The Biblical Studies Workbook: a Personal Workbook for a Book by Book Understanding of the Bible Mar 17 2021 **BIBLICAL STUDIES** - When a Bible Student or Seminarian begins to lay the basic foundations of the Old and New Testament, one of the first assignments is to provide a book-by-book summary of each biblical book. This is a basic exercise, but like every good foundation, it's one that can't be skipped. An understanding of the larger contexts and contents of each biblical book not only aids in understanding of individual passages, but also reinforces our understanding of all of Scripture. **PERSONAL NOTES** - This workbook is designed for you to work through each of the books of the Bible and produce your own personal book summaries. You have the chance to reflect on authorship, theological themes, as well as provide a basic outline of each book of the Bible. As you work through the Bible, you'll be able to trace similar theological themes and whole Bible connections. **SIMPLE WORKBOOK** - What you'll find within this book is a simple template that will allow you to work through each of the book fo the Bible in a way that deepens your understanding. Also, as you fill up this book you will grow in your understanding of each book of the Bible, and the larger message of the Bible as a whole. **ADDITIONAL RESOURCES** - In the back of this book I've included two appendices. The first provides my recommended commentaries on each book of the Bible. The second provides my recommended books with regards to Old Testament Introductions, New Testament Introductions, Biblical Theology, and Hermeneutics. This is a really simple workbook, and it's one that will require you to put in a lot of work. But, the outcome will be a deeper understanding of God, specific books of the Bible, and the whole Bible. Size: 7"x10" Pages: 162 Category: Theology, Biblical Studies, Bible Workbook
