South with Endurance Aug 03 2022 The definitive collection of photographs from the Shackleton expedition includes never-before-published images from the remarkable 1914 expedition to Antarctica.

Mrs. Chippy's Last Expedition Aug 23 2021 The carpenter has a very fine cat who is known as "Mrs. Chippie"... -- from the diary of Commander F. A. Worsley, captain of Shackleton's *Endurance* When Sir Ernest Shackleton's ship *Endurance* became trapped in the Antarctic ice, all twenty-nine members of the crew were pushed to their limits of survival, including Mrs. Chippy, the ship's estimable cat. Fortunately for posterity, Mrs. Chippy left a diary of the ordeal. Closely based on the true events of Shackleton's heroic journey, and illustrated with authentic photographs taken by Frank Hurley, expedition photographer, Mrs. Chippy's Last Expedition is a firsthand account of one of the greatest adventures in history--from a unique point of view.

Shackleton's Way Mar 18 2021 Sir Ernest Shackleton has been called 'the greatest leader that ever came on God's earth, bar none' for saving the lives of the twenty-seven men stranded with him on an Antarctic ice floe for almost two years. Written by two veteran business observers, Shackleton's Way details universal leadership tactics set against the thrilling survival story of the *Endurance* expedition. Whether it's hiring good workers, supporting and inspiring employees to do their best, managing a crisis with limited personnel and resources, creating order out of chaos, or leading by personal example with optimism, egalitarianism, humour, strength, ingenuity, intelligence and compassion, Ernest Shackleton set an example we can all follow. Illustrated with photographer Frank Hurley's masterpieces and other rarely seen photos, Shackleton's Way is filled with fascinating and practical lessons of a leader who succeeded by putting people first and triumphing brilliantly when all the odds were against him.

Oceans of Grain Aug 11 2020 A revelatory global history shows how cheap American grain toppled the world's largest empires To understand the rise and fall of empires, we must follow the paths traveled by grain—along rivers, between ports, and across seas. In *Oceans of Grain*, historian Scott Reynolds Nelson reveals how the struggle to dominate these routes transformed the balance of world power. Early in the nineteenth century, imperial Russia fed much of Europe through the booming port of Odessa. But following the US Civil War, tons of American wheat began to flood across the Atlantic, and food prices plummeted. This cheap foreign grain spurred the rise of Germany and Italy, the decline of the Habsburgs and the Ottomans, and the European scramble for empire. It was a crucial factor in the outbreak of the First World War and the Russian Revolution. A powerful new interpretation, *Oceans of Grain* shows that amid the great powers' rivalries, there was no greater power than control of grain.

The Shackleton Voyages May 20 2021 The ultimate illustrated book on the incredible voyages of Ernest Shackleton

In The Land Of White Death Sep 11 2020 In 1912, six months after Scott and his men came to grief in Antarctica, the Russian navigator Valerian Albanov embarked on an expedition that would prove even more disastrous. In search of new Arctic hunting grounds, Albanov's ship, the *Saint Anna*, was frozen fast in the pack ice of the treacherous Kara Sea - a misfortune grievously compounded by an incompetent commander, the absence of crucial nautical charts, insufficient fuel, and inadequate provisions that left the crew weak and debilitated by scurvy. For nearly a year and a half, the twenty-five men and one woman aboard the *Saint Anna* endured terrible hardships and danger as the icebound ship drifted helplessly north. Convinced that the *Saint Anna* would never free herself from the ice, Albanov and thirteen crewmen left the ship in January 1914, hauling makeshift sledges and kayaks behind them across the frozen sea, hoping to reach the distant coast of Franz Josef Land. With only a shockingly inaccurate map to guide him, Albanov led his men on a 235-mile journey of continuous peril, enduring blizzards, disintegrating ice floes, attacks by polar bears and walrus, starvation, sickness, snowblindness, and mutiny. That any of the team survived is a wonder. That Albanov kept a diary of his ninety-day ordeal - a story that Jon Krakauer calls an 'astounding, utterly compelling book', and David Roberts calls 'as lean and taut as a good thriller' - is nearly miraculous. First published in Russia in 1917, Albanov's narrative is here translated into English for the first time. Haunting, suspenseful, and told with gripping detail, *In the Land of White Death* can now rightfully take its place among the classic writings of Nansen, Scott, Cherry-Garrard and Shackleton.

Shackleton Sep 23 2021 Retells the greatest feat of leadership and survival ever recorded - Shackleton's voyage across the Weddell Sea and his ultimate recovery of the 27 men who first set sail with him. A graphic novel in full color.

A House Without Walls Nov 01 2019 *A House Without Walls* is a powerful story of family, hope and redemption amidst the refugee crisis in Syria from the award-winning Elizabeth Laird, illustrated by Lucy Eldridge. Thirteen-year-old Safiya and her family have been driven out of Syria by civil war. Safiya knows how lucky she is – lucky not to be living in a refugee camp, lucky to be alive. But it's hard to feel grateful when she's forced to look after her father and brother rather than go back to school, and now that she's lost her home, she's lonelier than ever. As they struggle to rebuild their lives, Safiya realizes that her family has always been incomplete and with her own future in the balance, it's time to uncover the secrets that war has kept buried.

Shipwreck at the Bottom of the World Jun 08 2020 Describes the events of the 1914 Shackleton Antarctic expedition when, after being trapped in a frozen sea for nine months, their ship, *Endurance*, was finally crushed, forcing Shackleton and his men to make a very long and perilous journey across ice and

As I Walked Out One Midsummer Morning Jan 16 2021 *As I Walked Out One Midsummer Morning* is the moving follow-up to Laurie Lee's acclaimed *Cider with Rosie* Abandoning the Cotswolds village that raised him, the young Laurie Lee walks to London. There he makes a living labouring and playing the violin. But, deciding to travel further a field and knowing only the Spanish phrase for 'Will you please give me a glass of water?', he heads for Spain. With just a blanket to sleep under and his trusty violin, he spends a year crossing Spain, from Vigo in the north to the southern coast. Only the outbreak of the Spanish Civil War puts an end to his extraordinary peregrinations . . . 'He writes like an angel and conveys the pride and vitality of the humblest Spanish life with unflinching sharpness, zest and humour' *Sunday Times* 'There's a formidable, instant charm in the writing that genuinely makes it difficult to put the book down' *New Statesman* 'A beautiful piece of writing' *Observer*

Endurance Nov 06 2022 Account of British Imperial Transatlantic Expedition, 1914-16, leader E.H. Shackleton, based on original diaries.

Scott's Men Apr 18 2021 Group biography of the men who accompanied Scott on his final journey to the South Pole.

Life, Death and Biscuits Feb 03 2020 THE SUNDAY TIMES BESTSELLER 'A heart-breaking story of courage and compassion from the front line of the toughest battle our nurses have had to fight. Anthea Allen's writing is raw, honest and full of love for those she cares for.' Susanna Reid

Scott of the Antarctic Jan 04 2020 David Crane has given us the definitive biography of one of Britain's greatest heroes and explorers.

The Innovation Ultimatum Dec 03 2019 Prepares leaders for the 2020s—an accessible guide to the key technologies that will reshape business in the coming decade Most businesses identify six key digital technologies—artificial intelligence (AI), distributed ledgers and blockchain, the Internet of Things (IoT), autonomous machines, virtual and augmented reality, and 5G communication—as critical to their relevance and growth over the coming ten years. These new disruptive technologies present significant opportunity for businesses in every industry. The first businesses to understand automation and these transformative technologies will be the ones to reap the greatest rewards in the marketplace. The *Innovation Ultimatum* helps leaders understand the key technologies poised to reshape business in the next decade and prepare their organizations for technology-enabled change. Using straightforward, jargon-free language, this important resource provides a set of strategic questions every leader will need to ask and answer in order to prepare for the impending changes to the business landscape. Author Steve Brown shares his insights to help leaders take full advantage of the next wave of digital transformation and describes compelling examples of how businesses are already embracing new technologies to optimize operations, create new value, and serve customers in new ways. Written for anyone that wants to understand how automation and new technology will fundamentally restructure business, this book enables readers to: Understand the implications of technology-driven change across industrial sectors Apply important insights to their own business Gain competitive advantage by implementing new technologies Prepare for the future of work and understand the skills needed to thrive in a post-automation economy Adopt critical digital technologies in any organization Providing invaluable cutting-edge content, *The Innovation Ultimatum* is a much-needed source of guidance and inspiration for business leaders, board members, C-suite executives, and senior managers who need to prepare their businesses for the future.

Shackleton's Endurance Feb 14 2021 *Adrift on the Antarctic pack ice with no means of escape and no hope of rescue, Ernest Shackleton and his men are surely doomed. In August 1914, Ernest Shackleton and his men set sail for Antarctica, where they plan to cross the last uncharted continent on foot. In January 1915, his ship, the *Endurance*, becomes locked in pack ice. Later, it sinks without a trace. To survive, Shackleton and his crew of twenty-seven men must undertake a trial even more extreme than their planned crossing of the frozen continent. Their aim is to make it home against tremendous odds, with only lifeboats to cross the heavy seas of the South Atlantic - and the life-saving power of Shackleton's extraordinary leadership skills. 'An incredible true story brought to life in a highly readable style.' - Michael Smith, author of *Shackleton: By Endurance We Conquer* Praise for *AMUNDSEN'S WAY & INTO THE WHITE* 'Joanna Grochowicz's narrative non-fiction brings to life characters and events without skipping on historical fact. While the extensive research underpinning the book is apparent, it is the narrative voice that carries us forward.' - *New Zealand Review of Books* 'Amundsen's Way is a thoroughly enjoyable and readable story about some very brave people coping with horrific challenges. It is ideal for making young readers aware of the pleasures of long-form non-fiction books.' - *Maggies* 'For thrill-seeking middle school students who love nonfiction adventure stories...the adventures of Scott and his crew don't disappoint.' - *School Library Journal**

Endurance and Shackleton's Way Jan 28 2022 In August 1914, Sir Ernest Shackleton's ship *Endurance* set sail for the South Atlantic. The object of the expedition was to cross the Antarctic overland. In October 1915, still half a continent away from their intended base, the ship was first trapped, and then crushed, in ice.

Endurance Oct 05 2022 This harrowing tale of British explorer Ernest Shackleton's 1914 attempt to reach the South Pole, one of the greatest adventure stories of the modern age. In August 1914, polar explorer Ernest Shackleton boarded the *Endurance* and set sail for Antarctica, where he planned to cross the last uncharted continent on foot. In January 1915, after battling its way through a thousand miles of pack ice and only a day's sail short of its destination, the *Endurance* became locked in an island of ice. Thus began the legendary ordeal of Shackleton and his crew of twenty-seven men. For ten months the ice-moored *Endurance* drifted northwest before it was finally crushed between two ice floes. With no options left, Shackleton and a skeleton crew attempted a near-impossible journey over 850 miles of the South Atlantic's heaviest seas to the closest outpost of civilization. Their survival, and the survival of the men they left behind, depended on their small lifeboat successfully finding the island of South Georgia--a tiny dot of land in a vast and hostile ocean. In *Endurance*, the definitive account of Ernest Shackleton's fateful trip, Alfred Lansing brilliantly narrates the harrowing and miraculous voyage that has defined heroism for the modern age.

Trapped by the Ice! Nov 13 2020 Describes the events of the 1914 Shackleton Antarctic expedition when, after being trapped in a frozen sea for nine months, the *Endurance* was crushed, creating the need to travel across the ocean to safety.

Shackleton Dec 27 2021 Discover the exhilarating true story of Ernest Shackleton's legendary Antarctic expedition Told through the words of the world's greatest living explorer, Sir Ranulph Fiennes - one of the only men to understand his experience first-hand . . . 'For anyone with a passion for polar exploration, this is a must read' *NEW YORK TIMES* 'THE definitive book on Shackleton and no one could have done it better . . . an authentic account by one of the few men who truly knows what it's like to challenge Antarctica' *LORRAINE KELLY* _____ In 1915, Sir Ernest Shackleton's attempt to be the first to traverse the Antarctic was cut short when his ship, *Endurance*, became trapped in ice. He and his crew should have died. Instead, through a long, dark winter, Shackleton fought back: enduring sub-zero temperatures, a perilous lifeboat journey across icy seas, and a murderous march over glaciers to seek help. Shackleton's epic trek is one of history's most enthralling adventures. But who was he? How did previous Antarctic expeditions and his rivalry with Captain Scott forge him? And what happened afterwards to the man many believed was invincible? In this astonishing account, Fiennes brings the story vividly to life in a book that is part celebration, part vindication and all adventure. _____ 'Fiennes makes a fine guide on voyage into Shackleton's world . . . What makes this book so engaging is the author's own storytelling skills' *Irish Independent* 'Fiennes relates these tales of exploration and survival, adding insight to Shackleton's journeys unlike any other biographer' *Radio Times* Praise for Sir Ranulph Fiennes: 'The World's Greatest Living Explorer' *Guinness Book of Records* 'Full of awe-inspiring details of hardship, resolve and weather that defies belief, told by someone of unique authority. No one is more tailor-made to tell [this] story than Sir Ranulph Fiennes' *Newsday* 'Fiennes' own experiences certainly allow him to write vividly and with empathy of the hell that the men went through' *Sunday Times* 'Fiennes brings the promised perspective of one who has been there, illuminating Shackleton's actions by comparing them with his own. Beginners to the Heroic Age will enjoy this volume, as will serious polar adventurers seeking advice. For all readers, it's a tremendous story' Sara Wheeler, *The Wall Street Journal*

South Jul 22 2021 Shackleton's personal account of the doomed ship, *Endurance*. This record also credits the support party aboard the *Aurora*, who managed to drop off supplies on the other side of the continent despite temperatures of -50 degrees and 80mph winds.

Leap of Faith: The New Autobiography May 08 2020 'After all this time Frankie Dettori still ranks amongst the all-time greats of the sport' *LESTER PIGGOTT* 'An autobiography as gripping as any Dick Francis thriller' *YORKSHIRE POST* 'Endearingly honest... a fastpaced, funny autobiography' *COUNTRY LIFE MAGAZINE*

Epic Jul 02 2022 *Epic* is a collection of fifteen memorable accounts of legend-making expeditions to the world's most famous peaks, often in the world's worst possible conditions. Clint Willis has gathered the most exciting climbing literature of the modern age into one cliff-hanging volume.

The Ice Master Jul 10 2020 The *Karluq* set out in 1913 in search of an undiscovered continent, with the largest scientific staff ever sent into the Arctic. Soon after, winter had begun, they were blown off course by polar storms, the ship became imprisoned in ice, and the expedition was abandoned by its leader. Hundreds of miles from civilization, the castaways had no choice but to find solid ground as they struggled against starvation, snow blindness, disease, exposure--and each other. After almost twelve months battling the elements, twelve survivors were rescued, thanks to the heroic efforts of their captain, Bartlett, the *Ice Master*, who traveled by foot across the ice and through Siberia to find help. Drawing on the diaries of those who were rescued and those who perished, Jennifer Niven re-creates with astonishing accuracy the ill-fated journey and the crews desperate attempts to find a way home.

South Jun 20 2021 "South" by Ernest Shackleton. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction

to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Lost Men Apr 30 2022 A previously overshadowed maritime mission, this is the extraordinary story of Shackleton's forgotten support party from the Aurora, who desperately continued laying supplies across the Antarctic, unaware that Shackleton had aborted his journey.

An Unsung Hero Aug 30 2019 Tom Crean was the adventurous farmer's son from Kerry who sailed on three major expeditions to the unknown Antarctic over a century ago. He was among the few men who served with both Captain Robert Scott and Sir Ernest Shackleton, spent longer on the ice than either and outlived them both. But Tom Crean returned to Ireland and never spoke about his exploits, taking his incredible story to the grave – until the publication of *An Unsung Hero*, which unearthed his story and saw him rightfully placed amongst the annals of the great explorers. This new, illustrated edition of the bestselling classic is a must for anyone with a taste for adventure. 'If one buys or reads only one polar book in one's lifetime, let that book be Michael Smith's *An Unsung Hero*.' *Journal of The Shackleton School* 'Remarkable ... puts Tom Crean where he has long deserved to be – in the limelight amongst other great figures of the heroic age of Antarctic Exploration.' Jonathan Shackleton 'A wonderful Kiplingesque yarn about a great Irishman who didn't have to die to become a hero.' *Irish Independent* 'A riveting read.' *Munster Express* 'Tom Crean was a great man of immense strength and endurance and afraid of very little.' Sir Edmund Hillary 'A ripping yarn ... the epic struggles, heroics and the unbelievable hardships of the voyages are wonderfully told.' *The Irish Times*

South Oct 13 2020 This thrilling tale of adventure is a classic work of polar exploration. Written by the leader of the expedition, the book includes 88 illustrations and diagrams.

In Shackleton's Footsteps Apr 06 2020 On the 29th of October 1908, a party of four men, led by Ernest Shackleton, set out to be the first to reach the South Pole. Three months later, their mission was in ruins and they faced certain death if they carried on. Just 97 miles from the South Pole, Shackleton turned back. One hundred years on, in October 2008, a team that included descendants of that original party, led by Henry Worsley, set out from Shackleton's hut to celebrate the centenary of his expedition by retracing the exact 870 mile route and going on to finish the last 97 miles. This captivating book explores the history of the original expedition and reasons behind its failure, while capturing the meticulous planning, fundraising and training for the new expedition. There is also the team's first days on the ice, Christmas on the polar plateau, the brutal reality of crossing the Beardmore Glacier and the final miles to the South Pole. *In Shackleton's Footsteps* is a unique story of adventure, pioneering spirit and man's triumph over nature.

The Worst Journey in the World: Antarctic 1910-1913 Mar 30 2022

The White Darkness Mar 06 2020 'A riveting, exciting and thoroughly compelling tale of adventure' JOHN GRISHAM on David Grann's *The Lost City of Z* 'A wonderful story of a lost age of heroic exploration' *Sunday Times* on *The Lost City of Z* 'Marvellous ... An engrossing book whose protagonist could out-think Indiana Jones' *Daily Telegraph* on *The Lost City of Z* **DAILY MAIL BOOK OF THE WEEK** One man's perilous quest to cross Antarctica in the footsteps of Shackleton. Henry Worsley was a devoted husband and father and a decorated British special forces officer who believed in honour and sacrifice. He was also a man obsessed. He spent his life idolizing Ernest Shackleton, the 20th-century polar explorer, who tried to become the first person to reach the South Pole and later sought to cross Antarctica on foot. Shackleton never completed his journeys, but he repeatedly rescued his men from certain death and emerged as one of the greatest leaders in history. Worsley felt an overpowering connection to those expeditions. He was related to one of Shackleton's men, Frank Worsley, and spent a fortune collecting artefacts from their epic treks across the continent. He modelled his military command on Shackleton's legendary skills and was determined to measure his own powers of endurance against them. He would succeed where Shackleton had failed, in the most brutal landscape in the world. In 2008, Worsley set out across Antarctica with two other descendants of Shackleton's crew, battling the freezing, desolate landscape, life-threatening physical exhaustion and hidden crevasses. Yet when he returned home he felt compelled to go back. On November 2015, at age 55, Worsley bid farewell to his family and embarked on his most perilous quest: to walk across Antarctica alone. David Grann tells Worsley's remarkable story with the intensity and power that have led him to be called 'simply the best narrative nonfiction writer working today'. Illustrated with more than 50 stunning photographs from Worsley's and Shackleton's journeys, *The White Darkness* is both a gorgeous keepsake volume and a spellbinding story of courage, love and a man pushing himself to the extremes of human capacity. Praise for David Grann's *Killers of the Flower Moon*: 'A riveting true story of greed, serial murder and racial injustice' JON KRKAUER 'A fiercely entertaining mystery story and a wrenching exploration of evil' KATE ATKINSON 'A fascinating account of a tragic and forgotten chapter in the history of the American West' JOHN GRISHAM 'Disturbing and riveting...Grann has proved himself a master of spinning delicious, many-layered mysteries that also happen to be true...It will sear your soul' DAVE EGGERS, *New York Times Book Review* 'An extraordinary story with extraordinary pace and atmosphere' *Sunday Times* 'A marvel of detective-like research and narrative verve' *Financial Times*

The Endurance Nov 25 2021 Drawing upon previously unavailable sources, Caroline Alexander gives us a riveting account of Shackleton's expedition one of history's greatest epics of survival. And she presents the astonishing work of Frank Hurley, the Australian photographer whose visual record of the adventure was never before published comprehensively. Together, text and image re-create the terrible beauty of Antarctica, the awful destruction of the ship, and the crew's heroic daily struggle to stay alive, a miracle achieved largely through Shackleton's inspiring leadership. The survival of Hurley's remarkable images is scarcely less miraculous: The original glass plate negatives, from which most of the book's illustrations are superbly reproduced, were stored in hermetically sealed canisters that survived months on the ice floes, a week in an open boat on the polar seas, and several more months buried in the snows of a rocky outcrop called Elephant Island. Finally, Hurley was forced to abandon his professional equipment; thereafter he captured some of the most unforgettable images of the struggle with a pocket camera and three rolls of Kodak film.

Endurance Sep 04 2022 Experience one of the greatest adventure stories of the modern age in this *New York Times* bestseller: the harrowing tale of British explorer Ernest Shackleton's 1914 attempt to reach the South Pole. In August 1914, polar explorer Ernest Shackleton boarded the *Endurance* and set sail for Antarctica, where he planned to cross the last uncharted continent on foot. In January 1915, after battling its way through a thousand miles of pack ice and only a day's sail short of its destination, the *Endurance* became locked in an island of ice. Thus began the legendary ordeal of Shackleton and his crew of twenty-seven men. When their ship was finally crushed between two ice floes, they attempted a near-impossible journey over 850 miles of the South Atlantic's heaviest seas to the closest outpost of civilization. With an introduction by Nathaniel Philbrick, *Endurance* is the definitive account of Ernest Shackleton's fateful trip. Alfred Lansing brilliantly narrates the gripping and miraculous voyage that has defined heroism for the modern age.

Drugs Jun 01 2022

Hitler's American Gamble Oct 01 2019 'History at its scintillating best ... hard-hitting, revelatory and superbly researched' Andrew Roberts, author of *Churchill: Walking with Destiny* 'A rare achievement ... sure to become an instant classic' John Lewis Gaddis, *Yale University* This gripping book dramatizes the extraordinarily compressed and terrifying period between the surprise Japanese attack on Pearl Harbor and Hitler's declaration of war on the United States. These five days transformed much of the world and have shaped our own experience ever since. Simms and Laderman's aim in the book is to show how this agonizing period had no inevitability about it and that innumerable outcomes were possible. Key leaders around the world were taking decisions with often poor and confused information, under overwhelming pressure and knowing that they could be facing personal and national disaster. And yet, there were also long-standing assumptions that shaped these decisions, both consciously and unconsciously. *Hitler's American Gamble* is a superb work of history, both as an explanation for the course taken by the Second World War and as a study in statecraft and political choices.

Shackleton Dec 15 2020 Ernest Shackleton was the quintessential Edwardian hero. A contemporary - and adversary - of Scott, he sailed on the 'Discovery' expedition of 1900, and went on to mount three expeditions of his own. Like Scott, he was a social adventurer; snow and ice held no particular attraction, but the pursuit of wealth, fame and power did. Yet Shackleton, and Anglo-Irishman who left school at 16, needed status to raise money for his own expeditions. At various times he was involved in journalism, politics, manufacturing and City fortune-hunting - none of them very effectively. A frustrated poet, he was never to be successful with money, but he did succeed in marrying it. At his height he was feted as a national hero, knighted by Edward VII, and granted £20,000 by the government for achievements which were, and remain, the very stuff of legend. But the world to which he returned in 1917 after the sensational 'Endurance' expedition did not seem to welcome surviving heroes. Poverty-stricken by the end of the war, he had to pay off his debts through writing and endless lecturing. He finally obtained funds for another expedition, but dies of a heart attack, aged only 47, at it reached South Georgia.

Endurance Feb 26 2022

Selkirk's Island Oct 25 2021 When Alexander Selkirk was abandoned by his shipmates on the remote island of Juan Fernandez in 1704 he could not have know that he wouldn't see another human soul for four long years, could not have anticipated the lonely and fierce existence to which he had been condemned, nor could he have ever guessed that his plight - recreated in the form of *Robinson Crusoe* - would be immortalised by Daniel Defoe. In this startlingly original book, award-winning author Diana Souhami brings new life to this story, evoking the abandoned sailor's struggle with solitude, God and the savage new home into which he had been so brutally thrust.

Adrift Jul 30 2019 Before *The Perfect Storm*, before *In the Heart of the Sea*, Steven Callahan's dramatic tale of survival at sea was on the *New York Times* bestseller list for more than thirty-six weeks. In some ways the model for the new wave of adventure books, *Adrift* is an undeniable seafaring classic, a riveting firsthand account by the only man known to have survived more than a month alone at sea, fighting for his life in an inflatable raft after his small sloop capsized only six days out. "Utterly absorbing" (*Newsweek*), *Adrift* is a must-have for any adventure library.

Alone on the Ice: The Greatest Survival Story in the History of Exploration Jun 28 2019 "Gripping and superb. This book will steal the night from you." —Laurence Gonzales, author of *Deep Survival* On January 17, 1913, alone and near starvation, Douglas Mawson, leader of the Australasian Antarctic Expedition, was hauling a sledge to get back to base camp. The dogs were gone. Now Mawson himself plunged through a snow bridge, dangling over an abyss by the sledge harness. A line of poetry gave him the will to haul himself back to the surface. Mawson was sometimes reduced to crawling, and one night he discovered that the soles of his feet had completely detached from the flesh beneath. On February 8, when he staggered back to base, his features unrecognizably skeletal, the first teammate to reach him blurted out, "Which one are you?" This thrilling and almost unbelievable account establishes Mawson in his rightful place as one of the greatest polar explorers and expedition leaders. It is illustrated by a trove of Frank Hurley's famous Antarctic photographs, many never before published in the United States.
