The Book of Mormon Aug 14 2021 Late one night in 1823, Joseph Smith, Jr., was reportedly visited in his family's farmhouse in upstate New York by an angel named Moroni. According to Smith, Moroni told him of a buried stack of gold plates that were inscribed with a history of the Americas' ancient peoples, and which would restore the pure Gospel message as Jesus had delivered it to them. Thus began the unlikely career of the Book of Mormon, the founding text of the Mormon religion, and perhaps the most important sacred text ever to originate in the United States. Here Paul Gutjahr traces the life of this book as it has formed and fractured different strains of Mormonism and transformed religious expression around the world. Gutjahr looks at how the Book of Mormon emerged from the burned-over district of upstate New York, where revivalist preachers, missionaries, and spiritual entrepreneurs of every stripe vied for the loyalty of settlers desperate to scratch a living from the land. He examines how a book that has long been the subject of ridicule--Mark Twain called it "chloroform in print"--has more than 150 million copies in print in more than a hundred languages worldwide. Gutjahr shows how Smith's influential book launched one of the fastest growing new religions on the planet, and has been featured in everything from comic books and action figures to feature-length films and an award-winning Broadway musical.--Publisher.

An Insider's View of Mormon Origins Jul 25 2022 Over the past thirty years, an enormous amount of research has been conducted into Mormon origins—Joseph Smith's early life, the Book of Mormon, the prophet's visions, and the restoration of priesthood authority. Longtime LDS educator Grant H. Palmer suggests that most Latter-day Saints remain unaware of the significance of these discoveries, and he gives a brief survey for anyone who has ever wanted to know more about these issues. He finds that much of what we take for granted as literal history has been tailored over the years—slightly modified, added to, one aspect emphasized over another—to the point that the original narratives have been nearly lost. What was experienced as a spiritual or metaphysical event, something from a different dimension, often has been refashioned as if it were a physical, objective occurrence. This is not how the first Saints interpreted these events. Historians who have looked closer at the foundational stories and source documents have restored elements, including a nineteenth-century world view, that have been misunderstood, if not forgotten.

Book of Mormon Book of Lies Jan 27 2020 The Book of Mormon is one of the boldest hoaxes of all time. And millions of people have fallen for it. Co-author, Kendal M. Sheets: Joseph Smith Jr. claimed that an angel gifted him-an uneducated farm boy-with ancient golden plates and the ability to translate their hieroglyphics. From that improbable premise sprang The Book of Mormon and the Church of Jesus Christ of Latter-Day Saints, with its millions of followers, known as Mormons. In *Book of Mormon, Book of Lies*, authors Meredith Ray Sheets and Kendal M. Sheets expose The Book of Mormon and the story surrounding its creation as one of the greatest deceptions in the history of America, if not the entire world. The result of twenty-five years of research, *Book of Mormon, Book of Lies* will alter the course of global religion, finance, and politics. *Book of Lies* proves that Smith's manuscript, which he published in 1830, is nothing more than cleverly disguised plagiarism of *The Travels of Marco Polo*, the voyage of Christopher Columbus to the New World as recorded by his son, histories of the Spanish conquest of Mexico, and travel journals . . . all readily available to Smith. In *Book of Lies*, Meredith Sheets, a retired petroleum executive, and Kendal M. Sheets, an experienced intellectual property attorney, compare content from historic books with the content of The Book of Mormon. The results are astonishing. For the first time ever, the authors show exactly how the American-born religion of Mormonism and its religious scriptures were created by man and not by God.

For the Strength of Youth Jul 01 2020 OUR DEAR YOUNG MEN AND YOUNG WOMEN, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.

The Book of Mormon Girl Mar 21 2022 Story about leaving behind the innocence of childhood belief and embracing the complications and heartbreaks that come to every adult life of faith. Explores the author's journey through her faith, and the experience of being a Mormon.

The Book of Mormon Nov 24 2019 An inside look at the foundational sacred text of one of the world's youngest and fastest growing religions. The Book of Mormon stands alongside the Bible as the keystone of The Church of Jesus Christ of Latter-day Saints (LDS Church/Mormonism). Translated by the prophet Joseph Smith from ancient writings inscribed on golden plates, the Book of Mormon is an account of people living in the Western Hemisphere in a timeline that parallels that of the Bible. It covers a thousand years of loss, discovery, war, peace, and spiritual principles that focus on the teachings of Jesus Christ, outlining a plan for salvation and the responsibilities we must assume to attain it. **The Book of Mormon: Selections Annotated & Explained** explores this sacred epic that is cherished by more than twelve million members of the LDS church as the keystone of their faith. Probing the principal themes and historical foundation of this controversial and provocative narrative, Jana Riess focuses on key selections that offer insight into contemporary Mormon beliefs and scriptural emphases, such as the atonement of Christ, the nature of human freedom, the purpose of baptism, and the need for repentance from sin. She clarifies the religious, political, and historical events that take place in the ancient communities of the Book of Mormon and their underlying contemporary teachings that serve as the framework for spiritual practices that lie at the core of Mormon life. Now you can experience this foundational sacred text even if you have no previous knowledge of Mormonism. This SkyLight Illuminations edition presents the key teachings and essential concepts of the Mormon faith tradition with insightful yet unobtrusive commentary that helps to dispel many of the misconceptions that have surrounded the Book of Mormon since its publication in 1830.

1830 Book of Mormon May 31 2020 This 1830, 1st Edition Book of Mormon is unique in that it contains an original Index; a Cross Reference to current LDS versification; modern day photos of significant Book of Mormon historical sites; and early revelations pertaining to The Book of Mormon.

Triple Combination Feb 08 2021 Book containing the Book of Mormon, the Doctrine and Covenants, and the Pearl of Great Price as well as study aids. These are considered scriptures of the Church of Jesus Christ of Latter-day Saints.

The Book of Mormon Sep 15 2021 With over 140 million copies in print, and serving as the principal proselytizing tool of one of the world's fastest growing faiths, the Book of Mormon is undoubtedly one of the most influential religious texts produced in the western world. Written by Terryl Givens, a leading authority on Mormonism, this compact volume offers the only concise, accessible introduction to this extraordinary work. Givens examines the Book of Mormon first and foremost in terms of the claims that its narrators make for its historical genesis, its purpose as a sacred text, and its meaning for an audience which shifts over the course of the

history it unfolds. The author traces five governing themes in particular—revelation, Christ, Zion, scripture, and covenant—and analyzes the Book's central doctrines and teachings. Some of these resonate with familiar nineteenth-century religious preoccupations; others consist of radical and unexpected takes on topics from the fall of Man to Christ's mortal ministries and the meaning of atonement. Givens also provides samples of a cast of characters that number in the hundreds, and analyzes representative passages from a work that encompasses tragedy, poetry, sermons, visions, family histories and military chronicles. Finally, this introduction surveys the contested origins and production of a work held by millions to be scripture, and reviews the scholarly debates that address questions of the record's historicity. Here then is an accessible guide to what is, by any measure, an indispensable key to understanding Mormonism. But it is also an introduction to a compelling and complex text that is too often overshadowed by the controversies that surround it. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Book of Mormon Nov 05 2020 Hello. I would like to share with you the most amazing book. In celebration of the making of The Book of Mormon, the authors, production team, and entire original cast recount their experiences as they grew their show from the initial idea to opening night on Broadway. With the complete book and lyrics annotated by the full creative team and cast, along with more than 700 photographs and illustrations, they share the journey that began one night in a Manhattan bar and culminated seven years later in the achievement that is The Book of Mormon.

[A New Approach to Studying the Book of Mormon](#) Aug 02 2020 A formatted version of the Book of Mormon organized by events emphasizing narrators, speakers, locations, dates and quoted passages

The Mysteries of Godliness Jul 21 2019 Providing a fascinating chronology of developments associated with Latter-day Saint temples and temple ordinances, this source book discusses the origins of the temple concept, comparative rituals, and changes in ceremonies. Buerger charts the abandonment of the adoption sealing which once linked unrelated families and examines the near disappearance of the second anointing, once considered the crowning ordinance of the temple.

Studies of the Book of Mormon Feb 20 2022 Available for the first time fifty years after the author's death, *Studies of the Book of Mormon* presents this respected church leader's investigation into Mormonism's founding scripture. Reflecting his talent for combining history and theology, B. H. Roberts considered the evident parallels between the Book of Mormon and Ethan Smith's *View of the Hebrews*, a book that predated the Mormon scripture by seven years. If the Book of Mormon is not historical, but rather a reflection of the misconceptions current in Joseph Smith's day regarding Indian origins, then its theological claims are suspect as well,

Roberts asserted. In this and other research, it was Roberts's proclivity to go wherever the evidence took him, in this case anticipating and defending against potential future problems. Yet the manuscript was so poorly received by fellow church leaders that it was left to Roberts alone to decide whether he had overlooked some important piece of the puzzle or whether the Mormon scripture's claims were, in fact, illegitimate. Clearly for most of his colleagues, institutional priorities overshadowed epistemological integrity. But Roberts's pathbreaking work has been judged by the editor to be methodologically sound-still relevant today. It shows the work of a keen mind, and illustrates why Roberts was one of the most influential Mormon thinkers of his day. The manuscript is accompanied by a preface and introduction, a history of the documents' provenances, a biographical essay, correspondence to and from Roberts relating to the manuscript, a bibliography, and an afterword-all of which put the information into perspective.

By the Hand of Mormon Jan 07 2021 Finally, in exploring what Martin Marty refers to as the Book of Mormon's "revelatory appeal," Givens highlights the Book's role as the engine behind what may become the next world religion."--BOOK JACKET.

The Book of Mormon Nov 17 2021 This is an exact facsimile reprint of the original, 1830 edition of The Book of Mormon, the authoritative scripture of the Church of Jesus Christ of Latter-day Saints. This book presents the original transcription of Joseph Smith's dictated translation of the golden plates. This faithful reproduction of the earliest manuscript of the Book of Mormon perfectly preserves the original text, including the spellings, punctuation, and typography of the book as it was written and printed for the first time in 1830. The first edition Book of Mormon is composed in a narrative, paragraph format, uninterrupted by verses and chapters, which many readers will find easier to digest. For those interested in experiencing the original Book of Mormon, this high quality reprint will make a wonderful addition to your library.

"This Is My Doctrine" Mar 29 2020 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s. This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose. Early Mormons, like their early Christian and even earlier Israelite predecessors, brought with them their own varied culturally conditioned theological presuppositions (a process of convergence) and only later acquired a more distinctive theological outlook (a process of differentiation). In this first-of-its-kind comprehensive treatment of the development of Mormon theology, Charles Harrell traces the history of Latter-day Saint doctrines from the times of the Old Testament to the present. He describes how Mormonism has carried on the tradition of the biblical authors, early Christians, and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures. In the process, he probes three questions: How did Mormon doctrines develop? What are the scriptural underpinnings of these doctrines? And what do critical scholars make of these same scriptures? In this

enlightening study, Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology. "This Is My Doctrine" will provide those already versed in Mormonism's theological tradition with a new and richer perspective of Mormon theology. Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions.

The Book of Mormon for Latter-Day Saint Families Apr 29 2020 This volume contains the full text of the Book of Mormon in large type, footnotes, definitions, explanations of important concepts, questions for young readers to ponder, and beautiful, full-color illustrations and paintings by Clark Kelley Price, Robert Barrett, Scott Snow, Del Parson, Garry Kapp, Ted Henninger, and Tom Lovell.

The Mormon Cult Dec 18 2021 Scrutinizing the experience of growing up Mormon, this personal narrative tells the story of one man's disillusionment with his faith and subsequent excommunication from the Church. This account reveals what is posited as inherent racism and sexism within the church and seeks to expose the controlling methods of indoctrination and the harsh process of excommunication. The basic tenets of the religion are explained, personal stories and analyses are shared, and church authorities are cited to support the claims of extreme gender and racial discrimination. From unknowing follower to angry rebel, and finally to a content, worldly man, this book recounts the experience of a survivor who feels the duty to explain his truth.

God's Church on Earth Feb 26 2020

A Case for The Book of Mormon Apr 22 2022

The Book of Abraham May 23 2022 The story begins in Jerusalem in 70 AD as Abraham the Temple scribe flees the destruction of his home. Two thousand years and a hundred generations later, another Abraham perishes, immolated in the fires of the Warsaw Ghetto.

A Plain English Reference to the Book of Mormon Sep 22 2019 With notes that expound on ideas or share insights, and key concepts before each chapter, this book is a useful tool for students of all ages. Quickly and easily gain a better grasp on the stories, timelines, and relationships within "the keystone of our religion" with this book that's perfect for the whole family.

The Book of Mormon Oct 28 2022 Regarded as sacred scripture by millions, the Book of Mormon -- first published in 1830 -- is one of the most significant documents in American religious history. This new reader-friendly version reformats the complete, unchanged 1920 text in the manner of modern translations of the Bible, with paragraphs, quotations marks, poetic forms, topical headings, multichapter headings, indentation of quoted documents, italicized reworkings of biblical prophecies, and minimized verse numbers. It also features a hypothetical map based on internal references, an essay on Book of Mormon poetry, a full glossary of names, genealogical charts, a basic bibliography of Mormon and non-Mormon scholarship, a chronology of the translation, eyewitness accounts of the gold plates, and information regarding the lost 116 pages and significant changes

in the text. The Book of Mormon claims to be the product of three historical interactions: the writings of the original ancient American authors, the editing of the fourth-century prophet Mormon, and the translation of Joseph Smith. The editorial aids and footnotes in this edition integrate all three perspectives and provide readers with a clear guide through this complicated text. New readers will find the story accessible and intelligible; Mormons will gain fresh insights from familiar verses seen in a broader narrative context. This is the first time the Book of Mormon has been published with quotation marks, select variant readings, and the testimonies of women involved in the translation process. It is also the first return to a paragraphed format since versification was added in 1879.

The Book of Mormon Dec 06 2020 The most accurate and readable edition of the Book of Mormon ever published, based on the earliest sources available "The product of over two decades of painstaking labor by Royal Skousen . . . this Yale edition aims to take us back to the text Smith envisioned as he translated, according to the faithful, from golden plates that he unearthed in upstate New York."--Stephen Prothero, Wall Street Journal "Will forever change the way Latter-day Saints approach modern scripture. Two hundred years from now... students of the Book of Mormon will still be poring over Skousen's work. What he has accomplished is nothing short of phenomenal."--Grant Hardy, Journal of Book of Mormon Studies First published in 1830, the Book of Mormon is the authoritative scripture of the Church of Jesus Christ of Latter-day Saints and its estimated 13 million members. Over the past twenty-one years, editor Royal Skousen has pored over Joseph Smith's original manuscripts and identified more than 2,000 textual errors in the 1830 edition. Although most of these discrepancies stem from inadvertent errors in copying and typesetting the text, the Yale edition contains about 600 corrections that have never appeared in any standard edition of the Book of Mormon, and about 250 of them affect the text's meaning. Skousen's corrected text is a work of remarkable dedication and will be a landmark in American religious scholarship. Completely redesigned and typeset by nationally award-winning typographer Jonathan Saltzman, this new edition has been reformatted in sense-lines, making the text much more logical and pleasurable to read. Featuring a lucid introduction by historian Grant Hardy, the Yale edition serves not only as the most accurate version of the Book of Mormon ever published but also as an illuminating entryway into a vital religious tradition.

Recovering Agency May 11 2021 In 2012, Mormon General Authority Marlin K. Jensen acknowledged that members are leaving the Church of Jesus Christ of Latter-day Saints "in droves." Access to the internet is often credited and blamed for this mass exodus, where members learn about problematic doctrines and cover-ups of LDS history. Many are happy as Mormons. And many are not. Those who leave, and those doubters who stay, face struggles that few others can understand. Much of this suffering is caused by manipulative and controlling techniques pervasive throughout LDS doctrines and culture. Understanding these techniques will help recovering Mormons overcome the effects of belonging to a high-demand

group. As a former Mormon, Luna Lindsey experienced this coercive persuasion firsthand. *Recovering Agency* presents years of research into social psychology and the science of cult dynamics, to describe 31 mind control techniques, alongside examples of their use in Mormon scripture, lessons, and from the pulpit. Even if you have never been Mormon, chances are that coercive influence techniques have been used to manipulate you at some point. Turn the pages and learn the answers to longstanding questions about this unique American religion and about the human mind.

The Book of Mormon Girl Jun 12 2021 Story about leaving behind the innocence of childhood belief and embracing the complications and heartbreaks that come to every adult life of faith. Explores the author's journey through her faith, and the experience of being a Mormon.

Who Really Wrote the Book of Mormon? Apr 10 2021 Authors determine that The Book of Mormon is an adaptation of an obscure historical novel. Read about their findings.

The Book of Mormon Script Book Jun 24 2022 The only official companion book to the Tony Award winner for Best Musical from the creators of South Park and the co-creator of Avenue Q. Features the complete script and song lyrics, with 4-color spot illustrations throughout, an original introduction by the creators, and a foreword by Mark Harris. The Book of Mormon, which follows a pair of mismatched Mormon boys sent on a mission to a place that's about as far from Salt Lake City as you can get, features book, music, and lyrics by Trey Parker, Robert Lopez and Matt Stone. Parker and Stone are the four-time Emmy Award-winning creators of Comedy Central's landmark animated series South Park. Tony Award-winner Lopez is co-creator of the long-running hit musical comedy Avenue Q. The Book of Mormon is choreographed by three-time Tony Award-nominee Casey Nicholaw (Monty Python's Spamalot, The Drowsy Chaperone) and is directed by Nicholaw and Parker. The book includes • an original foreword by journalist Mark Harris (author of Pictures at a Revolution) • an original introduction by the authors on the genesis of the show • a production history • the complete book and lyrics, with four-color spot illustrations throughout.

Americanist Approaches to the Book of Mormon Jul 13 2021 As the sacred text of a modern religious movement of global reach, The Book of Mormon has undeniable historical significance. That significance, this volume shows, is inextricable from the intricacy of its literary form and the audacity of its historical vision. This landmark collection brings together a diverse range of scholars in American literary studies and related fields to definitively establish The Book of Mormon as an indispensable object of Americanist inquiry not least because it is, among other things, a form of Americanist inquiry in its own right--a creative, critical reading of "America." Drawing on formalist criticism, literary and cultural theory, book history, religious studies, and even anthropological field work, *Americanist Approaches to The Book of Mormon* captures as never before the full dimensions and resonances of this "American Bible."

Interpreter: A Journal of Mormon Scripture, Volume 14 (2015) Aug 22 2019

This is volume 14 (2015) of *Interpreter: A Journal of Mormon Scripture* published by The Interpreter Foundation.
