To Write As If Already Dead Aug 18 2021 To Write As If Already Dead circles around Kate Zambreno’s failed attempts to write a study of Hervé Guibert’s *To the Friend Who Did Not Save My Life*. and elegizes a character based on Michel Foucault. The first half of *To Write As If Already Dead* is a novella in the mode of a detective story, searching after the mysterious disappearance of an online friendship after an intense dialogue on anonymity, names, language, and connection. The second half, a notebook documenting the doubled history of two bodies amid another historical plague, continues the meditation on friendship, solitude, time, mortality, precarity, art, and literature.

Throughout this rigorous, mischievous, thrilling not-quite study, Guibert lingers as a ghost companion. Zambreno, who has been pushing the boundaries of literary form for a decade, investigates his methods by adopting them, offering a keen sense of the energy and confessional force of Guibert's work, an ode to his slippery, scarcely classifiable genre. The book asks, as Foucault once did, "What is an author?" Zambreno infuses this question with new urgency, exploring it through the anxieties of the internet age, the ethics of friendship, and "the facts of the body": illness, pregnancy, and death.

A luminous memoir from the award-winning author of *The Vagrants* and *A Thousand Years of Good Prayers* 'What a long way it is from one life to another. Yet why write if not for that distance?' Startlingly original and shining with quiet wisdom, this is a memoir of a life lived with books. Written over two years while the author battled suicidal depression, *Dear Friend* is a painful and yet richly affirming examination of what makes life worth living. Li grew up in China, her mother suffering from mental illness, and has spent her adult life as an immigrant in a country not her own. She has been a scientist, an author, an immigrant, a mother - and through it all, she has been sustained by a deep connection with the writers and books she loves. From William Trevor and Katherine Mansfield to Kierkegaard and Larkin, *Dear Friend* is a journey through the deepest themes that bind these writers together. Interweaving personal experiences with a wide-ranging homage to her most cherished literary influences, Yiyun Li confronts the two most essential questions of her identity: Why write? And why live? *Dear Friend* is a beautiful, interior exploration of selfhood and a journey of recovery.

One L Aug 06 2020 One L, Scott Turow's journal of his first year at law school was a bestseller when it was first published in 1977, and has gone on to become a virtual bible for prospective law students. Not only does it introduce with remarkable clarity the ideas and issues that are the stuff of legal education; it brings alive the anxiety and competitiveness - with others and, even more, with oneself - that set the tone in this crucible of character building. Turow's multidimensional delving into his protagonists' psyches and his marvellous gift for suspense prefigure the achievements of his bestselling first novel, Presumed Innocent. Each September, a new crop of students enter Harvard Law School to begin an intense, often gruelling, sometimes harrowing year of introduction to the law. Turow's group of One Ls are fresh, bright, ambitious, and more than a little daunting. Even more impressive are the faculty: Perini, the dazzling, combative professor of contracts, who presents himself as the students' antagonist in their struggle to master his subject; Zechman, the reserved professor of torts who seems so indecisive the students fear he cannot teach; and Nicky Morris, a young, appealing man who stressed the humanistic aspects of law. Will the One Ls survive? Will they excel? Will they make the Law Review, the outward and visible sign of success in this ultra-conservative microcosm? With remarkable insight into both his fellows and himself, Turow leads us through the ups and downs, the small triumphs and tragedies of the year, in an absorbing and thought-provoking narrative that teaches the reader not only about law school and the law but about the human beings who make the law

what they are.

Queen Sugar Jun 23 2019 The inspiration for the acclaimed OWN TV series produced by Oprah Winfrey and Ava DuVernay "Queen Sugar is a page-turning, heart-breaking novel of the new south, where the past is never truly past, but the future is a hot, bright promise. This is a story of family and the healing power of our connections—to each other, and to the rich land beneath our feet." —Tayari Jones, author of *An American Marriage* Readers, booksellers, and critics alike are embracing Queen Sugar and cheering for its heroine, Charley Bordelon, an African American woman and single mother struggling to build a new life amid the complexities of the contemporary South. When Charley unexpectedly inherits eight hundred acres of sugarcane land, she and her eleven-year-old daughter say goodbye to smoggy Los Angeles and head to Louisiana. She soon learns, however, that cane farming is always going to be a white man's business. Don't Quit Your Day Job Feb 21 2022 P. J. O'Rourke said, "Creative writing teachers should be purged until every last instructor who has uttered the words 'Write what you know' is confined to a labor camp... The blind guy with the funny little harp who composed The Iliad, how much combat do you think he saw?" Like O'Rourke, William Faulkner had his own take on the Other Commandment for writers, the one that goes, "Thou shalt not quit thy day job". Faulkner, who won the 1949 Nobel Prize for Literature, had, twenty-five years before, worked at the post office in his hometown of Oxford, Mississippi. Mr Faulkner was known to say, "One of the saddest things is that the only thing a man can do for eight hours, is work. You can't eat eight hours a day, nor drink for eight hours a day, nor make love for eight hours". He must have been determined to give something else (writing, we may assume, perhaps a glass of whisky on the side) [Access Free](https://www.accessfree.org)

whirl when he tendered his resignation to the postmaster. "I reckon I'll be at the beck and call of folks with money all my life", he said, "but thank God I won't ever again have to be at the beck and call of every son of a bitch who's got two cents to buy a stamp." The authors in this book have tried their hands at some of the same jobs you have held, or still keep. They've worked on the railroad, busted rocks with a sledgehammer, fought fires, wiped tables, soldiered and carpentered and spied, delivered pizzas, lacquered boat paddles, counted heads for the church, sold underwear, and delivered the mail. They've driven garbage trucks. And like William Faulkner before them they have quit those day jobs. And like Faulkner they write. They tell good tales. If you wonder what work preceded their efforts to produce a great pile of books, if you would like to know how they made the transition to, as William Gay said, "clocking in at the culture factory", then this is the book you've been waiting for...

Love and Glory Nov 28 2019 Boone Adams: He was so smart he wrote half the English papers for the freshman class, when he wasn't getting drunk at night and waking up hung over in the morning. To him life was full of promise . . . just the ones it didn't intend to keep. Jennifer Grayle: She was the campus golden girl, so rich, so pretty, that every boy wanted to take her out. Except Boone. He wanted to marry her. John Merchant: He was tall and blond with blue eyes and a cleft in his chin like Cary Grant's. He didn't have Boone's lively imagination, but he had something else: Jennifer. Praise for *Love and Glory* “[Robert] Parker writes with economy and precision and wit and passion. . . . *Love and Glory* [is] one of the best love stories I've ever encountered.”—The Press-Chronicle “A straightforward, unrelenting, shamelessly romantic novel that's about a two-year obsession. . . . It works . . . [and] love stories that work are almost an extinct breed. Almost.”—Santa Cruz Sentinel “Parker's writing is like fine architecture or music—it's both intricate and direct. There are no false notes.”—Chicago Sun-Times
