**This Book Is Anti-Racist** Sep 26 2019 #1 NEW YORK TIMES BESTSELLER Featured by Oprah's Book Club on the Anti-Racist Books for Young Adults list curated by bestselling author Jacqueline Woodson A USA TODAY Bestseller Recommended by The Guardian, Time, Grazia, The Telegraph, Express, and The Sun 'This is one for you, your neighbour, the children in your lives and especially that 'only slightly' racist colleague... A guide to the

history of racism and a blueprint for change' —The Guardian Who are you? What is racism? Where does it come from? Why does it exist? What can you do to disrupt it? Learn about social identities, the history of racism and resistance against it, and how you can use your anti-racist lens and voice to move the world toward equity and liberation. 'In a racist society, it's not enough to be non-racist—we must be ANTI-RACIST.' —Angela Davis Gain a deeper understanding of your anti-racist self as you progress through 20 chapters that spark introspection, reveal the origins of racism that we are still experiencing and give you the courage and power to undo it. Each chapter builds on the previous one as you learn more about yourself and racial oppression. 20 activities get you thinking and help you grow with the knowledge. All you need is a pen and paper. Author Tiffany Jewell, an anti-bias, anti-racist educator and activist, builds solidarity beginning with the language she chooses – using gender neutral words to honour everyone who reads the book. Illustrator Aurélia Durand brings the stories and characters to life with kaleidoscopic vibrancy. After examining the concepts of social identity, race, ethnicity and racism, learn about some of the ways people of different races have been oppressed, from indigenous Americans and Australians being sent to boarding school to be 'civilized' to a generation of Caribbean immigrants once welcomed to the UK being threatened with deportation by strict immigration laws. Find hope in stories of strength, love, joy and revolution that are part of our history, too, with such figures as the former slave Toussaint Louverture, who led a rebellion against white planters that eventually led to Haiti's independence, and Yuri Kochiyama, who, after spending time in an internment camp for Japanese Americans during WWII, dedicated her life to supporting political prisoners and advocating reparations for those wrongfully interned. Learn language and phrases to interrupt and disrupt racism. So, when you hear a microaggression or racial slur, you'll know how to act next time. This book is written for EVERYONE who lives in this racialised society—including the young person who doesn't know how to speak up to the racist adults in their life, the kid who has lost themselves at times trying to fit into the dominant culture, the children who have been harmed (physically and emotionally) because no one stood up for them or they couldn't stand up for themselves and also for their families, teachers and administrators. With this book, be empowered to actively defy racism and xenophobia to create a community (large and small) that truly honours everyone.

*Norris the Seahorse Takes on the Bullies* Jul 29 2022 The hugely successful Cosmic Kids YouTube channel helps children discover yoga by joining presenter Jaime on monthly yoga adventures, each one a story featuring a loveable animal character that achieves something amazing. Aimed at 4 to 8-year-olds, the Cosmic Kids yoga books offer children a chance to take the yoga more slowly than is possible in a fast-moving video, to spend more time in their favourite poses, and also to enjoy reading or listening to the story. Each book is themed around a specific area of wellbeing - in the case of Norris, this is self-confidence and dealing with bullying. In this adventure we go underwater to meet the little seahorse Norris, who's so excited to be joining the Best Fish in the Sea club. Unfortunately, there are a few bullies in the club who do their best to make him feel bad about himself. With the help of his true friends, Norris learns to take pride in who he is, long nose, slow swimming and all. He starts up the Being Me club, and soon finds that everyone wants to be friends with him. The story concludes with a relaxation and some affirmations to reinforce the message of the book. With bright illustrations, the books are designed to mirror the Cosmic Kids look, and to allow children to get to know a range of characters from the Cosmic Kids shows. There's also information at the back to help parents and teachers introduce children to yoga, even if they don't practise yoga themselves.

**Titan #1: Taking Wing** Sep 30 2022 William Riker, former first officer of the USS Enterprise in Star Trek: The Next Generation, takes command of the new USS Titan in this white-knuckled adventure perfect for longtime and new Star Trek fans. After almost a decade of strife against foes such as the Borg, the Cardassians, the Klingons, and the Dominion, the United Federation of Planets is at the dawn of a new era. Starfleet is renewing its mission of peaceful exploration, diplomacy, and the expansion of knowledge. Among the starships spearheading that endeavor is the USS Titan, commanded by Captain William T. Riker and manned by the most biologically varied and culturally diverse crew in Starfleet history. But their mission does not begin according to plan. In the wake of Star Trek: Nemesis, Praetor Shinzon, slayer of the Romulan Senate, is dead. The power vacuum created by his demise has put the Romulan Star Empire, longtime adversary of the Federation, at the brink of civil war. Competing factions now vie for control of their fragmenting civilization, and if the empire should fall, that entire area of the galaxy may destabilize. To restore order to the region, Titan's long-anticipated mission of exploration is delayed as Starfleet assigns Riker to set up power-sharing talks among the Romulan factions. But even as the first tentative steps are taken toward building a new Romulus, the remnants of the Tal Shiar, the dreaded Romulan intelligence service, are regrouping behind the scenes for a power play of their own. With no other help available, Riker and the Titan crew become the last hope to prevent the quadrant from falling into chaos.

And maybe everyone wants what they can't have, but I should've thought it over before I accepted the key and unlocked the door to their forbidden world. Number One is mostly silent. He watches me with them very carefully. His gaze never wanders. His interest never wanes. Number Two is mostly gentle. But it's the other side of him I like best. The wild side. Number Three is mostly reserved. He refuses to cross the line. Even when I beg. It was carnal, it was sensual, and it was erotic. That's it. That's all it was supposed to be. A trip into the dark. A peek into the forbidden. I just didn't expect to like them.
