Human Instruction Manual - Part 1 May 05 2020 The book gives clarity to your confusion, provides you with a new concept of self-esteem and confidence, and removes the veil of the shadow that keeps humans from becoming their optimal self. Part 1 also explains why life is half backwards too! The overall structure of the book bridges the gap between the tangible science humans think they know and the intangible realities they ignore, fear, and deny as real. The book gives you the conversation you always wanted but never knew you needed. If you only own one book this is certainly the one to have, and if you only have room for one more book - make room for this one. Consider the book the base foundation material that the personal development industry must have to completely transform the "Juice Factory" method into a self-sustainable and self-maintainable process that lasts and never fails. YES - Never Fails! "JUICE FACTORY" - the high energy hype that humans go along to get along but provides no long lasting results, so we have to come back for more to get "JUICED" up with energy again. Avoid these entertaining salesmen who only want your repeat business!"

Genstat 5 Release 3 Reference Manual Mar 15 2021 Genstat 5 Release 3 is the latest version of the well-known statistical system developed by practising statisticians at Rothamsted Experimental Station. It provides statistical summary, analysis, data-handling, and graphics for interactive or batch users, and includes a customizable menu-based interface. Genstat is used worldwide on personal computers, workstations, and mainframe computers by statisticians, research workers, and students in all fields of application of statistics. Release 3 contains many new facilities: the analysis of ordered categorical data: generalized additive models; combination of information in mulgti-stratum experimental designs; extensions to the REML (residual maximum-likelihood) algorithm for testing fixed effects and to cater for correlation structures between random effects; estimation of parameters of statistical distributions; further probability functions; simplified data input; and many more extensions, in high-resolution graphics, for calculations, and for manipulation. The Manual has been rewritten for this release, including new chapters on Basic Statistics and REML, with extensive examples and illustrations.

Oswaal NCERT Teachers & Parents Manual Environment Studies Looking Around Class 5 (For 2021 Exam) Oct 22 2021 Children are naturally inquisitive and eager to explore and learn about the world around them. It is important for their guardians, both Parents and Teachers, to satisfy their queries, and that too, in such a way that the children are able to understand and comprehend the concepts as well as learn from them. Also, there exists a gap in the level of information and knowledge provided to the children by the Parents vs. that provided by their Teachers. Discrepancies might also exist in the methodology(ies) through which the information and knowledge is relayed. This increases the possibility that the children might either not understand the concept clearly or become confused about the correct interpretation of the concepts. With these objectives in mind, and to build connectivity between the teaching methodologies by Parents and Teachers, we at Oswaal Books, have come up with this Manual for Teachers and Parents. Some benefits of using this manual are: • It aims to aid the Teachers and Parents in simplifying the concepts studied by children as a part of their curriculum • It equips the parents and teachers to enable the children to understand the subjects, and also evaluate their measure of understanding and creativity. • It includes Learning and Understanding Aids along with a Lesson Plan for each Chapter • It demonstrates Effective Teaching Techniques • It also gives various Propositions for Step-wise Learning and Building up of Concepts IMPORTANT FEATURES OF THE BOOK: Strictly based on latest NCERT Textbook The manual is based on the latest NCERT Textbook 6 Exploratory Learning objectives These provide explicit instructions to parents and teachers to teach their wards Effective Teaching Techniques The manual has tried and tested teaching techniques for higher success rate WHAT THIS BOOK HAS FOR YOU: Lesson Plan for each Chapter This provides clarity and direction to the users Tabulated and Categorized information This helps in creating and effectively executing the lesson plan 5Es of Learning This Manual is based on the 5 Es of Learning: Engage, Explore, Explain, Elaborate & Evaluate About Oswaal Books: We feel extremely happy to announce that Oswaal Books has been awarded as 'The Most Promising Brand 2019' by The Economic Times.
