Distributed Database Systems Aug 20 2021 *Distributed Database Systems* discusses the recent and emerging technologies in the field of distributed database technology. The material is up-to-date, highly readable, and illustrated with numerous practical examples. The mainstream areas of distributed database technology, such as distributed database design, distributed DBMS architectures, distributed transaction management, distributed concurrency control, deadlock handling in distributed systems, distributed recovery management, distributed query processing and optimization, data security and catalog management, have been covered in detail. The popular distributed database systems, SDD-1 and R*, have also been included.

Sway Jun 29 2022 A YALSA 2015 Best Fiction for Young Adults Pick In Kat Spears's hilarious and often poignant debut, high school senior Jesse Alderman, or "Sway," as he's known, could sell hell to a bishop. He also specializes in getting things people want---term papers, a date with the prom queen, fake IDs. He has few close friends and he never EVER lets emotions get in the way. For Jesse, life is simply a series of business transactions. But when Ken Foster, captain of the football team, leading candidate for homecoming king, and all-around jerk, hires Jesse to help him win the heart of the angelic Bridget Smalley, Jesse finds himself feeling all sorts of things. While following Bridget and learning the intimate details of her life, he falls helplessly in love for the very first time. He also finds himself in an accidental friendship with Bridget's belligerent and self-pitying younger brother who has cerebral palsy. Suddenly, Jesse is visiting old folks at a nursing home in order to run into Bridget, and offering his time to help the less fortunate, all the while developing a bond with this young man who idolizes him. Could the tin man really have a heart after all? A *Cyrano de Bergerac* story with a modern twist, *Sway* is told from Jesse's point of view with unapologetic truth and biting humor, his observations about the world around him untempered by empathy or compassion---until Bridget's presence in his life forces him to confront his quiet devastation over a life-changing event a year earlier and maybe, just maybe, feel something again.

Body Piercing and Tattooing May 17 2021 With body piercing and tattooing becoming more popular and mainstream, many teens may think about engaging in these forms of body modification. An excellent resource for young people pondering a piercing or tattoo, this title presents some of the pros and cons they should consider. In an honest and engaging manner, the author presents important information teens need to protect their health, including how to identify a reputable studio, what to expect from the procedures, and how to do proper aftercare. Legal, social, and familial issues are explored, too, including the importance of discussing the decision with their parents and choosing tattoos or piercings they can live with throughout adulthood.

His Reluctant Omega Feb 23 2022 Mitchell is an alpha among alphas in the brutal Mountain Ridge Pack. He rules with equal parts fear and respect, but his pack is growing restless after decades without an heir to his proverbial throne. Only an alpha and an omega pair can sire another alpha to lead the pack, but Mitchell's not-so-secret shame is the fact that he hasn't been able to impregnate any of his female omegas. Unlike the other weaker packs, the Mountain Ridge wolves have always kept their omegas in line and at a safe distance through the infamous yet efficient Breeding Program. On the recommendation of an old rival turned tentative friend, Mitchell decides to try his hand--among other things--in a last-ditch effort at siring an heir with a rare male omega. When a transfer request for one of the only male omegas in the pack uncovers unspeakable abuse and corruption within the Breeding Program, the very future of the pack is thrown into question. -Angel's heart has turned to stone after a lifetime of abuse at the hands of the alpha shifters who oversee the Breeding Program in his pack unit. The only love he has left belongs to the three other omegas he shares his little corner of hell with. Angel will do whatever it takes to protect them, even if it means becoming the mate of the top alpha himself. Angel knows better than to believe the gruff Mitchell when he claims that he's not like the others. Despite his best attempts

to steel himself against the strange bond that forms between them, Angel discovers that Mitchell is the most dangerous alpha of all because he wants the one thing Angel has sworn never to give--his heart. With war looming on the horizon, a pack in chaos and two hardened hearts melted by an unlikely spark of love, only one outcome is certain. The Mountain Ridge Pack will never be the same. Disclaimer: See inside cover for content warnings. This is the second book in The Mountain Shifters series. Reading His Unclaimed Omega may provide context, but this book can be read as a standalone.

Cowboy Command Jul 07 2020 Genre: Contemporary Western Erotic Romance Series: Cowboy Justice Association FULL LENGTH NOVEL Sometimes you have to die to be born. One minute Katie is eating lunch with her sister, the next she barely escapes a car bomb meant to kill her. If that wasn't enough, someone sets fire to her home and burns it to the ground. Luckily, Federal agents are going to give her a new identity until she can testify against the man who wants her dead. They change her name to Presley, her hair color to brown, and her shorts and sandals to jeans and cowboy boots. She's not thrilled about being sent to a small town in Montana to hide, but she wants to stay alive. Sheriff Seth Reilly is doing a favor for an old Army buddy. He's promised to watch over a woman whose life is in danger, but he didn't plan on her being so young and beautiful. He's tempted, but she's a bundle of trouble. Seth likes his women calm and sedate. Presley is the kind of woman who would keep him up at night and make him crazy. Too bad he's starting to enjoy it. Passion flares between Seth and Presley, heating up the cold Montana nights. Knowing they only have a short time together, they vow not to fall in love. But when danger finds Presley, Seth will risk everything to keep her safe until she can testify. Will Presley get her old life back or start a new life with Seth instead? Publisher's warning: This book contains graphic sex scenes including an alpha male cowboy sheriff using Christmas lights to tie up his woman, a sexy strip tease, and steamy action in the cab of a truck. Series description: The Cowboy Justice Association is a group of six lawmen in Montana who work together to keep the peace. If only they could find that peace in their own lives. Freud's Mistress Sep 01 2022 "A thrilling story of seduction, betrayal, and loss, Freud's Mistress will titillate fans of *Memoirs of a Geisha* and *The Other Boleyn Girl*."—Booklist In fin-de-siècle Vienna, it was not easy for a woman to find fulfillment both intellectually and sexually. But many believe that Minna Bernays was able to find both with one man—her brother-in-law, Sigmund Freud. At once a portrait of two sisters—the rebellious, independent Minna and her inhibited sister, Martha—and of the compelling and controversial doctor who would be revered as one of the twentieth century's greatest thinkers, *Freud's Mistress* is a novel rich with passion and historical detail and "a portrait of forbidden desire [with] a thought-provoking central question: How far are you willing to go to be happy?"*

From the Earth to the Moon Jun 05 2020 The story opens some time after the end of the American Civil War. The Gun Club, a society based in Baltimore and dedicated to the design of weapons of all kinds (especially cannons), comes together when Impey Barbicane, its president, calls them to support his latest idea. He's done some calculations, and believes that they could construct a cannon capable of shooting a projectile to the moon. After receiving the support of his companions, another meeting is held to decide the place from which the projectile will be fired, the dimensions and materials of both the cannon and the projectile, and which kind of powder they are to use. An old enemy of Barbicane, a Captain Nicholl of Philadelphia, designer of plate armor, declares that the enterprise is absurd and makes a series of bets with Barbicane, each of them of increasing amount, over the impossibility of such feat. The first obstacle, the money to construct the cannon (and against which Nicholl has bet 1,000 dollars), is raised from a number of countries in America and Europe. Notably, the US gives four million dollars, while England does not give a farthing, but in the end, nearly five and a half million dollars are raised, which ensures the financial feasibility of the project.

Next Extinct Mammal Dec 24 2021 Poetry. Latino/Latina Studies. LGBT Studies. "Like Whitman, Quesada is a poet of motion—journeying to the center of the US, where the traditions and innovations of first-generation Americans traverse the meditative starbursts of hills; ford rivers; cross prairies; and seek out 'the alpenglow of tomorrow and tomorrow.' From Costa Rica to Los Angeles and across the continent, Quesada's poems chronicle one family's history: from the courtship of his parents to their separation, from his childhood struggles to awakening desire from his mother's lottery winnings to his own personal losses, Ruben Quesada carries us toward 'that seam in space' where dream and experience intersect. This isn't the story of what it means to come to this country. It's the story of what it means to belong here"—D. A. Powell.

Fallocaust Jan 13 2021 Over two hundred and thirty years ago the Fallocaust happened, killing almost everything that lived and creating what is now known as the greywastes. A dead wasteland where cannibalism is a necessity, death your reality, and life before the radiation nothing but pictures in dog-eared magazines. Reaver is a greywaster, living in a small block controlled by a distant ruler said to have started the Fallocaust. He is a product of the savage world he was raised in and prides himself on being cold and cruel. Then someone new to his town catches his eye, someone different than everyone else. Without knowing why he starts to silently stalk him, unaware of where it will lead him.

Developmental Biology of Neoplastic Growth Jan 01 2020 In this book, tumour growth is perceived as a deviation from the normal development of the human organism. The molecular, cellular, and tissue determinants of different tumours are discussed showing that each is a different disease, often corresponding to a particular developmental stage. The natural history of several cancers illustrates how clinical incidence can be just the visible part of the iceberg, while the first changes at the tissue level sometimes occur several years before tumour growth becomes manifest. Several mechanisms are proposed to explain the distribution of cancers during the human life span and the decline of the incidence of cancers during human senescence.

When Mountains Move Mar 15 2021 In a few hours, Millie will say “I do” to Bump Anderson, a man who loves her through and through. But would he love her if he knew the secret she keeps? Millie’s mind is racing and there seems to be no clear line between right and wrong. Either path leads to pain, and she’ll do anything to protect the ones she loves. So she decides to bury the truth and begin again, helping Bump launch a ranch in the wilds of Colorado. But just when she thinks she’s left her old Mississippi life behind, the facts surface in the most challenging way. That’s when Millie’s grandmother, Oka, arrives to help. Relying on her age-old Choctaw traditions, Oka teaches Millie the power of second chances. Millie resists, believing redemption is about as likely as moving mountains. But Oka stands strong, modeling forgiveness as the only true path to freedom. Together, Bump, Millie, and Oka fight against all odds to create a sustainable ranch, all while learning that the important lessons of their pasts can be used to build a beautiful future.

Into the Free Apr 27 2022 Saturated in Southern ambiance and written in the vein of other literary bestsellers like Kathryn Stockett’s *The Help* and Tom Franklin’s *Crooked Letter, Crooked Letter*, Julie Cantrell’s New York Times bestselling *Into the Free* that will sweep you away long after the novel ends. In Depression-era Mississippi, Millie Reynolds longs to escape the madness that marks her world. With an abusive father and a “nothing mama,” she struggles to find a place where she really belongs. For answers, Millie turns to the Gypsies who caravan through town each spring. The travelers lead Millie to a key that unlocks generations of shocking family secrets. When tragedy strikes, the mysterious contents of the box give Millie the tools she needs to break her family’s longstanding cycle of madness and abuse. Through it all, Millie experiences the thrill of first love while fighting to trust the God she believes has abandoned her. With the power of forgiveness, can she finally make her way into the free? Millie is just a girl. But she’s the only one strong enough to break the family cycle. “Gritty, compelling, and beautifully told, *Into the Free* will take you into a coming-of-age story filled with heartrending hardship and luminous hope. Julie Cantrell is a writer to watch!” —Lisa Wingate, New York Times bestselling author of *Before We Were Yours* “Readers will fall in love with Millie Reynolds, girl with one eye on the heavens and the other on the savages that occupy our world . . . a searing tale of heartache, faith, forgiveness, and doubt set amid gypsies, angels, addicts, asylums, roughnecks, and rodeo hands.” —Neil White, author of *In the Sanctuary of Outcasts* “A lyrical, moving, haunting, wise, brutal, warmhearted, and ultimately freeing and inspiring coming-of-age tale told with poetic honesty. . . . *Into the Free* swept me up and swept me along.” —Jennifer Niven, bestselling author of *The Ice Master* New York Times bestseller Can be read as a stand-alone novel, although the story continues in *When Mountains Move* Book length: approximately 90,000 words Includes a reader’s guide, author interview, and discussion questions for book clubs

Angels and Demons in Art Mar 27 2022 This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes how these artistic portrayals evolved over time. As with other books in the *Guide to Imagery* series, the goal of this volume is to help contemporary art enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, *Angels and Demons in Art* will delight readers with an interest in art or religious symbolism.
