French Phrases Vol.1 Jan 31 2020 French Phrases Vol.1: English & French THIS EDITION: French Phrases seeks to bridge the gap between knowing individual words and knowing how to create or understand sentences. Sentences are phrases or a combination of phrases, and phrases are a combination of words. The simplest phrases are the simplest ways of combining words. Exposure to a wide variety of phrases, especially in increasing complexity, provides the basis for obtaining a solid grasp of a new language. The reason being, phrases can be combined with other phrases to create endless possibilities in language. French Phrases contains a wide variety of phrases, but it also demonstrates how phrases can increase in complexity – through the inclusion of individual words or other phrases. The reader can choose between four formats: Section 1: English to French Section 2: French to English Section 3: English Section 4: French The text can be used to obtain a fundamental grasp of French grammar. An understanding of the rules that underpin the way words combine into phrases, or phrases combine into sentences, allows the language learner to expand their capacity exponentially simply by increasing vocabulary. With this in mind, the text includes an introductory section summarising the important aspects of French grammar. The dual-language text has been arranged for quick and easy cross-referencing. The text can be used on its own. However, the content is ideal for reinforcing and expanding on a basic grasp of the language. With an increasingly robust grasp of the language, the language learner can easily and fruitfully move on to more advanced bilingual text — like in 2Language Books editions —, or suitable French only text: a simple novel, a French news website, etc. Many basic language books offer some form of audio support. Internet services — primarily news based radio stations — offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. However, if audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS technology (in a device that supports the relevant content), and the above mentioned resources (as digital content), an entire language learning system is available for not much more than a cup of coffee! There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on 'premium' content and resources. (A Dual-Language Book Project) 2Language Books

Fluent Forever Jan 13 2021 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

In the Time of the Butterflies Jul 27 2019 It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, Maria Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

Lord of the Flies Sep 20 2021 A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

Advanced Calculus Nov 30 2019 Intended for students who have already completed a one-year course in elementary calculus, this two-part treatment advances from functions of one variable to those of several variables. Solutions. 1971 edition.

Modern Liberty and Its Discontent Oct 10 2020 In this book, distinguished French philosopher Pierre Manent addresses a wide range of subjects, including the Machiavellian origins of modernity, Tocqueville's analysis of democracy, the political role of Christianity, the nature of totalitarianism, and the future of the nation-state. As a whole, the book constitutes a meditation on the nature of modern freedom and the permanent discontents which accompany it. Manent is particularly concerned with the effects of modern democracy on the maintenance and sustenance of substantial human ties. *Modern Liberty and its Discontents* is both an important contribution to an understanding of modern society, and a significant contribution to political philosophy in its own right.

The Distance Between Us Sep 01 2022 In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this "compelling...unvarnished, resonant" (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to "El Otro Lado" (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to "El Otro Lado" to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*.

Nineteen Eighty-Four Jun 29 2022 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English

novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

The Kite Runner Mar 03 2020 I became what I am today at the age of twelve. I remember the precise moment, crouching behind a mud wall on a frigid winter day in 1975 . . . looking into a deserted alley. It's wrong what they say about the past, about how you can bury it, because the past claws its way out. I realize I've been looking into that alley for the last 26 years. Afghanistan is a divided country on the verge of war and two childhood friends are about to be torn apart. It's a beautiful afternoon in Kabul and the skies are full of the excitement and joy of a kite flying tournament. But neither Hassan or Amir can foresee the terrible incident which will shatter their lives forever. Khaled Hosseini's first and international best-selling novel has now been adapted into a stunning stage adaptation by Matthew Spangler. This edition was published for the production at Wyndham's Theatre, London, from 21 December 2016.

Recalled to Life Jun 05 2020 The Yorkshire detectives reopen an old murder case and stir a royal scandal in this "dynamic, surprising mystery" (Publishers Weekly). Reginald Hill "raised the classical British mystery to new heights" when he introduced pugnacious Yorkshire Det. Inspector Andrew Dalziel and his partner, the callow Sgt. Peter Pascoe (The New York Times Book Review). Their chafing differences in education, manners, technique, and temperament made them "the most remarkable duo in the annals of crime fiction" (Toronto Star). Adapted into a long-running hit show for the BBC, the Gold Dagger Award-winning series is now available as ebooks. It was a cold-blooded murder committed in one of Yorkshire's country estates. The conspirators: Sir Ralph Mickledore and his lover, American nanny Cissy Kohler. The victim: Mickledore's hapless wife. Mickledore's execution for the open-and-shut case made headlines. Thirty years later, so has Cissy's parole in light of new testimony suggesting her innocence. But when the witness whose long-suppressed evidence is murdered, Dalziel and Pascoe realize the damage done by the fatal affair isn't over. But whose secrets will prove more revealing? Those buried with Mickledore and his wife a generation ago? Or those Cissy is holding on to for dear life? Recalled to Life is the 14th book in the Dalziel and Pascoe Mysteries, but you may enjoy reading the series in any order.

Re:ZERO -Starting Life in Another World-, Chapter 3: Truth of Zero, Vol. 2 (manga) Dec 24 2021 Subaru continues to support Emilia in her campaign to become the new Queen of Lugunica. But another candidate shows up, and it's the last person Subaru expected!

THE GREAT GATSBY Apr 03 2020 THE GREAT GATSBY BY F. SCOTT FITZGERALD Key features of this book: * Unabridged with 100% of it's original content * Available in multiple formats: eBook, original paperback, large print paperback and hardcover * Easy-to-read 12 pt. font size * Proper paragraph formatting with Indented first lines, 1.25 Line Spacing and Justified Paragraphs * Properly formatted for aesthetics and ease of reading. * Custom Table of Contents and Design elements for each chapter * The Copyright page has been placed at the end of the book, as to not impede the content and flow of the book. Original publication: 1925 The Great Gatsby - The story of the mysteriously wealthy Jay Gatsby and his love for the beautiful Daisy Buchanan, This book is F. Scott Fitzgerald's third book and stands as the supreme achievement of his career. First published in 1925, this classic novel of the Jazz Age has been acclaimed by generations of readers which depicts the life of lavish parties on Long Island is an exquisitely crafted tale of America in the 1920s. Jane Eyre, Volume 2 Sep 08 2020 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Lab Manual for Health Assessment in Nursing May 05 2020 Lab Manual for Health Assessment in Nursing, 5e serves as a laboratory manual and a study guide for the student. Each chapter of the lab manual corresponds to a chapter in the main textbook assisting students with comprehending and applying the theoretical content. Students will fully develop their assessment skills using the new interview guides and assessment guides. Students will also develop independence and readiness for test-taking by answering questions designed to hone these skills. Critical thinking skills are further developed when students participate in the Critical Thinking and Case Study activities.

Animal Farm Dec 12 2020 George Orwell's famous satire of the Soviet Union, in which "all animals are equal but some animals are more equal than others."

Learn Spanish News Vol.5 Jan 01 2020 LEARN SPANISH NEWS Vol.5: English & Spanish THIS EDITION: The dual-language text has been arranged into sentences and shorter paragraphs for quick and easy cross-referencing. The source text is the Spanish language edition of Voice of America (VOA). The Spanish text has been translated into English for this dual-language project. The reader can choose between four formats: Section 1: English to Spanish Section 2: Spanish to English Section 3: English Section 4: Spanish A methodology for getting the most out of this bilingual format is explained in the book's Foreword. The primary purpose of this text is to equip a foreign language learner with the ability to start reading news in the particular foreign language: to be able to read only in the foreign language, and extract enough understanding to continue the language learning process fruitfully this way. A reader might like to go back to reading dual-language news for reinforcement and further development, returning to foreign language only news with a deeper understanding. By going back to the same 'old' news, you are going over words, word patterns, and passages with which you already have a certain familiarity. The process of reinforcement, learning or retaining of what is new, and exposure to what is unfamiliar, is much easier this way — even though the news may seem a little dated. The aim of informing the reader about actual news is secondary, especially given that the content will become less current (and less relevant) over time. If you are having trouble with the level of difficulty in the text, a suggested path for learning languages is as follows: Familiarise yourself with a basic language instruction book — or re-read the one you have. Once a student has studied the basics, a suitable book about basic grammar can be helpful. The suggestion is that any grammar book be studied more with the intent of recognition and understanding, rather than memorising and obsessive rote learning. Go through as much of the grammar book you feel you can digest — maybe even the whole book — skipping over what is not easily understood. After this, read through a portion of text in a book called 'Spanish Sentences', by 2LanguageBooks, looking for examples of what you have picked up (or gleaned) in your hopefully not so arduous study of grammar. Even repeatedly seeing a word that you remember seeing listed as a 'subject pronoun' or a 'third person plural' verb of some sort is a great help. Then, depending on your inclination, return to the grammar book (or your basic Spanish book), or move on to lengthier bilingual text — like in 2Language Books texts containing news or stories, for example —, or find some suitable Spanish text: a simple novel, a Spanish news website, etc. Grammar books will likely have some verb charts. However, there are currently good on-line resources that go further — dictionaries with a verb conjugation 'search' option. Many basic language books offer some form of audio support. Internet services — primarily news based radio stations — offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. However, if audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS technology (in a device that supports the relevant content), and the above mentioned resources, an entire language learning system is

available for not much more than a cup of coffee! There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on 'premium' content and resources. (A Dual-Language Book Project) 2Language Books
Microsoft Word 2000 Made Easy Sep 28 2019 Useful for one, two, or three-term courses in Office Technology/Occupations/Administration departments. All texts integrate the learning of word processing with the proper formatting of business documents, language arts reinforcement, vocabulary building, and critical thinking practice.

The Truth We Chase Nov 10 2020 When Joseph Joshua Ryebank (JJ) moved to America he brought three things with him; his possessions, his girlfriend and... a secret. Fast forward four years. JJ has a successful career in New York; a wide circle of friends, more money than he could have ever imagined and his past life in England has been consigned to history. That is until one day when, out of the blue, an email arrives from his childhood friend Jill, who he hasn't seen for seventeen years. She wants to meet. This leaves JJ with a dilemma as their past and his secret are intertwined. Was the email just to rekindle their friendship or is he being lured back because others know his secret too? His decision to return to England was his first mistake. What will he do with his new life now that he has his old life back?

The Microscope Jun 25 2019 Vol. 3 adds section "The Entomological monthly."

Introduction to Population Ecology Oct 29 2019 Introduction to Population Ecology, 2nd Edition is a comprehensive textbook covering all aspects of population ecology. It uses a wide variety of field and laboratory examples, botanical to zoological, from the tropics to the tundra, to illustrate the fundamental laws of population ecology. Controversies in population ecology are brought fully up to date in this edition, with many brand new and revised examples and data. Each chapter provides an overview of how population theory has developed, followed by descriptions of laboratory and field studies that have been inspired by the theory. Topics explored include single-species population growth and self-limitation, life histories, metapopulations and a wide range of interspecific interactions including competition, mutualism, parasite-host, predator-prey and plant-herbivore. An additional final chapter, new for the second edition, considers multi-trophic and other complex interactions among species. Throughout the book, the mathematics involved is explained with a step-by-step approach, and graphs and other visual aids are used to present a clear illustration of how the models work. Such features make this an accessible introduction to population ecology; essential reading for undergraduate and graduate students taking courses in population ecology, applied ecology, conservation ecology, and conservation biology, including those with little mathematical experience.

Official Journal of the European Communities Jul 07 2020

Of Mice and Men Mar 27 2022 Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

The Brothers Karamazov, Part 1 Aug 20 2021

Wuthering Heights Jul 31 2022 Wuthering Heights is the name of Mr. Heathcliff's dwelling. Wuthering being a significant provincial adjective, descriptive of the atmospheric tumult to which its station is exposed in stormy weather. Pure, bracing ventilation they must have up there at all times, indeed: one may guess the power of the north wind blowing over the edge, by the excessive slant of a few stunted firs at the end of the house; and by a range of gaunt thorns all stretching their limbs one way, as if craving aims of the sun. Happily, the architect had foresight to build it strong: the narrow windows are deeply set in the wall, and the corners defended with large jutting stones. Before passing the threshold, I paused to admire a quantity of grotesque carving lavished over the front, and especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date 1500 and the name Hareton Earnshaw. I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy entrance, or complete departure, and I had no desire to aggravate his impatience previous to inspecting the penetralium. One stop brought us into the family sitting-room, without any introductory lobby or passage: they call it here the house pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucepans and tin cullenders on the walls. One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row, on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with oatcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth, white stone; the chairs, high-backed, primitive structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing puppies; and other dogs haunted other recesses.

Sumitada Vol. 2: Chapter 2, Chapter Feb 23 2022 Sumitada Ohmura worshipped Marishiten, the war god, and attained victories in battles. His domain expanded from the east side of the "Harp Sea" (current Ohmura Bay) to the north, the west, and finally the Nagasaki Peninsula to the south-west.

Archenemies attacked Sumitada from all sides. To ease the situation, Sumitada took O-en, the younger sister of his two rivals, as his first wife. "Bateren" from overseas were assaulted by Japanese in Hirado, where Takanobu Matsura (Sumitada's rival) governed, and came to Ohmura for help. Out of curiosity, Sumitada promised to protect them. Bateren told Japanese the teaching of Deus. Fascinated by their doctrine, Sumitada allowed the evangelical activities in Yokoseura Port. When he met Cosme de Torres, the head of bateren, Sumitada decided to become the very first Japanese warlord to be baptized. This is the second act of the magnificent epic describing the stormy life of Sumitada Ohmura, "the first Christian warlord in the Japanese history."

Magic Soup Chapter 3 Jul 19 2021 A beautiful fantasy about the notorious magician Larmanilla hiring the warm cook Romiard! Following a fairy tale path his mother entrusted him with, Romiard wanders off to Larmanilla's ice castle. Its notorious magician hires Romiard as a chef after he successfully passes his cooking test for a magic soup. Larmanilla though, fickle and spoiled as he is, starts criticizing Romiard's cooking skills one day. Scared of a cold and piercing punishment, Romiard works out a plan to escape. When he gets caught by Larmanilla, he admits that he has also been feeling lonely. Larmanilla, who is actually fond of Romiard, refrains from punishing him, what is very unlike him. Will the warm chef sooner or later be able to melt the cold magician?

Immunisation against infectious diseases Apr 15 2021 This is the third edition of this publication which contains the latest information on vaccines and vaccination procedures for all the vaccine preventable infectious diseases that may occur in the UK or in travellers going outside of the UK, particularly those immunisations that comprise the routine immunisation programme for all children from birth to adolescence. It is divided into two sections: the first section covers principles, practices and procedures, including issues of consent, contraindications, storage, distribution and disposal of vaccines, surveillance and monitoring, and the Vaccine Damage Payment Scheme; the second section covers the range of different diseases and vaccines.

Delphi Collected Works of Confucius - Four Books and Five Classics of Confucianism (Illustrated) Aug 27 2019 The philosophy of Confucius emphasises personal and governmental morality, correctness of social relationships, justice and sincerity, which were developed into a system known as Confucianism. Confucius is traditionally credited with having authored or edited many of the Chinese classic texts including all of the Five Classics. The Warehouse Side Stories - YA Edition Chapter 3 Nov 22 2021 This is the story of the obsessive kidnapper Sungho and his victim Dohyun! Dohyun

is living an average life in an increasingly degenerated world. After taking a smoke break, he suddenly wakes up at a gym warehouse being tied up. Dohyun is stuck in the nightmare fantasy of his poker-faced but familiar kidnapper Sungho. By reviving his memories of his old high school gym warehouse, Dohyun tries to find out who tortures him. His delusional kidnapper viciously recreates past occurrences that happened there. While trying to win the upper hand, Dohyun unleashes even more of Sungho's controlling energy. When Dohyun collects more and more pieces of the puzzle, he realizes that there is a deeper issue of careless behavior to the whole story... This is the Young Adult Edition, edited for young readers. The original version is rated Age 18+ and is available on our website only.

Let The Great World Spin Oct 22 2021 One August morning in 1974, a tightrope walker makes his way, through the dawn light, between the World Trade Center towers. In the streets below, a slew of ordinary lives become extraordinary in this stunningly intricate portrait of a city and its people. Corrigan, a radical, young Irish monk, struggles with his demons in the burning Bronx. A group of mothers gathers in a Park Avenue apartment to mourn their sons who have died in Vietnam. Farther uptown, Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenaged daughter, determined to take care of her babies and to prove her own worth. Hailed as an American masterpiece, McCann's powerful allegory of 9/11 comes alive in the unforgettable voices of these, and other, seemingly disparate characters, drawn together by hope, beauty and the tightrope walker's "artistic crime of the century." McCann's most ambitious work to date, Let the Great World Spin is a triumphant novel.

Crime and Punishment: Large Print May 29 2022 Crime and Punishment: Large Print by Fyodor Dostoyevsky From the Russian master of psychological characterizations, this novel portrays the carefully planned murder of a miserly, aged pawnbroker by a destitute Saint Petersburg student named Raskolnikov, followed by the emotional, mental, and physical effects of that action. Translated by Constance Garnett.

Mere Christianity Study Guide Apr 27 2022

The Outsiders Aug 08 2020 The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Trash Jun 17 2021 NOW A MAJOR FILM BY STEPHEN DALDRY AND RICHARD CURTIS Raphael is a dumpsite boy. He spends his days wading through mountains of steaming trash, sifting it, sorting it, breathing it, sleeping next to it. Then one unlucky-lucky day, Raphael's world turns upside down. A small leather bag falls into his hands. It's a bag of clues. It's a bag of hope. It's a bag that will change everything. Soon Raphael and his friends Gardo and Rat are running for their lives. Wanted by the police, it takes all their quick-thinking and fast-talking to stay ahead. As the net tightens, they uncover a dead man's mission to put right a terrible wrong. And now it's three street boys against the world...

Our Mutual Friend Nov 03 2022 Our Mutual Friend, first published serially between 1864 and 1865, is the last novel completed by Victorian England's greatest novelist, Charles Dickens. It is a satiric masterpiece about the allure and peril of money, which revolves around the inheritance of a dust-heap where the rich throw their trash. Out of the dust-heaps and dirty streets of mid-Victorian London, Dickens creates a classic murder-mystery tale. A dead man is fished out of the Thames by a scavenger and his daughter. Who is he, and how did he get there? His death affects members of all levels of a society permeated by greed. Dickens presents an array of characters both touching and humorous from Mr. Boffin, the 'Golden' Dustman, to Jenny Wren the lame doll's dress-maker. It is a story enriched by disguise and intrigue, whilst the River Thames, symbolising both polluted and renewed life weaves through it all in this novel. The novel encompasses the great themes of Dickens' earlier works: the pretensions of the nouveaux riches, the ingenuousness of the aspiring poor, and the unfailing power of wealth to corrupt all who crave it. With its flavorful cast of characters and numerous subplots, it is one of Dickens's most complex and satisfying novels.

Impact Evaluation in Practice, Second Edition Mar 15 2021 The second edition of the Impact Evaluation in Practice handbook is a comprehensive and accessible introduction to impact evaluation for policy makers and development practitioners. First published in 2011, it has been used widely across the development and academic communities. The book incorporates real-world examples to present practical guidelines for designing and implementing impact evaluations. Readers will gain an understanding of impact evaluations and the best ways to use them to design evidence-based policies and programs. The updated version covers the newest techniques for evaluating programs and includes state-of-the-art implementation advice, as well as an expanded set of examples and case studies that draw on recent development challenges. It also includes new material on research ethics and partnerships to conduct impact evaluation. The handbook is divided into four sections: Part One discusses what to evaluate and why; Part Two presents the main impact evaluation methods; Part Three addresses how to manage impact evaluations; Part Four reviews impact evaluation sampling and data collection. Case studies illustrate different applications of impact evaluations. The book links to complementary instructional material available online, including an applied case as well as questions and answers. The updated second edition will be a valuable resource for the international development community, universities, and policy makers looking to build better evidence around what works in development.

The Chronicles of Kerrigan Prequel Books #1-3 May 17 2021 A Boxset collection of the first 3 books in the Chronicles of Kerrigan Prequel Series! Christmas Before the Magic - Book #1 Learn how it all began ... before the magic of tatùs. When Argyle invites his best friend, Simon Kerrigan, home for the Christmas holidays, he wants to save Simon from staying at Guilder Boarding School on his own. Simon comes along and doesn't expect to find much more excitement in the tiny Scottish town where Argyle's family lives. Until he meets Beth, Argyle's older sister. She's beautiful, brash and clearly interested in him. When her father warns him to stay away from her, Simon tries, but sometimes destiny has a hope of its own. Question the Darkness - Book #2 Learn how it all began ... before Rae Kerrigan. The sins of the father are the sins of the son. What did Rae's father do that put fear in people's eyes at the name Kerrigan? Simon Kerrigan is a bright kid. He likes to ask questions and push adults in their way of thinking. He's falling for a girl he's been warned to stay away from. Tempted by forbidden love, he also must face the biggest challenge of his life: receive a tattoo on his sixteenth birthday. This ink is going to give him a supernatural ability unlike anyone before him. When secrets of the past begin to reveal themselves, he questions everything he's ever known. Pressure from Guilder Boarding School and the Privy Council only confuse Simon more as he struggles to find himself. How hard will he have to shake the family tree to find the truth about the past? The Chronicles of Kerrigan Prequel is the beginning of the story before Rae Kerrigan. Christmas Before the Magic is just the beginning (but not the end...) Into the Darkness - Book #3 What did Rae's father do that put fear in people's eyes at the name Kerrigan? After a mysterious attempt is made on his life, Simon Kerrigan has more questions than ever, and this time, he's not the only one. The beginnings of a secret society are formed at Guilder. A society of other like-minded students all unsatisfied with the status quo. All searching for the truth. But things aren't always as they seem. When Simon gets an unexpected visitor, his entire world is turned upside-down. Suddenly, the rules that were made to keep him safe, are the only things standing in his way. Who can he trust? Can he learn to master his tatù? Most importantly, can he do it in time to protect those things that are most precious to him?

FGTeeV Presents: Into the Game! Jan 25 2022 It's game time! Press start on Into the Game, the awesome-packed, New York Times bestselling graphic novel adventure by YouTube's favorite family of gamers, FGTeeV! The FGTeeV family gamers have played hundreds of games together. Which is why Moomy decides to make a new game called My Pet Fish. Just one problem: the game is SUPER boring. And one other problem: Moomy and Duddy accidentally got sucked into it—and now they're trapped! It's up to the kids, Lexi, Mike, Chase, and Shawn, to jump into the gaming console and rescue their parents. But first, they have to battle their way through their favorite games until they find the one their parents are stuck in. Can the kids take on a vicious pack of vampire prairie dogs, flying doody diapers, some spooky ghouls, and one incredibly dull fish before Moomy and Duddy are bored to death? Game like never before in this exhilarating graphic novel adventure from YouTube sensation FGTeeV, with more than 11 million subscribers and over 11 billion views!
