Geomembranes - Identification and Performance Testing

Sep 18 2021
Geomembranes are increasingly being used in transportation, environmental and geotechnical applications to control gas and liquid movement. This book provides authoritative guidance on testing of geomembranes. It has been prepared by an international committee of experts under the auspices of RILEM, the International Union of Research and Testing Laboratories for Materials and Structures.

Encyclopedia of Religion Nov 20 2021 This second edition, which is intended to reflect both changes in academia and in the world since 1987, includes almost all of the 2,750 original entries -- many heavily updated -- as well as approximately 600 entirely new articles. It emphasizes religion's role within everyday life and as a unique experience from culture to culture.
