[SEAL Team Seven Books 6&7 Quinn and Devon](#) Mar 26 2022 They had a pact. SEAL Team Seven, seven men who had formed an unbreakable bond while fighting to protect their country. None of them would marry until their service to home and country had been fulfilled. Now five of the brothers have found love, smack dab in the middle of them trying to chase down a madman who's out to destroy them and everything they love. As the only two left standing, Quinn and Devon decided that their job now was to protect their brothers and their women. Though they got a kick out of watching the by-play between their brothers and their new sisters, neither man believed that life was for him. Quinn, who has a special gift that he keeps hidden from everyone but his brothers, didn't think he'd ever fall into the marriage trap. What woman would saddle herself with someone with his history? Then in the middle of the night he's awakened by his senses to the threat of danger. Since none of his family is in imminent danger, he can find no reason for his 'gift' to show up now. When the feeling persists, and he follows his mind, it leads him to the woman who would win his heart with just one look at her. When she turns out to be the daughter of one of his old commander's closest friends, the mystery only deepens. Kelly knew that one day her daddy's time in the Navy was going to come back to bite her in the rear end. Home from college for the summer, she's looking forward to some relaxation in the small town where she'd been born and raised, after the hustle and bustle of the city. But that all changes when she's snatched and dragged across three states. She doesn't know what's going on but she knows one thing, she's not going down without a fight. When she sees the figure off in the distance on the beach as her kidnappers are dragging her into the fog, she makes a run for it, and right into the arms of her destiny. Devon's getting a kick out of the way his brothers had all fallen. Then his new sisters started whispering behind their hands and keeping him in their sights and he knew they were plotting his demise. Thankfully he and his brothers were embroiled in a dangerous game of cat and mouse that helped take the heat off. After they rescue Quinn's woman from traffickers on the beach, she's overheard mentioning another grab the kidnappers have planned and they head off to California to rescue the son of another one of the commander's old team mates. Only when they get there there's a surprise waiting. A surprise that will turn Devon's world upside down and make him question the life he'd had planned for himself. Ariel Samson is a woman of mystery. Raised in secret her whole life, she doesn't show up in anyone's database. The men and their friends who have banded together to help them take care of the threat are left scrambling to put the pieces of who she is together. [Deviant](#) Mar 14 2021 Julien I'm a hit man, an assassin. A deviant by all accounts. I never pretended to be the good guy. She was the opposite. But the minute she pulled the curtains back and saw my face, watched me screwing the blonde who happened to be my next mark, she sealed her own fate. There could be no witnesses, ever. Imagine my surprise when I turned up to take care of her only to find two goons breaking down her door, weapons in hand. Turned out she had a price on her head. Her stepbrother wanted her and he wanted her alive. I'd never been one to pass up an opportunity to collect the kind of money he was offering, especially if I could have some fun while I was at it. It just never occurred to me she'd be anything more than my next mark. Mia "Curiosity killed the kitten." I'll never forget the look in his eyes when he said those words. When I watched them from the window, I didn't suspect for a moment that he'd seen me, that he was watching me back. Not while he was doing what he was doing to the woman on her knees before him. But then she turned up dead, and he turned up in my hotel room, waiting for me in the dark. I didn't think for one second him being there that night would save my life. I'd been on the run for two years, but my stepbrother had finally caught up with me. Or his two thugs had. Finding out I had a quarter-of-a-million dollar bounty on my head convinced Julien I was more valuable alive than dead. But to collect it would mean returning me to my stepbrother, who had sworn to make me pay for what I'd done. Julien was cruel. He was merciless. He scared the crap out of me. But there was something else, something he never wanted me to see. Inside, he was broken, like me. My stepbrother was wrong if he thought I'd ever let him get his hands on me again. I had no intention of allowing that to happen, even if it meant I'd have to sleep with the devil to survive. And I had no doubt Julien was the devil.
