Stars Over Alaska Aug 25 2019 "Jennifer Snow is one clever writer."—RT Book Reviews The Alaskan wilderness may be the best place to protect her client, but also where it's impossible to protect her heart. Needing a safe place to hide her latest client, agent Leslie Sanders returns to her hometown of Wild River to wait out the search for the

young Hollywood star's stalker. Just being back in Alaska is stirring up emotions she'd buried, and as much as Leslie believed she was moving on with her life in LA, she's still not over the death of her fiancé. The sun, sand and surf made it easy to forget cold Alaskan nights snuggled by the fire, planning a future with Dawson...but seeing Levi Grayson just makes everything that much harder. Levi Grayson has been one of Alaska's elite group of wildland firefighters for almost ten years, but nothing about his job rattles him as much as seeing Leslie again. When Leslie left Wild River after Dawson's death, it had hurt to lose his two best friends in a matter of weeks. Resisting his feelings for her when Dawson was alive was tough, but he's not sure he's strong enough anymore to fight the attraction between them, or to let this last chance at love slip away like smoke through his fingers. In Melchester he will find unspeakable secrets – and one citizen whose soul is as dark as the village night.

To My Arrogant Boss Jul 17 2021 To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret

Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. And no, I have no interest in letting you take me on a date. Sincerely, Magnolia Allen P.S. And no, I do not want to know how many accents you can growl in during intimate moments. How is that even a thing? P. P. S. Also, you will never find me standing naked in your living room ever again, so please stop leaving lingerie packages on my welcome mat.

Breathlessly, and in a way that took up my entire brain... immersive, heart-wrenching, and I feel emotional writing this review.' The Girl Who Never Came Home Nov 08 2020 'I loved, loved, loved this so much!!!!' Blue Moon Blogger, ????? 'Stunning! Impossible to put down!' Goodreads Reviewer, ????? 'Oh my!... Just Wow!' Red Headed Book Lady, ????? 'UNPUTDOWNABLE.' Book Reviews by Shalini, ????? They find her just as the sun is beginning to rise in the early morning mist. They had begun at dawn, the group of searchers keen to get going. A missing child spurred everyone on. In the end, it was a flash of colour, a bright neon pink that caught her eye. They had been looking for pink. Nothing tests your faith like being a mother. The first time your children walk to school alone, their first sleepover, when they finally fly the nest. As a parent, you have to believe that everything will be OK. It's why, when Lydia's sixteen-year-old daughter Zoe goes on a school camping trip, she has no idea of the horrors that will unfold. It's why, when Lydia gets a call saying that her daughter has disappeared, she refuses to give up. As she searches the mountains, her voice hoarse from calling Zoe's name, she imagines finding her. She envisions being flooded with relief as she throws her arms around her child, saying, 'you gave us such a scare'. She pictures her precious girl safely tucked in bed that evening. It's why, when they find Zoe's body, Lydia can barely believe it. It is unthinkable. Her little girl has gone. Something terrible happened, she is sure of it. Something made Zoe get out of her sleeping bag in the middle of the night, walk out of the warmth and safety of the cabin, into the darkness of the mountains. Driven by the memory of her youngest child, Lydia needs to find out the truth. What kind of mother would she be if she didn't?
