Escape to Another Reality Apr 04 2020 "I once believed like you, that I was an objective observer of the world around me. Then at age 22, I was arrested and bound for prison. Suddenly, I had a mental shift which felt like an invasion of my mind by an unknown entity and it had me running for my life under a hail of bullets. In the terrifying process I did not just escape the police, the city and state I was arrested in, but I escaped reality as I knew it, running past buildings that were sky high, and flat without definition—people were taller, cars longer and the street I was running on narrowed all the way to the horizon like a surreal painting. In this psychedelic state, everything appeared to move slower, allowing me to dodge gunfire and miraculously escape the police. When the hallucination ended I was in a different City. Without money, personal I.D. or a place to sleep, I was forced to live in a different reality, one which included an unseen power that meddled in my life." WARNING: Jack's memoirs include miracles, mayhem, love and murder.

Lost in a Dream Jun 06 2020 A #1 New Release in Action & Adventure Literary Fiction! For most people, sleeping is an obstacle; something to get out of the way so they can get back to their day. For others, it's an escape to nothing; a blissful break from the wears of life. It's the opposite for me. I live so that I can dream. I trudge through work so that I can go home and close my eyes, awakening in the real world-one where dreams really do come true. A place where I can fight a king instead of my ever-disappointed boss, where I'm a warrior instead of a glorified telemarketer. A place where I matter. Tigers instead of taxes. Monsters instead of men with too much power. Reality is just the word we came up with to accept a boring life; a birthing place for grander ideas we so desperately wish could come true. I choose to live in a world where they do. ? ? ? ? ? Lost in a Dream is an adult fiction in the vein of Ready Player One, but with fantasy elements in place of sci-fi. It is a bold and unique novel that has something for you to love.
