*Cost Reduction Analysis* Jan 29 2020 Discover the tools for knowing the costs your company should cut, without impacting its ability to deliver goods and services New from Steve Bragg, this book provides the tools for determining which costs a company should cut, without impacting its ability to deliver goods and services. It explains how to use throughput analysis in order to locate bottleneck operations in a company, which in turn dictates where capital investments should (and should not) be made. Delves into process analysis, to determine where excess resources are being used in a business process Describes the total cost of ownership, showing how a single purchasing decision actually snowballs into a variety of ancillary costs Shows how to create and use a spend management system to reduce procurement costs Shows how just-in-time systems can be used to eliminate inventory costs *Cost Reduction Analysis: Tools and Strategies* provides examples to show how much cost can potentially be eliminated to avoid drastic action later that can imperil your corporation's direction and future.

**Impulsive Sales** Jul 29 2022 You've seen them calling you while you were walking down the mall. Maybe you came, maybe you ignored, maybe you even bought from them; But the truth is that they probably don't even care. When you'll make \$4k-\$15k/mo from doing that, you won't care either. This is a job always in demand and the market now is starving for good sales people. After reading this book you'll be able to get a job anytime, anywhere. In this book you will learn: \* How to stop potential, unsuspecting customers! \* How to do a perfect pitch! \* How to close an impulsive sale! \* How to up-sell and make a \$30 sale into a \$1000 sale! \* How to haggle and win every time! \* How to make any price you say sound cheap! \* What is a Fryer and how not to be one! \* How to elegantly apply pressure and use it to close a sale!
