[The Surrender of Lady Charlotte](#) Sep 20 2021 Her required virginity examined in a bizarre ordeal, loins locked in a chastity belt, her life torn asunder, Lady Charlotte is sent from her ancestral home to become the bride of the cunningly ruthless Lord Mountbane. Unlike her homeland where she was free, in this new realm women are slaves, and she must accept submission before her wedding can take place. Oddly, the cruel training prior to her marriage only awakens her sexual fires and a lust for sexual surrender she cannot ignore.

[Self-Surrender \(prapatti\) to God in Shrivaisnavism](#) Oct 22 2021 Filling the most glaring gap in Shrivaisnava scholarship, this book deals with the history of interpretation of a theological concept of self-surrender-prapatti in late twelfth and thirteenth century religious texts of the Shrivaisnava community of South India. This original study shows that medieval sectarian formation in its theological dimension is a fluid and ambivalent enterprise, where conflict and differentiation are presaged on "sharing", whether of a common canon, saint or rituals or two languages (Tamil and Sanskrit), or of a "meta-social" arena such as the temple. Sriyata Mueller, a member of the Shrivaisnava community, argues that the core ideas of prapatti in these religious texts reveal the description of a heterogeneous theological concept. Demonstrating that this concept is theologically moulded by the emergence of new literary genres, Mueller puts forward the idea that this original understanding of prapatti is a major contributory cause to the emergence of sectarian divisions among the Shrivaisnavas, which lead to the formation of two sub-sects, the Tenkalai and the Vatakalia, who stand respectively, for the "cat" and "monkey" theological positions. Making an important contribution to contemporary Indian and Hindu thinking on religion, this text provides a new intellectual history of medieval Indian religion. It will be of particular interest to scholars of Shrivaisnava and also Hindu and Indian religious studies.

[Sweet Surrendering](#) Mar 27 2022 She's his boss. He doesn't care. This office isn't big enough for the two of them... When Rory Clarke ends up hiring the guy she spent one steamy night with to be her administrative assistant, she's determined to keep things professional. Lucas Blaine has other plans for her. He wants Rory, and it's hard to resist his stunning blue eyes, chin dimple and the way he fills out a suit. Everywhere she looks, there he is, giving her a panty-melting smile and pulling her away for the most amazing (and satisfying) sex she's ever had in her life. What starts off as one sexual encounter turns into multiple trysts in and out of the office and the lines she's tried to draw so carefully are blurring. But the closer they get, the more Rory realizes that there are things about Lucas she doesn't know, things he's hiding from her. She'll have to decide if she can surrender to her feelings or get out while she still can. \*This is an Adult Contemporary Romance and is not suitable for readers under the age of 18\* Other books by Chelsea M.
