouble is, a rival pack wants her dead for what happened on that rain-slick highway. But, Tucker didn't become Alpha on his drop dead sexy looks alone. He's fierce, ruthless and deadly. He'll do anything to claim and protect Neve even if it means fighting the battle of his life. Dear Readers: This is part one of a five part paranormal werewolf shifter romance serial. The story continues in Sweet Submission, Rising Heat, Pack Wars and Choosing an Alpha. These books contain sizzling hot scenes that know no bounds. These wolves like it rough! If you're not into that, you might want to sit this one out. However if you like hot, dominant, alpha male werewolf shifters and the kickass heroines who will do anything to please them, then click away and enjoy the ride! Book Themes: free, \$free, freebie, Free paranormal romance, Shifter romance, werewolves, alpha wolf, wolf pack romance, love triangle, strong female character, new adult romance

Clarence H. White and His World Dec 06 2020 Restoring a gifted art photographer to his place in the American canon and, in the process, reshaping and expanding our understanding of early 20th-century American photography Clarence H. White (1871-1925) was one of the most influential art photographers and teachers of the early 20th century and a founding member of the Photo-Secession. This beautiful publication offers a new appraisal of White's contributions, including his groundbreaking aesthetic experiments, his commitment to the ideals of American socialism, and his embrace of the expanding fields of photographic book and fashion illustration, celebrity portraiture, and advertising. Based on extensive archival research, the book challenges the idea of an abrupt rupture between prewar, soft-focus idealizing photography and postwar "modernism" to paint a more nuanced picture of American culture in the Progressive era. Clarence H. White and His World begins with the artist's early work in Ohio, which shares with the nascent Arts and Crafts movement the advocacy of hand production, closeness to nature, and the simple life. White's involvement with the Photo-Secession and his move to New York in 1906 mark a shift in his production, as it grew to encompass commercial portraiture and an increasing commitment to teaching, which ultimately led him to establish the first institutions in America to combine instruction in both technical and aesthetic aspects of photography. The book also incorporates new formal and scientific analysis of White's work
