Limits of Power

Mar 12 2021

Elizabeth Moon is back with the fourth adventure in her bestselling fantasy epic. Moon brilliantly weaves a colorful tapestry of action, betrayal, love, and magic set in a richly imagined world that stands alongside those of such fantasy masters as George R. R. Martin and Robin Hobb. The unthinkable has occurred in the kingdom of Lyonya.

Elves—known as the Lady—is dead, murdered by former elves twisted by dark powers. Now the Lady’s half-elven grandson must heal the mistrust between elf and human before their enemies strike again. Yet as he struggles to make ready for an attack, an even greater threat looms across the Eight Kingdoms. Throughout the north, magic is reappearing after centuries of absence, emerging without warning in family after family—rich and poor alike. In some areas, the religious strictures against magery remain in place, and fanatical followers are stamping out

magery by killing whoever displays the merest sign of it—even children. And as unrest spreads, one very determined traitor works to undo any effort at peace—no matter how many lives it costs. With the future hanging in the balance, it is only the dedication of a few resolute heroes who can turn the tides . . . if they can survive. Kylara Vatta is the only daughter in a family full of sons, and her father’s only child to buck tradition by choosing a military career instead of joining the family business. It’s adventure, not commerce, that stirs her soul. And despite her family’s misgivings, there can be no doubt that a Vatta in the service will prove a valuable asset. But soon after opportunity’s door slams shut, Ky finds herself with a ticket to ride— and a shot at redemption—as captain of a Vatta Transport ship. It’s a simple assignment: escorting one of the Vatta fleet’s oldest ships on its final voyage . . . to the scrapyards. But keeping it simple has never been Ky’s style. And even though her father has provided a crew

By snapping up a lucrative delivery contract defaulted on by a rival company, and using part of the proceeds to upgrade her condemned vehicle, Ky aims to prove she’s got more going for her than just her family’s famous name. But business will soon have to take a backseat to bravery, when Ky’s change of plans sails her and the crew straight into the middle of a colonial war. For all

her commercial savvy, it’s her military training and born-soldier’s instincts that Ky will need to call on in the face of deadly combat, dangerous mercenaries, and violent mutiny. . . . “Compelling . . . a superior novel . . .
