The turning point Jul 21 2021 This book contains 45 chapters. Think about accomplishing only the goals you have set. If you focus on more than one goal at once, your chances of success are slim. When you set only one goal, then your brain tries to fulfill that goal in every way. In this state your mind becomes focused on a single goal. Now imagine that you are standing in a floating boat. You see two islands simultaneously. Someone tells you that on one island there is a box full of gold and on another island there is a silver box. So what will you do? Will you pick up those boxes from both islands simultaneously? "No " You will pick one box first and then the second one. That is, you cannot accomplish two goals simultaneously. First you have to complete one goal, then the other goal. So keep one goal at a time. Focus your attention on only one goal at a time. If you want to be successful, you have to remain focused. Art Masters: Basquiat May 07 2020 The dazzling, provocative work of Jean-Michel Basquiat (1960-1988) would come to define the vibrant New York art scene of the late '70s and early '80s. Punk, jazz, graffiti, hip-hop: his work drew heavily on the cultural trappings of lower Manhattan, to which he fled--from Brooklyn--at the age of 15. This stunning graphic novel captures the dramatic life and exhilarating times of this archetypal New York artist, covering everything from the SAMO graffiti project to his first solo show, from his relationship with Andy Warhol to the substance abuse that would cost him his life. Today, Basquiat's influence can be seen not only in fine art but in fashion, design, and music. Now, for the first time, his remarkable story is told in graphic novel form. This playful, authoritative biography shows Basquiat's work to be more important, his themes more urgent, than ever before.

Phoenix Rising Aug 29 2019 Nyle's life with her grandmother on their Vermont sheep farm advances rhythmically through the seasons until the night of the accident at the Cookshire nuclear power plant. Without warning, Nyle's modest world fills with protective masks, evacuations, contaminated food, disruptions, and mistrust. Nyle adjusts to the changes. As long as the fallout continues blowing to the East, Nyle, Gran, and the farm can go on. But into this uncertain haven stumble Ezra Trent and his mother, "refugees" from the heart of the accident, who take temporary shelter in the back bedroom of Nyle's house. The back bedroom is the dying room: It took her mother when Nyle was six; it stole away her grandfather just two years ago. Now Ezra is back there and Nyle doesn't want to open her heart to him. Too many times she's let people in, only to have them desert her. Karen Hesse's voice and vision are grounded in truth; she takes on a nearly unharnessable subject, contains it, and makes it resonate with honesty. Part love story, part coming of age, *Phoenix Rising* is a tour de force by a gifted writer.

En los márgenes del canon Jun 07 2020 El panorama actual de los estudios literarios y de la industria editorial parece enfrentarnos a una situación paradójica: si, por un lado, ya nadie parece atreverse a justificar abiertamente la exclusión de la literatura popular y de masas del campo de estudio de la crítica literaria, por otro, siguen siendo insuficientes los trabajos científicos dedicados al tema. Asimismo, nos encontramos ante otro fenómeno destacado en la relación que se establece entre la literatura popular y de masas: la apertura de los mercados y del espacio editorial a un tipo de creación no canónica ha conseguido también aportar la suficiente amplitud como para que, junto a aclamados best-sellers, convivan en el mismo espacio de la librería/mercado diferentes muestras de la literatura popular. En los márgenes del canon ha intentado mantener un criterio que dé cabida al mayor número de expresiones posibles: desde la hibridación de géneros o las manifestaciones orales de la literatura, hasta los nuevos fenómenos del blog y la creación en internet, pasando por las adaptaciones en cine y televisión, o la consolidación del cómic como género. La intención principal de esta obra es generar un espacio de reflexión a partir de nuevos enfoques de un tema que, a principios del siglo XXI, goza de plena vigencia.

Y por «juguetes» me refiero a los que de verdad son divertidos, de esa clase que toda mujer (y hombre) necesita. Ojalá pudiese descubrir qué es lo que oculta... o conseguir que mi libido se comporte. Porque mezclar negocios y placer es una mala idea, y Dragomir Lamian puede no ser lo que parece. NOTA: Esta es una comedia romántica independiente, cargada de erotismo cocinado a fuego lento, que presenta a una heroína segura de sí misma y obsesionada con los juguetes pero que conoce todas las supersticiones rusas imaginables, y de su gracioso primer encuentro entre ella, un sexy y misterioso desconocido, y dos perros con gran apetito sexual (uno de los cuales es posible que ya tenga su propio juguetito). Si hay algo de todo eso que no vaya contigo, sal corriendo enseguida. De lo contrario, abróchate el cinturón y prepárate para un viaje placentero y cargado de risas.

Lamb to the Slaughter (A Roald Dahl Short Story) Sep 22 2021 Lamb to the Slaughter is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale. Lamb to the Slaughter is taken from the short story collection *Someone Like You*, which includes seventeen other devious and shocking stories, featuring the two men who make an unusual and chilling wager over the provenance of a bottle of wine; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer) This story is also available as a Penguin digital audio download read by Juliet Stevenson.

Beyond The Back Room Jan 27 2022 This collection of essays examines current trends in scholarly research on Spanish author Carmen Martín Gaité (1925-2000). It concentrates on the least explored areas of Martín Gaité's oeuvre, such as her collage artwork, the relationship between image and text in her work, and her close relationship with themes such as genre writing, the fairy tale, and textual/physical notions of space, as well as her personal theories on orality and narration. As we pass the tenth anniversary of her death, Martín Gaité continues to be an increasing focus of study, as scholars start to identify and comprehend the breadth and scope of her work. The essays in the volume complement previous studies of Martín Gaité's major works from the 1960s and 1970s by focusing largely on her later novels, together with in-depth analysis of the manuscripts and artistic materials that have been made available since her death.
