**Czech Point: Keys to Lucrative Property Investment** Sep 07 2020 Updated 2016 edition! "Thorough and easily understandable regarding investing in residential property in Czech Republic. Having been involved in Czech real estate for more than ten years, I believe that all investors and would-be investors can benefit from this reference material." - Brent Watkins, Director, Real Estate Advisory at Deloitte Czech Republic. "This is the first book of its kind that I have come across, having worked in the Czech Republic real estate sector for some 16 years. Nathan has provided a road map for navigating the unique challenges of Czech residential real estate investment." - Omar Sattar, Managing Director, Colliers International Czech Republic. Buying an investment property in another country, and especially a country with a different language, can be an intimidating proposition. But it doesn't have to be. Just ask author Nathan Brown, who has not only bought property in Czech Republic for himself, but has also, since 2004, assisted hundreds of investors to do so. In this book, Nathan takes you step-by-step through the entire investment process with an eye to maximizing your return. Topics covered include: The current status of property ownership by non-Czech citizens Tips on the best locations to buy in Prague, Brno, Ostrava and Pardubice How to get the best offers from banks for financing or refinancing an investment property Tax strategies for the purchase and sale of investment properties How to create a rental contract that avoids the headache of the Czech landlord/tenant laws Real life horror stories of purchases gone bad and how you can avoid the same plight.

**The Girlfriend's Fabulous Guide to Real Estate** May 16 2021 REALTOR® Christine Denty took a look around one day and noticed that although nearly twenty-percent of homebuyers are single women, the whole industry seems geared towards men. So she thought it was high time for a comprehensive, female-centric handbook for real estate...a girlfriend's guide! From the inside scoop on buying and selling homes, to a comprehensive breakdown on how to perform maintenance and upkeep, to tax tips, to how to split up property in the event of separation or divorce, *The Girlfriend's Fabulous Guide to Real Estate* demystifies the buying, selling, and owning of real estate with simplicity, know-how, and a dollop of empathy topped with a double-scoop of hilarity. Readers will get a first look at some of the terrifying legal documents that rookie buyers and sellers face and find them explained in simple, comprehensible terms. Jam-packed with important information and supported with great visuals like photos, charts, and graphs, *The Girlfriend's Fabulous Guide to Real Estate* is the one essential primer for women navigating the choppy waters of home ownership. This is the second edition of the book (2021).

**How to Buy U.S. Real Estate with the Personal Property Purchase System** Jan 24 2022 HOW TO BUY U.S. REAL ESTATE WITH THE PERSONAL PROPERTY PURCHASE SYSTEM If you are thinking about buying real estate in the United States, either as a vacation property or an investment opportunity, this book provides you with comprehensive yet easy-to-understand information. Kimberley Marr, a Canadian real estate broker, has teamed up with a group of cross-border legal and tax professionals, mortgage specialists and U.S. real estate brokers each with years of experience. The Personal Property Purchase System outlines processes and considerations when purchasing property in the United States. U.S. destinations, especially in the Sunbelt, are popular choices for Canadians who are looking for a vacation/second property or investment opportunity. Statistics show that Canadians have been among the largest foreign groups of buyers of U.S. real estate. Price, accessibility, strength of the Canadian currency and similarities in culture are the primary reasons. But, you must keep in mind that the U.S. is a different country, with different laws. You need to be aware of these laws and comply with them. How to Buy U.S. Real Estate highlights important considerations in deciding what you want in a U.S. property, in what location and at what price. You will learn about Canadian and U.S. mortgages, titling options, foreclosures and short-sale property, medical and other insurance needs, currency issues, and much more. "Put the Personal Property Purchase System to work for you. It will provide you with valuable information and help you make the decision that is right for your personal or investment strategy." —PAMELA ALEXANDER, CEO RE/MAX Integra Corporation "Kimberley Marr has demonstrated outstanding cross-border knowledge as a real estate broker, and has written a terrific primer that is a must-read for all Canadians looking to buy U.S. real estate." —DAVID ALTRO, Attorney, Managing Partner, Altro & Associates, LLP "A well-written and thoughtful guide to purchasing U.S. real estate. The tools and checklists are so helpful that I plan to use them for my next home purchase." —SUSAN INEZ POSKUS, President, Thomas C. Roberge & Company

**How To Win In Commercial Real Estate Investing Nov 02 2022** When it comes to investing in commercial real estate, it's easy to make a mistake...so why risk it? Improve your chances of success with a book researched, lived, and written by a master of commercial real estate: Craig Coppola. Craig has navigated the markets, ridden economic ups and downs, and bought and sold countless commercial projects - and he's mastered the world of brokerage, leasing and investing. Readers will learn how to set their own commercial investment goals and create a plan to achieve them, see opportunities with new "real-estate eyes," perform due diligence on a property with minimal cost, use a proven step-by-step process for evaluating properties to weed out losers and showcase winners, and traverse the minefield of letters of intent and contracts.

**The Due Diligence Handbook for Commercial Real Estate Jul 18 2021** There's a huge problem in the commercial real estate business that nobody is talking about—DUE DILIGENCE. The vast majority of investors, real estate brokers and commercial real estate professionals barely scratch the surface conducting their due diligence when purchasing commercial real estate investments. Investors are taking unnecessary risks and throwing money away or making bad investments, by not properly performing due diligence. In fact, they are leaving big money on the table without even realizing it. Brokers are putting themselves at risk for potential litigation and missing an opportunity to help their clients as a true ally by learning these principles. All because "they don't know what they don't know". I was in the same position, until I created a system that made the entire process easier and less stressful. Having and adhering to a proven system allows you to do it faster, easier, more efficiently and you're less likely to miss something. It reduces the stress; makes you feel more confident; makes the sellers of the properties less likely to try to play games while negotiating with you, and ultimately helps to make you a better investor because you are more prepared. This handbook gives you a process to follow. A "road map" that takes you through from beginning to end. It is written in a concise, "easy to follow" fashion as a real due diligence tool and is not intended as a voluminous textbook on the subject. It's based upon over 30 years of experience in the commercial real estate business and acquiring over 9 million square feet from private and institutional owners. The fundamentals remain the same and they are all applicable, whether you're acquiring residential rental properties, an industrial building, a skyscraper or retail shopping center. Some of the things you will learn from the book . . . What to negotiate in the purchase and sale agreement so that you can maximize the opportunities for yourself when it comes time to negotiate further with the seller. Essential provisions to ask for in the purchase and sale agreement. (These could end up costing you dearly later if you don't have them in there). Specific issues and provisions to look for in the leases. (These could be potentially devastating to the investment after you own it). Conducting tenant interviews and what questions to ask so that you can uncover any problems or issues (This can be a goldmine of information). Cost cutting tips and dozens of strategies that will help you add value to the property once you own it. One of the most critical processes done during the due diligence process is the underwriting and financial analysis, which is constantly being revised during that process. (Included is a list of essential questions that must be addressed.) How to ensure that you are getting all you deserve when finalizing the transaction and what to look for on the closing statement to make sure you are. (Most investors leave a lot of money behind by not knowing this information). In addition, you get at the end of handbook . . . Sample Lease Abstract Form (which shows you how to summarize all the main deal points and provisions of a lease document). Due Diligence Checklist Due Diligence Document Checklist Sample Tenant Questionnaire (a sample list of questions that you should ask of tenants when conducting a tenant interview). By having this knowledge and my "step-by-step" system, you will be more prepared and less stressed; more confident in your ability to negotiate and go up against any seller. There are too many things to remember during the process. We need reminding as much as we need learning. Get it now and be prepared for your next real estate investment. Many investors keep it as a constant companion when purchasing real estate.

**Investing in Real Estate With Lease Options and "Subject-To" Deals Feb 10 2021** With lease options and subject-to deals, investors can control properties worth much more than what they could normally afford to purchase. The potential for profit is great and the costs of getting started are low. This book shows novice investors how author Wendy Patton and thousands of other Americans—including well-known real estate developers and business moguls—use lease options and subject-to deals to control valuable property without necessarily owning it. The cost of purchasing an option or subject-to deal is a fraction of what it costs to buy a home. That's why these kinds of deals are typically found in every serious investor's portfolio. Sharing the secrets and strategies investors use to profit from low- and no-money-down deals, Patton gives investors all the information they need to succeed. "Finally, a book that explains lease option and subject-to deals in depth and detail. This book is essential for anyone who wants to make money in real estate without using a lot of cash or taking on a lot of risk. A gold mine of great information." --Robert Shemin, New York Times bestselling author of *Secrets of Buying and Selling Real Estate Without Using Your Own Money!* "Few can rival Wendy's knowledge and experience with lease option and subject-to deals. This is a must-read for beginning and advanced investors and the real estate agents who serve them." --Gary Keller, New York Times bestselling author of *The Millionaire Real Estate Investor* "The techniques Patton teaches here are invaluable—especially for working with Realtors and still getting properties for little- or no-money-down. The detail in this book will make you want to read every page." --Albert Lowry, PhD, New York Times bestselling author of *How You Can Become Financially Independent by Investing in Real Estate*

**South of 49 Mar 26 2022** "South of 49 is a must-read for anyone wanting to buy real estate in the United States. This groundbreaking book is jammed full of practical information that will ensure you avoid all the potential pitfalls." --Les Hewitt, author of *The Power of Focus* "When buying real estate anywhere in the world, one must know all the facts and go in with eyes wide open. Before you even consider buying outside of Canada, know the realities by reading this book and learn from others' mistakes." --Don R. Campbell, best-selling author of *Real Estate Investing in Canada* "For any Canadian, buying real estate in the US can be the best decision you ever make, or the worst mistake you'll never forget. Philip's the real deal—an international investor who speaks from experience. This book will teach you how to make a great deal, reduce your risk and enjoy the journey along the way." --Greg Habstritt, founder of SimpleWealth From the Introduction: Whether it's a lifestyle purchase or an investment, there are many factors about buying US property that many Canadian buyers understandably find confusing, or they overlook. Add to that the complexities of the new foreclosure-driven buyers' market, and buying a US property could be a recipe for disaster if you don't do your homework. That's where *South of 49* comes in. This book is about more than just tax advice and buying tips. We take you through all of the real-life considerations when buying down south, from travel time and immigration rules to making sure the home or condo you buy actually fits your investment goals. We will also help you answer one very important question when considering such a purchase: Why? Why should you buy a place and not just rent? Why should you buy in Florida instead of California, for example? The answers? It all depends. It depends on you, your individual circumstances and your goals. This book will help you think through these decisions before you make them.

**How to Purchase Offshore Real Estate Safely - the Case of Thailand Oct 28 2019** Buyers of offshore real estate property can be divided into two categories: The

fortunate buyers who actually receive the property they paid for and the unfortunate ones who end up losing their money in offshore real estate fiascos or end up with a lemon of a property.
