Ramonst Oct 31 2022 Hidden in the mountains of East Tennessee, an eleven-year old goes about the business of being a boy during the summer of 1970. Within a balance of terror and innocence, he bears silent witness to ghosts of the dead and the cruelties of a teenage killer while local justice plays out in a community carved from legacies of coal mining and religion.

Walker Evans Oct 19 2021 "As novelist and poet Andrei Codrescu points out in the essay that accompanies this selection of photographs from the Getty Museum's collection, Evans's photographs are the work of an artist whose temperament was distinctly at odds with Beals's impassioned rhetoric. Evans's photographs of Cuba were made by a young, still maturing artist who - as Codrescu argues - was just beginning to combine his early, formalist aesthetic with the social concerns that would figure prominently in his later work."-Jacket.

The Altman Close Jan 22 2022 Land the deals you want and develop your instincts with million-dollar negotiation techniques After selling over \$3 Billion in real estate, including the most expensive one-bedroom house in history, Josh Altman, co-star of the hit show Million-Dollar Listing Los Angeles, wants to teach you the real estate sales and negotiation tactics that have made him one of America's top agents. Buying or selling a house, whether for a client or yourself, is one of the most important (and most stressful) deals anyone can make, demanding emotional intelligence and a solid set of negotiating skills. But by mastering the same techniques that sell multi-million-dollar homes in Bel Air and Beverly Hills, you can attract buyers and close deals on any property. Josh breaks down the art of real estate into three simple parts. First, he'll help you get business in the door during the Opening. Then he takes you step-by-step through the Work: everything between the first handshake and the last. And finally, the Close, the last step that ensures all your hard work pays off as you seal the deal. Learn how to open with a prospect, work the deal, close, open, and repeat Build and market your reputation, creating more sales opportunities Develop the traits of a closer in you and your team Drive the deal forward and get the best price for your property by creating desire, scarcity, and demand Successful real estate sales are driven by the same principles, whether they happen in the Hollywood Hills or just down the street. Josh wants to put those principles, and the techniques for applying them, in your hands. Learn them and discover what you can achieve.

The Fama Portfolio Feb 20 2022 Few scholars have been as influential in finance, both as an academic field and an industry, as Eugene Fama. Since writing his groundbreaking 1970 essay on efficient capital markets, Fama has written over 100 papers and books that have been cited hundreds of thousands of times. Yet there is no one collection where one can easily find his best work in all fields. "The Fama Portfolio" will be an outstanding and unprecedented resource in a field that still concentrates mainly on questions stemming from Fama's work: Is the finance industry too large or too small? Why do people continue to pay active managers so much? What accounts for the monstrous amount of trading? Do high-speed traders help or hurt? The ideas, facts, and empirical methods in Fama's work continue to guide these investigations. "The Fama Portfolio" will be a historic and long-lasting collection of some of the finest work ever produced in finance."

Disciple IV Sep 29 2022 DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

The Office of Governor-General Apr 24 2022 No citizen who is interested in how he or she is governed can afford to miss this account of the role of the Head of State written, as it were, 'from the inside'. The events of November 1975 sparked off lively debate as to what the Governor-General does. The real point at issue in that controversy was not whether a Governor-General has the power to dismiss a Prime Minister. The fact that the power was exercised is proof that the power exists. The question to be asked is whether the Governor-General was justified by the facts as he saw and interpreted them, and, if he were justified, whether he was wise to use the power. There is a difference between an extreme situation and a customary action. The controversy over the dismissal of a Prime Minister concentrated attention on one aspect, but in this lucid essay Sir Paul Hasluck sets out the wide range of the Governor-General's duties and the place of office in the whole structure of Australian government.

Over the past decade, some of the world's most celebrated women have subtly shifted our long-held ideals of physical perfection toward a shape that is more authentic and bold. While culo has long been venerated in certain cultures, it is now becoming the object of worldwide mainstream admiration. This emerging global love affair with culo is as much about the blending of African, Latin, European, and Asian beauty as it is about celebrating the female form's most coveted asset. Culo by Mazzucco pays tribute to this phenomenon through a singular artistic vision. In more than 200 photographs and artworks created on location around the world, a diverse group of women—some already legendary, some about to become so—embody the spirit of culo and the start of a new era of beauty.

Janey the Vet Sep 17 2021 'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.
