Roommate! Jan 18 2022 The New York Times and #1 Wall Street Journal Bestseller. From New York Times Bestselling Author, Penelope Ward, comes a new standalone novel. Sharing a summer house with a hot-as-hell roommate should be a dream come true, right? Not when it's Justin...the only person I'd ever loved...who now hates me. When my grandmother died and left me half the house on Aquidneck Island, there was a catch: the other half would go to the boy she helped raise. The same boy who turned into a teenager whose heart I broke years ago. The same teenager who's now a man with a hard body and a hardass personality that I hadn't seen him in years, and now we're living together because neither one of us is willing to give up the house. The worst part didn't come alone. I'd soon realize there's a thin line between love and hate. I could see through that smug smile. Beneath it, Justin is still there. So is our connection. The problem is...now that I can't have Justin, I've never wanted him more.

The First Taste Jun 30 2020 Andrew Beckwith has already devoted his life to one girl-and as far as he's concerned, she's all he needs. The rough-around-the-edges bad boy left his reckless ways behind six years ago when his daughter Bell was born. To the frustration of the population's dismay, he's unapologetically single. When Bell's mother walked out on them years ago, he vowed never to let another woman close enough to hurt them again. Amelia Van Ecken isn't just another woman. She's an independent, smart, and savvy businesswoman who doesn't have time for sex, much less love. In the midst of a drawn-out, bitter divorce, all she wants is to focus herself in work. But when sharp-tongued Amelia and stubborn Andrew cross paths, sparks fly-and burn. Two things are obvious from the instant: they want each other, and they're from different worlds. It's the perfect formula for an off-the-charts one-night stand, but it's not as if opposites ever attract. The First Taste is a standalone, dual-POV spin-off of Amazon bestselling romance, Slip of the Tongue. It's not necessary to read them in order, however, it's recommended to avoid spoilers.

Charming and beautifully rendered, this is a big-hearted hopeful novel, full of life and love." --Stacey May Fowles, author of Baseball Life Advice: Loving the Game that Saved Me "When we think of Amelia Earhart, we think enigmatic adventurer and feminist pioneer--and, of course, of her mysterious disappearance.
