The Dare May 24 2022 Get ready for another binge-worthy romance from New York Times bestselling author Elle Kennedy! College was supposed to be my chance to get over my ugly-duckling complex and spread my wings. Instead, I wound up in a sorority full of mean girls. I already have a hard time fitting in, so when my Kappa Chi sisters issue the challenge, I can't say no. The dare: seduce the hottest new hockey player in the junior class. Conor Edwards is a regular at Greek Row parties...and in Greek Row sorority beds. He's the one you fall for before you learn that guys like him don't give girls like me a second glance. Except Mr. Popular throws me for a loop—rather than laughing in my face, he does me a solid by letting me take him upstairs to pretend we're getting busy. Even crazier, now he wants to keep pretending. Turns out Conor loves games, and he thinks it's fun to pull the wool over my frenemies' eyes. But resisting his easy charm and surfer-boy hotness is darn near impossible. Though I'm realizing there's much more to Conor's story than his fan club can see. And the longer this silly ruse goes on, the greater the danger of it all blowing up in my face.

*Enemy in Blue Sep 16 2021 PRAISE FOR ENEMY IN BLUE "The plot is as gripping as it is chilling. The story flows smoothly, and each chapter ends with the perfect amount of suspense to keep you wanting more. A fantastic and exciting read, as I could not put the book down." -B.Burton "A great first thriller for this young author. I would compare this story to John Grisham's book of "The Innocent Man." It is that captivating and more." -M. Bautista "You know a book is good when you are not an avid reader but you discover you don't want to put a book down." -E. Streible BOOK DESCRIPTION The streets aren't safe when your enemy wears a blue uniform and a gold badge. What if the good guys weren't good? What if a cop went rogue and killed an innocent man? What if it was all caught on video and the cop would do anything to cover it up? MORE PRAISE FOR ENEMY IN BLUE "Much like the script of an action-packed movie, Enemy in Blue will buffet you from one hair-raising scene to another -- and will always leave you pondering, who's the real enemy?" -L.Capritta "This novel took me out of my comfort zone and placed me in the shoes of many people in America who live in fear. Overall, it was excellent and I highly recommend it." -Dolores M. "I can honestly say that I could not put this book down!" -L. Rivera "I can not believe all the places you go and the points of view you have as you consume these pages. If you are looking for a great read, look no further!!!" -S.Seitz "Enemy in Blue grabbed me from page one and didn't let go until the last page was turned. I had to keep reminding myself that this was a debut novel.... because it read like many of the seasoned legal thriller authors that I love to read and get lost in." -K.Velte For anyone that craves an action-packed thriller and can't get their fill of John Grisham, Dean Koontz or James Patterson...ENEMY IN BLUE is your next escape! "For action, body-count and digging into the underworld of police politics - this is really a great read. However, I think the best asset of the novel is the incredible drawing of the antagonist - the evil Sergeant Shaver really shines."*

*The Mimic* Nov 25 2019 A copycat killer...A detective with a past...A prisoner who knows too much. A killer who likes to replicate previous murderers' deadly deeds is stalking London's streets. *Giving Chase* Sep 23 2019 KELLANI wasn't supposed to fall for my older brother's best friend. Unfortunately, that ship sailed when I was a teenager, even though Chase Hawthorne always treated me like nothing more than a younger sibling. Things were worse after my parents died. Chase was sweet and supportive, which only strengthened my feelings for him. But then he'd act like I couldn't take care of myself, and that part didn't go over well with me. Yeah, I had a habit of screwing up. I'd always been the weird boy in our small town, but just like my big brother, he took overprotective to a new level. Until one night when I was eighteen and Chase and I hooked up. It was a ding to the ego that he left town right afterward. Ridiculously, I'm still not over him. CHASEI betrayed my best friend, Griffin, the night I messed around with Kellan. So I ran-first to the Marines, then into law enforcement. Ten years later, I'm back home, this time as a patrol officer rather than a troublemaker's son. Oh, and unable to keep my hands off Kellan Caine. There's always been something about him...the way he stands strong in who he is, even when he's standing alone. I'm trapped between someone I want more than anything and Griff, the guy who's like family to

me. Yet the more time I spend with Kellan, the harder it becomes to deny there's something real between us. With my dad stirring up trouble, and me going behind my best friend's back, everything's a mess. The more tangled the web gets, the more I realize I need Kellan. And that there might be something in the Hawthorne family history that'll make me lose both Kellan and Griffin for good.
